DEFINITIONS.

3. A juvenile worker is a person (other than an apprentice or an improver), under 21 years of age employed assisting and working under the direction of a hand spinner irrespective as to whether such hand spinner is employed as a time wages employee or at piece-work.

A hand spinner means an adult worker engaged in hand spinning and/or curling hair with the use of power.

HOURS.

4. The number of hours which shall constitute a week's work shall be 40, which may be worked between the hours of 7 a.m. and 5.30 p.m. on Monday to Friday inclusive.

OVERTIME.

5. An employee who works outside the times of beginning and ending work fixed in Clause 4 or in excess of the number of hours fixed for a week's work shall be paid time and a half for the first two hours and double time thereafter; each day's work to stand alone.

An employer may require any employee to work reasonable overtime at overtime rates, and such employee shall work overtime in accordance with such requirement.

TERMS OF ENGAGEMENT.

6. (a) Employees are to be engaged either as weekly or as casual employees. A weekly employee is one engaged by the week and paid by the week, and whose engagement shall be terminable by one week's notice on either side, such notice not to be continued from week to week.

(b) After one full week's work, notice of termination of employment of weekly employees may be given at any time, but one week's wages may be paid or forfeited, as the case may be, in lieu of such notice.

(c) Sub-clauses (a) and (b) of this clause shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, or to deduct payment for any time the employee cannot be usefully employed because of any strike, or through any breakdown of machinery, or any stoppage of work by any cause for which the employer cannot reasonably be held responsible.

(d) A weekly employee to be entitled to the weekly wage shall be available, ready, and willing to perform his or her usual work during the days and hours usually worked by such class of employee, and may be summarily dismissed for dishonesty, misconduct, neglect of duty, or for absence from work without reasonable cause, and in the event of such dismissal the employee shall be paid only for the time actually worked.

SICK LEAVE.

7. (a) Any employee who, having had at least three months' service with the same employer, is absent from duty as a result of personal ill health shall be entitled to sick pay as follows:—

- (i) During the first year—3½ hours' ordinary pay for each complete month of service.
- (ii) During any subsequent year of service—40 hours' ordinary pay.

Provided that, in either case such employee produces or forwards within 48 hours of the commencement of such absence evidence satisfactory to the employer that his or her non-attendance was due to personal ill health necessitating such absence.

(b) If the full period of sick leave as prescribed above is not taken in any year such portion as is not taken shall, provided an employee remains in the service of the one employer, or any successor of such employer, be cumulative from year to year. For the purposes of this sub-clause service prior to the 1st August, 1948, shall be disregarded.

13. Weekly employees shall be granted the following holidays without deduction of pay:—New Year's Day, Australia Day, Union Picnic Day, Labour Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Melbourne Cup Day, Christmas Day, and Boxing Day, but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, this provision shall apply only to the day so substituted, provided that any employee who is absent from his or her employment on the working day before or after a holiday without reasonable cause or without the employer's consent, shall not be entitled to payment for such holiday.

(ii) *Females.*—The term of apprenticeship for females shall be four years.

General Conditions of Apprenticeship.

(c) (i) The provisions of this Determination governing holidays and for sick pay shall apply to all apprentices whether the apprenticeship was commenced before or after the date of the coming into force of this Determination.

(ii) All present contracts of apprenticeship shall be deemed to include, and all future contracts of apprenticeship shall include, the following provision :—

If, through lack of orders or through financial difficulties, the employer is unable at any time to find employment and training for an apprentice and if a transfer to another employer cannot be arranged, the obligations and duties imposed by the indenture may, with the concurrence of the apprentice and his guardian, be suspended for a period agreed upon or, if no such agreement is arrived at, may be cancelled by the employer. The onus of proof of circumstances justifying such cancellation shall be on the employer.

If there occurs a breakdown of power necessitating the standing down of adult employees, apprentices may also be stood down over the same period.

Technical Training.

(d) (i) On an apprentice producing a certificate from the Technical College stating that he has a record of 70 per cent. of attendance at the Technical College, his employer shall refund to him his Technical College class fees.

Every apprentice who produces to his employer a series of such certificates relating to each of the three years of his technical education, shall be entitled to 5s. per week, in addition to the prescribed rates of wages for the remainder of his term of apprenticeship.

CONTRACT OF EMPLOYMENT.

8. (i) Except as in this Determination provided, all employees shall be employed by the week. Employees to become entitled to payment of wages prescribed by this Determination must be available and ready and willing to perform such work as the employer shall from time to time require on the days and during the hours usually worked by the class of employees affected. Where the majority of the employees of any establishment or of any department of such establishment agree to work part time for any period or to close down for any period on days other than the prescribed holidays, the provisions of the weekly wages shall not apply to any employee of such establishment or department during such periods.

Employment for the first week of service at any time shall be from hour to hour at the weekly rate fixed.

(ii) *Terminating Employment :—*

(a) Employment to be terminated only by a week's notice on either side, and such notice may be given at any time during the week or in lieu thereof payment or forfeiture of a week's wages. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, or to deduct payment for any time the employee cannot be usefully employed because of any strike, or through any breakdown of machinery, or any stoppage of work by any cause for which the employer cannot reasonably be held responsible.

Where an employee has given or been given notice as aforesaid, he shall continue in his employment until the date of the expiration of such notice. Any employee who, having given or been given notice as aforesaid without reasonable cause (proof of which shall lie on him), absents himself from work during such period, shall be deemed to have abandoned his employment and shall not be entitled to payment for work done by him within that period.

(b) An employer shall not terminate the employment of a weekly employee for the purpose of evading payment for the holidays prescribed by this Determination.

(c) Where an employee is dismissed within seven days prior to any such holiday, the re-engagement of such employee within seven days after such holiday shall be *prima facie* evidence that the employment was terminated for the purpose of evading payment for such holiday.

(d) Where the employer terminates the employment within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by this Determination, provided that such employee had been employed by the employer for a period of at least one week prior to the termination of the employment.

(i) If by reason of such restriction or rationing or emergency disconnection he is unable usefully to employ an employee for the whole or part of any day or shift, he may deduct from the wages of that employee payment for any part of the day or shift such employee cannot be usefully employed provided that—

(1) if an employer requires the employee to attend for work but is not able to employ him usefully, the employee shall be entitled to be paid for two hours' work ;

(2) where an employee commences work he shall be entitled to be paid for four hours' work ;

(3) this sub-clause shall not apply to apprentices.

(ii) He may require any day worker to perform his ordinary hours of work (or any such ordinary hours of work) at any time on any day other than on a Sunday on the basis of 40 hours per week. The following rates of pay shall apply for such work :—

(2) For work performed between noon and midnight on Saturdays—ordinary rates plus 25 per cent. ;

(3) For work performed at all other times other than on a Sunday—ordinary rates plus 10 per cent. ;

Provided that, when a worker is required to commence work between the hours of 9.30 p.m. and 6 a.m., the amount he shall receive shall not be less than an amount of 5s. more than the amount he would receive if paid at ordinary day rates.

(iii) He may alter the time at which meal breaks are usually taken and/or the duration of them, in order to avoid or mitigate the effects of such interference, without being liable to pay penalty rates for work done during the normal meal breaks ; provided that the commencing time of any meal break is not made more than one hour earlier or later than usual, and that a meal break of at least twenty minutes is allowed ; and provided also that the employer shall, whenever it is practicable, consult with the representative of the Union or Unions before acting under this paragraph.

(b) Notwithstanding anything elsewhere contained in this Determination, the provisions of this clause shall also apply (*mutatis mutandis*) in the case of any employer who uses auxiliary power plant for the purpose of providing employment for his employees whilst such restriction or rationing or emergency disconnection is in force, and who—

- (i) is unable usefully to employ an employee for the whole of any day or shift by reason of a breakdown in such plant through no fault of his own; or
- (ii) because of the inability of the auxiliary power plant to meet the normal demands for power—
 - (1) finds it necessary to require any employee to perform his ordinary hours of work (or any of such ordinary hours of work) outside the hours normally worked by such employee; or
 - (2) finds it necessary to alter the time at which meal breaks are usually taken and/or the duration of them.

LIMITATION OF EMPLOYMENT.

10. (a) Except as hereinafter provided no weekly employee shall work for more than one employer during any week, nor shall any employee make or assist in the production of goods for sale on his own account.

(b) Employers may, by mutual arrangement between the employers and employees concerned, provide for temporary transfer of employees during the ordinary working hours of the week but, except for this provision, no employer shall employ any person at any time who is already engaged by another employer.

(c) The provisions of this clause shall not affect the right of any employee to transfer from one employer to another after properly terminating his engagement in accordance with the terms of clause 8 hereof.

- (ii) On or before the pay day preceding a holiday, the amount of time that the employee will work short because of the holiday, and the time wage equivalent of such time, shall be ascertained.
- (iii) If, on the pay day following the holiday, there is standing to the credit of the employee an amount equal to or exceeding the amount of such wage equivalent, the employer shall, on that pay day, pay to the employee an amount equal to that wage equivalent, and the employee's credit shall be reduced by the amount so paid. If the credit is insufficient to cover the employee for his absence through sickness or accident as above stated, the employee may, at his own request, be paid the difference when he has accumulated sufficient credit to cover the necessary amount.
- (vi) On the pay day preceding the Christmas-New Year holidays, the employer shall pay to the employee such amount as is then standing to the employee's credit plus credits up to the end of the fifty-first week in the year.

Contract of Apprenticeship.

(c) Every contract of apprenticeship hereinafter made shall contain—

- (i) the names of the parties;

Cancellation or Suspension of Indentures.

(d) Subject to the approval of the Secretary for Labour and Industry, but not otherwise, an indenture of apprenticeship may be suspended or cancelled—

- (ii) if through lack of orders or financial difficulties an employer is unable to find suitable employment for an apprentice and a transfer to another employer cannot be arranged;
- (iii) if in the opinion of the Secretary for Labour and Industry, circumstances exist which render such suspension or cancellation necessary or desirable.

Any covenant in an indenture inconsistent with the provisions of this clause shall be null and void and of no force or effect while this Determination remains in force and applies to the parties to the indenture.

Instruction in Welding.

(e) The training of apprentices to boilermaking or structural steel work shall include instruction in electric welding and/or oxy-acetylene welding as far as is practicable with the facilities available in the shop in which they are trained.

Proportion.

(f) (i) The proportion of apprentices who may be taken by an employer shall not exceed one apprentice for every two or fraction of two tradesmen.

For the purpose of ascertaining the number of apprentices, the number of tradesmen shall be deemed to be the average number working during the immediately preceding six months, and, in ascertaining such proportion an employer actually working in any workshop shall be deemed to be a tradesman.

A person who is, for a term not exceeding two years, taking practical training in a workshop in continuance of a course of training for professional work shall not be taken into account in calculating the proportion of apprentices to journeymen.

(ii) Notwithstanding anything hereinbefore provided in the trade of boilermaker an employer may with the consent of the Apprenticeship Commission and upon satisfying that authority that he has the plant, equipment and staff necessary for the proper tuition of each apprentice concerned take apprentices in excess of the proportion herein prescribed. Until further order apprentices so taken shall not be counted in future calculations of the proportion of apprentices to journeymen authorized by this Determination.

Adult Apprentices.
