APPRENTICESHIP.

(Other than for apprentices covered by the Apprenticeship Commission.)

3. (a) An employer shall not employ any minor in watch or clockmaking and/or repairing unless under a contract of apprenticeship, provided that any person who, on the 1st August, 1947, was employed as an improver may continue to be so employed and paid at the rate prescribed in clause 2 for an improver of like experience.

As from the 1st August, 1947, no person may be bound as an apprentice to the trade except with the permission of the Chairman of the Wages Board.

Proportion.

(b) One apprentice to every two or fraction of two workers, other than apprentices, receiving not less than the minimum wage for a tradesman as fixed from time to time, provided that an employer may, on application to and with the consent of the Wages Board, after satisfying such Board that he has the plant, equipment, and staff necessary for the proper tuition of each apprentice, take apprentices in excess of the proportion herein prescribed.

Contract of Apprenticeship.

(c) Every contract of apprenticeship hereinafter made shall contain—

- (i) the names of the parties;
- (ii) the date of birth of the apprentice;
- (iii) a statement of the trade or trades to which the apprentice is to be bound and which he is to be taught during the course and for the purpose of the apprenticeship;
- (iv) a covenant by the master to teach and instruct or cause the apprentice to be taught or instructed in the trade to which the apprentice is bound;
- (v) the date at which the apprenticeship is to commence or from which it is to be calculated;
- (vi) all other conditions of apprenticeship.

Cancellation or Suspension of Indenture.

(d) Subject to the approval of the Secretary for Labour, but not otherwise, an indenture of apprenticeship may be suspended or cancelled—

- (i) by mutual consent;
- (ii) if through lack of orders or financial difficulties an employer is unable to find suitable employment for an apprentice and a transfer to another employer cannot be arranged;
- (iii) if, in the opinion of the Secretary for Labour, circumstances exist which render such suspension or cancellation necessary or desirable.

Any covenant in an indenture inconsistent with the provisions of this clause shall be null and void and of no force or effect while this Determination remains in force and applies to the parties to the indenture.

Adult Apprentices.

(e) Any apprentice who cannot complete his full term of apprenticeship before reaching his twenty-first birthday may, by consent of the Secretary for Labour, serve as an apprentice until he completes his indenture.

Annual Leave, Sick Leave &c.

(f) The conditions as to hours of work, holidays, annual leave, and sick leave herein prescribed for adult employees shall apply to apprentices.

Lost Time.

(g) The apprentice at the end of the calendar period of any year in which he has actually given service to the master upon less than the ordinary working days prescribed in this Determination, or in which he has unlawfully absented himself without the master's consent shall, for every day short of the said number of working days, and for every day of such absence, serve one day, and the calendar period of the succeeding year of his service shall not be deemed to begin until the said additional day or days shall have been served. Provided that in calculating the extra time to be so served the apprentice shall be credited with time which he has worked during the relevant year in excess of his ordinary hours.

Prohibition of Premiums.

(h) An employer shall not, either directly or indirectly, or by any pretence or device receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or bonus for the taking or binding of any probationer or apprentice.

Probationary Period.

(i) Minors shall be apprenticed as from the date of commencing work with an employer, but notwithstanding anything contained elsewhere in this Determination the first six months of service shall be deemed to be a probationary period, and the indenture may be terminated by any party thereto during such period of probation without any obligation to any other party or parties.

Tools.

(j) The employer shall supply all necessary tools in the first year of apprenticeship, and the apprentice shall supply all tools excepting a lathe in the second and succeeding years, provided that the apprentice shall supply his own lathe by the beginning of the fifth year.

HOURS OF WORK.

4. The ordinary hours of work shall be 40 per week to be worked in five days of not more than 8 hours (Monday to Friday inclusive) and one day (Saturday) of not more than 4 hours; or five days (Monday to Friday inclusive) of 8 hours each continuously except for meal breaks at the discretion of the employer, between 7.30 a.m. and 6 p.m. on Monday to Friday inclusive, and 8 a.m. and 1 p.m. on Saturday.

Provided that the spread of hours or daily hours prescribed may be altered as to all or a section of the employees by mutual agreement between an employer and his employees.

OVERTIME.

5. (a) For all work done outside ordinary hours the rates of pay shall be time and a half for the first four hours and double time thereafter, such double time to continue until the completion of the overtime work. Provided that in the case of an apprentice or an improver the rate for overtime shall be not less than the rate herein prescribed or 1s. 6d. per hour, whichever is the higher.

In computing overtime each day's work shall stand alone.

(b) An employee required to work overtime in excess of one hour after the usual time of ceasing work and who was not notified on the previous day of the intention to work such overtime shall be paid 2s. 6d. as tea money in addition to overtime rates for work done.

6. (a) Employees shall be entitled to the following public holidays without loss of pay as regards employees on weekly hiring:—New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Queen's Birthday, Labour Day, Anzac Day, Christmas Day, and Boxing Day, or such other day as is generally observed in the locality as a substitute for any of the said days respectively. Should the 25th December, in any year occur on a Sunday the following Monday and Tuesday shall, for the purposes of this Determination, be deemed to be Christmas Day and Boxing Day respectively. Likewise should the 1st January in any year occur on a Sunday the following Monday shall be deemed to be New Year's Day.

By agreement between any employer and his employees, other days may be substituted for the said days or any of them as to such employer's undertaking.

(b) An employee engaged on piece-work shall be paid for such holidays at the appropriate time rate of pay.

6A. In connexion with the visit to Australia of Her Majesty Queen Elizabeth II., where a public holiday or public half-holiday is proclaimed by Order in Council throughout any municipality or part thereof, or within any defined area, such public holiday or public half-holiday shall, so far as such municipality or part thereof, or such defined area is concerned, be deemed to be included in the list of holidays prescribed in clause 6 hereof.

Weekly Employment.

9. (a) Except as hereinafter provided, employment shall be by the week. Any employee not specifically engaged as a casual employee shall be deemed to be employed by the week.

(b) Employment shall be terminated by a week's notice on either side given at any time during the week or by the payment or forfeiture of a week's wages as the case may be. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such cases the wages shall be paid up to the time of dismissal only or to deduct payment for any day the employee cannot be usefully employed because of any strike or through any breakdown in machinery or any stoppage of work by any cause for which the employer cannot reasonably be held responsible.

(c) An employee not attending for duty shall lose his pay for the actual time of such non-attendance.

Casual Employment.

(d) A casual employee is one engaged and paid as such. A casual employee for working ordinary time shall be paid per hour one-fortieth of the weekly rate prescribed by this Determination for the work which he performs, plus ten per cent, together with any payment to which he is entitled pursuant to the provisions of the Act referred to in clause 10 hereof.

(i) During the first year—3½ hours' ordinary pay for each complete month of service;

(ii) During any subsequent year of service—40 hours' ordinary pay.

Provided that in either case such employee produces or forwards within 48 hours of the commencement of such absence evidence satisfactory to the employer that his or her non-attendance was due to personal ill health or accident necessitating such absence.

(b) If the full period of sick leave as prescribed above is not taken in any year such portion as is not taken shall, provided an employee remains in the service of the one employer, or any successor of such employer, be cumulative from year to year. For the purposes of this sub-clause service prior to the 1st July, 1948, shall be disregarded.

The piecework prices prescribed in clause 14 are based upon a basic wage of £11 18s. per week. 16. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.

(b) Until the beginning of the first pay period to commence in August, 1954, the amount of the basic wage shall be as prescribed in clause 15.

(c) During each future successive period beginning with the first pay period to commence in an August, a November, a February, or a May, the amount of the basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor '103 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach '5 or more the basic wage shall be taken to the next higher shilling.

(d) The wages of apprentices and improvers shall be the appropriate percentages as set out in clause 2. Such wages shall be calculated to the nearest 6d., half or less than half of 6d. to be disregarded.
