HOURS OF EMPLOYMENT.

Day Workers.

3. The hours of employment shall be 40 per week to be worked in five days. The commencing and finishing times once having been determined shall be alterable only by agreement, or by the employer giving the employees at least seven days' notice of the alteration.

Shift Workers.

(i) The ordinary hours of a shift shall be eight, inclusive of 20 minutes for a meal break.

(ii) Men working on afternoon or night shift work shall be paid, in addition to the rates set out in clause 2, at the rate of 10s. per week. Where it is mutually agreed between employer and employees to commence work earlier than midnight, as starting time for the night shift, work done between such commencing time and midnight shall be regarded as work done on the following day, and shall be paid for at the rate applying to that day's work.

(iii) Shift rosters shall specify the commencing and finishing times of the ordinary working hours of the respective shifts. These times once having been determined may be varied by agreement between the employer and the majority of the men concerned or failing agreement, by seven days' notice given by the employer to the men concerned.

(iv) "Afternoon shift" means any shift finishing after 6 p.m. and at or before midnight.

"Night shift" means any shift finishing after midnight and at or before 9 a.m.

OVERTIME.

4. Time and a half for the first four hours and double time thereafter shall be paid for all work done:—

(a) outside the usual starting and finishing times;

(b) within the usual starting and finishing times and in excess of 8 hours per day. Provided that where an employee is late for work he shall not be entitled to be paid at overtime rates until he has worked 8 hours for that day.

WEEKLY EMPLOYMENT.

5. (a) Employment shall be by the week. Any employee not specifically engaged as a casual employee shall be deemed to be employed by the week.

(b) Employment shall be terminated by a week's notice on either side given at any time during the week or by the payment or forfeiture of a week's wages as the case may be. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such cases the wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike or through any breakdown in machinery or any stoppage of work by any cause for which the employer cannot reasonably be held responsible.

EMPLOYMENT FOR LESS THAN A FULL WEEK.

6. Employees who work during any week for less than 40 hours shall be paid for the first 20 hours at the rate of time and a quarter and for all time thereafter ordinary time up to but not exceeding the ordinary wages rate for an ordinary week's work. Provided that an employee shall be paid only for the time actually worked in any week the ordinary rate of wages where—

(a) he voluntarily terminates his employment,

(b) he is dismissed for misconduct or neglect of duty,

(c) he voluntarily absents himself for any part of such week,

(d) he attends but is not capable of satisfactorily carrying out his duties,

(e) he commences, what is intended to be continuous employment, after the beginning of the normal working week.

This clause shall not apply in the case of a shiftworker who, subject to clause 4, is paid three weeks' wages in respect of three consecutive weeks' work; nor in the event of any breakdown of machinery or plant which prevents the continuation of production.

HOLIDAYS.

7. All employees shall be entitled to the twelve holidays hereinafter mentioned without any deduction from the weekly rate of pay viz.:—New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Labour Day, Anzac Day, Queen's Birthday, Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays then this condition shall apply only for the day so substituted.

This shall not affect the right of an employer to require any employee to work on any such day (except Anzac Day) provided that such employee is paid the extra rates as set out in clause 8; an employee who, without permission from the employer, is absent on the working day immediately preceding such holiday or who likewise fails to resume work on the working day immediately following such holiday shall not be entitled to such payment.

7A. In connexion with the visit to Australia of Her Majesty Queen Elizabeth II., where a Public Holiday or Public Half-holiday is proclaimed by Order in Council throughout any Municipality of part thereof, or within any defined area, such Public Holiday or Public Half-holiday shall, so far as such Municipality or part thereof, or such defined area, is concerned, be deemed to be included in the list of Holidays herein prescribed in clauses 7 and 8 hereof.

Provided that an employee who fails to attend for work on the working days before and/or after such public holiday or public half-holiday without reasonable excuse shall not be entitled to be paid for such public holiday or public half-holiday.

SPECIAL RATE FOR SUNDAYS AND HOLIDAYS.

8. Double time shall be the special rate for all work done on Sunday, New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Labour Day, Queen's Birthday, Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays then the special rate shall be payable only for the day so substituted.

ANNUAL HOLIDAY.

9. The annual holiday shall be as prescribed by the provisions of the *Factories and Shops (Annual Holidays) Act 1946*, No. 5111, and any amendments which may be made thereto from time to time.

MEAL ALLOWANCE.

10. A meal allowance of 2s. shall be paid to an employee in respect of any day on which he is required to work for a period of not less than two hours after the usual finishing time, unless he is notified by the employer on the previous day that he will be required to work such extra time.

SICK LEAVE.

11. (a) Where an employee has been in the service of an employer for a period of not less than three months, and is disabled by personal ill health, proof of which sickness is given to the employer by the production of a certificate from a legally qualified Medical Practitioner, statutory declaration, or other satisfactory evidence, within 48 hours of the employee's consequential absence, he shall, on account thereof, be entitled without deduction of pay at ordinary rates to absent himself from work for a period not exceeding in the aggregate 40 hours of working time in any year of employment in the industry.

(b) Notwithstanding anything contained in sub-clause (a) hereof, if the full period of sick leave as prescribed herein is not taken in any year, such portion as is not taken shall, provided an employee remains in the service of the one employer, or any successor of such employer, be cumulative from year to year up to a period not exceeding 120 hours of working time, which shall be the maximum amount of leave to which an employee may be entitled in any year of service without deduction of pay.

(c) For the purpose of this clause the year shall be deemed to commence on July 1st, (beginning on July 1st, 1946) and to end on the next following June 30th, and for the purpose of sub-clause (b) hereof service prior to 1st July, 1946, shall be disregarded.

PERIODICAL ADJUSTMENT OF WAGES.

12. The wages rates for adults set out in clause 2 are based upon the following basic wage, and, pursuant to the provisions of section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rates shall be automatically adjusted by the same amount and at the same time as such basic wage as prescribed by clause 13.
