STATE RIVERS AND WATER SUPPLY COMMISSION.

BY-LAW No. 5010.—RATES AND CHARGES FOR WATER—URBAN DISTRICTS.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following:—

1. The following Rates for the supply of water for domestic purposes are hereby made, and shall be levied upon the occupiers or owners of lands and tenements within the respective Urban Districts as set out hereunder:—

Lands or tenements situate in a street in which a pipe for the supply of water has been laid down—a rate of such amount in the pound of the annual municipal valuation of such lands or tenements as is set down in column 2 opposite the name of the respective Urban Districts in column 1 of the Schedule hereto: Provided that the total amount of the rate payable annually in respect of any such lands or tenements (other than land on which there is no building) shall be not less than the sum set down in column 3 opposite the name of the respective Urban Districts in column 1 of the said Schedule, and in respect of any such lands or tenements on which there is no building shall be not less than the sum set down in column 4 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

2. Such Rates are made and shall be levied for the year beginning with the 1st day of July, 1955, and ending with the 30th day of June, 1956, and shall be payable on the 28th day of October, 1955, at the office of the State Rivers and Water Supply Commission, at the place set down in column 6 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

3. Interest will be chargeable on all Rates and Charges for water remaining unpaid for a period of six months from the date such rates and charges become payable.

4. The maximum quantity of water to be supplied per annum without further charge to properties rated by the Commission shall be the quantity which, if charged for at the amount per 1,000 gallons set down in column 5 opposite the name of the respective Urban Districts in column 1 of the said Schedule, would give an amount equal to that payable per annum in respect of the properties so supplied under the provisions of any By-law of the Commission for making and levying rates.

5. For all water supplied per annum in excess of the maximum quantity referred to in clause 4 of this By-law the charge shall be the amount per 1,000 gallons set down in column 5 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

Such charge shall be payable on demand at the office of the State Rivers and Water Supply Commission at the place mentioned in column 6 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

6. For the supply of water by measure from the pipes of the Commission to lands and tenements within the respective Urban Districts as set out hereunder which are not liable to any rate made under any By-law of the Commission—

The charge to be paid for water so supplied shall, except in cases of special agreements with the Commission, be such amount per 1,000 gallons as is set down in column 5 opposite the name of the respective Urban Districts in column 1 of the Schedule hereto: Provided that where any minimum annual charge has been fixed by the Commission, the quantity of water to be supplied for such minimum annual charge in each case shall, except in cases of special agreements with the Commission, be the quantity which, if charged for at the amount per 1,000 gallons set down in column 5 opposite the name of the respective Urban Districts in column 1 of the said Schedule, would give an amount equal to that payable in respect of such minimum annual charge, and for all water supplied in excess of such quantity the charge shall be the amount per 1,000 gallons set down in the said column 5, opposite the name of the respective Urban Districts in column 1 of the said Schedule.

7. The charges as set out in clause 6 of this By-law are made and shall be levied for the year beginning with the 1st day of July, 1955, and ending with the 30th day of June, 1956, and shall be payable on demand at the office of the State Rivers and Water Supply Commission at the place mentioned in column 6 opposite the name of the respective Urban Districts in column 1 of the said Schedule.

8. Such person or persons as the State Rivers and Water Supply Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said Rates and charges for water.

The foregoing By-laws were approved by the Governor in Council on the 25th day of October, 1955.—A. MAHLSTEDT, Clerk of the Executive Council.

STATE RIVERS AND WATER SUPPLY COMMISSION.

BY-LAW No. 5030.—AMENDING BY-LAW No. 1.—COLIBAN DISTRICT WATER SUPPLY.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following for the district supplied with water from the Coliban System of Waterworks:—

By-law No. 4646 made by the Commission on the 5th day of November, 1951, is hereby revoked.

By-law No. 1, made by the Commission on the 16th day of July, 1906, is hereby amended by substituting for clauses 28, 29, and 30 of the said By-law No. 1 the following:—

"28. The charge to be paid for water supplied by measure after the 1st day of December, 1955, from the pipes of the Commission shall be One shilling and six pence per 1,000 gallons, except in the cases hereinafter specially mentioned:—

- (1) For building purposes, in the case of buildings not exceeding £1,000 estimated capital value, unless the supply is by measure, the charge shall be Thirty shillings for the first three months from the date of connecting with the pipes of the Commission, and Ten shillings per month thereafter for each month or part thereof.
- (2) For mining purposes the charge shall be One shilling per 1,000 gallons.
- (3) For recreation and cricket grounds, allowance to be fixed on playing area up to amount of annual charge based on charge of £4 per acre; water to be charged for at Nine pence per 1,000 gallons up to amount of minimum charge, excess water to be at One shilling and six pence per 1,000 gallons.
- (4) For cemeteries the charge shall be Nine pence per 1,000 gallons.
- (5) For public gardens or parks the charge shall be Nine pence per 1,000 gallons.
- (6) For water troughs the charge shall be Thirty shillings per annum each, except where the Commission shall decide that the supply shall be by measure, in which case the minimum quantity to be charged for shall be 20,000 gallons per annum.

29. The minimum quantity of water to be charged for by measure in each case where water is supplied from the pipes of the Commission shall be as follows:—

- (1) Where the supply is for domestic as well as for other than domestic purposes, the quantity which, if charged for at One shilling and six pence per 1,000 gallons, would give an amount equal to that payable in respect of the premises so supplied under the provisions of any By-law of the Commission for making and levying rates, if such premises were supplied otherwise than by measure.
- (2) Where the supply is solely for other than domestic purposes, a quantity which, if charged as provided by the last preceding section, would give a sum of Twenty shillings for any continuous period of three months.

30. The charge to be paid for water supplied after the 1st day of December, 1955, from the channels of the Commission shall be One and one-half pence per 1,000 gallons, except in the cases hereinafter mentioned:—

- (1) For sluice mining, except for purposes directly connected with machinery in motion, One penny per 1,000 gallons.
- (2) For steam boilers, condensers, air compressors, and machinery for manufacturing purposes, Six pence per 1,000 gallons.

The foregoing By-law No. 5030 was made by the State Rivers and Water Supply Commission on the 24th day of October, 1955, and the common seal of the Commission was hereunto affixed the 24th day of October, 1955, in the presence of—
