APPRENTICESHIP.

5. (a) Youths shall not be engaged in the following occupations except under indentures of apprenticeship for the periods and subject to the conditions hereinafter prescribed:—

Patternmaking, electrical fitting, engineering fitting and turning, first and second class engineering machining, first-class welding, engineering blacksmithing, jobbing moulding and/or coremaking, sheet metal (first-class bench work) motor

(b) In the trades immediately hereinafter mentioned the proportion of apprentices which may be taken by any employer shall be as follows :-

Mechanical engineering-one apprentice for every 3, or fraction of 3, tradesmen.

Electrical fitting-one apprentice for every 3, or fraction of 3, tradesmen.

Electrical mechanic-one apprentice for every 2, or fraction of 2, tradesmen.

Patternmaking—one apprentice for every 3, or fraction of 3, tradesmen.

Smithing-one apprentice for every 3, or fraction of 3, tradeemen.

Moulding-one apprentice for every 2, or fraction of 2, tradesmen.

(c) For the purpose of ascertaining the number of apprentices, the number of tradesmen shall be deemed to be the average number working during the immediately preceding six months, and in ascertaining such proportion, an employer actually working in any workshop shall be deemed to be a tradesman.

(i) The period of apprenticeship shall be as follows:---

- If the apprentice when articled is under the age of 17 years, five years; if over the age of 17 years, four or five years, at the option of the contracting parties.
- (ii) An employer especially qualified to teach apprentices may, with the consent of the Secretary for Labour, or of the State Apprenticeship Commission, employ a greater proportion of apprentices to tradesmen than hereinbefore specified.
- (iii) Minors may be taken on probation for three months, and, if apprenticed, such three months shall count as part of their period of apprenticeship.
- (iv) Until further order, any contract of apprenticeship hereafter made may contain the following provision:-
 - If through lack of orders or through financial difficulties, the employer is unable at any time to find employment and training for an apprentice, and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may with the concurrence of the apprentice and his guardian be suspended for a period agreed upon, or if no such agreement is arrived at, may be cancelled by the employer. The onus of proof of circumstances justifying such cancellation shall be on the

This clause shall not apply to apprenticeship controlled by the State Apprenticeship Commission, but such Commission shall be free to adopt such schemes for suspension or cancellation of indentures as it may deem reasonable.

Wages per Week of 40 Hours. (v) The minimum weekly rates of wage for apprentices shall be as follows:-

The sum of 4s. per week shall be added to the above rates in the case of apprentice patternmakers. The total wages of apprentices shall be calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

An employee who is under 21 years of age on the expiration of his apprenticeship and thereafter works as a minor in the occupation to which he has been apprenticed shall be paid at not less than the adult rate prescribed for that classification.

- prescribed for that classification.

 (vi) The ordinary hours of employment of apprentices shall be the same in each workshop as those of journeymen in the trade the apprentice is learning.

 (vii) No apprentice under the age of 18 years shall be liable to work overtime unless he so desires.

 (viii) No apprentice who cannot complete his full term of apprenticeship before reaching his 22nd birthday may, by agreement with his master, serve as an apprentice until he reaches the age of 23 years.

 (x) The apprentice at the end of the calendar period of any year in which he has actually given service to the master upon less than the ordinary working days prescribed in the Determination for the trade, or in which he has unlawfully absented himself without the master's consent shall, for every day short of the said number of working days, and for every day of such absence, serve one day, and the calendar period of the succeeding year of his service shall not be deemed to begin until the said ditional day or days shall have been served.

 (xi) No employer shall, either directly or indirectly, or by any pretence or device, receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or bonus for the taking or binding of any probationer or apprentices.

 (xii) Apprentices attending technical colleges or schools and presenting reports of satisfactory conduct shall be reimbursed all fees paid by them.

 (xiii) Apprentices shall be entitled to annual leave and sick leave in accordance with the provisions of clauses 10a and 14a of this Determination respectively.

Unapprenticed Male Juniors and Females.

6. (a) Subject to the exceptions hereinafter provided the minimum rates of wage for females and unapprenticed male juniors shall be as follows:— WAGES PER WEER OF 40 HOURS.

Provided that the rate payable to any employee shall not be less than 20s.

The rates shall be calculated to the nearest 6d., any broken part of 6d. in the result not exceeding 3d. to be disregarded. (b) Except in the case of employees in foundries, the minimum rate payable to a junior female of any age or a junior male of eighteen years or more each with less than six months' experience in the Metal Trades industry shall, until he or she has had six months' experience, be 10 per cent. less than the amount represented by the percentage of the basic wage prescribed for a junior employee of his or her age, and, in addition thereto, the additional amounts set out in clause 25 (d).

Clauses, other than clauses 2, 5 and 6, of the said Determination shall remain in force.
