ACTS OF PARLIAMENT.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, THE Governor of the State of Victoria, in the Commonwealth of Australia, do hereby declare that I have this day assented, in Her Majesty's name, to the Bills passed by the Parliament of the said State, the titles whereof are hereunder set forth, that is to say:—

- No. 5867. "An Act to amend the Law relating to State Servants who are elected Members of Parliament."
- No. 5868. "An Act to provide for the Licensing of Certain Firearms to be used in connexion with the Olympic Games to be held in the year One thousand nine hundred and fifty-six."
- No. 5869. "An Act to amend the Justices Acts."
- No. 5870. "An Act to amend Section Fifty-eight of the *Country Fire Authority Act 1944*."
- No. 5871. "An Act to make Provision for Increasing the Number of Judges of the Supreme Court and of County Courts."
- No. 5872. "An Act to Authorize the Construction of Deviations on the Castlemaine and Dunolly Railway, the Yea and Mansfield Railway, the Wodonga and Tallangatta Railway and the Tallangatta and Cudgewa Railway, and for other purposes."
- No. 5873. "An Act to amend the State Savings Bank Acts."

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-fifth day of October, in the year of our Lord One thousand nine hundred and fifty-five and in the fourth year of the reign of Her Majesty Queen Elizabeth II.

(L.S.)

DALLAS BROOKS.

By His Excellency's Command,

HENRY E. BOLTE,

Premier.

GOD SAVE THE QUEEN!

Local Government Act 1946.

PUBLIC HIGHWAY DECLARED.

IN pursuance of the powers conferred by sections 521 and 525 of the *Local Government Act 1946*, the Council of the Shire of Woorayl doth hereby order that the lands next hereinafter described shall be a public highway from the date of publication of this Order in the *Government Gazette* that is to say:—

All that piece of land being part of Crown allotment 19A, Parish of Mardan, County of Buln Buln, commencing at a point distant west 108.3 links from the north-western angle of Crown allotment 20, Parish of Mardan, County of Buln Buln; thence south 45 deg. 7 min. east 11.8 links; thence south 0 deg. 14 min. east 141.7 links; thence north 45 deg. 7 min. west 212.6 links; thence east 141.7 links to the point of commencement: And the said Council doth hereby declare that the lands above described shall from the said date of publication in the *Government Gazette* be a public highway, in lieu of the land hereinafter described, that is to say:—

All that piece of land being part of Government-road in the Parish of Mardan, County of Buln Buln, commencing at the north-western angle of Crown allotment 20, Parish of Mardan, County of Buln Buln; thence east 820.7 links; thence north 76 deg. 15 min. west 1,347.7 links; thence south 83 deg. 39 min. west 187.8 links; thence south 63 deg. 34 min. west 447.3 links; thence east 866.9 links; thence south 45 deg. 7 min. east 141.7 links; thence east 8.3 links; thence south 0 deg. 14 min. east 8.3 links; thence south 45 deg. 7 min. east 141.7 links; thence north 0 deg. 14 min. west 108.7 links to the point of commencement.

Dated the 9th day of September, 1955.

The common seal of the President, Councillors, and Ratepayers of the Shire of Woorayl was hereunto affixed, in the presence of—

(SEAL)

H. G. BIRD, President.
R. E. MCINDOE, Councillor.
C. A. BOND, Councillor.
C. H. LYON, Secretary.

Approved by the Governor in Council,
25th October, 1955.

A. MAHLSTEDT,
Clerk of the Executive Council.

SHIRE OF GLENELG.

ORDER FOR DEVIATION OF A PUBLIC HIGHWAY.

IN pursuance of the powers conferred by sections 521 and 525 of the Local Government Acts the Council of the Shire of Glenelg, doth hereby order that the land hereinafter described shall be a public highway after the day of publication of the Order in the *Government Gazette*, namely—all that piece of land being part of Crown allotment 7 in the Parish of Mageppa, County of Follett, containing 7 acres 2 roods and 5 7/10 perches or thereabouts, and commencing at a point north 89 deg. 58 min. west 5 chains 24.3 links from north-eastern corner of allotment 9 in the said parish and county; thence north 89 deg. 58 min. west 40 chains 82.8 links; thence north 68 deg. 11 min. west 36 chains 71 links; thence north 1 chain 7.7 links; thence south 68 deg. 11 min. east 33 chains 75.3 links; south 89 deg. 58 min. east 42 chains 58.9 links; thence south 62 deg. 55 min. west 2 chains 19.4 links to the commencing point. And the said Council doth hereby further order that the above described land shall from the date of publication of this Order in the *Government Gazette*, be a public highway in lieu of the land herein-after described namely—all that piece of land in the Parish of Mageppa, County of Follett, containing 5 acres 0 roods 6 2/10 perches or thereabouts, and being part of a former Government road, commencing north 89 deg. 58 min. west 3 chains 4.9 links from the north-eastern corner of allotment 9 in the said parish, and continuing thence south 62 deg. 55 min. west 51 chains 61.9 links; thence north 1 chain 12.3 links; thence north 62 deg. 55 min. east 49 chains 15.5 links; thence south 89 deg. 58 min. east 2 chains 19.4 links to the commencing point.

The common seal of the President, Councillors, and Ratepayers of the Shire of Glenelg was hereto affixed this 18th day of April, One thousand nine hundred and fifty-five, in pursuance of a Resolution of the Council, in the presence of—

(SEAL) C. K. CARMICHAEL, President.
C. M. KOCH, Councillor.
JAS. HANSEN, Secretary.

Approved by the Governor in Council,
25th October, 1955.

A. MAHLSTEDT,
Clerk of the Executive Council.

NAGAMBIE WATERWORKS TRUST.

AUTHORITY TO OBTAIN BANK OVERDRAFT.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by Order made on the 25th October, 1955, authorize the Nagambie Waterworks Trust to obtain, in pursuance of the provisions of section 271 of the *Water Act 1928*, an advance or advances during the year 1955 from the Commercial Bank of Australia Limited, Nagambie, by overdraft of the Trust's current account thereat, such overdraft not to exceed at any one time the sum of Five hundred pounds (£500).

A. MAHLSTEDT,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, 25th October, 1955.

Victorian Railways.

VICTORIAN RAILWAYS COMMISSIONERS.

AMENDMENT TO BY-LAW No. 351.

THE Victorian Railways Commissioners, in the exercise of the powers conferred upon them by the Railways Acts, do hereby amend By-law No. 351 by repealing the whole of section 10 and substituting the following, viz.:—

"10. (a) A person shall not with intent to evade the payment of his fare use or attempt to use a ticket—

- (i) which has been obtained by him or another person on his behalf otherwise than from the Commissioners or from a person authorized by the Commissioners to sell or issue tickets; or
- (ii) which has been obtained on behalf of another person for the purpose of enabling such other person to travel by railway; or
- (iii) which has been in any respect materially altered or defaced; or
- (iv) the time for using which has expired; or
- (v) the time for using which has not arrived.

(b) A person who has obtained a ticket for his own travel shall not with the intent of allowing the same to be presented as authority for travel by another person allow any other person to obtain possession of that ticket.

Penalty: Twenty pounds."

R. G. WISHART
O. G. MEYER
E. H. BROWNBILL } Victorian Railways
Commissioners.

Confirmed by the Governor in Council,
25th October, 1955.

A. MAHLSTEDT,
Clerk of the Executive Council.

Cemeteries Act 1928.

SCALE OF FEES OF THE BOROONDARA GENERAL CEMETERY.

IN pursuance of the powers conferred upon them by the Cemeteries Acts the trustees of the Boroondara General Cemetery hereby make the following scale of fees, which shall come into operation upon publication in the *Government Gazette*, and from and after such publication every scale of fees heretofore made by the said trustees shall be and is hereby rescinded to the extent to which it conflicts with this scale:—

£ s. d.

Interment of Cremated Remains.

Provision of rose tree and first interment of ashes 25 0 0
Subsequent interment under same rose tree .. 10 0 0

F. R. SIMMS, Trustee.
F. M. WALSH, Trustee.
JOHN F. MAUGHAN, Trustee.

Approved by the Governor in Council,
25th October, 1955.

A. MAHLSTEDT,
Clerk of the Executive Council.

Police Regulation Act 1946.

POLICE FORCE OF VICTORIA.

DETERMINATION NO. 55 OF THE POLICE CLASSIFICATION BOARD.

THE Police Classification Board, in pursuance of the powers in that behalf conferred by the *Police Regulation Act 1946*, hereby makes the following Determination, that is to say:—

1. The Determination No. 38 of the Police Classification Board of the 15th July, 1952, and published in the *Government Gazette* on the 16th July, 1952, as amended, is hereby revoked and the following Determination is substituted in its stead:—

Travelling and Incidental Expenses.

2. In this Determination unless inconsistent with the context or subject matter:—

“Member of the Police Force” means any person (whether male or female) employed in the Police Force of the State of Victoria, except the Chief Commissioner.

“Officer” means the Inspecting Superintendent, and any Superintendent, Chief Inspector, or Inspector.

3. Words importing the masculine gender shall be deemed and taken to include the feminine, and the singular to include the plural and the plural to include the singular, unless the contrary as to gender or number is expressly provided.

4. Subject to the provisions of this Determination, members of the Police Force shall be entitled by way of reimbursement to travelling expenses under the scale and conditions following:—

(1) Members travelling on duty outside the State of Victoria:—

- (a) For each day less than one week—60s. a day.
- (b) For each week, but not more than four weeks—55s. a day.
- (c) If the visit extends beyond four weeks, after such fourth week—47s. 6d. a day.
- (d) Members engaged on interchange duty in another State of the Commonwealth shall be paid—55s. a day during the period when so engaged.
- (e) For members travelling on duty to and from and whilst at Canberra, the rates prescribed in sub-clauses (a), (b), and (c) of clause 1 hereof shall be increased by the sum of 7s. 6d. per day if the period does not exceed one week, and 5s. per day after the first week.
- (f) If the said period of absence is less than a complete day or includes a portion of a day, the member shall be allowed in respect of any of the above periods, an amount of the appropriate daily rate calculated in the proportion of the number of hours in the part of the day for which the claim is made, to twenty-four hours.

(2) Members travelling on duty elsewhere:—

If an Officer—

- (a) For not less than five hours and not exceeding eight hours if a meal is purchased away from his home or usual residence—
 - (i) for breakfast purchased—5s. 6d.;
 - (ii) for lunch purchased—6s. 6d.;
 - (iii) for dinner purchased—7s. 6d.
- (b) For over eight hours and not exceeding twelve hours if one or two meals is or are purchased away from his home or usual residence—
 - (i) for breakfast purchased—5s. 6d.;
 - (ii) for lunch purchased—6s. 6d.;
 - (iii) for dinner purchased—7s. 6d.
- (c) For over twelve hours and not exceeding twenty-four hours—26s. 3d.
- (d) For one night, if he is required to pay for a bed—22s. 6d.
- (e) After the first night and up to one week inclusive, he shall be paid for each full day—42s.; for part of a day—1s. 9d. an hour.
- (f) After one week in one place, and up to four weeks, he shall be paid for each full day—37s. 6d.; for part of a day—1s. 9d. an hour.

- (g) After four weeks in one place, he shall be paid for each full day—30s.; for part of a day—1s. 9d. an hour.

If not an Officer—

- (3) (a) For not less than five hours and not exceeding eight hours if a meal is purchased away from his home or usual residence—

(i) for breakfast purchased—5s. 6d.;

(ii) for lunch purchased—6s. 6d.;

(iii) for dinner purchased—7s. 6d.

- (b) For over eight hours and not exceeding twelve hours if one or two meals is or are purchased away from his home or usual residence—

(i) for breakfast purchased—5s. 6d.;

(ii) for lunch purchased—6s. 6d.;

(iii) for dinner purchased—7s. 6d.

- (c) For over twelve hours and not exceeding twenty-four hours—24s.

(d) For one night, if he is required to pay for a bed—20s.

- (e) After the first night and up to one week inclusive, he shall be paid for each full day—40s.; for part of a day—1s. 6d. an hour.

- (f) After one week in one place and up to four weeks, he shall be paid for each full day—35s.; for part of a day—1s. 6d. an hour.

- (g) After four weeks in one place he shall be paid for each full day—27s. 6d.; for part of a day—1s. 6d. an hour.

In no case shall the total allowances payable under paragraph 4, clauses 2 and 3, for any period of 24 hours, exceed the full daily rate.

(4) (a) Subject to the provisions of sub-clause (c) of this sub-paragraph, travelling expenses of members, their wives and children, and reasonable cost of removing furniture and effects shall be allowed when such members are transferred from one station or district to another station or district. In cases of transfer of members or their furniture and effects to and from country districts, or from one country district to another (if the cost of removal is paid for or to be borne by the Government), the railways shall be utilized wherever such facilities are available.

(b) Members shall not be allowed transfer expenses under sub-clause (a) of this sub-paragraph if, at their own request, they are transferred to a station and their travelling expenses have been paid within three years of appointment thereto, and such members must not use railway requisitions.

(c) If members who own motor-cars transport themselves and families by car when on transfer, such members may claim the equivalent of first class rail fares or the mileage rate, whichever amount is the least cost to the Government. If a member is travelling to a station where he will be performing motor-car duties or is travelling from a station where he has been performing motor-car duties he shall be allowed the mileage rates.

(d) If there are special circumstances connected with any transfer, the Chief Commissioner of Police may, after considering all the facts, allow transfer expenses.

5. If an officer is supplied, free of cost, with sleeping accommodation in respect of a journey made by rail, there shall be deducted from any expenses payable to him the sum of 22s. 6d. in respect of each night when such accommodation is provided and if a sub-officer, first constable or constable is so provided with sleeping accommodation, there shall be deducted from any expenses payable to him, the sum of 20s. in respect of each night when such accommodation is provided.

6. If a member travels by air, boat, rail or other facility and food and sleeping accommodation or either of them is provided and charged for in the fare, he shall not be entitled to any of the expenses hereinbefore prescribed, but shall be entitled during such travel to receive an allowance of 5s. per day or for any part thereof.

7. If a member attends any court or inquiry of a similar nature, in an official capacity and cannot reasonably return to his station for his mid-day meal, he shall be paid, by way of reimbursement, a meal allowance of 6s. 6d.

8. (1) (a) If a member is required to remain on duty later than 8 a.m., and thereby extends his usual or prescribed hours of duty by at least two hours, he shall be paid, by way of reimbursement, a meal allowance of 5s. 6d.

(b) If a member is required to remain on duty later than 1.30 p.m., and thereby extends his usual or prescribed hours of duty by at least two hours, he shall be paid, by way of reimbursement, a meal allowance of 6s. 6d.

(c) If a member is required to remain on duty later than 6.30 p.m., and thereby extends his usual or prescribed hours of duty by at least two hours, he shall be paid, by way of reimbursement, a meal allowance of 7s. 6d.

(2) If a member is required to commence duty at least two hours before his usual or prescribed starting time, and is thereby required to perform duty continuously for a period covering two or more meal hours and being not less than ten hours in duration, he shall be paid, by way of reimbursement, the appropriate meal allowance.

9. (1) If a married member who maintains his family, satisfies the Chief Commissioner that he has made reasonable efforts to obtain housing accommodation for himself and his family at or near where he is stationed or employed, and has failed to do so and is therefore required to live away from the place where his family is so maintained, he shall be entitled to receive an allowance of Five pounds (£5) per week during the time he is so required to live away from his family and is unable to secure such accommodation.

(2) A member in receipt of an allowance under sub-clause (1) hereof, shall not be entitled to travelling expenses under paragraph 4 of this Determination for such living away, but if he travels on duty from the place at which he is living away, he shall be paid the appropriate travelling allowance, for such travelling in addition to his living away allowance, but his living away allowance shall cease if he is absent travelling on duty for a period in excess of one week from the place where he is living away.

10. In all cases where travelling expenses for absence on duty are claimed, the hours of duty must be continuous before allowances become payable.

11. If a member stationed in Melbourne or suburbs, or within the urban or suburban areas of Ballarat, Bendigo or Geelong is withdrawn from his station or place of employment for duty within the metropolitan area or such urban or suburban areas, he shall not be entitled to claim travelling expenses under this Determination unless such duty entails travelling a distance of more than 15 miles from his station or place of employment.

12. A member attached to motor-car and motor-cycle patrols shall not be entitled to claim travelling expenses under this Determination whilst performing patrol duty, unless such duty entails his being absent from his station or place of employment for at least nine hours.

13. For the purpose of this Determination, the term "metropolitan area" shall be deemed to include all police stations and places within a radius of 13 miles of the post office situated at the corner of Bourke and Elizabeth streets, Melbourne.

14. The boundaries of the suburban areas of Ballarat, Bendigo and Geelong shall be defined by the Chief Commissioner, who may at any time and from time to time alter or vary such boundaries as he thinks necessary.

15. If any member stationed within the metropolitan area or within the urban or suburban areas of Ballarat, Bendigo or Geelong, has been withdrawn from his station or place of employment for any special or emergency duty within such areas, is thereby required to work for a consecutive period of five hours, and by so doing has incurred reasonable out-of-pocket expenses, he shall be reimbursed such expenses or any portion thereof which is not payable under any of the preceding provisions of this Determination.

16. Under this Determination the day shall be reckoned to commence at 6 a.m., and end at midnight, and the night to commence at 12 midnight and end at 6 a.m., but if unavoidable circumstances necessitate an earlier departure than 6 a.m., the day shall be reckoned as commencing from such starting time. If such circumstances

prevent a return to station until after midnight, the day shall be reckoned as ending at the hour of such arrival on return to station. The daily rates under sub-clauses (e), (f) and (g) of sub-paragraphs (2) and (3) of paragraph 4 of this Determination shall be considered to begin from 6 a.m. of the day following the only or last night claim, and any period thereafter short of the complete 24 hours shall be charged at the hourly rate. In any claim at the hourly rate a period of half an hour or over may be reckoned as an hour, but no claim shall be allowed for any period less than half an hour.

17. In no circumstances shall travelling expenses be paid to any member doing duty at his own station.

18. A member who claims for an absence of five hours or more extending past midnight cannot also claim for the night.

19. (1) If in the opinion of the Chief Commissioner special circumstances exist for which provision is not herein made, he may authorize the payment of such allowance as is considered reasonable under the circumstances.

(2) If the actual and necessary expenses incurred by a member exceed the rates herein provided, an additional sum by way of reimbursement may be granted by the Chief Commissioner.

20. All claims under this Determination except for meal allowances, shall be forwarded to the officer in charge of the district fortnightly in the manner prescribed by the Chief Commissioner, and the periods for which they are rendered shall be alternate with the pay periods. Such claims must be submitted as soon as the period for which they are rendered is completed, and the officer in charge of the district shall transmit them so that they reach the office of the Chief Commissioner not later than the Wednesday preceding each pay-day.

In the case of meal allowances, claims must be forwarded promptly at the end of each month.

21. A member when required to travel in the performance of his duty shall be entitled to travel first class except when the duty being performed is the escorting of a prisoner.

22. If the duty to be performed by a member is of such a nature that it is reasonable to believe he will be detained for a period of seven days or more away from his station or place of employment, he may receive, where practicable, a reasonable advance of travelling expenses up to an amount not exceeding Ten pounds (£10).

23. If a member is stationed and residing in a different part of the State from that in which he intends to make his permanent home on retirement, he shall before retiring on account of age or ill-health, be provided with free first class rail fare for himself, his wife and dependent family for the purpose of taking up residence at his proposed permanent home. If such member uses his own motor-car for such purposes for himself and his family, he shall be paid the equivalent of the first class rail fares or mileage rates whichever amount is the lesser for such journey. In addition he shall be entitled to have his furniture and effects transported to such place at the expense of the Government. The Chief Commissioner shall arrange such transport, and where practicable railway facilities shall be used for the purpose.

24. (1) Members who use their own motor-cars, motor-cycles with side-cars, motor-cycles, or bicycles, on police duty, shall be allowed to claim for such hire in accordance with the following scale:—

	For the first 5,000 miles in a financial year.		Mileage over 5,000 miles in a financial year.	
	A mile.		A mile.	
Motor-cars—	<i>d.</i>		<i>d.</i>	
Over 24-h.p.	11.6	..	8.1	
Over 12-h.p. and up to 24-h.p. ..	10.1	..	7.4	
12-h.p. and under	9.7	..	7.1	
Motor-cycles, with side-cars	4.9	..	3.6	
Motor-cycles	4.2	..	3.1	
Bicycles	1.5			
	irrespective of mileage			

(2) The above-mentioned scale shall be varied from time to time to comply with any scale of rates determined by the Motor Transport Committee established by the Government.

(3) In every claim made under this paragraph in respect of the use of a motor-car there shall be inserted the make and horse-power of such car as shown on the certificate of registration thereof.

(4) In the case of sub-districts specified by the Chief Commissioner to be motor-cycle sub-districts, members who use their own motor-cars or motor-cycles with side-cars on police duty shall be allowed to claim for such travelling as is within their motor-cycle duties, only at the rate per mile prescribed for motor-cycles.

(5) The approval of the Chief Commissioner shall be required before any member is authorized to receive payment for travelling in excess of 10,000 miles in any financial year.

(6) If the Police Classification Board is satisfied that because of special circumstances any rate fixed herein should be increased, such increased rate of payment may be allowed as the Board shall determine.

(7) If any member not specifically approved for motor-car or motor-cycle duty, uses his motor-car or motor-cycle on duty where prior authority or direction could not be obtained, he may submit a claim to the Chief Commissioner for hire in accordance with the scale in sub-clause (1) hereof. If the Chief Commissioner is satisfied that the use of the vehicle was warranted in the circumstances, he may allow such claim.

(8) Members approved and required to use their own motor vehicles on police duty which necessitates the use of the motor vehicle who do not reside at the station where they are usually stationed, and who use such vehicle to travel between such station and the place where the vehicle is usually garaged when commencing and finishing their prescribed period of duty, shall be paid the appropriate mileage rate for the distance actually travelled, if less than 6 miles in all both ways, and if the distance actually travelled both ways exceeds 6 miles, for 6 miles only.

25. This Determination shall come into operation on the 13th day of November, 1955.

Dated the twenty-seventh day of October, 1955.

J. F. MULVANY,
A Judge of County Courts, Member and
Chairman, Police Classification Board.

S. R. MUDIE,
Member, Police Classification Board.

F. G. HOLLAND,
Member, Police Classification Board.

Hospitals and Charities Act 1948 (No. 5300).

PETITION TO INCORPORATE TIMBOON
AND DISTRICT HOSPITAL.

IT is hereby notified, in accordance with the provisions of section 46 (2) and section 64 of Act No. 5300, that the Hospitals and Charities Commission of Victoria has received a petition signed by not less than 25 contributors to the Timboon and District Hospital, a body capable of incorporation under the provisions of the said Act, praying that the said Hospital be incorporated.

If a counter petition signed by an equal or greater number of contributors is not lodged with the aforesaid Commission within one month after the publication of this notice, the Governor in Council may by Order made pursuant to Act No. 5300 and published in the *Government Gazette* declare the contributors for the time being to the said Hospital to be a body corporate by the name set forth in such Order.

C. J. GARDNER,
Public Trustee.

412 Collins-street, Melbourne, C.1, 26th October, 1955.

Water Acts.

STATE RIVERS AND WATER SUPPLY COMMISSION.
PROPOSED EILDON URBAN DISTRICT.

PURSUANT to the provisions of the Water Acts, I hereby declare that the lands included in the area defined hereunder, and shown on a plan lodged in the office of the State Rivers and Water Supply Commission, Melbourne, ought to be constituted an urban district.

The area hereinbefore referred to is defined as follows:—

SCHEDULE.

Commencing at the intersection of the north-western boundary of Twenty-first-street and the north-eastern boundary of Park-avenue in the Eildon Township, Parish of Eildon, County of Anglesey; thence south-easterly by the north-eastern boundary of Park-avenue a distance of 211 ft. 7½ in.; thence by lines parallel to the north-western boundaries of The Boulevard, bearing north 21 deg. 48 min. east and north 12 deg. 04 min. 30 sec. east and distant approximately 165 feet therefrom to a point in line with the northern boundary of lot 31, section D, on an unnumbered plan of subdivision lodged in the Office of Titles in dealing No. 66/248; thence easterly by a line, the northern boundaries of lots 31, 30, 29, and 28, section D, and a line in continuation thereof to the north-western angle of lot 27; thence generally north-easterly by the western boundaries of sections D, C, and B on the said unnumbered plan of subdivision to the most northern angle of lot 20, section B; thence easterly by a line to the most western angle of lot 15, section A; thence generally north-easterly by the north-western boundaries of lots 15, 16, 17, 18, 19, 20, and 21, section A, on the said unnumbered plan of subdivision to the north-eastern angle of the last-mentioned lot; thence by a line bearing north 46 deg. 0 min. east to the north-eastern boundary of Sugarloaf-road; thence generally south-easterly by that road boundary to the north-western boundary of Eildon-road; thence generally north-easterly by the last-mentioned road boundary a distance of 1,234 ft. 7½ in.; thence east by a line to the right bank of the Goulburn River; thence generally south-westerly by that river bank and the north-western shore of the Goulburn River Pondage Lakes to a point in line with the western boundary of that portion of Collier-street bearing north 31 deg. 5 min. west; thence by a line bearing north 31 deg. 5 min. west to the western boundary of Collier-street; thence generally north-westerly by the western boundaries of Collier-street and South-crescent to the intersection of the western boundary of South-crescent and the northern boundary of Twenty-first-street aforesaid; thence generally north-easterly by the north-western boundaries of Twenty-first-street to the point of commencement.

The scheme of works for such district is to consist of a pumping plant, rising main, service tanks, water purification plant, and reticulation.

The estimated cost of these works is £80,000.

Given under my hand, at Melbourne, in the State of Victoria, this eleventh day of October, 1955.

W. J. MIBUS,
Minister of Water Supply.

NOTE.—A copy of the plan referred to may be inspected at the office of the State Rivers and Water Supply Commission at Eildon and at the office of the municipality of Alexandra.

Country Roads Acts.

COUNTRY ROADS BOARD.

NOTICE OF OPENING UP A NEW ROAD IN THE SHIRE OF
DONCASTER AND TEMPLESTOWE.

NOTICE is hereby given that the Country Roads Board, under the powers conferred upon it by the *Country Roads Act 1948* (No. 5290), has fixed an alignment for each side of a new main road (under the nomenclature "Heidelberg-Warrandyte road") in the Shire of Doncaster and Templestowe as described hereunder, that is to say:—

- (a) On the north.—Commencing at a point in allotment 9, section A, Parish of Warrandyte, distant 268 deg. 32 min. 45 links and 249 deg. 30 min. 284.8 links from the south-western angle of lot 1 on plan of subdivision numbered 18771, lodged in the Office of Titles, and being part of the said allotment; thence by lines bearing respectively 44 deg. 48 min. 54.3 links, 69 deg. 30 min. 239.2 links, 88 deg. 32 min. 450.3 links, 109 deg. 14 min. 1,271.7 links, 29 deg. 11 min. 31.4 links, and 134 deg. 15 min. 93.3 links to the eastern angle of the said allotment.

- (b) On the south.—Commencing at a point on the western boundary of lot 17 on plan of subdivision numbered 18771, lodged in the Office of Titles, and being part of allotment 9, section A, Parish of Warrandyte, the said point being distant 172 deg. 13 min. 75.1 links from the north-western angle of the said lot; thence by lines bearing respectively 88 deg. 32 min. 353.4 links, 109 deg. 14 min. 796.3 links, and 187 deg. 24 min. 42.4 links to a point on the southern boundary of lot 25 on the said plan of subdivision distant 82 deg. 13 min. 70 links from the south-western angle of the lot last named.

--which said new alignments are shown on survey plan numbered 6002, lodged in the Office of the Country Roads Board.

Copies of the said survey plan are lodged in the Offices of the Country Roads Board, the municipality of the Shire of Doncaster and Templestowe, the Registrar of Titles, and the Registrar-General respectively, and may be inspected by any person without a fee at any time at which such offices are open for business.

Dated the twenty-seventh day of October, 1955.

W. H. NEVILLE,
Secretary.

Country Roads Board, Exhibition Buildings, Rathdown-street, Carlton, N.3.

State Savings Bank Act 1928, Section 31.

THE STATE SAVINGS BANK OF VICTORIA.

ESTABLISHMENT OF BRANCH.

THE Commissioners of the State Savings Bank of Victoria hereby give notice of their intention to establish a branch of the bank at 354 Keilor-road, Keilor East, on Wednesday, 16th November, 1955.

N. R. WILLIAMS,
General Manager.

No. 5950.

In the Supreme Court of Victoria.—In the matter of Part 1 of the *Companies Act 1938* and in the matter of the *Companies (Special Investigations) Act 1940* and in the matter of CONSTRUCTIONAL ENGINEERING PRODUCTS PROPRIETARY LIMITED.

Before His Honour Mr. Justice Gavan Duffy, Tuesday, the 25th day of October, 1955.

UPON application made this day on behalf of William Roland Thompson the official liquidator and liquidator of the affairs of Constructional Engineering Products Proprietary Limited: Upon reading the affidavits of the said William Roland Thompson sworn the 18th and 23rd days of August 1955 and filed herein and the exhibits referred to therein the order of this Court dated the 22nd day of August 1955 and the report of the liquidator's accounts dated the 13th day of September 1955 of Reynold Arthur Clarey the auditor appointed pursuant to section 195 of the *Companies Act 1938*: And upon hearing Mr. Hogg of counsel for the said William Roland Thompson: This Court doth order that the said William Roland Thompson be and he is hereby granted his release as liquidator of Constructional Engineering Products Proprietary Limited.

Dairy Products Acts.

QUOTAS FOR BUTTER AND CHEESE.

BUTTER QUOTA.

ACTING on behalf of the Minister of Agriculture in the State of Victoria, I, Gordon Stewart McArthur, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of butter at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for butter as follows:—

The proportion shall be forty-eight point one nine per cent.

The period for which this quota is to operate shall be the month of November, 1955.

CHEESE QUOTA.

ACTING on behalf of the Minister of Agriculture in the State of Victoria, I, Gordon Stewart McArthur, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of cheese at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for cheese as follows:—

The proportion shall be thirty-one point six seven per cent.

The period for which this quota is to operate shall be the month of November, 1955.

G. S. MCARTHUR,
for Minister of Agriculture.

24th October, 1955.

STATE FORESTS DEPARTMENT.

OFFICERS SPECIFIED FOR PURPOSE OF SECTION 7 OF THE FORESTS ACT AS AMENDED.

PURSUANT to the provisions of section 7 of the *Forests Act* 1939, as amended by section 3 of the *Forests Act* 1942 and section 2 of the *Forests Act* 1943, whereby the Minister of Forests is empowered by notice published in the *Government Gazette* to specify the names of forest officers for the purposes of the said section whereupon every forest officer so specified shall be authorized, in any case where he is of opinion that a condition of acute fire danger exists in any district under his control, by notice to direct any person who is engaged within any fire protected area in any of the operations of felling, logging, snagging, skidding, sledging, or other like operation, or in the operation of driving any steam engine or steam locomotive, to suspend or cause to be suspended all or any such operations until such time as such suspension is revoked by such officer by a like notice.

Now, therefore, I, Robert Kirkham Whately, Her Majesty's Minister of Forests for the State of Victoria, do hereby specify the names of the following forest officers for the purpose of the said section:—

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the
twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

ORDER APPROVING OF A NEW MAIN ROAD IN THE
SHIRE OF ARARAT.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Ararat-Halls Gap road in the Shire of Ararat should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All those pieces of land in the Parish of Jallukar, the boundaries of which are as follow:—

- (a) Commencing at the northern angle of allotment 5B, section 2, of the said parish; thence by lines bearing respectively 141 deg. 31 min. 4,715.4 links, 246 deg. 58 min. 77.8 links, 321 deg. 31 min. 4,693.6 links and 50 deg. 42 min. 75 links to the point of commencement.
- (b) Commencing at the north-eastern angle of allotment 10, section 2, of the said parish; thence by lines bearing respectively 141 deg. 30 min. 5,424 links, 313 deg. 30 min. 538.2 links, 321 deg. 30 min. 4,950.9 links and 90 deg. 0 min. 95.8 links to the point of commencement.
- (c) Commencing at the south-eastern angle of allotment 10A, section 2, of the said parish; thence by lines bearing respectively 270 deg. 0 min. 95.8 links, 321 deg. 29 min. 5,332.3 links, 0 deg. 5 min. 122.7 links and 141 deg. 30 min. 5,488 links to the point of commencement.

Also all that piece of land in the Parish of Willam, the boundaries of which are as follow:—

Commencing at a point on the eastern boundary of allotment 33 of the said parish, distant 0 deg. 5 min. 2,249.2 links from the south-eastern angle of the said allotment; thence by lines bearing respectively 321 deg. 31 min. 1,943.8 links, 90 deg. 5 min. 95.8 links, 141 deg. 31 min. 1,790 links and 180 deg. 5 min. 120.3 links to the point of commencement.

Also all those pieces of land in the Parish of Boroka, the boundaries of which are as follow:—

- (a) Commencing at the south-eastern angle of allotment 72 of the said parish; thence by lines bearing respectively 270 deg. 7 min. 95.8 links, 321 deg. 33 min. 10,343.4 links, 66 deg. 33 min. 77.6 links and 141 deg. 33 min. 10,333 links to the point of commencement.
- (b) Commencing at the south-eastern angle of allotment 66 of the said parish; thence by lines bearing respectively 246 deg. 27 min. 77.6 links, 321 deg. 27 min. 3,395.3 links, 299 deg. 56 min. 1,742.6 links, 0 deg. 1 min. 86.5 links, 119 deg. 58 min. 1,800 links and 141 deg. 27 min. 3,429 links to the point of commencement.

which said pieces of land are particularly delineated and shown coloured red on survey plans numbered 6142, 6143, 6144, 6146 and 6147, lodged in the office of the Country Roads Board.

And the Honorable Sir Thomas Karran Maltby, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the
twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

ORDER APPROVING OF A DEVIATION FROM A MAIN
ROAD IN THE CITY OF HEIDELBERG.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Greensborough-Hurstbridge road in the City of Heidelberg (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 27th December, 1935, on page 3357) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All those pieces of land in the Parish of Nillumbik, the boundaries of which are as follow:—

- (a) Commencing at the south-eastern angle of Crown portion 3B of the said parish; thence by lines bearing respectively 269 deg. 52½ min. 234.2 links, 78 deg. 21½ min. 218.5 links, 51 deg. 55½ min. 218.5 links and 220 deg. 25½ min. 234.2 links to the point of commencement.
- (b) Commencing at the north-eastern angle of Crown portion 3A of the said parish; thence by lines bearing respectively 220 deg. 25½ min. 204.9 links, 28 deg. 59½ min. 256.4 links, 11 deg. 40½ min. 255.9 links, 180 deg. 4½ min. 270 links and 221 deg. 15½ min. 65.1 links to the point of commencement.
- (c) Commencing at the south-western angle of Crown portion 3C of the said parish; thence by lines bearing respectively 40 deg. 29½ min. 1,617 links, 33 deg. 19½ min. 16.5 links, 0 min. 14½ min. 791.3 links, 359 deg. 54½ min. 25 links, 31 deg. 43½ min. 236 links, 59 deg. 47½ min. 3,590.6 links, 77 deg. 54½ min. 672.5 links, 66 deg. 58½ min. 269 links, 38 deg. 19½ min. 397.8 links, 15 deg. 2½ min. 205.9 links, 18 deg. 45½ min. 199.3 links, 43 deg. 34½ min. 113.5 links, 74 deg. 58½ min. 216.1 links, 215 deg. 32 min. 814.9 links, 224 deg. 14½ min. 251.5 links, 242 deg. 17 min. 330.2 links, 256 deg. 43½ min. 502.5 links, 244 deg. 38½ min. 447 links, 239 deg. 47½ min. 2,724.3 links, 233 deg. 23 min. 387.5 links, 210 deg. 16½ min. 402.2 links, 184 deg. 53½ min. 389.4 links, 180 deg. 4½ min. 220 links, 135 deg. 5½ min. 84.6 links, 269 deg. 43½ min. 60 links, 217 deg. 55½ min. 96.5 links, 90 deg. 3½ min. 60 links, 245 deg. 14½ min. 108.9 links, 220 deg. 25½ min. 1,395.6 links, 155 deg. 4½ min. 50.1 links and 269 deg. 45½ min. 127.5 links to the point of commencement.
- (d) Commencing at a point of the southern boundary of lot 7 on plan of subdivision numbered 4190, lodged in the Office of Titles, and being part of Crown portion 5 of the said parish, the said point being distant 77 deg. 54½ min. 337.8 links from the south-western angle of the said lot; thence by lines bearing respectively 69 deg. 43½ min. 502.6 links, 42 deg. 35½ min. 476.4 links, 198 deg. 46½ min. 89.1 links, 218 deg. 19½ min. 355 links, 246 deg. 58½ min. 233 links and 257 deg. 54½ min. 338.2 links to the point of commencement.
- (e) Commencing at a point on the northern boundary of lot 8 on plan of subdivision numbered 4190, lodged in the Office of Titles and being part of Crown portion 5 of the said parish, the said point being distant 299 deg. 9½ min. 342 links and 270 deg. 5½ min. 458.6 links from the north-eastern angle of the said lot; thence by lines

bearing respectively 182 deg. 15 min. 60 links, 199 deg. 6½ min. 411.8 links, 215 deg. 32 min. 493.2 links, 145 deg. 17½ min. 67.6 links, 255 deg. 31 min. 335.1 links, 35 deg. 32 min. 720.7 links, 19 deg. 6½ min. 430 links and 90 deg. 5½ min. 150.1 links to the point of commencement— which said pieces of land are particularly delineated and shown coloured red, blue and yellow on survey plans numbered 6151, 6152 and 6153, lodged in the office of the Country Roads Board.

And the Honorable Sir Thomas Karran Maltby, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

DECLARATION OF A DEVIATION FROM DAYLESFORD-TRENTHAM ROAD IN THE SHIRE OF GLENLYON.

WHEREAS by sections 21 and 58 of the *Country Roads Act 1928* (No. 3662), it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act, has by Resolution declared a deviation to be a main road, the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a main road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a main road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the said existing road as is described in the Third Schedule shall be discontinued: Now therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act 1928 for the purpose of constructing such road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by sections 21 and 58 of the said Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a main road within the meaning and for the purposes of the *Country Roads Act 1928*: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto and that such part of the said existing road shall be discontinued.

FIRST SCHEDULE.

Shire of Glenlyon.

7. *Daylesford-Trentham road* (6607).—All that piece of land in the Parish of Wombat, the boundaries of which are as follow:—Commencing at the south-western angle of allotment 5, section 5, of the said parish; thence by lines bearing respectively 348 deg. 57 min. 37 links, 151 deg. 23 min. 656.8 links, 142 deg. 22 min. 325 links, 306 deg. 7 min. 353.7 links, 331 deg. 23 min. 341.9 links and 348

deg. 57 min. 294.3 links to the point of commencement— which said piece of land is particularly delineated and shown coloured red on survey plan numbered 4968, lodged in the office of the Country Roads Board.

SECOND SCHEDULE.

Shire of Glenlyon.

7. *Daylesford-Trentham road*.—All that piece of land in the Parish of Wombat, the boundaries of which are as follow:—Commencing at the north-western angle of allotment 8A, section 5, of the said parish; thence by lines bearing respectively 151 deg. 23 min. 331.5 links, 168 deg. 57 min. 214.7 links, 126 deg. 7 min. 151.8 links, 151 deg. 23 min. 6.9 links, 142 deg. 22 min. 347.2 links, 306 deg. 7 min. 530 links and 348 deg. 57 min. 571 links to the point of commencement— which said piece of land is particularly delineated and shown coloured blue on survey plan numbered 4968, lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed at Melbourne, this seventeenth day of October, One thousand nine hundred and fifty-five, in the presence of—

D. V. DARWIN, Chairman.
F. M. CORRIGAN, Member.
W. H. NEVILLE, Secretary.

And the Honorable Sir Thomas Karran Maltby, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

Water Acts.

STATE RIVERS AND WATER SUPPLY COMMISSION.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

CHELSEA-FRANKSTON URBAN DISTRICT.—DISTRICT EXTENDED.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, on the recommendation of the State Rivers and Water Supply Commission, doth hereby declare, order, and direct as follows:—

That the Chelsea-Frankston Urban District be extended by adding to the same the lands set out and described in the Schedule hereto, and as and from the date of this Order, such urban district shall be deemed to be so extended.

SCHEDULE.

1. Commencing at the most southern angle of lot 62 on lodged plan of subdivision No. 23874, being part of Crown allotment 135, Parish of Lyndhurst, County of Mornington; thence north-easterly by the south-eastern boundaries of the subdivisions shown on lodged plans numbered 23874 and 23875, to the north-eastern boundary of said allotment 135; thence north-westerly by the last-mentioned boundary and the northern boundary of that allotment to the eastern boundary of Crown allotment 15A; thence generally southerly by the eastern boundaries of said allotment 15A to the north-eastern boundary of Mill-street; thence south-easterly by that street boundary to the point of commencement.

2. Commencing at the most eastern angle of lot 55 on lodged plan of subdivision No. 17064, being a point in the south-eastern boundary of Crown allotment 135, Parish of Lyndhurst; thence south-westerly by the south-eastern boundaries of lots 55 to 68 inclusive and by a line in continuation thereof to the north-eastern boundary of Crown allotment 17A; thence south-easterly by that boundary to a point in line with the north-western boundary of lot 8 on lodged plan of subdivision No. 8066, being part of Crown allotment 136; thence north-easterly by

a line and the north-western boundaries of lots 8 to 21 inclusive, south-easterly by the north-eastern boundaries of lots 21, 41, 60, 77 and lines connecting those boundaries to the eastern angle of said lot 77; thence north-easterly by the south-eastern boundaries of lots 211, 210, 209, 208, and 207 to the eastern angle of the last-mentioned lot; thence generally northerly by the north-eastern boundary of said lot 207, the eastern boundaries of Dolphin-street and the north-eastern boundary of lot 86 on said lodged plan of subdivision No. 8066 to the most northern angle of the last-mentioned lot; thence north-easterly by the south-eastern boundary of aforesaid lodged plan of subdivision numbered 17064 to the eastern angle of lot 40; thence north-westerly by the north-eastern boundaries of lots 40 and 39 and a line connecting those boundaries to the most northern angle of the last-mentioned lot; thence south-westerly by the north-western boundaries of lots 39, 38, 37, 36, 35, 34, 33, 32, 31, 30, 29, 28, 27, and 25 to the north-eastern boundary of Mill-street; thence south-easterly by that street boundary and a line to the most northern angle of lot 55 aforesaid; thence south-easterly by the north-eastern boundary of that lot to the point of commencement.

3. Commencing at a point in the north-western boundary of Crown allotment 138, Parish of Lyndhurst, distant 11 chains easterly from the most western angle of that allotment; thence south-easterly by a line to a point in the south-eastern boundary of said allotment 138, being the point of intersection between the last-mentioned boundary and a line extending from the aforesaid commencement point to the western angle of lot 1 on lodged plan of subdivision No. 6679, being part of Crown allotment 140; thence north-easterly by the said south-eastern boundary of allotment 138 to a point therein distant 1,195 ft. 4 in. from the most eastern angle of that allotment; thence by lines bearing north 31 deg. 58 min. west 335 ft. 11 in.; north 59 deg. 32 min. west 1,787 min. 1 inch; north 32 deg. 04 min. west to the north-western boundary of Crown allotment 138 aforesaid; thence south-westerly by that boundary to the point of commencement.

4. Commencing at the most northern angle of lot 83, on lodged plan of subdivision No. 9213, being part of Crown allotment 142, Parish of Lyndhurst; thence south-westerly by the south-eastern boundary of a right-of-way to the western angle of lot 70 on said lodged plan of subdivision No. 9213; thence south-easterly by the north-eastern boundaries of the subdivisions shown on lodged plans Nos. 6068 and 6210 to the southern angle of lot 24 on lodged plan of subdivision No. 26140; thence north-easterly by the south-eastern boundaries of the subdivisions shown on lodged plan Nos. 26140 and 26141 to the most eastern angle of lot 47 on the last-mentioned subdivision; thence north-westerly by the north-eastern boundaries of lots 47, 23, and a line connecting those boundaries and by a line in continuation thereof to the north-western boundary of said lodged plan of subdivision No. 26141; thence south-westerly by the north-western boundaries of the subdivisions shown on lodged plan Nos. 26141 and 26140 to the north-eastern boundary of Randall-avenue; thence north-westerly by that avenue boundary to a point in line with the north-western boundary of lot 83 on lodged plan of subdivision No. 9213 aforesaid; thence south-westerly by a line to the point of commencement.

5. Commencing at a point being the intersection of the Chelsea-Frankston Urban District with the north-western boundary of the subdivision shown on lodged plan No. 10006 being part of Crown allotment 102, Parish of Lyndhurst; thence north-easterly, south-easterly, and south-westerly by the north-western, north-eastern and south-eastern boundaries of that subdivision to a point in line with the south-western boundary of lot 67 on lodged plan of subdivision No. 5874; thence northerly by a line to the point of commencement.

The lands described in the foregoing Schedule are shown on a plan approved by the Governor in Council, and deposited in the office of the State Rivers and Water Supply Commission, Melbourne.—(Corres. Nos. 54/18552, 54/19776, 54/20401.)

And the Honorable Wilfred John Mibus, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

HEALTH ACTS.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

ESTABLISHMENT OF A GARBAGE DEPOT BY THE CITY OF MALVERN.

UNDER the powers conferred by section 39 of the *Health Act 1928*, (No. 3697), His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby consent to the provision by the Council of the City of Malvern of an area of 4 acres being lots 1 and 2 on plan of subdivision No. 9255, Crown allotment One, section Eleven, Parish of Mordialloc, in the municipal district of the Shire of Springvale and Noble Park as a place for the reception and proper, efficient, and inoffensive disposal of refuse and rubbish.

And the Honorable Ewen Paul Cameron, Her Majesty's Minister of Health for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

CHARLTON WATERWORKS TRUST.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

AMENDMENT OF ORDER.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby amend as follows the Order in Council made on the 22nd March, 1955, and published in the *Government Gazette* dated the 30th March, 1955, authorizing the Charlton Waterworks Trust to obtain an overdraft under the provisions of section 271 of the *Water Act 1928* (No. 3801) during the year 1955.

For the expression "the sum of One thousand pounds (£1,000)" there shall be substituted the expression "the sum of Two thousand five hundred pounds (£2,500)."

And the Honorable Wilfred John Mibus, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

DEPARTMENT OF CROWN LANDS AND SURVEY.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

ROAD IN THE TOWNSHIP OF MARIBYRNONG, PARISH OF CUT-PAW-PAW, REDUCED IN WIDTH.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in accordance with the provisions of, and in exercise of the powers conferred by the *Local Government Act 1946*, doth by this Order, confirm the scheme for the reduction in width of the road in the Township of Maribyrnong, Parish of Cut-Paw-Paw, County of

Bourke, in the State of Victoria, as set out in an agreement deposited in the Office of Crown Lands and Survey, Melbourne, the said scheme being under the seal of the corporation of the Mayor, Councillors and Ratepayers of the City of Sunshine of the first part, the seal of the Board of Land and Works of the second part and under the hands of the persons whose signatures are subscribed to the said scheme and who are called the parties of the third part.—(C.76615.)

And the Honorable Keith Hector Turnbull, Her Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

DEPARTMENT OF CROWN LANDS AND SURVEY.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

REVOCATION OF TEMPORARY RESERVATION OF LAND (AS TO PORTION).

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of the *Land Act 1928*, revoke portion of the temporary reservation of land by Order in Council hereinafter referred to, viz.:—

HEALESVILLE.—Order in Council of 31st July, 1945, of 9 acres 3 roods 12 perches of land in the Township of Healesville as a site for State School purposes, so far only as regards the portion thereof comprised within the boundaries published in the *Government Gazette* of 28th September, 1955, and containing 1 rood 21 perches.—(Rs. 5683.)

And the Honorable Keith Hector Turnbull, Her Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council

HOSPITALS AND CHARITIES ACT 1948 (No. 5300).—SECTION FIFTY-FIVE.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1955.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Bolte	Mr. Rylah
Sir Thomas Maltby	Mr. Petty
Mr. Reid	Mr. McArthur.

AUTHORITY FOR THE SALE OF PROPERTY BY THE AUSTIN HOSPITAL.

WHEREAS the Austin Hospital, Heidelberg, an incorporated institution within the meaning of the *Hospitals and Charities Act 1948*, is the owner of the property at 579 Upper Heidelberg-road, Heidelberg, and described in the Schedule hereto:

And whereas the Anti-Cancer Council of Victoria, constituted under the provisions of the *Anti Cancer Council Act 1936* (No. 4446) desires to purchase the said property so described for the sum of £9,070:

And whereas the Hospitals and Charities Commission after inquiry has reported recommending the sale of the said property to the Anti-Cancer Council for the sum of £9,070:

Now therefore I, the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, being satisfied that in the hereinbefore recited circumstances it would be advantageous for the Austin Hospital to sell the land for the sum of £9,070 and in

exercise of the powers conferred upon me by section 65 of the *Hospitals and Charities Act 1948* (No. 5300) do hereby consent to the sale of the said property to the Anti-Cancer Council of Victoria for the sum of £9,070 and do hereby direct that of the said last-mentioned sum the sum of £4,535 be repaid to the Hospitals' Governmental Building Trust Fund.

SCHEDULE.

All that piece of land with a frontage of 132 feet to Upper Heidelberg-road and a depth of 262 feet, being lots 37, 38, 39, and 40 on plan of subdivision No. 2500, part of Crown portion 3, Parish of Keelbundora, County of Bourke, described in certificate of title volume 6934 folio 1386651 together with all that piece of land with a frontage of 66 feet to Upper Heidelberg-road and a depth of 262 feet being lots 41 and 42 on plan of subdivision No. 2500, part of Crown portion 3, Parish of Keelbundora, County of Bourke, described in certificate of title volume 3559 folio 7111639.

And the Honorable Ewen Paul Cameron, Her Majesty's Minister of Health for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

SALE BY AUCTION OF RIGHT TO LEASE.

Melbourne.—Wednesday, 30th November, 1955 784

SALES OF CROWN LANDS BY AUCTION.

The lands will be sold in fee-simple, and subject to the covenants, conditions, exceptions, and reservations directed by the Governor in Council by an Order in Council dated the 5th August, 1930, and published in the *Government Gazette* of the 8th August, 1930, varied as herein.

A deposit of at least twelve and a half per centum of the price at which each lot is sold must be paid by the purchaser at the time of sale, and all such payments shall be made in coin, bank notes or cheques approved by the officer conducting the sale, and the residue of such price will be payable in equal instalments, in accordance with the scale hereunder, on the last day of each successive period of six months from the time of sale, or, if the purchaser choose, at any earlier time or times; and such residue of the purchase money shall bear interest at the rate of Five pounds per centum per annum, to be computed with respect to each instalment for the period which has elapsed between the time of sale and the time of the payment of such instalment. If the residue of the price be paid within thirty days after the time of the sale no interest will be payable thereon.

The Governor in Council may allow a transfer of the purchaser's interest to an approved person at any time before the final payment of the purchase money is made. The fee for transfer shall be One pound and such transfer will be subject to payment of stamp duty.

SCALE OF PAYMENTS OF RESIDUE.

£20 and under, 6 instalments.
Over £20, and not exceeding £50, 8 instalments.
Over £50, and not exceeding £100, 10 instalments.
Over £100, and not exceeding £200, 12 instalments.
Over £200, and not exceeding £300, 14 instalments.
Over £300, and not exceeding £400, 16 instalments.
Over £400, and not exceeding £500, 18 instalments.
Over £500, 20 instalments.

FEES, ETC.

The amount payable for Assurance Fund (One halfpenny for each £1 of purchase price) and Crown grant fee must be paid with the balance of purchase money. The following is the scale of fees for Crown grants:—

50 acres and under, £1 10s.

Over 50 acres, £2.

Where the purchase money does not exceed £5, the grant fee is £1.

Valuations of improvements (if not purchased by the owner thereof), and charges for survey, must also be paid at the time of sale.

KEITH TURNBULL,

Commissioner of Crown Lands and Survey.

IT is hereby notified for the information of all persons entitled to depasture stock on commons that successors to the individual managers thereof, who will retire on the 31st December, 1955, should be elected before the close of the year by the persons interested at public meetings duly convened for the purpose by the President of the shire. The names, in full, of the gentlemen who may be elected for either one (1), two (2), or three (3) years, should be forwarded to the Department of Crown Lands and Survey.

KEITH TURNBULL,

Commissioner of Crown Lands and Survey.

PROPOSED REVOCATION OF TEMPORARY RESERVATION OF LAND BY ORDER IN COUNCIL.

IN pursuance of the provisions of the *Land Act 1928*, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservation of land by Order in Council hereunder referred to, viz.:—
The following Notice was published 1° on the 19th October, 1955, pursuant to Order of the 11th October, 1955.

KERGUNYAH NORTH.—The temporary reservation, by Orders in Council of the 4th August, 1873, and the 11th July, 1927, of 4 acres 1 rood 39 perches of land in the Parish of Kergunyah North, as sites for State School purposes, is about to be revoked.—(K.35(*) (Rs.3514).

KEITH TURNBULL,

Commissioner of Crown Lands and Survey.

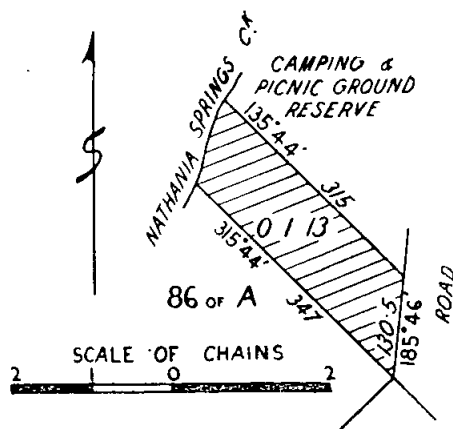

PROPOSED REVOCATIONS OF TEMPORARY RESERVATIONS OF LANDS BY ORDERS IN COUNCIL—(AS TO PORTIONS).

IN pursuance of the provisions of the *Land Act 1928*, notice is hereby given that it is the intention of the Governor in Council to revoke portions of the temporary reservations of lands by Orders in Council hereunder referred to, viz.:—

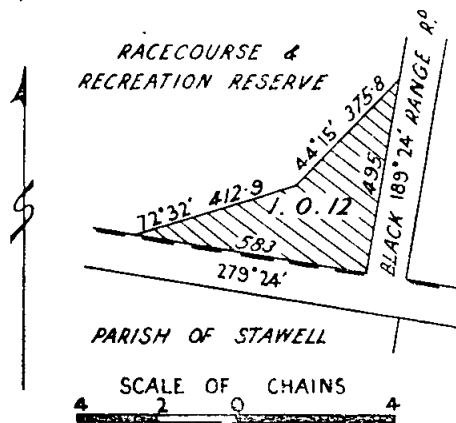

The following Notices were published 1° on the 12th October, 1955, pursuant to Orders of the 4th October, 1955.

MONBULK.—The temporary reservation, by Order in Council of the 24th December, 1935, of 3 acres 2 roods, more or less, of land in the Parish of Monbulk as a site for Camping and Picnic Ground, is about to be revoked

so far only as the portion containing 1 rood 13 perches, indicated by hachure on plan hereunder, is concerned.—(M.555(*) (Rs.4514).

STAWELL.—The temporary reservation as a site for Racing and General Recreation and the withholding from sale, leasing and licensing, by Order in Council of the 20th November, 1876, of 91 acres 0 roods 37 perches of land in the municipal district of Stawell, is about to be revoked so far only as the portion containing 1 acre 0 roods 12 perches, indicated by hachure on plan hereunder, is concerned.—(S.329(11) (Rs.3938).

KEITH TURNBULL,
Commissioner of Crown Lands and Survey.

PUBLIC HEARING BY A PERSON APPOINTED UNDER THE 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that at the time and place mentioned in the Schedule hereunder, applications for leases and licences under the Land Acts, objections to such applications, objections to proposed proclamations, alterations, additions, diminutions, revocations, or unions of commons, and reasons against forfeiture of any leases or licences under the Land Acts deemed liable to forfeiture, will be publicly heard by the person whose name is set opposite such place in such Schedule, being a person appointed by me, the responsible Minister of the Crown administering the Land Acts, to hear the same and report thereon in writing to me.

KEITH TURNBULL,
Commissioner of Crown Lands and Survey, and
President of the Board of Land and Works.
Department of Crown Lands and Survey,
Melbourne, 2nd November, 1955.

SCHEDULE.

LAND OFFICE, STAWELL, Monday, Tuesday, Wednesday, and Thursday, 28th, 29th, and 30th November, and 1st December, 1955, S. C. Lepp, Land Officer, Horsham.

HEARINGS OF REASONS AGAINST THE FORFEITURE OF CERTAIN LICENCES AND LEASES BY A PERSON APPOINTED UNDER 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that reasons against the forfeiture of the licence and lease in the Schedule hereto, which are deemed liable to forfeiture under the provisions of the Land Acts, will be publicly heard by the person appointed by me, the responsible Minister of the Crown administering the said Acts, to hear the same and report thereon in writing to me, when the person in the said Schedule mentioned as holder of such licence and lease will be allowed to show cause against the same at the place and on the date mentioned in the Schedule hereto.

KEITH TURNBULL,
Commissioner of Crown Lands and Survey.

Yearly Salary.—£1,022, minimum; £1,122, maximum.

Duties.—Under the general direction of the Medico-Legal Chemist, to act as his deputy when necessary, to carry out analyses of specimens and to give evidence as required in court proceedings.

Qualifications.—To hold a Science Degree in Biochemistry or Chemistry; to have had experience in advanced analytical chemistry and to have had court experience.

Hydraulic Research Engineer, Class "B," Department of Water Supply.

Yearly Salary.—£1,022, minimum; £1,122, maximum.

Duties.—To direct and control staff engaged upon the manufacture and testing of hydraulic models of all types and to supervise the work of the Commission's Hydraulic Experimental Station at Werribee.

Qualifications.—A University Degree or equivalent qualification in Engineering or Science, and experience in Hydraulic Research Work, preferably with experience in Hydraulic Model Testing.

Assistant Research Officer, Classes "C"—"C2," Soil Conservation Authority, Department of Premier.

Yearly Salary.—£650, minimum; £970, maximum—Graduate in Agricultural Science, £624, minimum; £970, maximum—Graduate in Science.

(Commencing salary in accordance with experience.)

Duties.—To carry out laboratory analyses of soils under general direction of Officers of the Research Division, and to assist in the Division's Research programme as directed.

Qualifications.—To be a Graduate in Agricultural Science, or Science, of a recognized University. Experience in general laboratory technique is desirable.

Physicist or Chemist, Classes "C" and "C2," Museum of Applied Science, Department of Chief Secretary.

Yearly Salary.—£624, minimum; £970, maximum. (Commencing salary in accordance with qualifications and experience.)

Duties.—To construct, test and operate apparatus for dating carbonaceous specimens using a gas proportional counter; to assist, as required by the Director, in other Museum activities.

Qualifications.—To hold a science degree (preferably honours) of the University of Melbourne with physics (or chemistry) as a major and chemistry (or physics) as a minor subject, or equivalent qualifications. Practical experience of electrical counting and high vacuum techniques is desirable.

NOTE.—Applications for this position will be received up to Wednesday, 23rd November, 1955.

Clerk of Courts, Grade II, Class "C1," Courts Branch (Horsham), Department of Law.

Yearly Salary.—£766, minimum; £844, maximum.

Qualifications.—As prescribed by Regulation 46 of the Public Service (Public Service Board) Regulations.

Draughtsman, Class "C," Soil Conservation Authority, Department of Premier.

Yearly Salary.—£598, minimum; £728, maximum.

Duties.—To prepare plans and specifications of soil conservation structures; to prepare plans of co-operative projects and of catchment areas, and to effect designs and draughting required by the Authority.

Qualifications.—To possess a Technical School training in Engineering; to be an experienced and competent draughtsman with ability in aerial photo interpretation.

Clerk of Courts, Grade III, Class "C," Courts Branch (South Melbourne), Department of Law.

Yearly Salary.—£598, minimum; £728, maximum.

Qualifications.—As prescribed by Regulation 46 of the Public Service (Public Service Board) Regulations.

Senior Pre-School Adviser (Female), Class "C," Maternal and Child Hygiene Branch, Department of Health.

Salary.—£598 a year.

Duties.—To assist with the pre-school training programmes undertaken by the Department particularly in regard to the pre-school training of mothercraft nurses and to undertake such other duties as shall be required by the Director.

Qualifications.—Diploma of a recognized Kindergarten Training College and experience in pre-school centres approved for training.

Librarian (Female), Classes "E" and "D," Public Library Branch, Department of Chief Secretary. (Two vacancies.)

Yearly Salary.—Junior—at 16 years, £156; at 17 years, £182; at 18 years, £221; at 19 years, £260; at 20 years, £299. Adult—£338, minimum; £468, maximum.

Duties.—To assist generally in the professional work of the Public Library.

Qualifications.—To be under 30 years of age; to hold the Preliminary Certificate of the Library Association of Australia, or to have passed the School Leaving Examination, and to have a good general knowledge of books and current affairs. Applicants will be submitted to a suitable test to prove their qualifications and aptitude for library work.

TECHNICAL AND GENERAL DIVISION.

Inspector of Lifts, Department of Labour and Industry.

Yearly Salary.—£791, minimum; £869, maximum.

Duties.—To inspect and test lifts under the provisions of the *Lifts Regulation Act 1928*, and Regulations thereunder, and other types of lifting gear.

Qualifications.—To have had practical experience in connexion with the erection and maintenance of lifts, cranes, hoists and other lifting devices and equipment, and to possess a thorough knowledge of the various types of such appliances; to have had technical training in electrical, structural, and mechanical engineering, and to be able to

make technical calculations and sketches; to be proficient in locating defects in the construction, workmanship, and operation of such appliances; to be capable of making comprehensive and technical reports upon lift practices, and to have an intimate knowledge of the Regulations relating to lifts.

Inspector of Works, Murray and Major Works Division, Department of Water Supply.

Yearly Salary.—£572, minimum; £689, maximum.

Duties.—General inspection of buildings and quarters, and the supervision of erection and maintenance in connexion therewith.

Qualifications.—To have suitable technical qualifications and a comprehensive knowledge of the buildings trades. To have ability to prepare estimates of cost of works and make sketch plans when required.

NOTE.—After completion of twelve months' satisfactory service on the maximum salary, the successful applicant will be eligible for progression to Senior Inspector of Works (£728-£805).

Inspector (Materials and Testing), Department of Water Supply.

Yearly Salary.—£500, minimum; £552, maximum.

Qualifications.—To have had extensive experience in the inspection of structural materials, and to have a sound general knowledge of mill, foundry, and engineering workshops practice and ability to read and interpret mechanical drawings.

Assistant (Male), Grade I, Government Printing Office, Department of Treasurer.

Yearly Salary.—£481, minimum; £494, maximum.

Duties.—To assist the Cashier; to keep records of private subscriptions for the *Government Gazette* and *Hansard* and to attend to renewals thereof; to attend the Bank daily and generally assist in the Accounts Branch.

Qualifications.—To possess a working knowledge of the various government publications available for sale; to have had experience in dealing with the public and in the performance of general clerical work. Experience in operating a cash register is desirable.

NOTE.—To be eligible to apply for this position, temporary employees must have passed the Board's examination for registration for appointment as Assistant (Male), Grade II, Technical and General Division.

Nurse, Tuberculosis Bureau, Tuberculosis Branch, Department of Health.

Yearly Salary.—£438, minimum; £477, maximum.

Duties.—To visit cases of pulmonary tuberculosis and assist medical officers with the examination and treatment of patients.

Qualifications.—To be a fully trained and registered nurse preferably with experience in tuberculosis work and social services; possession of a motor driver's licence is desirable.

Nurse, Visiting, Tuberculosis Branch, Department of Health.

Yearly Salary.—£438, minimum; £477, maximum.

Duties.—Under the direction of the Deputy Director of Tuberculosis (Radiology) to assist with X-Ray Surveys in both country and metropolitan areas and visit examinees as required.

Qualifications.—To be a State Registered Nurse, experienced in X-ray work and tuberculosis nursing; to hold a current motor driver's licence desirable.

This Regulation shall have effect as on and from the 6th November, 1955.

D. D. PAINE, Chairman.

V. P. SCULLY, Secretary.

Office of the Public Service Board,
Melbourne, 25th October, 1955.

PRIVATE ADVERTISEMENTS**MOE SEWERAGE AUTHORITY.****GENERAL NOTICE.**

THE above-mentioned sewerage authority, having made provision for carrying off sewage from each and every property which or any part of which is within the sewerage area hereinafter described, doth hereby declare that, on and after the 26th day of October, 1955, each and every property which is within the said sewerage area shall be deemed to be a seweraged property within the meaning of the *Sewerage Districts Act 1928*. The said sewerage areas shall be known as "Sewerage Area No. 7."

The boundary of the sewerage area hereinafter referred to is:

Sewerage Area No. 7.

Commencing in Truscott-road at a point 333 feet southerly from the southern boundary of Princes Highway; thence southerly along Truscott-road to the northern boundary of Service-road; thence easterly along Service-road to a lane approximately 230 feet west of the western boundary of Brook-street; thence northerly along this said Brook-street; thence westerly along South-street to the north-easterly corner of South-street and a thoroughfare approximately 480 feet east of the intersection of the eastern boundary of Wirraway-street and northern boundary of South-street; thence north-westerly and north along the eastern boundary of the said thoroughfare; thence still northerly on the same line to Vale-street; thence easterly along Vale-street to the intersection of Hinkler-street and Vale-street; thence northerly along Hinkler-street to Hawker-street; thence easterly along Hawker-street to a point 185 feet from the intersection of the northern boundary of Hawker-street and the western boundary of Kingsford-street; and thence northerly by a line at right angles to the northern boundary at Hawker-street to Langford-street; thence westerly along Langford-street to the intersection of Langford-street and Wirraway-street; thence westerly by a line parallel to and approximately 333 feet distant from the southern boundary of Princes Highway and continuing by the same line to the commencing point in Truscott-road.

By order of the said Sewerage Authority,

G. C. PURVIS, Chairman.

5059

W. H. BURRAGE, Secretary.

Victoria.

ACT 391.—FIRST SCHEDULE.

I GEORGE ANDERSON, authorized representative of the denomination known as the Presbyterian Church of Victoria, with the consent of The Presbyterian Church of Victoria Trusts Corporation, trustees of the land described in the subjoined statement of trusts, and of Roy Arthur Dunkley, being the person entitled to minister in or occupy a building or buildings upon the said land, hereby apply to the Governor of the State of Victoria for leave to dispose of the said land by the means and for the purposes mentioned in the said statement of trusts, and I hereby certify: That the said land was reserved by Order in Council on the 4th day of July, 1870, for the purpose of church and manse: That the only trustees of the said land resident in the State of Victoria are The Presbyterian Church of Victoria Trusts Corporation: That the only buildings upon the said land are remains of

bluestone building: And that the only person entitled to minister in or occupy the same is the above-named Roy Arthur Dunkley.

Signature of authorized representative—GEORGE ANDERSON.

We consent to this application—

HECTOR MACLEAN, Trustee.
A. W. COLES, Trustee.
GEO. D. MCKINNON, Secretary.

Attested by J. P. ADAM, Law Agent.

Signature of person entitled to minister in or occupy building or buildings—R. A. DUNKLEY.

STATEMENT OF TRUSTS.

Description of Land.—2 acres, Parish of Woorndoo, County of Hampden, being allotment 12b: Commencing on the eastern alignment of the road forming the eastern boundary of allotment 13 at a point bearing south 4 deg. 12 min. east 441 links, south 87 deg. 54 min. east 301 8/10 links, and north 4 deg. 12 min. west 1,114 links from the south-eastern angle of the said allotment, bounded thence by a road bearing north 4 deg. 12 min. west 400 links; and thence by lines bearing north 85 deg. 48 min. east 500 links, south 4 deg. 12 min. east 400 links, and south 85 deg. 48 min. west 500 links to the point of commencement.

Names of Trustees.—The Presbyterian Church of Victoria Trusts Corporation.

Powers of Disposition.—With the consent of the General Assembly of The Presbyterian Church of Victoria, to mortgage, sell, lease, exchange and transfer, and grant easements over the said land, or any part or parts thereof, and, subject to such powers and the exercise thereof, to hold the said land, or so much thereof as may from time to time remain vested in the said trustees, upon such trusts for the said Presbyterian Church of Victoria, and for such purposes, and with and subject to such powers, and provisions as are contained in the document enrolled by the Registrar-General of the State of Victoria, pursuant to the provisions of the *Presbyterian Trusts Act 1890*, and styled "The Presbyterian Church of Victoria Model Trust Deed for Church and Manse Site."

Purposes to which Proceeds of Disposition are to be Applied.—To pay the money coming to the hands of such trustees by virtue of any such power of disposition to the Treasurer for the time being of the Presbyterian Church of Victoria, to be by him applied first in payment of all incidental costs, next in payment to the said Presbyterian Church of Victoria, of all deductions heretofore or hereafter to be authorized, by the General Assembly of the said Church and as to the residue, for such purposes as the said Assembly has heretofore authorized or may hereafter authorize. 5049

Cemeteries Act 1928, Section 59.

NOTICE OF INTENTION TO CONSTRUCT CREMATORIUM.

THE Ballarat General Cemeteries Trust hereby gives notice of its intention to construct a crematorium within the grounds of the Ballarat New Cemetery.

R. CRAWCOUR, Secretary,
Ballarat General Cemeteries Trust.

14th October, 1955.

5051

CITY OF CHELSEA.

BY-LAW No. 44.

A By-law of the City of Chelsea, made under the Local Government Acts, and numbered 44, for requiring the destruction of rats, ants, or other vermin or pests and the destruction of noxious weeds and for other purposes.

IN pursuance of the powers conferred by the Local Government Acts and of any and every other power thereunto enabling, the Mayor, Councillors, and Citizens of the City of Chelsea order as follows:—

1. The Council of the City of Chelsea may at any time cause to be served on the owner or occupier of any property or premises a notice, in writing, requiring such owner or occupier, within a time limited by such notice, to destroy all rats, ants, or other vermin or pests as may be specified in such notice and which are upon such property or premises. Any such notice may be signed by the Town Clerk or the Health Inspector of the Municipality.

2. The said Council may at any time cause to be served on the owner or occupier of any property or premises a notice, in writing, requiring such owner or occupier, within a time limited by such notice, to destroy all such noxious weeds as may be specified in such notice and which are upon such property or premises. Any such notice may be signed by the Town Clerk or Health Inspector of the Municipality.

3. If any such owner or occupier shall, within the time limited by such notice, fail to comply with the requirements thereof, the Council may take such measures as may be reasonably necessary to destroy such rats, ants, vermin, or pests, or noxious weeds at the expense of such owner or occupier, and may recover the costs thereof from such owner or occupier as a civil debt recoverable summarily.

4. In this By-law the words "noxious weeds" mean and include the following:—

Scientific Name; Common Name.

Rubus fruticosus, L.; Blackberry Bramble.

Rubus laciniatus, Willd.; Italian Blackberry or Cut Leaf Blackberry.

Salpichroa Rhomboidea, Miers; Pampas Lily of the Valley.

Lycium ferocissimum, Miers; Box Thorn (except existing hedges not exceeding 6 feet in height and 3 feet in width).

Ulex europaeus, L.; Furze (except existing hedges not exceeding 6 feet in height and 3 feet in width).

The Resolution for passing this By-law was agreed to by the Council on 5th September, 1955, and confirmed on 17th October, 1955.

In witness whereof the common seal of the Mayor, Councillors, and Citizens of the City of Chelsea was hereunto affixed this 24th day of October, 1955, in the presence of:—

(SEAL) W. R. LUMLEY, Mayor.
L. F. PAYNE, Councillor.
H. D. HACKWELL, Town Clerk.

5068

CITY OF HAMILTON.

LOAN No. 23.

Notice of Intention to Borrow the Sum of £10,000 for Permanent Works and Undertakings.

NOTICE is hereby given that the Council of the City of Hamilton proposes to borrow the sum of Ten thousand pounds on the credit of the municipal revenues of the Mayor, Councillors, and Citizens of the said City, such sum to be raised by the issue of debentures in accordance with the provisions of the Local Government Acts.

1. The maximum rate of interest that may be paid is 4½ per cent. per annum.

2. The purpose for which the loan is to be applied is—
Construction of Olympic Swimming Pool.

3. The period of the loan shall be ten years.

4. The moneys borrowed shall be repayable by providing out of the municipal fund twenty half-yearly instalments of approximately £637 14s. each, including principal and interest on the 1st day of January and the 1st day of July during the currency of the loan. The first instalment shall be payable on the 1st day of July, 1956.

5. Such moneys shall be repayable at The Commercial Banking Company of Sydney Ltd., Melbourne, or at the Council's bankers for the time being in Melbourne.

The plans and specifications and the estimate of the cost of the proposed works and a statement showing the proposed expenditure of the moneys to be borrowed are open for inspection at the Town Hall, Hamilton.

5055

H. F. DONALD, Town Clerk.

CITY OF HAWTHORN.

LOAN No. 28.

Notice of Intention to Borrow the Sum of £10,000 for Permanent Works and Undertakings.

NOTICE is hereby given that the Council of the City of Hawthorn proposes to borrow the sum of Ten thousand pounds on the credit of the municipal revenues of the Mayor, Councillors, and Citizens of the said City, such sum to be raised by the issue of debentures in accordance with the provisions of the Local Government Acts.

1. The maximum rate of interest that may be paid is £4 17s. 6d. per cent. per annum.

2. The purpose for which the loan is to be applied is—
Road construction works.

3. The period of the loan shall be fifteen years.

4. The moneys borrowed shall be repayable by providing out of the municipal fund 30 half-yearly instalments of approximately £473 16s. each, including principal and interest, on the 1st day of February and the 1st day of August during the currency of the loan. The first instalment shall be payable on the first day of August, 1956.

5. Such moneys shall be repayable at the E.S. and A. Bank Ltd., Melbourne, or at the Council's bankers for the time being in Melbourne.

The plans and specifications and the estimate of the cost of the proposed works and a statement showing the proposed expenditure of the moneys to be borrowed are open for inspection at the Municipal Offices, Town Hall, Hawthorn, during office hours.

Dated this twenty-sixth day of October, 1955.

5046 J. T. GUNDRY, Town Clerk.

CITY OF MILDURA.

BY-LAW No. 40.

NOTICE is hereby given that the Council of the City of Mildura has made a By-law under the provisions of the Local Government Acts and numbered 40 for the following purposes:—

- (a) The preservation of good order and decency in the municipal swimming pool.
- (b) Regulating the use and management of the swimming pool.
- (c) Fixing the amounts to be charged for admission to the swimming pool and the supply of bathing requisites.
- (d) Fixing the hours during which such swimming pool shall be available to the public.

A copy of this By-law is open for inspection free of charge during office hours at the offices of the Council, Town Hall, Mildura.

Resolution for making and passing this By-law was agreed to by the Council on the 11th day of August, 1955, and confirmed on the 8th day of September, 1955, and approved by the Governor in Council on the 11th day of October, 1955.

5069 W. J. DOWNIE, Town Clerk.

CITY OF MOORABBIN.

BY-LAW No. 220.

A By-law of the City of Moorabbin made under section 197 of the Local Government Acts and numbered 220 for the purpose of adopting the provisions of the Fifteenth Schedule to the said Act.

IN pursuance of the powers conferred by the Local Government Acts, the Mayor, Councillors, and Citizens of the City of Moorabbin order as follows:—

1. By-law numbered 62 of the City (formerly Shire) of Moorabbin is hereby repealed.

2. That the whole of the Fifteenth Schedule to the *Local Government Act 1946* be and the same is hereby adopted in and for the whole of the municipal district of the City of Moorabbin.

3. This By-law shall apply to and have operation throughout the whole of the municipal district of the City of Moorabbin.

Resolution for passing this By-law agreed to by the Council the 15th day of August, 1955, and confirmed the 19th day of September, 1955.

The common seal of the Mayor, Councillors, and Citizens of the City of Moorabbin was hereto affixed in pursuance of a resolution of the Council and in the presence of—

(SEAL) N. G. WISHART, Mayor.
L. R. COATES, Councillor.
W. B. THOMAS, Town Clerk.

5066

CITY OF MOORABBIN.

BY-LAW No. 219.

A By-law of the City of Moorabbin made under section 197 of the Local Government Acts and numbered 219 for the purpose of prohibiting or minimizing noise in any public highway.

IN pursuance of the powers conferred by the Local Government Acts, the Mayor, Councillors, and Citizens of the City of Moorabbin order as follows:—

1. (1) No person shall in any public highway cause to permit or suffer to be caused any noise by using, operating, or working any mobile amplifier without the consent in writing of the Council of the City of Moorabbin and subject to the conditions specified in such consent.

(2) Any person applying for such consent shall—

- (a) make application in writing to the Council, and
- (b) in the application state—
 - (i) his full name and address;
 - (ii) the date and the times between which he proposes to use a mobile amplifier;
 - (iii) the purpose for which he desires to use such mobile amplifier;
 - (iv) the streets or roads in which he proposes to use the same;
 - (v) any other information the Council may desire.

(3) The Council may grant or refuse the application as it sees fit.

2. This By-law shall apply to and have operation throughout the whole of the municipal district of the City of Moorabbin.

Resolution for passing this By-law agreed to by the Council the 15th day of August, 1955, and confirmed the 19th day of September, 1955.

The common seal of the Mayor, Councillors, and Citizens of the City of Moorabbin was hereto affixed in pursuance of a resolution of the Council and in the presence of—

(SEAL) N. G. WISHART, Mayor.
L. R. COATES, Councillor.
W. B. THOMAS, Town Clerk.

5067

CITY OF SANDRINGHAM.

LOAN No. 51.

Notice of Intention to Borrow the Sum of Sixty Thousand Pounds (£60,000) for Permanent Works and Undertakings.

NOTICE is hereby given that the Council of the City of Sandringham proposes to borrow the sum of Sixty thousand pounds (£60,000) on the credit of the municipal revenues of the Mayor, Councillors, and Citizens of the said City, such sum to be raised by the issue of debentures in accordance with the provisions of the Local Government Acts.

1. The maximum rate of interest that may be paid is 4 17s. 6d. per centum per annum.

2. The purposes for which the loan is to be applied are—

	£
(a) Road works	18,000
(b) Drainage works	23,000
(c) Provision of places of public resort and recreation	13,000
(d) Provision of store yards and workshops	6,000
	<hr/> 60,000

3. The period of the loan shall be twenty years.

4. The moneys borrowed shall be repayable by providing out of the municipal fund 40 equal half-yearly instalments of £2,365 1s. 9d. each, including principal and interest, on the 1st day of February and the 1st day of August during the currency of the loan. The first instalment shall be payable on the 1st day of August, 1956.

5. Such moneys shall be repayable at the National Bank of Australasia Limited, Melbourne, or the Council's bankers for the time being in Melbourne.

The plans and specifications and the estimate of the cost of the proposed works and a statement showing the proposed expenditure of the moneys to be borrowed are open for inspection during office hours at the Town Hall, Abbott-street, Sandringham.

Dated this 24th day of October, 1955.

5043 F. G. TRICKS, Town Clerk.

CITY OF SOUTH MELBOURNE.

BY-LAW No. 401.

A By-law of the City of South Melbourne made under the Local Government Acts and numbered 401 for the purpose of amending By-law No. 351 of the said City.

THE Mayor, Councillors, and Citizens of the City of South Melbourne, in pursuance of the powers conferred by the Local Government Acts and every other Act or power enabling it in that behalf, doth hereby make the By-law and order as follows:—

1. That By-law No. 351 of the said City as amended by any other By-law be further amended by inserting after paragraph (vi) of clause 28 thereof the following paragraph:—

“(vii.) on any footway or street plantation.”

Resolution adopting this By-law agreed to by the Council of the City of South Melbourne on the 28th day of September, 1955, and confirmed at a meeting of the said Council held on the 26th day of October, 1955.

(SEAL) F. J. FERRY, Mayor.
J. P. GORMAN, Councillor.
H. ALEXANDER, Town Clerk.

5054

TOWN OF COLAC.

BY-LAW No. 26.

A By-law of the Town of Colac, made under the *Local Government Act 1946*, and numbered 26, for prohibiting spitting or expectorating on footpaths; prohibiting the throwing, placing or leaving, upon any public highway, of orange peel, banana peel, or other vegetable matter;

for prohibiting cattle being allowed to graze or wander upon any land not enclosed by a substantial fence; and generally for maintaining the good rule and government of the municipality.

PURSUANT to the powers conferred by the *Local Government Act 1946* and every other power thereunto it enabling, the Mayor, Councillors, and Burgesses of the Town of Colac order as follows:—

1. By-law Nos. 37, 38, 41, 43, 45, 53, 56, 67, 70, 75, 87, and 96 of the Shire of Colac, insofar as the same apply to the Town of Colac, are hereby repealed.

2. This By-law shall come into operation immediately after publication in the *Government Gazette*.

Definitions.

3. In this By-law, unless the context otherwise requires—

"Town" means the municipal district of the Town of Colac.

"Council" means the Council of the Town of Colac.

"Crossing" means a crossing (established by the Council) for pedestrians on streets, and includes the part or parts of any intersection used by pedestrians when crossing such intersection.

"Footway" includes every footpath, lane, thoroughfare, or other public place in the town, habitually used by pedestrians, and not by vehicular traffic.

"Intersection" means the area embraced within the prolongation of the building lines of two or more streets which join at an angle, whether or not such streets cross.

"Occupier" means and shall include the proprietor of any premises and also the owner, occupier, or any person apparently having the management or control thereof.

"Public place" includes and applies to every public highway, road, street, footway, footpath, court, alley, passage or thoroughfare or public convenience established by the Council, notwithstanding that such public highway, road, street, footway, footpath, court, alley, passage or thoroughfare may be formed on private property, and shall also include any public park, garden or reserve.

"Writing" includes printing, duplicating, and other modes of representing or reproducing words in visible form.

4. Spitting or Expectorating on Footways or Streets.—No person shall spit or expectorate on any footway or on any street crossing habitually used by pedestrians or on any pavement, floor, or walls of any place open to or frequented by the public.

5. Throwing of Fruit Skins on Footways.—No person shall throw, place, or leave upon any footway or street any orange peel, banana peel, or other vegetable matter.

6. Cattle on Unenclosed Land.—No person, being the owner, or having the possession, care, charge, custody, control, or supervision of any cattle shall allow such cattle to graze or wander upon any land, within the municipal district of the Town of Colac, not enclosed by a substantial fence.

7. Interference with Notices, &c.—No person, not being an authorized officer or employee of the Council, or otherwise authorized by the Council shall destroy, remove, or in any manner interfere with any notice (including any standard or other erection supporting any such notice) which has been fixed or placed by the Council, pursuant to this or any other By-law made by the Council, upon any street, roadway, or other public place, or upon any verandah or other building.

8. Affixing Unauthorized Notices.—No person, not being an officer or employee of the Council or otherwise authorized by the Council shall, within the municipal district write, paint, print, stencil, place or affix any letter, figure, device, poster, sign, or advertisement—

(a) upon any footpath, street, or road vested in the municipality of the Town of Colac or under the control and management of the Council thereof; or

(b) upon any building, fence, or other property vested in the said municipality or under the control and management of the Council thereof.

9. Placing Advertisements on Streets or Footways, &c.—No person shall place or leave on any street or footway any placard, board, or other thing by way of advertisement on any street or footway, or upon any building, fence, or other property vested in or under the control of the Council.

10. Litter on Streets or Footways.—No person shall litter any street or footway by scattering or throwing down handbills, placards, notices, advertisements, books, pamphlets, or papers.

11. Obstructing Street or Footway.—No person shall obstruct a footway, street, or public place by standing, loitering, or assembling thereon, whether for the purpose of selling or offering for sale any goods or otherwise. Every person obstructing a street, footway, or public place, by standing or loitering thereon shall upon being required to do so by a member of the Police Force, discontinue such standing or loitering.

12. Every person who shall by wilful act or default offend against the provisions of this By-law shall be liable on conviction for a first offence to a penalty not exceeding Five pounds, and for any second or subsequent offence to a penalty not exceeding Twenty pounds.

Resolution for passing this By-law agreed to by the Council on the 28th day of September, 1955, and confirmed on the 26th day of October, 1955.

The common seal of the Mayor, Councillors, and Burgesses of the Town of Colac was hereto affixed by order of the Council, in the presence of—

(SEAL) D. C. STALKER, Mayor.
K. B. BROWN, Councillor.
A. N. WALLS, Town Clerk.

5056

River Improvement Act 1948.

SHIRE OF BASS.

PROPOSED RIVER IMPROVEMENT DISTRICT.

NOTICE is hereby given that, on behalf of the Council of the Shire of Korumburra and the Council of the Shire of Bass, the Council of the Shire of Bass has forwarded to the Minister of Water Supply an application, together with a general plan and description of proposed works, for the constitution of a river improvement district under the jurisdiction and control of a river improvement trust, and comprising an area along the Powlett River commencing from the mouth of the Powlett and continuing to the northern boundary of allotment 71B, Parish of Leongatha, under the provisions of the *River Improvement Act 1948*.

Copies of the application and general plan and description of proposed works have been deposited for inspection at the offices of—

(a) The Minister of Water Supply, State Rivers and Water Supply Commission, 100-110 Exhibition-street, Melbourne, C.1.

(b) The Shire of Bass, Shire Offices, Dalyston.

(c) The Shire of Korumburra, Shire Offices, Korumburra.

(d) The Shire of Woorayl, Shire Offices, Leongatha.

4967 N. G. HAYNES, Shire Secretary, Shire of Bass.

SHIRE OF GORDON.

By-LAW No. 21.

A By-law of the Shire of Gordon, made under the Local Government Acts and the Uniform Building Regulations of Victoria, and numbered 21, for determining, applying, dispensing with, or regulating such matters or things as are left to be determined, applied, dispensed with, or regulated by the Council of the said Shire of Gordon under the Uniform Building Regulations of Victoria, and for repealing all By-laws and Regulations inconsistent herewith.

IN pursuance of the powers conferred by the Local Government Acts and the Uniform Building Regulations of Victoria, and of any and every other power it thereunto enabling, the President, Councillors, and Ratepayers of the Shire of Gordon order as follows:—

Areas Controlled by By-law.

1. The areas set out and described in the First Schedule hereto are hereby prescribed as areas under which this By-law shall operate and have effect, and no person shall in such area construct or cause to be constructed any building without conforming with the requirements of the Uniform Building Regulations of Victoria.

Brick Areas.

2. The areas set out and described in the Second Schedule hereto are hereby prescribed as brick areas, and no person shall in such area construct or cause to be constructed any building the external walls of which are of material other than brick, stone, or concrete, provided

that for the purpose of the By-law, buildings of brick veneer constructed conforming to the requirements of chapter 26 of the Uniform Building Regulations shall be deemed to have external walls of brick.

Limit of Two Stories.

3. The areas within the boundaries of the Shire of Gordon, as described in the First Schedule hereto, are hereby prescribed as areas in which buildings of Classes II. and III. Occupancy shall not be constructed to contain more than two stories, including the ground story, and no person shall in such area construct a building of Classes II. and III. Occupancy to contain more than two stories, including the ground story.

Minimum Area, Depth, and Width of Frontage.

4. The minimum area, depth, and width of frontage specified in column 4 of Table 803 of the Uniform Building Regulations of Victoria (hereinafter called "the Regulations") are hereby adopted as the minimum area, depth, and width of frontage of land on which a building shall be constructed throughout the whole of that portion of the municipal district within the boundaries as described in Schedule 1.

Distance from Street Frontage.

5. (a) The minimum distance of the outer walls of any building of any land from the street frontage is hereby specified as 25 feet.

(b) No person shall construct any building closer to the street frontage of any land than 25 feet.

Sites Below Minimum Requirements.

6. Notwithstanding anything contained in the Regulations any person may—

(a) construct a building of Class I. Occupancy on land having a lesser area, depth, or width of frontage or at lesser distance from boundaries than those specified in column 4 of Table 803 of the Regulations, or in clause 4 of this By-law (as the case may be); or

(b) construct a building of Class III., V., VI., VII. or VIII. Occupancy or a building to which a building of Class IV. Occupancy is attached on land having an area, depth, or width of frontage less than that prescribed in clause 809 of the Regulations.

In any case where on the date of the commencement of the Regulations such land existed as a separate allotment and has not since reduced in area or is shown on any plan of subdivision approved by the Council, and lodged in the Office of Titles.

Rear Access.

7. In the case of a building on any land forming part of a subdivision approved by the Council and lodged with the Office of Titles prior to the date of commencement of the Regulations, the requirements of clause 811 of the Regulations are hereby dispensed with.

SCHEDULE No. 1.

A. Area of Boort Township and District Controlled by Building Regulations.

Commencing at the south-east angle of allotment 18, section G, Parish of Boort, County of Gladstone; thence northerly along the eastern boundary of the said allotment to the north-east corner thereof; thence across a road to an angle on the southern boundary of the Boort Racecourse and Recreation Reserve; thence north-easterly and northerly by the eastern boundary of the said reserve to the north-east angle thereof; thence westerly along the northern boundary of the said reserve a distance of 1,343 links; thence northerly across a road to the south-east angle of allotment 16, section F; thence northerly along the eastern boundary of the said allotment 16 a distance of 2,849 links; thence across a road to the south-west angle of allotment 14, section F; thence easterly along the southern boundary of the said allotment 14 to the north-east angle of allotment 15A, section F; thence south-easterly along the eastern boundary of the said allotment, and the eastern boundary of allotment 15B to the south-east angle of the said allotment 15B; thence southerly to the northern shore of Lake Boort; thence westerly and southerly by the shore of the said Lake Boort to a point opposite the south-east angle of allotment 19, section G; thence southerly by a line bearing south 8 deg. 30 min. west a distance of 200 links to the south-east corner of the said allotment 19; thence westerly by the southern boundary of the said allotment 19 and across a road to the point of commencement.

B. Area of Pyramid Hill Township and District Controlled by Building Regulations.

NOTICE is hereby given that Sergeant John Harrison, No. 8938, has been appointed as Prosecuting Officer for the Red Cliffs District within the Shire of Mildura, vice Sergeant J. C. H. Quill, resigned.

Dated this 25th day of October, 1955.

5050

A. D. HARVEY, Shire Secretary.

SHIRE OF TRARALGON.

LOAN No. 31.

(Private Street Construction.)

NOTICE is hereby given that at a Meeting of the Council of the Shire of Traralgon held in the Council Chambers, Traralgon, on the 1st day of September, 1955, the said Council did agree to the following Resolution, that is to say:—

"That for the purpose of carrying out private street construction within the Shire, the Council do and it hereby does resolve to make a Special Order for the borrowing of the sum of £20,000, at £4 17s. 6d. per centum per annum for a period of fifteen years; such loan to be repayable by 30 equal half-yearly instalments covering principal and interest on the 1st day of October and the 1st day of April during the

currency of the loan at the Australia and New Zealand Bank Ltd., or the Council's bankers for the time being in Melbourne."

Notice is further given that the foregoing Resolution was confirmed by the Council on the 6th day of October, 1955.

5070

E. F. TAYLOR, Shire Secretary.

SHIRE OF WODONGA.

By-Law No. 35.

A By-law of the Shire of Wodonga, made under the Local Government Acts and the Uniform Building Regulations of Victoria, and numbered 35, for determining, applying, dispensing with, or regulating such matters or things as are left to be determined, applied, dispensed with, or regulated by the Council of the said Shire of Wodonga under the Uniform Building Regulations, Victoria.

IN pursuance of the powers conferred by the Local Government Acts and the Uniform Building Regulations, Victoria, and of any and every power it thereunto enabling, the President, Councillors, and Ratepayers of the Shire of Wodonga order as follows:—

1. By-law No. 29 shall be altered by the repeal of clauses 3, 4, 5, 6, and the First Schedule and the Second Schedule.

2. The areas set out and described in the First Schedule hereto are hereby prescribed as brick areas, and no person shall in any such brick area construct or cause to be constructed any building the external walls of which are of material other than brick, stone, or concrete: Provided that in any such brick area a building may be constructed the external walls of which are of material other than brick, stone, or concrete, provided such building does not cover 225 square feet in area and is erected not less than 100 feet from the street frontage of the allotment on which it is erected.

3. The minimum area, depth, and width of frontage specified in column 3 of Table 803 of the Uniform Building Regulations, Victoria, as amended (hereinafter called "the said Regulations"), are hereby adopted as the minimum area, depth, and width of frontage of land on which a building may be constructed and minimum space at ground level per flat throughout those portions of the Wodonga municipal district, as are set out and described in the Second Schedule hereto.

4. In the case where there is an existing building on any land forming part of a subdivision approved by the Council and lodged with the Office of Titles prior to the date of commencement of the said Regulations, the requirements of clause 811 of the said Regulations are hereby dispensed with.

THE FIRST SCHEDULE.

From the Wodonga Creek Bridge on the Hume Highway to the northern intersection of Brockley-street with Beechworth-road, for a distance of 5 chains to the east of High-street and Beechworth-road from the eastern alignment of the said High-street and Beechworth-road, and for a distance of 5 chains to the west of the said High-street and Beechworth-road from the western alignment of the said High-street and Beechworth-road.

THE SECOND SCHEDULE.

(a) The whole of the Wodonga Water Trust Area.

(b) The whole of Crown allotment 1 of section J, Crown allotments 4 and 8, of section 5, and Crown allotment 1 of section 4, all in the Parish of Wodonga.

(c) The whole of the area comprised within the boundaries of the Township of Wodonga on the east side of the Wodonga Water Trust Area to the western boundary of the Wodonga pre-emptive-right.

Resolution for passing this By-law agreed to by the Council of the Shire of Wodonga on the 7th day of September, 1955.

Confirmed the 5th day of October, 1955.

The common seal of the President, Councillors, and Ratepayers of the Shire of Wodonga was hereunto affixed this 5th day of October, 1955, in the presence of—

M. E. MORRISON, Councillor.

(SEAL) J. S. HORE, Councillor.

H. McK. SILKE, Secretary.

Approved by the Governor in Council as far as such approval is required under the Local Government Acts.

CREDITORS, next of kin, and others having claims in respect of the estate of Lena Raymond Lloyd, late of Flat 19, Eton-square, 474 St. Kilda-road, Melbourne, in the State of Victoria, spinster, deceased (who died on 22nd day of December, 1954), are required to send particulars of their claims to Leslie William Seedsman, care of the undersigned, by the 4th day of January, 1956, after which date he will distribute the assets, having regard only to those claims of which he then has notice.

PARKINSON, WETTENHALL, & HART, solicitors, 357 Little Collins-street, Melbourne. 5099

CREDITORS, next of kin, and others having claims in respect of the estate of Lillian Mildred Rieger, late of 32 Park-road, Middle Park, formerly of 69 Armstrong-street, Middle Park, married woman, deceased (who died on the 22nd day of April, 1955), are to send particulars of their claims to the administrator, Frank Charles Edmund Rieger, care of his solicitor below, on or before 3rd day of January, 1956, after which date he will distribute the assets, having regard only to the claims of which he then has notice.

IRVING S. PLOTKIN, solicitor, 379 Collins-street, Melbourne. 5100

CREDITORS, next of kin, and others having claims in respect of the estate of William Charles Lewis, late of 9 Robinsons-road, Hawthorn, manager, deceased (who died on the 22nd day of June, 1955), are to send particulars of their claims to the administrator, May Katherine Lewis, care of her solicitor below, on or before the 3rd day of January, 1956, after which date she will distribute the assets, having regard only to the claims of which she then has notice.

IRVING S. PLOTKIN, solicitor, 379 Collins-street, Melbourne. 5101

NOTICE TO CREDITORS.

SOPHIA BESSIE FOWLER, late of Willowgrove, in the State of Victoria, married woman, DECEASED (who died on the 3rd day of December, 1954).

CREDITORS and next of kin and all other persons having claims against the estate of the above-named deceased are required by the executors of the will, William Robert Fowler, farmer, and Janet Cameron Sophia Macpherson, spinster, both of Willowgrove, to send particulars to them, care of the undersigned, on or before the 15th day of January, 1956, after which date they will distribute the assets, having regard only to the claims of which they then have notice.

M. DAVINE, solicitor, Trafalgar. 5087

CREDITORS, next of kin, and others having claims in respect of the estate of Isaac Wagman, late of 14 Willis-street, North Balwyn, milliner, deceased (who died on the 28th day of March, 1955), are to send particulars of their claims to the administrator, Eva Wagman, care of her solicitor below, by the 3rd day of January, 1956, after which date she will distribute the assets, having regard only to the claims of which she then has notice.

IRVING S. PLOTKIN, solicitor, 379 Collins-street, Melbourne. 5102

CREDITORS, next of kin, and others having claims in respect of the estate of Ernest Hallett, formerly of Neerim South, later of Lillico, via Warragul, but late of Labertouche, retired farmer, deceased (who died on the 16th day of July, 1954), are to send the particulars of their claims to The Equity Trustees, Executors, and Agency Company Limited, of 472 Bourke-street, Melbourne, by the 5th day of January, 1956, after which date it will distribute the assets, having regard only to the claims of which it has then notice.

GRAY, FRIEND, MOONIE, & LONG, solicitors, Warragul. 5044

CREDITORS, next of kin, and others having claims in respect of the estate of Lucy Ann Casey, late of 72 Garden-street, East Geelong, widow, deceased (who died on 18th March, 1955), are requested to send particulars, in writing, of their claims to the executor, The Fidelity Trustee Company Limited, at its Geelong office, 8 Malop-street, Geelong, by the 11th day of January, 1956, after which date the assets will be distributed, having regard only to the claims of which it then has notice.

A. H. BOWMAN & SON, solicitors, 43 Yarra-street, Geelong. 5058

CREDITORS, next of kin, and others having claims against the estate of Jean Roberts (sometimes known as Jane Roberts), formerly of 147 Greville-street, Prahran, but late of 71 Balmaine-street, Richmond, in the State of Victoria, widow, deceased (who died on the 9th day of June, 1955), are to send particulars of their claims to Thomas Arnold Roberts and George Reginald Roberts, care of the undersigned, by the 31st day of December, 1955, after which date they will distribute the assets, having regard only to the claims of which they then have notice.

JAMES P. OGGE & CO., of 165 Greville-street, Prahran, proctors for the applicant. 5085

CREDITORS, next of kin, and others having claims in respect of the estate of Mary Annie Mabbutt, late of 23 Percy-street, Prahran, widow, deceased (who died on the 4th day of March, 1955), are to send particulars of their claims to Thomas William Mabbutt, care of the undersigned, by the 31st day of December, 1955, after which date he will distribute the assets, having regard only to the claims of which he then has notice.

JAMES P. OGGE & CO., of 165 Greville-street, Prahran. 5086

In the Supreme Court of the State of Victoria.—*Fi. Fa.*

NOTICE is hereby given that under and by virtue of certain process issued out of the Supreme Court of the State of Victoria and directed to the Sheriff, requiring him to levy certain moneys of the real and personal estate of E. Burke, of 70 Paloma-street, Oakleigh, painter, the said Sheriff will, on Monday the 12th day of December, 1955, at the hour of Eleven o'clock in the forenoon, cause to be sold at the Police Station, Atkinson-street, Oakleigh (unless the said process shall have been previously satisfied or the said Sheriff be otherwise stayed)—

All the right, title, estate and interest (if any) of the said E. Burke as joint proprietor with Dorothy Burke in and to all that piece of land, being lot 160 on plan of subdivision No. 12769, lodged in the Office of Titles, and being part of Crown portion 63, Parish of Moorabbin, County of Bourke, and being the whole of the land more particularly described in certificate of title, volume 6992, folio 368, registered in the name of the said E. Burke and Dorothy Burke, as joint proprietors. Upon the land is erected a brick veneer six-roomed house and conveniences, and the said E. Burke resides on the land, which is situate at and known as 70 Paloma-street, Oakleigh.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 27th day of October, 1955.

5084 DAVID J. JOHNSTON, Sheriff's Officer.

MINING NOTICE**NORTHERN URANIUM DEVELOPMENT NO

W. M. HOUSTON,
Government Printer.

THE "VICTORIA GOVERNMENT GAZETTE."

ATTENTION is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:—

1. *Matter submitted to the Executive Council.*

Matter submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.

Where urgent gazettal is required, special arrangements should be made with the *Gazette* Officer.

Publication will be facilitated by the submission of carbon copies for the use of the *Gazette* Officer.

2. *Other matter.*

(a) All other matter duly certified by a responsible officer for publication should be lodged with the *Gazette* Officer not later than half-past Ten a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested, or at the direction of the *Gazette* Officer, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matter for publication will be accepted by telephone.

SUBSCRIPTIONS.—*The subscription, including postage, is £2 15s. per annum, £1 7s. 6d. half-yearly, or 13s. 9d. per quarter, payable in advance.*

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of 1s. 6d. per line single column, and 3s. per line double column.

The title (£5 Reward, Dissolution of Partnerships, &c.) forms one or more lines as a heading.

On an average, ten words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and FIVE p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE at One shilling, posted One shilling and three pence.

No GAZETTES prior to January, 1950, in stock.

***ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.

AGENTS FOR THE "VICTORIA GOVERNMENT GAZETTE."

THE following have been appointed agents to receive Advertisements and Subscriptions for the *Victoria Government Gazette*:—

ARMSTRONG'S AGENCY, 143 Queen-street, Melbourne.
ARMSTRONG BROS., Kyneton.

MESSRS. ARNALL & JACKSON, 115 Barkly-street, West Brunswick.

BERRY, ANDERSON, & CO., 207 Sturt-street, Ballarat.

MR. WM. DAVIS, Mildura.

A. J. DIGBY (B. S. and N. W. CASH), Main-street, Bairnsdale.

EDGAR'S NEWS AGENCY, Hargreaves-street, Bendigo.

MESSRS. HENRY FRANKS & CO., Booksellers and Stationers, Market-square, Geelong.

MESSRS. GORDON & GOTCH, News Agents, 511 Little Collins-street, Melbourne; and corner Barrack and Clarence streets, Sydney.

A. C. HAMPTON, 243 Mitchell-street, Bendigo.

MESSRS. HARSTON, PARTRIDGE, & CO., 455 Little Collins-street, Melbourne.

MR. C. F. LATIMER, News Agent, Casterton.

McARTHUR'S AUTHORIZED NEWSAGENCY, 345 Wyndham-street, Shepparton.

MESSRS. R. H. & W. M. PETTY, News Agent, Wangaratta.

MESSRS. POWELL & DIXON, 89 Firebrace-street, Horsham.

J. PURDIE & CO., 138 Moorabool-street, Geelong.

F. W. RASHLEIGH & SON, Nunn-street, Benalla.

MESSRS. A. S. RICHARDSON and T. C. GARDNER, trading as The Mercantile Exchange, 380 Collins-street, Melbourne.

ROBERTSON & MULLENS LTD., Elizabeth-street, Melbourne.

SALE AUTHORIZED NEWS AGENTS, Sale.

MESSRS. SMITH & DUNNION, Hamilton.

F. D. & J. R. TRAINOR, 246 Wyndham-street, Shepparton.

E. W. B. WELSH, Hogan-street, Tatura.

VIEW POINT AUTHORIZED NEWSAGENCY, 4 View Point, Bendigo.

A copy of the *Gazette* filed at each place for public reference.

SENATE ELECTIONS (TIMES AND PLACES)
ACT 1928 (No. 3769).

*At the Executive Council Chamber, Melbourne, the
second day of November, 1955.*

PRESENT:

His Excellency the Governor of Victoria.

Mr. Rylah
Mr. Mibus
Mr. Turnbull
Mr. McArthur

Colonel Leggatt
Mr. Petty
Mr. Reid.

ELECTION OF SENATORS FOR VICTORIA.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by the *Senate Elections (Times and Places) Act 1928*, doth by this Order fix the following dates for the purpose of the election of Senators for Victoria of the Parliament of the Commonwealth, viz.:—

The issue of the writ—7th November, 1955.

The nomination of the candidates—16th November, 1955.

The polling—10th December, 1955; and

The return of the writ—on or before the 25th January, 1956.

And doth appoint the Commonwealth Electoral Office, 301 Flinders-lane, at Melbourne, to be the place for the nomination of candidates.

And the Honorable Arthur Gordon Rylah, Her Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

TALLANGATTA SEWERAGE AUTHORITY.

BY-LAW No. 1.—RELATING TO CONSENTS, LICENCES, ETC., ALSO LEVELS, DIMENSIONS, CONSTRUCTION, MAINTENANCE, VENTILATION, AND CLEANSING OF SEWERS AND OTHER MATTERS RELATING TO HOUSE CONNEXION WORK.

THE Tallangatta Sewerage Authority, pursuant to and in exercise of the powers and authorities conferred on it by the Sewerage Districts Acts and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

In the construction and interpretation of this By-law, unless inconsistent with the context or subject-matter—

“Acts” means the Sewerage Districts Acts and any amendment thereof, and any Act incorporated therein, or amendment of such Acts.

“Anti-siphonage vent” (or “back vent”) means any vent pipe from any individual trap to the open air, or a main or branch vent pipe having for its purpose the prevention of loss of water seal in the trap.

“Approved” means approved by the Authority or its proper officer.

“Authority” means the Tallangatta Sewerage Authority within the meaning of the Sewerage Districts Acts, within the Sewerage District of which the premises connected, or to be connected, to the sewers are situated.

“Bore, diameter, or size” in reference to any pipe means the nominal internal diameter thereof.

“Building” means any building used as a work place, residence, place of business, place of amusement, or place of human habitation, or for the storage of food intended for human consumption, but does not include outbuildings unless such are used for any of the above purposes.

“Combined pipe system” means that type of plumbing installation in which disconnector traps are omitted and both soil and waste pipes are connected directly to the drain or to a common pipe taking both soil and waste discharge, and in which a common system of venting is used for all classes of pipe.

“Combined waste pipe” means any pipe which receives the discharges from both soil and waste fixtures and conveys the same to the drain. Combined waste pipes are connected directly to the drain and are used only in connexion with the combined pipe system.

“Disconnector trap” means a trap for isolating or disconnecting waste pipes from the drain and soil pipes and providing inlet ventilation to the waste pipe or pipes discharging into it.

“Drain” means that portion of a drainage system, not vested in the Authority, which conveys the discharge from soil, waste, combined waste, and other drainage pipes from any system to the sewer, and includes any drain for draining any group or block of houses by combined operation under order of Authority, but does not include stormwater drainage pipes.

“Educt vent” means an opening or pipe for the exit of air from, and the induction of draught in, a soil pipe, waste pipe, combined waste pipe, or drain.

“Engineer” means the Engineer of the Authority, and shall also include any officer or person appointed by the Authority for the purpose of discharging the duties or exercising the powers of the Engineer.

“External closet” means any closet other than an “internal closet”

“Fittings” mean all apparatus or appliances, together with their necessary appurtenances and connexions, for use in connexion with the plumbing or drainage system of any property, with the exception of fixtures and straight piping.

For the purpose of computing fees payable under this By-law “fitting” includes any sanitary or plumbing fixture or each piece of equipment which is connected to or discharges its waste water through a waste outlet or to a common outlet.

“Fixtures” means all apparatus or appliances, together with their necessary appurtenances and connexions, which may be attached to the plumbing or drainage system of any property, and which

are intended for the collection or retention of any wastes or waste waters for ultimate discharge into the sewerage system.

"Flat" means a suite of rooms used, or intended or adapted for use, as a separate habitation and comprised in a building containing one or more similar suites.

"Induct vent" means an opening or pipe for the admission of air to a soil pipe, waste pipe, or drain.

"Interceptor trap" (or "boundary trap") means a trap for preventing the passage of air or gases from the sewer to the drain at some point between the sewer and the lowest inlet to the drain.

"Internal closet" means any closet which is entered from or has an opening into any building.

"Occupier" means the person for the time being in actual or constructive occupation of the premises.

"Owner" includes the person for the time being who receives or is entitled to receive the rent of the lands or premises in connexion with which the word is used, whether on his own account or as an agent of or as trustee for any other person, or who if such lands or premises were let to a tenant at a rack rent would be entitled to receive the rack rent from the occupier thereof.

"Premises" includes any house and any building whatsoever and any part of any house or building and any garden, stable yard, or offices used together or in connexion with any house or building and every part thereof.

"Proper officer" means officer of the Authority authorized by such Authority in respect of, or whose duty it is to deal with or act in regard to, any acts, matters, or things in connexion with which the expression is used.

"Separate pipe system" means that type of plumbing installation in which separate pipes are provided for soil and waste discharges and for the ventilation of soil and waste fixtures and in which every waste pipe is connected to the drain through a disconnector trap.

"Sewer" means any conduit for the carriage of sewage, which is vested in the Authority.

"Sewerage District" means any area which under the Sewerage Districts Acts is proclaimed the Sewerage District of the Authority, and includes any area which is added to and forms part of such Sewerage District.

"Sewered property" means, as well as any sewered land or premises, any land or premises which have been declared by a general notice given by the Authority under the Acts to be deemed and taken to be a sewered property within the meaning of the Acts.

"Sewerage installation" of a property means all soil, waste, and combined waste pipes and drains conveying household drainage, sewage, and trade wastes to the sewers of the Sewerage Authority, and all vent pipes, fixtures, fittings, apparatus, and appliances connected thereto.

"Sewerage system" includes all sewers, fittings, fixtures, appliances, plant, machinery, and any other sewerage works vested in the Authority.

"Slop sink" means any fixture other than a closet pan or urinal, used for the discharge of soil or urine waters and provided with a flushing apparatus.

"Soil pipe" means any pipe which conveys the discharge from water closets, slop sinks, mortuaries, operating theatres, or urinals to the drain.

"Stack" means any vertical line of soil, waste, combined waste, or vent piping, with its offsets, if any.

"Trade waste" means the liquid refuse from any business, trade, or manufacturing property, other than domestic sewage, storm water, or unpolluted water.

"Trap" means any fitting designed to retain a quantity of water to arrest the passage of air or gases through such fitting.

"Waste pipe" means any pipe which conveys the discharge from any fixture, except water closets, slop sinks, mortuaries, operating theatres, or

urinals, to a disconnector trap in the case of the separate pipe system or directly to the drain in the case of the combined pipe system.

"Water seal" or "trap seal" means the vertical distance between the dip and the crown weir of a trap.

"Wrought iron" and "sheet iron" include mild steel sheet.

"Yard gully" means a drainage trap which is used externally and fitted with a dished top and grating.

INTERPRETATION.

In the construction of this By-law the meaning which, in the Acts, as assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter of context.

PART 1.—GENERAL REGULATIONS.

DIVISION 1.—APPLICATIONS FOR CONSENTS, ETC.

Section 1.—Application for the Authority's consent to connect with the sewerage system or to do plumbing and drainage work connected therewith, must be made in writing by the owner of the property to be so connected or by his authorized agent.

Section 2.—Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be in the form prescribed by the Authority. For any wilful misrepresentation in such application the owner or authorized agent as aforesaid shall be guilty of an offence against this By-law. No consent given by the Authority shall be deemed to authorize anything not stated in the application nor to confer or grant the right to lay a drain through any land intervening between the sewer of the Authority and the land proposed to be connected, and every owner or agent applying for the Authority's consent shall satisfy himself as to his legal right to drain through such intervening land and he shall be solely responsible for any trespass or damage thereon or thereto.

Section 3.—Consents to make connexions with the sewerage system will be issued only when the plumbing and draining in the property to be connected is planned to be made in accordance with the rules for plumbing and draining hereinafter prescribed, and after such plan has been inspected and approved of by the proper officer appointed by the Authority for the purpose, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage of the building into the branch of which the Authority shall have fixed the position, has been approved of in writing by the Authority. All connexions with drains or sewers and all plumbing and drainage connexions therewith shall be made under the direction of the proper officer of the Authority. No person shall be engaged or employed as a workman in the actual performance of any plumbing or drainage work unless he is the holder of a licence or permit issued by the Authority authorizing him to do such work. Any person who shall at any time or at any place make up, form, affix, alter, or repair, any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority's sewerage system, unless he be the holder of a licence or permit from the Authority authorizing him to do such work, shall be liable to a penalty not exceeding Ten pounds.

If any person, whether he is or is not the holder of a plumber's licence or permit from the Authority, alters, removes, or in any way interferes with any drain, fitting, pipe, bend, trap, or other thing, which drain, fitting, pipe, bend, trap, or other thing is connected with the Authority's sewerage system, he shall, unless he has previously received consent, in accordance with the provisions of this section for the execution of such work, and such consent is in full force and effect, be guilty of a breach of this By-law and shall be liable to a penalty of not more than Ten pounds.

Section 4.—Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of, or from the Authority is necessary, whether specified in writing or otherwise, with regard to any act, matter, or thing mentioned in the By-law, the same may be given by and under the hand of the chairman of the Authority, or of the proper officer, personally or through an inspection officer appointed under him, who severally shall be competent to give the same and be authorized on behalf of the Authority to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

Section 5.—If, after the receipt of a written application from the owner for modification or alteration of the By-law, the Authority shall be of the opinion that a compliance with any of the provisions of this By-law would in any particular case be vexatious or be needless in the interest of public health, it shall be lawful for the Authority, by resolution, to dispense with or forbid such compliance in whole or in part as it shall think fit, or to authorize or direct such a modification or alteration of such provisions as shall, in its opinion, most nearly adapt the principle of those provisions to the particular case. It shall be unlawful to comply with any provision, or part of any provision, with which compliances shall have been forbidden, or to act contrary to or otherwise than as directed by such modification or alteration.

Notwithstanding the above stipulation, no technical provision or requirement of the By-law shall be modified or waived, except on the written recommendation of the Engineer.

DIVISION 2.—VARIATION OF BY-LAW.

Section 6.—Any permission for or approval of any variation of any of the provisions of this By-law which may be given by the authority will be given only before the work in respect of which the variation is proposed has been commenced.

DIVISION 3.—PENALTIES, RECOVERY OF COST OF WORK, ETC.

Section 7.—Where anything is by this By-law directed to be done or forbidden to be done, or where any power is given to the Authority or any of its officers to direct or forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, then, and in every such case, the person making default as to the said direction or prohibition respectively shall be guilty of an offence against this By-law.

Section 8.—Every person guilty of an offence against this By-law, not otherwise specially provided for by or under the authority hereof, shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in this By-law or the Acts, to a penalty not exceeding Ten pounds, and to a further penalty of One pound for each day during which such offence is continued by such person after notice of the offence shall have been given by the Authority to him; and such penalty shall be recoverable notwithstanding that the Authority may not have chosen to exercise any power given to it by the Acts or by this By-law to remedy such default.

DIVISION 4.—HOUSE DRAINAGE PLANS—ALTERATIONS.

Section 9.—Copies of the Authority's plans and/or designs of individual house drainage will be furnished by the Authority upon application and payment for the same and subject to such conditions as follows:—

- (a)
 - (i) Where the Authority designs the work and has same carried out for the owner, a charge shall be made equal to ten per centum (10 per cent.) on the capital cost of the work for designing, specifying, letting contract, and supervising all details in connexion with such work.
 - (ii) Consent for additions to and/or amendments of approved plans or to works previously approved will be made only on the application of the owner or his authorized agent, and on payment of a fee of Fifteen shillings (15s.).
- (b) When the Authority designs the works for the owner and the owner then carries out his own work—
 - (i) For plan of design, a fee of Three pounds (£3), plus Seven shillings and six pence (7s. 6d.) for each fitting.
 - (ii) For making and/or examining any alterations or additions to a plan previously issued or approved by the Engineer, a fee of Fifteen shillings (15s.) shall be made by the Authority for each fitting or drain altered or added.
 - (iii) For inspecting drains and testing by the Authority's inspector, a fee of Thirty shillings (30s.), plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(iv) For inspecting plumbing by the Authority's inspector, a fee of Thirty shillings (30s.) for each ten (10) fittings or part of ten fittings in the installation, plus fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(v) For the final inspection by the Authority's Engineer and charting the work on the Authority's plans, a fee of Thirty shillings (30s.) for each ten fittings or part of ten fittings in the installation, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(vi) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work.

The house connexion will not be passed until the installation, together with the amendments ordered, have been completed to the Engineer's satisfaction.

(c) Where an owner designs and carries out his own work—

(i) For the supply of a block plan, a fee of Seven shillings and six pence (7s. 6d.).

For tenements exceeding 4,000 square feet in ground floor area and/or properties exceeding 2 acres in extent, an additional fee of Seven shillings and six pence (7s. 6d.) shall be charged for each additional 4,000 square feet, or part thereof, and/or for each additional 2 acres, or part thereof.

(ii) The owner shall submit for examination a properly drawn design on tracing cloth or good quality paper and a type-written specification. The design and specification shall be supplied to the Authority in triplicate. The work shall not proceed until the owner's design and specification have been approved by the Engineer and the third copy returned to him with the official endorsement.

(iii) For the examination of the owner's plan of design and specification, a fee of Thirty shillings (30s.) for each plan of from one to five fittings, plus Seven shillings and six pence (7s. 6d.) for every fitting over five.

(iv) For examining any alterations or additions to a plan previously issued or approved by the Engineer, a fee of Seven shillings and six pence (7s. 6d.) shall be made by the Authority for each fitting or drain altered or added.

(v) For inspecting drains and testing by the Authority's inspector, a fee of Thirty shillings (30s.), plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(vi) For inspecting plumbing by the Authority's inspector, a fee of Thirty shillings (30s.) for each ten (10) fittings or part of ten fitting in the installation, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(vii) For the final inspection by the Authority's Engineer and charting work on the Authority's plans, a fee of Thirty shillings (30s.) for each ten fittings or part of ten fittings in the installation, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

(viii) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work.

The house connexion will not be passed until the installation together with the amendments ordered have been completed to the Engineer's satisfaction.

DIVISION 5.—MAINTENANCE AND DEFECTIVE WORK.

Section 10.—Any drain pipe, soil pipe, trap, water closet, urinal, sink, grease trap, or other fixture or fitting laid, used, or constructed otherwise than in accordance with this By-law or which shall in the opinion of the Authority, be or become bad or of defective quality, shall, upon notice in writing from the Authority to the owner or occupier of the property, be by such owner or occupier removed or repaired in the manner determined and within the time fixed by the Authority, and in each case such owner or occupier fails to comply with the requirements of the notice, he shall be liable to prosecution and a penalty for an offence against the Acts, or the Authority may, if it think fit, remove or repair the said defective fitting and charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in a manner provided by the said Acts.

DIVISION 6.—LICENCES AND PERMITS.

Section 11.—(1) All plumbing work for sewerage shall be done and carried out only by Licensed Plumbers and/or by the persons in this section 11 hereinafter mentioned, but subject in all things to the conditions and terms of the said section.

(2) The Authority may, if it thinks fit, and subject to the provisions of sub-sections (3), (4), (7), and (8) of this section, issue a Plumber's Licence to any person who is the holder of a Certificate of Competency issued by the Sanitary Plumbers Examination Board of Victoria.

(3) The Authority before issuing such Plumber's Licence, may require the applicant to satisfy it that he possesses the requisite knowledge of the Laws, By-laws, and Regulations relating to the sewerage system of the Authority, and it shall appoint officers to examine the said applicant as to his knowledge, and, after the consideration of the report thereon of such officers, may refuse to grant such licence, if, in its opinion, the applicant has not the requisite knowledge of such Laws, By-laws, and Regulations.

(4) Every person to whom a Plumber's Licence is to be issued shall, before the Licence is issued to him, sign in a register, to be kept by the Authority, a declaration that he will conform to and comply with the conditions of the Licence hereinafter contained and the By-laws and Regulations of the Authority.

(5) The authority may, if it thinks fit, and subject to the provisions of sub-sections (7) and (10) of this section issue a permit to work as a plumber to any person who has passed the practical examination of the Sanitary Plumbers Examination Board of Victoria.

(6) In the event of the holder of a Permit to work as a plumber being granted a Certificate of Competence by the Sanitary Plumbers Examination Board of Victoria, the Authority may issue a Plumber's Licence to him subject to the provisions of sub-sections (3), (4), and (7), of this section and upon his returning his Permit.

(7) The Authority may refuse to grant a Licence or Permit to any person, or may suspend or cancel any Licence or Permit previously granted, if, in its opinion—

- (a) such person has been guilty of an offence against the By-laws and Regulations of the Authority;
- (b) such person has failed to comply with the instructions issued by any responsible officer of the Authority;
- (c) such person at any time or place has so conducted himself as to warrant, in the opinion of the Authority, the refusal, suspension, or cancellation of such Licence or Permit.

(8) On application, for renewal, the Authority may renew any such Licence or Permit.

(9) No person, other than a Plumber's Apprentice, Plumber's Improver, the holder of a Permit to work as a Plumber, or the holder of a Plumber's Licence, shall be engaged or employed as a workman in the actual performance of any of the plumbing work for sewerage.

(10) No such Plumber's Apprentice, Plumber's Improver, or holder of a Permit to work as a Plumber, shall be permitted to work in the actual performance of, or to do, any plumbing work for sewerage, except under the supervision of a Licensed Plumber, who shall be responsible for such work and for compliance with the By-laws and Regulations of the Authority in respect thereof.

(11) "Drainer's Licence."—The Authority may issue a "Drainer's Licence" to any person who is to the satisfaction of the Authority competent to carry out the work of drainer, and for that purpose may require such person to satisfy it as to his competency by passing an examination conducted by the Engineer and such other examiners

as the Authority may appoint or in such other manner as the Authority may determine, or in any particular case may decide that he has a thorough knowledge of the following subjects:—

Plans.—The reading of plans and the meaning of scales and of elevation, plan, and section drawing.

Levelling.—The use of the straight-edge, spirit-level, and boning rods.

Excavation, Timbering and Refilling.—The use of tools for excavation, the protection of trenches by timbering, the treatment of different soils, tunnelling, and tunnel timbering, precautions near buildings, and manners of refilling trenches and tunnels.

Drain-laying.—The preparation of the bottom of trenches, the laying and jointing of stoneware, cement, concrete, and cast-iron pipes, cement, bitumen, lead, and self-filling joints, laying of drains under houses and in soft ground, and the depth of drains below surface.

Drainage Details.—Junctions to sewers, diminishing of sizes of pipes, yard gullies, grease and other traps, inspection openings, and cast-iron drainage details.

Drainage Works.—Knowledge of the provisions of this By-law and of the Acts, insofar as same relate to the work and duties of drainers in regard to the construction, maintenance, and protection of the sewerage system and the construction and use of drains and drainage traps.

Candidates for Drainers' Licences shall give notice, in writing, to the Authority of their intention to submit themselves to examination, and this examination shall be at such a time and at such a place as shall be appointed by the Authority. Candidates must provide themselves with their own tools and materials, and pay a fee of 20s. for each examination.

Section 12.—The conditions upon which all Plumbers' Licences and Permits and Drainers' Licences will be issued are—

(1) That every Licence and Permit will be subject to suspension or cancellation at the will of the Authority, and that all such Licences or renewals thereof will expire on the 31st day of December next following.

(2) That every holder of a Licence from the Authority who shall have received the consent of the Authority to execute any works in connexion with sewerage or drainage, or who shall (where such consent of the Authority is not required before the execution of any such works) have notified the Authority of his intention to carry out such works—

- (a) shall obtain permission when necessary for the execution of such works on, over or through any private property, or any streets, roads, parks, reserves, or other public places or properties; and
- (b) shall pay any fees demanded by the Municipal Authority for opening any street, road, or thoroughfare, or otherwise in connexion with the work; and
- (c) shall execute such works in accordance with the provisions of the Acts and of the By-laws made thereunder, and of any special directions or orders given or issued by the Authority or its proper officer; and
- (d) shall use materials of good quality only and free from defects; and
- (e) shall employ only competent operatives or assistants; and
- (f) shall execute such works in a thorough and tradesmanlike manner to the satisfaction of the Authority as expeditiously as practicable, and leave site clean and undefaced; and
- (g) shall in the execution of such works take such proper and necessary precautions that no accident or damage or unnecessary inconvenience may be directly or indirectly occasioned thereby; and
- (h) shall restore any part of any street, road, or thoroughfare interfered with by the work to the satisfaction of the Municipal Authority having control thereof upon the completion of the work; and
- (i) shall restore any other property interfered with by the work to the satisfaction of the proper officer of the Authority; and

- (j) shall in all cases notify the proper officer immediately upon completion of any work in hand, promptly amend any defects therein, and again at once notify the said officer, and subsequently take steps forthwith to secure the certificates of satisfactory completion, and give the same to owner; and
- (k) shall not interfere, remove, cut, or in any way damage any portions of any electrical, gas, water, telephone installation, and/or any other municipal or public utility or service. When portion of any such installations, including earthwires, connexions, pipes, &c., interferes with properly laying house connexions and sewerage plumbing, the plumber shall communicate with the secretary or engineer of the utility or service concerned in order to arrange for that portion of the electrical, gas, water, telephone installation, &c., to be so located as not to cause further interference; and
- (l) shall, when so directed by the Authority, make good at his own expense any defect found within twelve months of the date of completing of any such work which, in the opinion of the engineer is due to faulty workmanship, or defective material.

Section 13.—Prior to the issue of any Licence or Permit the person to whom the same is to be issued shall pay to the Authority the fee named hereunder:—

	s.	d.
For every Plumber's Licence	20	0
For every Permit to work as a plumber ..	10	0
For every Drainer's Licence	10	0
For the Renewal of any Licence	5	0

DIVISION 7.—NEW BUILDINGS, ADDITIONS, ETC.

Section 14.—Every person who shall intend to erect a building on any property within the Sewerage District, or to rebuild or to make any alterations or additions to any such buildings shall, before commencing such work, give to the Authority fourteen (14) days' notice, in writing, of such intention and obtain a permit from the Authority; and such notice shall be accompanied by plans and sections of such intended buildings, alterations, or additions showing their positions, dimensions, depths, and levels of foundations, cellars, or basements, all appurtenant walls, and fences, the intended lines of drainage, and the boundary of the land, which plans, &c., shall become the property of the Authority.

DIVISION 8.—GENERAL.

Section 15.—Any work or thing in respect of or in connexion with sewerage in the Tallangatta Sewerage District shall conform to the requirements of Chapters 38 to 42 of the Uniform Building Regulations, Victoria, as amended from time to time, and to this By-law where not inconsistent therewith.

PART 2.—GENERAL REGULATIONS.

DIVISION 9.—USE OF SEWERS AND DRAINS—PROHIBITION OF CERTAIN DISCHARGES.

Section 16.—*Use of Sewers and Drains.*—The owner and the occupier of any sewerage property shall discharge into the sewerage system—

- (a) all faecal matter, urine, household slops and household liquid refuse from such property, and such other polluted water from stables, washing areas, manure bins, basements, cellars, and roofed yards; and
- (b) such trade or manufacturing liquid refuse as the Authority may authorize, subject in each and every case to such conditions as it may impose.

Section 17.—*Prohibited Discharges.*—The deposition or discharge of any of the following substances into any drain is prohibited—

- (a) Any animal matter other than is specified in section 16, fleshings, wool, hair, dead animal, grease, dust, ashes, rubbish, garbage, offal, vegetable and fruit or their parings, rags, oil, silt, mud, sand, gravel, or like substances, or any other substances which is in the opinion of the Authority or its proper officer, liable to be injurious to any part of the sewerage system or to employees of the Authority engaged in the operation or maintenance of same.

- (b) Any petrol or other inflammable or explosive substance, whether solid, liquid, or gaseous.
- (c) Any rain, roof, surface, or flood waters, except by special permission of the Authority.
- (d) The contents of any night-soil cart, cesspool, or privy.
- (e) Any liquid, trade waste or other substance which has not been neutralized to the approval of the proper officer of the Authority, or which is above the temperature of 100 deg. Fahrenheit, or such lower temperature as may be prescribed by the Authority, having regard to the special circumstances of the case.
- (f) Any liquid which contains such percentage of common salt or any other mineral, salt, acid, or gas, as is, in the opinion of the proper officer of the Authority, injurious to, or liable to form compounds injurious to, any part of the sewerage system or to employees of the Authority engaged in the operation or maintenance of same.

DIVISION 10.—TRADE WASTES.

Section 18.—*Condition of Discharge.*—No person shall discharge any trade or manufacturing liquid, refuse, or waste into any sewer, unless and until the following conditions are complied with:—

- (a) Application for permission to discharge any such trade wastes shall be made, in writing, and accompanied by plans and specifications of the work to be done and of the apparatus to be used, and shall include such details concerning the nature of the waste and the quantity and rates of discharge of the proposed effluent as considered necessary by the proper officer of the Authority.
- (b) The permission of the Authority, in writing, shall be obtained and an agreement containing a covenant to comply with the By-law and with any further stipulations required by the Authority, shall be executed. The volume of liquid refuse or waste discharged shall if ordered be measured and determined by meter or by some other approved means of measurement. The maximum daily aggregate quantity of effluent which may pass from any trade premises into a sewer, the maximum permissible rate of such discharge, the size and capacity of the drain or pipe for conveying such effluent from the trade premises to the sewer, and the hours during which such flow will be permitted shall be determined by the Authority.
- (c) All such liquid refuse or waste shall be passed through such settling, screening, and/or neutralizing chambers and/or such other appliances and/or otherwise treated as ordered or approved by the Authority to ensure that the resulting effluents shall comply with the conditions of the agreement.
- (d) Every settling, screening, neutralizing, or other chamber, appliance, or apparatus for the treatment of trade wastes in accordance with this By-law shall be cleansed, operated, and maintained by the occupier at his own expense and at such intervals as may be considered necessary by the Authority, or its proper officer to ensure the efficient operation of such chamber, appliance, or apparatus and in no case shall such chamber, appliance, or apparatus be altered without the approval, in writing, of the Authority first being obtained.

DIVISION 11.—SUB-SOIL WATER.

Section 19.—The discharge of sub-soil water into sewers shall be prohibited except by permission of, and under conditions approved by, the Authority.

DIVISION 12.—INSPECTION TESTS AND MAINTENANCE.

Section 20.—*Notice.*—The owner or his authorized agent, or the plumber, drainer or contractor, shall give at least forty-eight (48) hours' notice to the Authority, in writing, of his intention to commence work and of work ready for inspection. All work shall be left uncovered and accessible for examination until inspected and approved.

The contractor carrying out any work, shall within seven (7) days of the completion of such work, file in the office of the Authority on forms furnished for this purpose, a correct statement of the work done and the cost thereof. Such statement shall be countersigned by the proper officer of the Authority, and a certificate embodying such statement shall be forwarded to the contractor.

Section 21.—Inspection.—All drains, wastes, fittings, joints, fixtures, &c., will be inspected by the proper officer of the Authority to ensure compliance with the By-law and approved plan.

Section 22.—Tests.—Drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. The proper officer of the Authority may require the application of the water or smoke tests, or such other tests as he may order or approve.

Section 23.—Water Test.—The water test may be applied to the drainage and/or plumbing systems and their fittings in their entirety or in sections. It shall be applied by hermetically sealing all openings below the top of the section to be tested. The system shall then be filled with water to a height of 6 feet above the highest point of the section, or if considered necessary to such additional height as the proper officer may order, and every joint carefully examined for leaks.

In testing drains the water shall be maintained at this height for a period of fifteen minutes by the addition of a measured quantity of water as required. The amount of water added in the fifteen minutes shall not exceed 2 gallons for every 50 joints of 4-inch drain or sewer, and shall not exceed 3 gallons, for every 50 joints of 6-inch drain or sewer, or proportionately for a lesser or greater number of joints.

Section 24.—Smoke Test.—The smoke test shall be applied by hermetically sealing all openings into the section to be tested, and forcing into the system thick smoke to a pressure equivalent to 1 inch of water, by means of a smoke test apparatus. Every joint shall then be carefully examined for leaks.

Section 25.—Equipment, &c.—The equipment, material, power, and labour necessary for the inspection and tests shall be furnished by the contractor, plumber, or drainer.

Section 26.—Defective Work.—Any pipes, fittings, fixtures, or other materials or apparatus found to be defective shall be removed and replaced by sound materials or apparatus; and all defective workmanship shall be made good to the satisfaction of the Engineer or his representative, and to comply in all respects with the provisions of the By-laws. Should the contractor fail to replace such defective materials or to make good such defective work within fourteen (14) days of his having been ordered, in writing, by the Engineer so to do, the work or replacement may be carried out by the Authority at the contractor's expense.

Section 27.—Maintenance by Contractor.—Every person who holds a licence from the Authority and who executes any work in connexion with sewerage, drainage, and/or sanitary plumbing, shall make good within fourteen (14) days and at his own expense, when directed by the Engineer so to do, any defects which occur in such works within twelve (12) months of the date of their completion, and which are, in the opinion of the Engineer, attributable to faulty workmanship or materials.

Section 28.—Maintenance by Owner or Occupier.—The owner or occupier of every premises shall, at his own expense, maintain in efficient working order and in a clean and hygienic condition the whole house connexion work, including all traps, neutralizers, or other appliances, installed on such premises. Should the owner or occupier of any premises fail or neglect satisfactorily to maintain and cleanse such appliances, the Authority may, after twenty-four (24) hours' notice, in writing, have the necessary work carried out at the expense of the owner or occupier.

DIVISION 13.—MATERIALS AND WORKMANSHIP.

Section 29.—Materials.—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be of the best of their respective kinds, sound and free from defects, and shall be approved by the proper officer.

Section 30.—Testing.—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be submitted for examination and/or test, and shall not be placed in position until passed and stamped by the Authority. Such testing of materials shall be paid for by the person submitting same, whether passed or rejected, and shall be done at such time and place and at such rates, as may from time to time be fixed by the Authority.

Section 31.—Workmanship.—All work shall be executed in a thorough and workmanlike manner and to the satisfaction of the proper officer.

Section 32.—Precautions.—Adequate precautions shall be adopted by the person carrying out the work to prevent injury to workmen, property, or the public, and the Authority will accept no responsibility for claims for injury arising from the inadequacy of such precautions.

Section 33.—Concrete.—Concrete, unless otherwise ordered, shall consist of 1 part Portland cement, 2 parts clean, sharp sand and 4 parts hard metal, shingle, or gravel properly graded from $\frac{1}{4}$ inch to not exceeding 1 inch gauge, and shall be thoroughly mixed with clean water to such consistency as ordered or approved by the Engineer of the Authority.

The cement, sand and aggregate shall be thoroughly mixed and the whole batch completely turned over three times in the dry and turned over again at least three times while the water is being added. If a concrete mixer is used the minimum time of mixing in the machine after all the materials have been added shall be two minutes. All concrete shall be placed within 20 minutes of the time of mixing.

Section 34.—Cement Mortar.—Cement mortar, unless otherwise ordered, shall consist of 1 part Portland cement and 2 parts clean, sharp sand, properly mixed with an approved portion of clean water. Cement mortar shall be used within 20 minutes of the time of mixing. Retempering is forbidden.

PART 3.—DRAINAGE.

DIVISION 14.—DRAINAGE, GENERAL.

Section 35.—(1) Every premises shall be separately drained unless a combined drain shall have been ordered or approved by the Authority. Owners desiring to have the drainage of their properties combined must sign a request for a combined drain, and obtain the approval of the Authority. In any case in which it appears to the Authority that any properties may be drained more advantageously in combination than separately the Authority may order that those properties be drained by a combined operation.

(2) In any case where a combined drain serves two or more properties the Authority, with the consent of the owners of the properties served by such combined drain, may take over such combined drain, and thereafter such combined drain shall be and remain a sewer of the Authority.

(3) In every case of a combined drain the Authority will determine as between the respective owners and occupiers of the properties drained thereby, the proportions in which the cost of such combined drain shall be paid. In every case of the occurrence of an obstruction in a combined drain the Authority will also determine by whom and in what proportion the cost of removing such obstruction and/or effecting any necessary repairs to drains shall be paid.

(4) Owners and occupiers of premises are responsible for clearing stoppages in drains within their premises, or between their premises and the sewers into which the branches lead, but must employ only licensed plumbers or drainers to clear the same.

(5) Before a licensed plumber or drainer commences to clear a stoppage in a drain he must notify the Authority, in writing, of the time when he intends to clear the stoppage, so that the Authority's proper officer may attend and pass the work in accordance with the provisions of the Acts.

Section 36.—Size of Drains.—Every drain shall be of adequate size for the drainage of the property to be served, in accordance with the requirements of section 89, with a minimum diameter of 4 inches.

Section 37.—Materials.—All drain pipes, bends, junctions, and fittings used shall be of glazed stoneware, concrete, cast iron or other approved material, provided that the proper officer of the Authority may prohibit the use of any of the above-mentioned where the circumstances or conditions are considered unfavourable.

Section 38.—Cast-iron Pipes.—Cast-iron drainage pipes and their fittings shall comply with the standard approved by the Authority for cast-iron pipes and their fittings of similar diameter, but in the event of the issue by the Standards Association of Australia of an Australian Standard Specification for such pipes, and of the acceptance of such Standard Specification by the Authority, all cast-iron pipes and fittings shall be in accordance with this Standard Specification from a date to be fixed by the Authority.

Section 39.—Interceptor Traps.—Where directed by the Authority, but not otherwise, an interceptor trap shall be fixed in the drain laid from any property to the sewer. Such a trap shall be fixed as near as practicable to the boundary, and wherever practicable shall be within the boundaries of the property. If required by the Authority the interceptor trap shall be extended to ground level and fitted with an approved cover or an inspection chamber shall be provided for the trap.

Section 40.—Inspection Chambers.—All drains shall, wherever directed by the Authority, join in an inspection chamber at least 3 feet long by 2 feet wide. The portions of the drains crossing the floor of the inspection chamber shall be connected either in a straight line or by curved junctions in the floor of the chamber. All inspection chambers shall be cement rendered (two part sand and one part cement) to a smooth surface, and made water-tight. The inspection chamber shall be provided with a closed cover of approved type and special ventilation shall also be provided if considered necessary by the Engineer.

Section 41.—Inspection Openings.—Every line of drain shall be provided with an inspection opening inside and within five (5) feet of the boundary line of the property, at each junction not provided with an inspection chamber, at each change of direction, at each fixture, and in no case greater than 30 feet intervals, and in paved areas these shall, if considered necessary by the proper officer of the Authority, be brought to the surface and furnished with approved airtight covers. The area of an inspection opening shall not be less than the area of the drain. Inspection openings, inspection junctions, or branches shall be set in an approved manner to facilitate rodding.

Inspection openings in stoneware or concrete drains shall be sealed by means of discs, approved by the Authority, fixed with cement mortar and capable of being easily removed without damage to the pipes, or otherwise as directed by the Authority.

Section 42.—Gratings.—Every inlet to a drain other than from a water closet shall be effectively protected by an approved grating of ample area. Gratings to disconnector traps and gully traps shall be securely fixed. The aggregate area of the apertures in any grating covering a ventilation opening shall be not less than the sectional area of the pipe or drain ventilated by such opening. Every opening for ventilation shall at all times be kept perfectly free from obstruction.

Section 43.—Drain Openings Not in Use.—The ends of all drains not immediately connected with the plumbing fixtures shall be securely closed with water-tight imperishable materials.

If such drains be of stoneware or concrete, a stoneware, cast iron, or other approved disc shall be cemented in; if of wrought iron, a plug shall be screwed on the end; if of cast iron, a cast iron plug shall be caulked in with lead.

Section 44.—Replacing or Inserting Pipes.—Where it becomes necessary to remove a pipe to clear a stoppage, or to insert a pipe or branch in an existing stoneware or concrete drain, the work shall be carried out by one of the following methods:—

(1) The pipe so removed shall be replaced by an inspection pipe or inspection junction of the same length by—

- (a) removing the top half of the socket of the new pipe and of the existing downstream pipe, but leaving the bottom half intact in each case and surrounding the joints with concrete; or

(b) using an approved split pipe with double collar surrounded with concrete; or

(c) removing a length of not less than three (3) pipes, replacing the centre pipe by an inspection pipe, and dropping the pipes back into place without springing or cutting.

(2) A length of not less than three (3) pipes may be removed, the two outer pipes replaced by inspection pipes and the pipes dropped back into place without springing or cutting.

(3) Not less than (2) pipes shall be removed and replaced with pipes of the same length and of the description shown in the diagram No. 1 hereunder. An approved thimble shall be used for making the joint at the downstream existing pipe.

Diagram No 1

(4) Not less than two and one-half (2½) pipes shall be removed and replaced with pipes of the same total length and of the description shown in the diagram No. 2 hereunder. An approved double faucet square junction shall be used to connect to the downstream existing pipe.

Diagram No 2

Section 45.—Use of Croncrete.—Concrete shall be used in each of the following cases:—

- (a) Around and under yard gully basins—the exposed surfaces to be rendered in cement mortar;
- (b) Around the top of educt vent and induct vent pipe sockets where exposed;
- (c) Around interceptor trap covers and tops of disconnector traps where the surface is not paved;
- (d) Under and around bends rising vertically off oblique branches, and under bases of all drainage traps;

- (e) Around drains where such drains are, in the opinion of the proper officer, liable to be affected by tree roots.
- (f) If required by the proper officer, for anchor blocks on steep grades, in bad or refilled ground, around jump ups, and in any place where the pipes have insufficient cover or are liable to be affected by traffic.

DIVISION 15.—BASEMENT AND CELLAR DRAINAGE.

Section 46.—Fixtures.—No water closet, urinal, and/or other fixture shall be placed in any cellar or basement or on any floor below ground level, unless by consent of the Authority previously obtained and subject to such conditions as the Authority may impose, and then only when, in the opinion of the Authority, other provision cannot be made. The owner shall submit such plans and/or other information as the Authority may require and shall undertake, in writing, to accept all liability for damage that may occur; provided always, that if such fixtures and their surrounding are not kept in a sanitary condition, or if the purpose for which such cellar, basement or floor below ground level is used, be changed, such consent may be revoked by the Authority at any time and that upon fourteen (14) days' notice of revocation such fixture shall be abolished by the owner.

Section 47.—Risk of Back Flow.—Where such cellar basement, or floor below ground level is at such a level as may, in the opinion of the responsible officer, involve risk of back flow in the event of the sewer becoming over-charged, the sewage from all fixtures therein shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered and discharged into the sewer as and where directed.

Section 48.—Seepage Drains.—In no case shall seepage drains from cellars, basements, or any floor below ground level be discharged into a sewer without the consent of the Authority. Where such a discharge is permitted, the seepage shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered, and discharged into the sewer or elsewhere as and where directed.

DIVISION 16.—POLLUTED AREAS.

Section 49.—Connexion.—The Authority may if it thinks fit, authorize or require that any of the following places, namely, stables, cow sheds, dairies, market places, abattoirs, areas for washing vehicles, and any other polluted place, be connected with the sewers, subject to such conditions as the Authority may impose.

Section 50.—Conditions Governing Connexion.—No such connexion shall be made unless the following conditions have been complied with:—

- (a) The place to be connected shall, if required, be so roofed as to prevent the entry of rain water from it to the sewers, and in no case shall rain water be permitted to discharge on to such place from adjoining surfaces.
- (b) The place to be connected shall be paved above the level of the yard with approved materials, and graded to the satisfaction of the proper officer of the Authority.
- (c) The drain from any such place shall be provided with an approved silt trap with a removable grating and connected with the drain inside the boundary line of the property. A water tap connected with a satisfactory water service shall be provided in a suitable position over the area.

Section 51.—Manure Bins.—

- (a) Manure bins must be provided for all stables or cow yards, where the local Municipal By-laws demand their construction, or where the locality is closely built on.
- (b) All the manure bins must have the inside surfaces rendered with cement mortar, and must be impervious throughout, and provided with an approved close-fitting cover. Walls of new manure bins must, unless otherwise approved by the Engineer, be at least nine (9) inches in thickness, built of brickwork laid in cement mortar. If an outlet pipe be provided for a manure bin, it must be properly connected with the Authority's sewers. Branches in house drains must be provided in all cases where manure bins exist for their connexion whenever the Authority shall deem it necessary.

DIVISION 17.—PIPE TRENCHES.

Section 52.—The trench for the house drain from any property shall be so dug as to meet the Authority's sewer at the position provided or to be provided for the connexion.

The material from the trench shall be so placed as to cause the least possible obstruction and inconvenience to the public.

Proper barriers and lights shall be maintained to guard against accident during the progress of the work.

In refilling the trench selected refilling shall first be deposited around and over the pipe to a depth of 12 inches and carefully consolidated, after which the remainder of the trench shall be filled in layers and rammed or flooded, as ordered or approved by the proper officer.

No stone shall be used in refilling until earth or gravel has been placed over the pipe to a depth of twelve (12) inches or more if directed.

On no account shall any water, sand, earth, &c., be allowed to enter the sewer during the progress of the work.

On completion of refilling the surface shall be restored as nearly as possible to the same condition as it was in before operations were commenced, unless the owner, in writing, otherwise requires.

DIVISION 18.—LAYING DRAINS, ETC.

Section 53.—Position and Line.—Every drain and every fitting, &c., connected therewith shall be laid and fixed where directed by the proper officer of the Authority. As far as possible all drains shall be laid in straight lines; where changes of direction occur they shall be made in manholes, or by a suitably curved pipe with an inspection opening on each straight pipe next adjoining the curve, or by installing an inspection branch in the curve itself, or by such other means as the proper officer may direct.

Section 54.—Oblique Junctions.—Where any drain joins another drain, or a sewer, the junction shall be made obliquely at an angle of not greater than forty-five (45) degrees with the direction of flow of such drain or sewer.

Section 55.—Connexion to Sewer.—The position of the Authority's connexion to any premises shall be located prior to the commencement of any drain excavation. The disc stopper at the point of connexion to the sewer shall be carefully removed so as not to injure the socket or allow any debris to enter the sewer.

The first length of the drain at the branch shall be an inspection opening.

Section 56.—Gradients.—All drains shall be laid on an even grade, and except by special permission, in writing, from the proper officer, such gradients shall not be less than the following:—

4-in. diameter	1 in 40
6-in. diameter	1 in 60
9-in. diameter	1 in 80

In cases where the grades of drains are steeper than 1 in 15, concrete anchorage blocks shall be placed at intervals of not more than thirty (30) feet.

Such blocks shall be let into the sides of the trench at least six (6) inches on each side and shall extend not less than three (3) inches above and below the barrel of the pipe and for a length of twelve (12) inches along the pipe.

Section 57.—Depth of Drains.—Drains of stoneware or concrete pipes, unless bedded on and encased in concrete of not less than four (4) inches thick over any part of the drain, shall be laid at a depth to the top of the socket of the pipe of not less than the following:—

- (a) in public thoroughfares, rights-of-way, or other open spaces subject to vehicular traffic—two (2) feet.
- (b) In private property not subject to vehicular traffic—one (1) foot.

No person shall alter the surface over any drain, so as to deprive it of the minimum depth of cover specified by the preceding paragraph, unless approved measures are adopted to protect the drain.

Section 58.—Laying Drains.—All pipes shall be laid to such lines and grades as may be shown on the plans or directed, and except where otherwise ordered shall be bedded on approved sand or other approved bedding material up to one-third of the diameter of the pipe and so that there shall be at least two (2) inches of the bedding material below the barrel of the pipe in the case

of earth bottomed trenches and up to the horizontal diameter of the pipe, and so that there shall be at least three (3) inches of the bedding material below the barrel of the pipe where laid in trenches in rock.

In water-charged ground, or where the foundation is bad, or near the roots of trees, or where directed, the drain shall be formed of cast-iron pipes or, if of stoneware or concrete pipes, they shall be bedded on and encased in concrete as ordered, and if ordered, supported upon approved timber foundations as directed. The thickness of concrete encasing and the form of concrete haunching shall be as directed by the proper officer.

Drops or bends in vertical or inclined drains shall have a concrete support placed under and around the drain as directed.

DIVISION 19.—DRAINS UNDER BUILDINGS.

Section 59.—Every drain shall, as far as practicable, be so constructed as not to pass under any building or out-building. When a drain does pass under a building or out-building it shall, if practicable, be laid in a direct line for the whole distance beneath such building or out-building, and shall have approved means of access for rodding outside the walls of the building or out-building and also, if directed, by the Authority, beneath the building or out-building. The pipes used shall be of stoneware or concrete, surrounded by not less than four (4) inches of concrete, or of cast-iron.

In any case in which pipes pass through or under walls, approved provision shall be made to prevent injury to the pipes by settlement, and, in outer walls, to prevent the ingress of vermin.

DIVISION 20.—JOINTS, DRAINAGE.

Section 60.—Stoneware and Cement Pipes.—Joints of stoneware and cement pipes shall be filled in solidly with cement mortar neatly splayed off, or with other approved material. After each joint is made the interior of the joint shall be wiped clear of surplus mortar before the next pipe is laid.

Section 61.—Cast-iron Pipes.—All joints in cast-iron pipes must be stemmed with approved gaskets and so filled and caulked with lead or other approved material as to make them gas and watertight.

All connexions between stoneware or concrete pipes and cast-iron pipes shall be made as for joints in stoneware or concrete pipes.

DIVISION 21.—DRAINAGE TRAPS.

Section 62.—Trapping of Inlets.—Every inlet to any drain other than inlets provided for ventilation in accordance with this By-law shall be provided with an approved trap. No inlets to any drain connecting directly with a sewer shall be constructed within a building or out-building other than such inlets necessary for the apparatus of any water closet, urinal, or slop sink.

Section 63.—Classes of Traps.—Five classes of traps shall be used:—

- (a) "Traps" for intercepting gases only, which shall be of round section and self-cleansing form, but not such as to empty by momentum or suction.
- (b) "Silt Traps" for intercepting both gases and solids, which have slightly tapered sides, flat bottom, and rounded angles, and which shall be provided with approved means for catching and removing solids.
- (c) "Grease Traps" for solidifying and collecting grease, fatty domestic wastes, and other semi-fluid or viscous material liable to foul the pipes. The grease trap shall be designed for the requirements of the particular drain. The design and capacity shall be to the approval of the Engineer. The interior surfaces shall be tiled, and it shall be equipped with non-corrodible baffles, the whole trap being designed for easy cleaning.
- (d) "Acid Traps" or "Neutralizers" for neutralizing acid or other aggressive water prior to its entering the house drains.
- (e) "Oil Traps" for collecting all kind of oil, which shall be of such form as approved.

The term "yard gully" is applied to traps (a) where they are used externally and fitted with dish tops and gratings. The tops of inlets of all disconnector traps must be at least six (6) inches above the surface of the surrounding ground.

Section 64.—Water Seal.—Every trap must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than two (2) inches.

Section 65.—Provision of Yard Gullies.—A yard gully shall be provided in the yard of every property as near as practicable to the kitchen or back door, with a water tap connected with a satisfactory water service placed over it at a height of not less than two (2) feet. No yard gully shall be situated within a building or outbuilding.

Section 66.—Details of Yard Gullies.—Yard gullies shall be fitted with dish tops and gratings, the dish top being in one piece with the trap or jointed thereto by spigot and faucet, or as otherwise approved.

The depth of the dish top to the grating shall not be less than six (6) inches. The grating to every gully trap shall not be less than 6 and seven-eighths (6 $\frac{7}{8}$) inches over all, and the grating to every disconnector trap shall be convex in section, with an opening of suitable outlet capacity. Every grating shall be fixed down in an approved manner with bitumen or wedges of lead.

Section 67.—Kerbing, &c. to Yard Gullies.—Yard gully basins and the dish tops of silt traps shall be so surrounded with an approved impervious kerbing as to prevent the access of surface water to the drains, and, if directed, the wall at the rear of the gully or silt trap, if of brick or stone, shall be cement rendered to the height of the tap over same, and if of wood the wall shall be provided with an approved galvanized sheet-iron apron. The internal diameter of kerbing around gully traps measured from the face of cement rendering shall not be less than fifteen (15) inches, and shall be neatly rounded to meet the gully top.

DIVISION 22.—VENTILATION.

Section 68.—Vents on Main Drain.—The main drain shall be ventilated at its upper end by a pipe ventilator erected vertically, and such ventilator may be a soil vent pipe or combined waste vent pipe.

If the drain is provided with an interceptor trap, there shall be in addition a ventilator connected to the interceptor trap shaft. In such cases there shall, wherever practicable, be a difference in height of not less than six (6) feet between the tops of the vents at the upper and lower ends of the drain, respectively.

Section 69.—Vents on Branch Drains.—Where the length of a branch drain measured along the centre line of pipes, including the drop, if any, from the centre line of the main drain to the centre of the outlet side of the water seal of the highest drainage trap exceeds twenty (20) feet, such branch drain shall be vented in accordance with the provisions of section 70.

Section 70.—Size of Drainage Vents.—Drainage vent pipes shall, unless otherwise ordered, be of not less than four (4) inches diameter in the case of educt vents and not less than three (3) inches diameter in the case of induct vents, with the provision that where more than one educt vent is provided the vent on the longest line of drains shall be of not less than four (4) inches diameter, and all others of not less than three (3) inches diameter, but in no case shall a drainage vent be of smaller diameter than necessary to comply with the requirements of section 90.

Unless otherwise ordered or approved by the Authority, every such vent pipe shall be without return bend and provided with approved basket end, educt, or induct cowl as directed by the Authority.

Section 71.—Materials, &c., for Drainage Vents.—Drainage vent pipes situated wholly outside of buildings or outbuildings shall be of cast iron, galvanized wrought iron, galvanized sheet iron, or other approved material above ground, and of stoneware or concrete or other material approved by the Authority beneath the surface of the ground.

All galvanized sheet iron vent pipes shall be double galvanized with longitudinal joints grooved, welded, or riveted, and circumferential joints riveted and soldered, and shall be of not less gauge than twenty for 3-in. and 4-in. diameter pipes and eighteen for 6-in. pipes. Where ordered by the proper officer, the first six (6) feet above ground shall be of cast iron or other approved material.

Drainage vent pipes inside a building or outbuilding shall, unless otherwise approved, be of cast iron, of soil pipe strength, or of galvanized wrought iron.

Section 72.—Induct Vents.—Every induct vent shall be securely supported in a manner approved by the Authority or its proper officer.

Section 73.—Materials, &c., for Vents of Soil or Waste Pipes.—Vent pipes shall be of cast iron, wrought iron, lead, solid drawn copper, or brass, except that where the vent pipe is entirely outside a building, grooved sheet copper or grooved welded or riveted double galvanized sheet iron vent pipes may be used, but such sheet copper or sheet iron vent pipes shall not be used at a level lower than two (2) feet above the level of the highest fixture served thereby.

Lead vent pipes shall be of not less than 7 lb. lead for use with water closets, urinals, or slop sinks, and of not less than 6 lb. lead for use with other fixtures.

Solid drawn copper or brass vent pipes shall comply with the requirements of section 102 for waste or soil pipes.

External vent pipes of sheet copper or galvanized sheet iron shall be of a gauge not less than the following:—

1½-in., 2-in., 2½-in. diameter	.. 22 gauge.
3-in. and 4-in. diameter	.. 20 gauge.
6-in. diameter	.. 18 gauge.

Section 74.—Soil Vent Pipes.—In all cases the upward extension from the soil or combined waste pipe for ventilation shall pass in as direct a manner as possible above and, if necessary, through the roof.

Section 75.—Anti-Syphonage Vents.—(a) Loss of water seal in traps must be prevented by proper ventilation in accordance with the requirements of section 90. Such anti-syphonage vents from fixtures shall be carried up in accordance with section 76 or joined to the branch or main vent above the level of the fixture, unless special permission to the contrary is granted by the Authority.

(b) These vent pipes shall connect to the waste, combined waste, or soil pipe on the opposite side of the water seal to the fixture at a point not less than three (3) inches nor more than twelve (12) inches from the crown of the trap, except in the case of baths and closet pans, when the vent pipe shall be not more than four (4) feet from the crown of the trap. No other fixture shall be connected to the soil waste or combined waste pipe between anti-syphonage vent and the fixture which it serves.

(c) Individual anti-syphonage vents may be omitted on the waste pipes of lavatory basins, sinks, baths, showers, and other flat-bottomed fixtures, provided that—

- (i) the trap on the outlet of the fixture is of an approved non-syphoning type; and
- (ii) the length of the waste pipe from the outlet of the trap to the disconnector trap or vertical waste pipe does not exceed a length approved by the Authority.

Section 76.—Height of Vent Pipes.—Except as provided in section 79, every vent pipe extending upwards from a soil or drain pipe shall be carried not less than six (6) feet higher than any door, window, or other opening into a building within a distance of thirty (30) feet thereof, and in any case every educt vent shall be carried at least eighteen (18) feet above ground level and six (6) feet above the level of the eaves or coping.

Every vent pipe extending upwards from a waste or combined waste pipe or disconnector trap shall be carried four (4) feet above any door, window, or other opening into a building within fifteen (15) feet thereof, and in any case at least two (2) feet above the level of the eaves or coping.

Any vent pipe which extends into a gable of a building shall be carried at least two (2) feet above the point of intersection with the roof. Where necessary, in the opinion of the Authority or its proper officer, vents shall be carried to such additional heights as may be required to prevent effectually the escape of foul air into any building within the vicinity.

Vent pipes shall, where necessary, be provided with sufficient clips or stays to support them effectively.

Section 77.—Ground Vents.—Ground vents may be used on boundary traps when situated not less than thirty (30) feet from any window, door, or other opening into a building.

Section 78.—Chimneys.—No chimney shall be used as a ventilator to any drain, soil, combined waste, or waste pipe.

Section 79.—Vents Near Chimneys.—Vents must, as far as possible, be kept away from chimneys and ventilating air shafts.

Where a ventilator pipe terminates six (6) feet or more from a chimney opening or ventilating air shaft, the requirements of section 76 shall apply, but where the

distance is less than six (6) feet the vent pipe shall, provided it is at least eighteen (18) feet long, terminate not less than two (2) feet below the top of such chimney or air shaft.

Section 80.—Vent Pipe Grades.—All vertical lines of vent pipe shall connect, full size, at their bases with a soil, waste, combined waste, or drain pipe at an angle of not less than forty-five (45) degrees to the horizontal and shall extend in undiminished size above the roof or be connected to the soil, waste, or vent stack, in compliance with the requirements of section 81, on a grade of not less than 1 in 40.

All offsets shall be at a grade of not less than forty-five (45) degrees to the horizontal.

Vent pipes shall not be used as waste or soil pipes.

Section 81.—Combining of Vents.—The various vents may be combined by branching together, or vent pipes may be branched into a soil, combined waste, or waste pipe above the level of the highest fixture, provided that, in the case of the separate pipe system, only vents which serve traps of the same class shall be branched together, and that soil vents are branched into soil pipes and waste vents into waste pipes only.

Section 82.—Galvanized Sheet Iron Vent Branches.—Where a branch is required to an existing galvanized sheet iron vent pipe, a brass saddle piece, bolted and soldered to the vent, shall be used.

Section 83.—Vents in Outbuildings.—Galvanized sheet iron vent pipes may be used inside external water closets, stables, or open outbuilding, but where liable to damage shall be protected as directed by the proper officer.

Section 84.—Pipe Clips, &c.—There shall be at least one pipe clip to each 6-ft. length of vent pipe.

For cast iron pipe without lugs, or wrought iron pipe, approved coated wrought iron clips, and for galvanized sheet iron pipe one and one-half (1½) in. x 14 gauge galvanized band iron clips, or approved pipe hooks shall be provided.

Whenever it is necessary to fix pipes clear of the wall, approved extension clips shall be used. Clips, in the case of cast iron pipes, must be placed tight up against the head or underside of the collar.

Section 85.—Attachment to Walls.—Unless otherwise directed by the proper officer, where a galvanized sheet iron pipe with or without offset is carried up above the brick wall of a building or outbuilding it shall be secured by a galvanized wrought iron clip leaded into the wall near the top wherever possible and bolted against the vent pipe, or by other approved means.

All band iron clips of vent pipes to brick walls shall be fastened with nuts and bolts leaded in, or by means of T-headed bolts, passed through the brick joints and turned at right angles to the joints, or by other approved means.

Section 86.—Supporting Vents.—Wherever a vent pipe with offset extends more than ten (10) feet above such offset, it shall be stayed, as directed by the proper officer, with ½-in. galvanized wrought iron piping.

An unsupported length of not more than fifteen (15) feet above the highest clip of straight vent pipe, without offset, will be permitted.

Section 87.—Vents Adjoining High Buildings.—In any case in which a building is erected next to an existing building if less elevation and any windows of the new building are located within thirty (30) feet of any existing vent stack on the lower building, the owner of such new building shall defray the cost of such alterations to the vents of the previously existing building as are necessary to conform with section 76.

The owner of the lower or existing building shall make such alterations upon the receipt of money, or security therefor sufficient for the purpose, from the owner of the new or higher building, or shall permit at the election of the owner of the new or higher building the making of such alteration by the owner of such new or higher building.

PART 4.—PIPE CAPACITIES.

DIVISION 23.—CAPACITIES OF SOIL, COMBINED WASTE, DRAIN, AND VENT PIPES.

Section 88.—Fixture Units.—For the purpose of determining the size of any soil, waste, combined waste, drain, or vent pipe, the following equivalent fixture units shall be adopted, unless otherwise directed by the Authority, and the least nominal outlet diameter shown hereunder for any fixture shall be the minimum outlet diameter for such fixture, except as provided in section 130 for water closet pans.

Fixture.	Nominal Outlet Diameter.	Fixture Units.
	Inches.	
One lavatory basin	1½	1
One lavatory basin	1½	1½
For each lavatory basin over 20 served by such pipe	½ for each basin
One kitchen sink (up to 6 inches depth to overflow)	2	3
One bath (with or without overhead shower)	1½	4
	2	6
One wash trough set with common trap	1½	3
	2	5
One urinal or group of urinals draining to a common trap	2	3
One slop sink	2½	3
	3	4
One shower compartment	2	3
One water closet	4	6
Group of fixtures contained in one apartment—		
Bath and lavatory basin	6
Bath, lavatory basin, and shower	6
Bath, lavatory basin, shower and water closet	6

For fixtures other than those shown, the equivalent fixture units to be adopted shall be determined by the proper officer.

Section 89.—Sizes of Soil, Waste, Combined Waste, and Drain Pipes.—The sizes of soil, waste, and combined waste

pipes computed in accordance with the methods set out in the appendix to this chapter shall be not less than the sizes determined on the basis of the total number of fixture units drained or likely to be drained in accordance with the following table:—

PERMISSIBLE MAXIMUM NUMBER OF FIXTURE UNITS.

Grade not less than—

Diameter of Pipe	1 in. 60.	1 in. 40 (a).	1 in. 30.	1 in. 25.	1 in. 20.	1 in. 15.	1 in. 12 (b).	1 in. 4 (c).	Vertical Stacks.
Inches									
1½	6	6	8	9
2	9	10	12	17	24
2½	14	16	18	20	28	36
3	20	22	24	27	30	40	50
4	..	100	108	115	125	135	150	210	260
6	420	490	560	600	650	740	820	1,150	1,400

(a) Corresponds to 88½° fittings. (b) Corresponds to 85° fittings. (c) Corresponds to 75° fittings.

Provided that—

- Soil, waste, and combined waste pipes shall not be diminished in the direction of flow.
- The diameter of trap, soil, waste, or combined waste pipe receiving the discharge from any fixture shall in no case be less than the nominal outlet diameter of such fixture with a minimum of one and one-half (1½) inches, nor shall any soil pipe be less than three (3) inches in diameter.
- Not more than two closet pans shall discharge into any 3-in. grade soil or combined waste pipe.
- For the purpose of this section, offsets in vertical stacks may be treated as though vertical, provided the length of offset does not exceed five (5) feet measured horizontally.
- Where forty-five (45) degrees fittings are used throughout for connexions to any stack, the "permissible maximum number of fixture units for vertical stacks" in the above table may be increased by 50 per centum (50%).
- Not more than one-half (½) of the total permissible number of fixture units for a vertical stack, in accordance with the above table, shall be connected to such stack in any 8-ft. length thereof.
- Soil, waste, and combined waste pipes shall be as direct and free from bends as practicable; where bends are unavoidable, approved provision shall, if necessary, be made to safeguard fixtures connected immediately above or below such bends.

Section 90.—Sizes of Vents.—

- Length of Vent.—For the purposes of this clause, the length of any vent shall be defined as follows:—
 - Length of main vent shall be the height of the building, in storeys, above the floor on which are situated the lowest fixtures served by such vent.
 - Length of branch vent shall be the height of the building, in storeys, above the floor on which are situated the lowest fixtures served by such vent, plus an additional storey for each 12 feet, or part of twelve (12) feet, in the length of the branch vent, measured horizontally from the main vent to the fixture in question.
- Main and Branch Vents.—The sizes of main and branch vents, computed in accordance with the method set out in the appendix to this part, shall be not less than the sizes determined from—
 - the size of soil, waste, or combined waste pipe or stack to be vented.
 - The total number of fixture units served by the main vent, or by that portion of the branch vent under consideration; and
 - the length of the vent, in accordance with the following table:—

MINIMUM PERMISSIBLE SIZES OF MAIN OR BRANCH VENTS (INCHES).

Diameter of Soil, Waste or Combined Waste Pipe.	Total Number of Fixture Units Served.	Total Length of Vent in Storeys—									
		1.	2.	3.	4.	5.	6.	7.	8.	9.	10 and Over.

	601-1,300 ..	4	5	5	5	5	5	5	5	6	6
	1,301-2,100 ..	4	5	5	5	5	6	6	6	6	6

Provided that—

- (i) No vent shall be less than one and one-quarter (1¼) inches in diameter, and in no case shall a main or branch vent have a diameter less than one-half (½) of that of the soil or waste pipe which it serves.
- (ii) For 2-in. and 2½-in. waste pipes the main or branch vent shall have a diameter

of not less than one and one-half (1½) inches.

- (iii) No branch vent need be larger in diameter than the soil or waste pipe which it serves.

- (c) Individual Anti-syphonage Vents.—The sizes of individual anti-syphonage vents shall be not less than the sizes determined from the diameter of the fixture trap served, in accordance with the following table:—

Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Syphonage Vent.	Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Syphonage Vent.
Inches.	Inches.	Inches.	Inches.
1½	1½	3	2
2	1½	4	2
2½	2		

Section 91.—Waste Pipes.—Except as provided in section 93, separate waste pipes shall be provided for each of the following classes of polluted water, viz:—

- (a) Water from baths, sinks, lavatory basins, wash troughs, and grease traps where such are ordered or required, and other waters containing a small proportion of soap and/or dirt.
- (b) Water from kitchen and scullery sinks or other fixtures, to grease traps where such are ordered or required.

Section 92.—Soil Pipes.—Except as provided in section 93, soil pipes shall be provided for soil water from closets and other waters containing faecal matter, and for urinal waters from slop sinks and urinals, and, where directed, for discharges from operating theatres and mortuaries.

Section 93.—Combined Wastes.—The proper officer may approve of the adoption of the combined pipe system for plumbing installations subject to the following conditions and such other conditions as he may think necessary in any particular case, viz:—

- (a) Application shall be made in writing by the owner or his authorized agent, who shall submit with such application—
- (i) plans showing clearly all floors and basements (if any) upon which fixtures are or are proposed to be installed, the nature and position of all fixtures, the

size and arrangement of all soil, waste, combined waste, and vent pipes, and the position, size, and approximate depth of all drains, and the intended use of each room in which a fixture is, or is proposed to be installed, and of each room from which a water closet or urinal is entered directly;

- (ii) sectional line diagrams showing clearly each soil, waste, combined waste, or vent pipe or stack, together with their sizes and the positions of all fixtures connected thereto, and, where required, the gradients of the soil, waste, or combined waste pipes;
- (iii) such other information as the proper officer may require.

- (b) The size and arrangement of all soil, waste, combined waste drain, and vent pipes shall be approved by the proper officer.

Section 94.—Connections to Drains.—Except as provided in section 93, all waste pipes shall, unless otherwise permitted, discharge under the grating of a yard gully or into a disconnector trap.

All soil and combined waste pipes, including those for urinals and slop sinks, shall be connected direct to the drain.

APPENDIX.

METHOD OF COMPUTING THE SIZES OF SOIL, WASTE, COMBINED WASTE, VENT PIPES IN ACCORDANCE WITH THE REQUIREMENTS OF DIVISION 23.

Fixtures.

1. In accordance with section 88, classify the various fixtures and determine the maximum number of fixture units to be provided for in each portion of the system under consideration. Cleaners' sinks and floor wastes, which are not regularly in use during the period of maximum use of other fixtures, need not be included in determining the number of fixture units to be provided for.

Sizes of Graded Soil and Waste Pipes.

2. (a) By reference to section 89, determine from the maximum number of fixture units served at the point under consideration the required sizes and grades of the soil, waste, and combined waste pipes in each portion of the system.

(b) Compare the sizes so obtained with the minimum permissible sizes for the particular case and adopt the larger.

Sizes of Vertical Soil and Waste Stacks.

3. (a) By reference to section 89, determine from the maximum number of fixture units served at the point under consideration the required sizes of the vertical soil, waste, and combined waste stacks.

(b) Ascertain whether the number of fixture units connected to the stack within any 8-ft. length is within the permissible limits of provision (f) of section 89; if not, adopt such larger size stack as will comply with this requirement.

(c) Compare sizes so obtained with the minimum permissible sizes for the particular case and adopt the larger sizes, subject to provision (a) of section 89.

Sizes of Main Vents.

4. (a) Determine the vertical length of the main vent in storeys from its connexion at its lower end with a soil, waste, or combined waste pipe, or drain to the ceiling level of the top floor.

(b) From the table of permissible sizes in section 90, determine for the maximum number of fixture units served by the vent the required size for a vent of such a length.

(c) Compare the sizes so determined with minimum permissible sizes and adopt the larger.

Sizes of Branch Vents.

5. (a) Determine the approximate vertical length in storeys of the main vent from the point of connexion of the branch vent under consideration to the ceiling level of the top floor.

(b) Determine the horizontal length of the branch vent from its connexion with the main vent to the furthestmost end of the portion under consideration.

(c) Allowing one storey for each 12 feet, or part of 12 feet, in horizontal length of branch vent, as determined by rule 5 (b) above, add this length in storeys to the length in storeys determined by rule 5 (a) above.

(d) Determine the number of fixture units served by the portion of branch vent under consideration.

(e) From the table of permissible sizes in section 90, determine the minimum size of vent required for the above number of fixture units and for the total length of vent in storeys as determined by rule 5 (c) above.

(f) Compare the sizes so determined with the minimum permissible sizes and adopt the larger, subject to the provision that no vent need be larger than the soil, waste, or combined waste pipe which it serves.

PART 5.—PLUMBING.

DIVISION 24.—GENERAL.

Section 95.—Flashing.—Unless otherwise directed by the Authority, all troughs, sinks, baths, and other fixtures which are placed less than six (6) inches from any wall, except those provided with wall skirtings as part of the fixture, shall be flashed with 4 lb. lead, 24-gauge copper, bronze, brass, nickel-silver, or monel metal, or other approved material. Galvanized sheet iron may be used for fixtures other than sinks.

All such flashings shall be turned up the walls at least four (4) inches, or be tucked one (1) inch into a joint and cemented water-tight, except where the walls are tiled, when the flashing shall be carried up at least one-quarter (1) inch behind the tiles.

Baths and other fixtures, having turned-up flanges for use against tiled walls in lieu of sheet metal flashing shall be properly supported to prevent settlement, and the flange shall lap at least one-quarter (1) inch behind the tiles, which shall be brought hard down on to the surface of the fixture.

All flashings shall be properly secured and made water-tight, and shall be bedded for a width of not less than one (1) inch along the edge nearer the fixture, in red or white lead.

Section 96.—Pipes Through Roof.—In all cases where a vent, waste, combined waste, or soil pipe passes through any roof, a suitable lead collar or flashing shall be soldered or otherwise fixed to the pipe and also the roof in such manner as shall make the roof perfectly water-tight.

DIVISION 25.—SOIL, WASTE, AND COMBINED WASTE PIPES.

Section 97.—General.—All lines of soil, waste, and combined waste pipes shall be as direct as possible.

Section 98.—Materials.—No material shall be used for soil or combined waste pipes other than cast iron, lead, or brass, or other approved materials, and for waste pipes other than wrought iron, cast iron, lead, brass, copper, or other approved materials.

Section 99.—Lead Pipes.—The minimum permissible weight of lead for soil or combined waste pipes shall be 7 lb. per square foot, and for waste pipes 6 lb. per square foot.

Section 100.—Wrought Iron Pipes.—All wrought iron pipes and their fittings shall be of approved standard weight and quality and galvanized or lined to the approval of the Authority.

Section 101.—Cast Iron Pipes.—All cast iron pipes shall be sound, free from holes and cracks, and coated with approved bituminous composition or lined with glass enamel or other material to the approval of the Authority.

Cast iron pipes and their fittings, where laid in the ground, shall comply with the standard approved by the Authority for cast iron water pipes and their fittings of similar diameter.

Cast iron pipes for use in other situations shall have a minimum thickness of 3/16 inch, measured without the enamel or other lining, and their fittings shall correspond with them in weight and quality. All junctions shall be curved; right-angled junctions shall not be made.

Section 102.—Copper and Brass Pipes.—Copper or brass waste pipes shall be seamless solid drawn tube, and shall be of a diameter and thickness not less than those given in the following table:—

Nominal Internal Diameter.	Minimum Permissible Actual Internal Diameter.	Minimum Permissible Wall Thickness (S.W.G.).		British Standard Pipe Thread for Screwed Connexions.
		Screwed Connexions.	Brazed or Compression Joints.	
Inches.	Inches.			Inches.
1½	1½	12	16	1½
1¾	1¾	12	16	1¾
2	2	11	16	2
2½	2½	11	14	2½
3	3	10	14	3
4	4	8	12	4

Section 103.—Use of Lead Pipes.—Lead pipes shall not be used where liable to damage.

Section 104.—Supporting Lead Pipes.—Lead pipes shall be supported by cast lead tacks of approved dimensions, wiped on to the pipe or by other approved fastenings, and such fastenings shall be arranged as nearly as possible thus—

	Centres.
4-in. vertical lead pipes ..	2 ft. 6 in.
4-in. inclined lead pipes ..	2 ft. 0 in.
Less than 4-in. vertical pipe ..	3 ft. 0 in.
Less than 4-in. inclined pipe ..	2 ft. 3 in.

Two (2) pairs of tacks, fixed opposite, are sufficient for fixing lead flush pipes from cisterns with lugs.

Section 105.—Length of Unvented Waste Pipes.—Except as provided in section 165, waste pipes need not be ventilated unless they exceed seven (7) feet in inclined lengths and/or eighteen (18) feet in vertical length, provided that there is only one fixture attached to the waste pipe, and provided that the water seal of the trap is not reduced by siphonage or other cause.

Where there is more than one fixture or the water seal is reduced, a vent pipe shall be supplied to the fixture trap or traps.

Section 106.—Junctions.—Where a soil, waste, or combined waste stack is branched into a graded soil, waste, combined waste, or drain pipe, the branch fitting shall have an angle of not less than forty-five (45) degrees to the graded pipe, and the length of the branch of the fittings shall be such that the vertical projection of the attached stack will be wholly outside of the area of the junction with the graded pipe. Junctions shall not be built into walls except with the approval of the Authority or its proper officer.

Section 107.—Sealing of Pipes.—Wherever a fixture is abolished, the soil, waste, combined waste, vent, and water supply pipes to such fixture shall be removed, or, if allowed by the Authority to remain, the ends of the pipes shall be sealed with water-tight imperishable materials.

Wrought iron pipe may be sealed with a screwed plug; cast iron pipe may have a cast iron plug caulked in with lead; lead pipe may have the end securely closed with a wiped joint; stoneware pipe may have a stoneware disk cemented in.

Section 108.—Sheet Metal Bends and Offsets.—All sheet metal bends and offsets, for flush and vent pipes, shall be bent or pressed. Mitred elbows will not be permitted.

Section 109.—Painting.—All external plumbing work and all cast-iron cisterns and brackets, woodwork in connexion with plumbing installations, sheet iron flush pipes, and sheet iron storage tanks and trays shall be painted, to the approval of the proper officer. In no case shall painting of any portion of the plumbing work be carried out unless and until such work has been inspected and approved.

DIVISION 26.—JOINTS.

Section 110.—Lead Pipe.—All joints in lead pipe shall be plumbers' wiped joints.

Section 111.—Wrought Iron Pipe.—The screwed ends and sockets of each particular size of wrought iron or wrought steel pipe shall be so formed and the threads so cut that the ends of the pipe will butt against each other when screwed home in the sockets; bends, junctions, and similar fittings shall be similarly formed and screwed so that when the pipe ends are screwed home the bore will be continuously uniform and without breaks or pockets.

The burr shall be neatly filed off on the inner edge of all pipe ends. All screwed joints shall be made with approved jointing material.

Section 112.—Wrought Iron Pipe to Lead Pipe.—All joints between wrought iron and lead pipes shall be made by means of brass unions screwed to the iron pipe and wiped to the lead pipe.

Section 113.—Brass or Copper Pipes.—Joints of brass or copper pipes shall be made by means of brazing to the satisfaction of the proper officer or in accordance with the S.A.A. Specification B.36, "Compression Joints and Copper Alloy Screwed Fittings for Standard Copper Tubes."

Section 114.—Lead Pipe to Cast Iron Pipe.—The connexion of lead pipes or traps to cast iron pipes shall be made by means of brass ferrules; the brass ferrule shall be lined with and connected to the lead pipe or trap by means of a wiped joint and connected to the cast iron by inserting the ferrule in socket thereof, and making the joint in the same way as in cast iron pipe.

Section 115.—Sheet Iron Pipe to Cast Iron Pipe.—All connexions of galvanized sheet iron to cast iron pipes shall be made with molten lead, lightly but tightly caulked into the cast iron sockets or with other approved material, or with a brass sleeve soldered to the sheet iron pipe and caulked with lead.

Section 116.—Sheet Iron Pipe to Wrought Iron or Steel Pipe.—Galvanized sheet iron pipes shall be connected to wrought iron or steel pipes by means of brass unions or sleeves soldered to the sheet iron and screwed to the wrought iron.

Section 117.—Sheet Iron Pipe to Lead Pipe.—Connexions of sheet iron pipes to lead pipes shall be made by means of brass sleeves wiped to the lead pipe and soldered to the sheet iron pipe.

Section 118.—Lead Pipe to Concrete or Stoneware Pipe.—Connexions of lead pipe to stoneware or concrete pipe shall be made by means of a brass ferrule connected to the lead pipe by means of a wiped joint and connected to the stoneware or concrete pipe by inserting it in the socket thereof and making a cement mortar joint.

Section 119.—Concrete or Stoneware Traps to Lead Pipe.—The connexion of a stoneware or concrete trap to a lead pipe shall be by means of a cast lead or brass socket, and the joint made with bitumen or other approved material; the lead pipe shall be connected to the tail end of the brass or lead socket by means of a plumbers' wiped joint.

Section 120.—Connexion of Closet Pan Traps to Soil Pipe or Drain.—Connexion of a closet pan to a soil or drain pipe shall be made by means of a bituminous jointing material, consisting of a mixture of approved bitumen and finely graded inert mineral filler in equal proportions, filled in solidly into socket of soil or drain pipe and neatly splayed off, or by other approved method. In the case of lead soil pipes, a cast lead or brass socket shall be used, connected to the lead pipe by means of a wiped joint.

Section 121.—Cistern Flush Pipe to Closet Pan.—The flush pipe from cistern shall be connected to the water closet pan by a lead cap piece of not less than 4 lb. lead, packed with red lead or other approved material, or the connexion may be made by other approved method. The cap piece shall be jointed to galvanized sheet iron, copper, brass, or drawn steel pipe by means of a soldered joint, and to lead flush pipe by a wiped or soldered joint.

The connexion of the flush pipe to cistern shall be by means of a brass union, wiped to lead pipe or soldered to sheet iron pipe, or by other approved method. Copper or brass pipe shall be connected to cistern by means of a brass ring, with nut brazed to pipe or by other approved means.

Section 122.—Vent Pipe to Closet Pan.—Vent pipes shall be connected to the vent horn of the water closet trap by a lead cap piece with red-lead packing, or by other approved methods.

The cap piece shall be jointed to copper or brass pipe by means of a soldered joint, and to lead pipe by a soldered or wiped joint.

Section 123.—Outlet Fittings to Fixtures.—Connexion between outlet fittings and such fixtures as baths, sinks, basins, &c., when the latter are constructed of cast iron, sheet iron, ceramic ware, or concrete shall be made with lock nuts. The outlet fitting shall in all cases be connected to the waste pipe by means of a union. When these fixtures are made of sheet metal lighter than 20-gauge, soldered connexions may be used in lieu of lock nuts.

Section 124.—Waste Pipes to Troughs.—Connexions of waste pipes to wash troughs shall be made as under:—

(a) Cement troughs, unless otherwise approved, shall have approved cast-in outlets;

(b) Sheet metal troughs shall be connected to the waste pipes in compliance with section 123;

(c) For wooden troughs, lead, copper, or brass waste pipes shall be connected in compliance with section 123, or shall have flanges connected to the waste in accordance with the provisions of this By-law, and fastened to the underside of the trough with copper tacks. The waste pipe shall then be turned over inside the trough and the plug casting bedded over it with red-lead putty and screwed to trough with brass wood-screws.

Where wrought iron or other screwed pipes are used, the plug casting must be connected to the trough by means of a locknut in lieu of flange.

DIVISION 27.—FIXTURE TRAPS.

Section 125.—Fixtures to be Trapped.—Every fixture shall be effectively trapped, except as provided in section 126, or unless otherwise specially permitted by the Authority. Separate traps shall be provided for each fixture, except lavatory basins, sinks, or troughs in the same apartment which may be connected in pairs.

Section 126.—Omission of Traps.—Baths, lavatory basins, wash troughs, and sinks may remain untrapped where fixed in the open air or in a detached outbuilding not used as a living room, work room, or room for the preparation, cooking, or storage of food and not connected directly by openings with the main building or residence, provided that the length of the waste pipe, measured in the case of wash troughs from centre of furthest inlet to end of waste-pipe outlet, does not exceed six (6) feet.

Section 127.—Position of Traps.—Traps shall be placed as near the fixtures as possible, and in no case shall a trap be more than two (2) feet from its fixture, except as provided in section 163, unless otherwise specially permitted by the Authority.

Section 128.—Materials.—Traps for all fixtures other than water closets, slop sinks, and urinals shall be of copper, brass, or drawn lead.

Section 129.—Depth of Water Seal.—Every trap shall have a water seal of not less than two (2) inches.

Section 130.—Closet Pan Traps.—Outlets from closet pan traps shall be of not less than 3½-in. nor more than 4-in. diameter, except in the case of siphonic pans, which shall be as directed by the Authority.

Section 131.—Sealed Disconnector Traps.—Where approved by the Authority, sealed disconnector traps may be fixed inside or outside the building, but in such cases breather pipes or fresh-air inlets of same diameter as disconnector trap shall be taken to such height as directed, and where trap is inside shall be led to the outside of the building. The material for such breather pipes shall be the same as for vent pipes, except that sheet iron will not be allowed. Inspection openings to such traps shall be sealed with screwed plugs, or as otherwise approved by the Authority.

Section 132.—Form of Trap.—The P. form of trap shall be used in preference to the S. form where, in the opinion of the proper officer, it is equally suitable for the situation.

Section 133.—Lead Traps.—All lead traps must be of the weights specified in section 99 for lead pipes of the same class.

DIVISION 28.—GRATINGS.

Section 134.—Gratings.—Non-corrodible metal outlet gratings of approved design and material in accordance with the S.A.A. specification No. B.38, "Metal Alloy Sanitary Fittings," shall be provided for all fixtures other than a water closet. If for the fixture in question there is no S.A.A. Specification, the grating shall be to the approval of the Authority.

DIVISION 29.—CLEANING EYES AND INSPECTION OPENINGS.

Section 135.—Provision for Inspection and Cleaning.—Inspection and cleaning eyes shall be provided in such positions on all soil, combined waste, and waste pipes as will provide access for proper inspection and cleaning of the entire length of pipe.

Traps for fixtures other than urinals, water closets, and slop sinks shall, in each case, be provided with an approved screwed brass plug for cleaning purposes.

Section 136.—Inspection Openings on Soil and Combined Waste Pipes.—In every case where a vertical stack of soil or combined waste pipe provides for a closet or closets four (4) feet or more above ground level, measured from floor level of any such water closet to ground level at foot of stack, an inspection opening, eight (8) inches by four (4) inches, having a cover fixed to a flange with non-corrodible bolts or studs, shall be provided near foot of stack in such position as directed by the proper officer.

Section 137.—Washers for Inspection Openings.—Inspection openings to soil, waste, and combined waste pipes shall be provided with approved washers.

DIVISION 30.—GREASE, PETROL, AND OIL TRAPS.

Section 138.—Provision of Grease, Petrol, and Oil Traps.—Every fixture or area from which grease, oil or greasy or oily matter or petrol, benzine, or other inflammable or explosive substance is likely to be discharged or conveyed into waste, combined waste, or soil pipes or house drains, and every sink in all such places as food packing-houses,

butchers' shops, lard-rendering establishments, hotels, restaurants, and boarding-houses, and such fixtures, areas, apparatus or appliances, as the Authority may direct, shall first discharge into an approved apparatus for retaining the objectionable matter. Such apparatus shall be of such dimensions, design, and construction and in such positions as the Authority or its proper officer may in each case approve.

Section 139.—Construction of Grease Traps.—Grease traps shall be fixed outside buildings or outbuildings wherever practicable. Wherever a grease trap is used inside a building or outbuilding it shall, where not readily accessible for removal of grease, be so constructed and fitted as to be easily portable.

Non-portable grease traps shall be constructed of glazed stoneware, concrete, brick in cement, or other approved material.

Portable grease traps shall be constructed of copper or other approved material, provided with a close-fitting cover, and, if directed, fixed upon a tray. The outlet from any grease trap shall be connected to a disconnector trap.

Section 140.—Grease Trap Ventilation.—Unless otherwise approved, every internal grease trap and all external grease traps which are within thirty (30) feet of any door, window, or other opening into a building shall, unless fitted with an approved air-tight cover, have independent provision made for inlet and outlet ventilation.

Every such vent shall be carried not less than six (6) feet above any window, door, or other opening to any building within a distance of thirty (30) feet thereof, and in any case at least two (2) feet above the eaves or coping, or to such additional height as may be necessary to prevent effectually the escape of foul air into any building within the vicinity.

In all cases there shall be a difference in height of at least 6 feet between the tops of the inlet and outlet vents.

The size of such vents shall be in compliance with the requirements for main vents in section 90, the diameter of waste pipe being taken as that of the outlet from the grease trap, and the number of fixture units equivalent to number represented by the sinks served by the grease trap.

Section 141.—Size of Grease Trap.—The dimensions of grease trap to be provided shall be such as to ensure the retention of all grease entering such trap.

Section 142.—Outlet Pipes.—The outlet pipe from any grease trap must be at least one size larger than that size of pipe which has a cross-sectional area equivalent to the total area of incoming waste pipes. In no case, except by special permission, shall the outlet pipe be less than 3-in. diameter.

Section 143.—Maintenance.—Every grease trap shall be maintained by the occupier at his own expense, and shall be cleaned daily, to ensure that such trap operates in an efficient and hygienic manner.

DIVISION 31.—WATER CLOSETS AND FLUSHING APPARATUS.

Section 144.—Fixing Closet Pan.—On concrete floors, or floors of tiles set in concrete, the closet pan shall be securely bedded upon concrete or cement mortar, and fixed with brass screws to approved lead dowels set in the floor or by other approved means.

Where the floor is of timber, covered with an approved impervious material, the closet pan shall be secured to the timber by means of brass screws as directed, or by other approved means.

Section 145.—Closet Pans.—Every water closet shall be furnished with a pan conforming to the requirements of S.A.A. Specification for glazed sanitary pedestal pans, No. A.50-1946, or with any other type of pan approved by the Authority.

Water closet pans and fittings shall be entirely open for inspection and without any enclosures.

Section 146.—Closet Pan Seats.—Where a seat is provided, it shall conform to the requirements of S.A.A. Specification for seats "full round" type for sanitary pedestal pans, No. A.51-1946, or to open front or other specialized design of seat approved by the Authority.

Section 147.—Flushing Apparatus.—There shall be provided in every water closet either a flushing cistern conforming to the requirements of S.A.A. Specification for sanitary flushing cisterns, No. A.52-1946, or of any other type approved by the Authority, or flushing apparatus conforming to the requirements of section 149 of this By-law.

Section 148.—Flush Pipes.—Flush pipes to closet pans shall be of brass, copper, 6-lb. lead, galvanized iron of not less than 22-gauge, or other approved material, and shall have a minimum diameter of one and one-quarter (1¼) inch. Flush pipes shall be fitted with an approved buffer and buffer block where the closet pan is provided with a hinged seat.

Section 149.—Flushing Apparatus Other than Cisterns.—Notwithstanding anything contained in this By-law, closet pans in any building may be flushed by means of any apparatus which—

(a) automatically controls the amount of water used, and/or

(b) is approved by the Authority.

Section 150.—Storage Tanks.—Except where otherwise allowed by the Authority on the written request of the owner, who shall accept all responsibility in the matter, internal water closets shall be provided with storage tanks capable of holding the equivalent of two flushes of water for each occupant of the building, with a minimum of twenty (20) flushes per closet for all buildings except private residences, which shall have a minimum capacity of ten (10) flushes. These tanks may be constructed of 22-gauge sheet iron or 24-gauge corrugated iron.

Unless otherwise approved by the Authority, the storage tank shall be placed in the water closet apartment itself, on the roof, over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a safe of galvanized iron, lead, or other approved impervious material with overflow, shall be fixed under the storage tank. The storage tank shall be provided with a separate overflow which shall not discharge on to the safe, but may be combined with the safe overflow below the safe.

Section 151.—Venting Closet Pans.—Unless otherwise directed or permitted by the Authority, every closet pan on an upstairs floor shall discharge into a soil ventilator pipe or combined waste ventilator pipe, except that where there are no other fixtures connected to the soil stack the pan may be ventilated by an anti-siphonage vent only, in accordance with the requirements of sections 75 and 90, and discharge into a soil pipe or combined waste pipe without extension as a ventilator pipe.

Every external closet pan in which siphonage occurs and every internal closet pan shall be ventilated by an anti-siphonage vent in accordance with the requirements of section 90, sufficiently close to prevent siphonage, and in no case more than eighteen (18) inches from trap, except in the case where there is only one closet pan on the branch and where such pan is not more than four (4) feet from the soil ventilator pipe or combined waste ventilator pipe to which it is connected, measured horizontally between centre of soil ventilator pipe or combined waste ventilator pipe and centre of pan, in which case the anti-siphonage vent may be omitted.

Section 152.—Grouped External Closets.—Where there are more than three (3) external water closet pans grouped on the ground floor or in the yard of any premises, the drain, combined waste, or soil pipe shall be separately ventilated for every group, or part of group, of three (3) closet pans. The size of vent shall be in accordance with the requirements of section 90.

DIVISION 32.—URINALS AND FLUSHING APPARATUS.

Section 153.—Details of Construction, &c.—Except by special permission of the Authority, only round-backed stall-type urinals made of glazed fire clay or salt-glazed stoneware and of approved construction shall be used.

The soil or combined waste pipes shall be of lead, stoneware, or glass enamelled or coated cast iron or other approved material, and shall be kept as short and free from bends as possible. Inspection openings shall be provided on soil or combined waste pipes in accordance with the requirements of section 135. The urinals shall be provided with approved flushing apparatus, and in every public urinal a hose tap shall be provided in a suitable position for hosing down.

Section 154.—Flushing Apparatus.—Chain-operated flush-cisterns, or other approved apparatus operated by hand, shall be fixed on all urinals, except where automatic flushing cisterns are permitted or directed by the Authority.

Section 155.—Flushing Cisterns.—The discharge from a cistern shall be as directed by the Authority.

The height of a cistern shall, unless otherwise allowed by special permission of the Authority, be at least 6 ft. 6 in. from the floor to the bottom of the cistern. The cistern shall be so fixed that the ball tap is accessible.

Every urinal flushing cistern shall be provided with a separate stop tap.

Section 156.—Flush Pipes.—Flush pipes for urinals shall have a minimum diameter of one and one-quarter (1¼) inch, except that flush pipes for automatic flushing cisterns generally shall not exceed—

For 1-gallon cistern, ¾-in. internal diameter;

For 2-gallon cistern, 1-in. internal diameter;

For 2½ and 3-gallon cistern, 1¼-in. internal diameter, with branches as directed by the proper officer.

DIVISION 33.—SLOP SINKS.

Section 157.—General.—Slop sinks shall be made of approved impervious material, and provided with approved flushing apparatus as directed by the Authority.

Section 158.—Bibcock Over Slop Sink.—A bibcock shall be fixed directly over a slop sink, and at least eighteen (18) inches above such sink.

DIVISION 34.—WASH TROUGHS.

Section 159.—General.—Wash troughs shall be securely fixed and shall conform to the requirements of Australian Standard Specification for cement concrete wash troughs, No. A.17-1946, or shall be of any other pattern or material approved by the Authority.

Section 160.—Support for Lead Waste Pipe.—Where the distance between outlets on troughs exceeds twenty-one (21) inches, and lead waste pipe is used, the pipe shall be supported either by a lead tack wiped on the top of the pipe or by a wooden block screwed to the bottom of the trough and clamped to the pipe.

DIVISION 35.—SINKS, BATHS, LAVATORY BASINS, AND SHOWERS.

Section 161.—Fixing Sinks.—(a) All new sinks shall be fixed on a frame or on brackets and traps and wastes left readily accessible.

(b) Every combination metal sink and metal draining board of the type usually made of stainless steel or monel metal shall have a ½-in. x 3/16-in. diameter threaded brass stud brazed to the side of the bowl near one of the lower rear corners. The bowl shall be bonded to the metallic piping of the cold water supply system by means of a stranded bare copper conductor not smaller than 7/029 inch, one end of which shall be terminated at the cold water piping in an approved type of earthing clip, and the other in an approved type non-spread washer connected and locked to the brazed stud on the bowl.

Section 162.—Galvanized Sheet Iron Baths.—The bottoms of galvanized sheet iron baths shall be effectively supported on legs. Such baths shall not be enclosed. Longitudinal joints in the bottoms of baths shall not be permitted.

Section 163.—Bath Traps.—Where a bath trap is fixed on the outside of a wall it shall in no case be more than 3 feet from the outlet of the bath, unless by special permission of the Authority.

Section 164.—Baths Without Flashing.—Where pedestal baths are fixed, and it is not desired to flash them, they shall be fixed with a space of at least 6 inches clear of walls.

Section 165.—Venting of Lavatory Basins.—All lavatory basins, placed singly, shall be provided with anti-siphonage vents. Where the length of waste pipe does not exceed 4 feet, measured from crown of trap to outlet end of waste pipe, and siphonage does not occur, the anti-siphonage vent may be omitted.

In ranges of lavatory basins, ventilation by means of a single vent pipe at the upper end of the range will be permitted, provided that the vent and main waste pipe are sufficiently large to prevent siphonage.

Section 166.—Tip-up Basins.—Tip-up lavatory basins shall not be permitted.

Section 167.—Showers.—All shower compartments shall be provided with drainage in accordance with the requirements for baths, and every drainage outlet provided with a non-corrodible metal grating.

DIVISION 36.—SAFES AND OVERFLOWS.

Section 168.—Safes Required.—Unless the floor is constructed of concrete not less than 3 inches in thickness or of other approved impervious material and graded to a suitable outlet or is completely covered with rubber or linoleum ¼ inch in thickness or other approved material, safes of lead or other approved impervious material shall be fitted under all slop sinks and internal water closets and in such other positions as may be directed by the Authority.

Section 169.—Lead Safes in Water Closets.—All lead safes shall be laid with sheet lead weighing not less than 5 lb. per square foot, and where the whole floor is not covered with lead, the safe shall extend 12 inches beyond the sides and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to and 3 inches up the wall. The roll of such safe shall be 2 inches wide and $\frac{1}{4}$ inch high. In lieu of a roll the safe may be recessed at least $\frac{1}{4}$ inch below the general floor level and graded to the safe outlet.

Section 170.—Safe Overflows.—Unless otherwise permitted by the Authority, every safe shall be drained by a separate 2-in. diameter pipe provided at the inlet with a brass grating and at the outlet into the open air with a flap valve of brass or other approved metal, and shall not connect with any waste pipe, soil pipe, combined waste pipe, drain or sewer.

DIVISION 37.—EXISTING FIXTURES, FITTINGS, &C.

Section 171.—Existing Fixtures, Fittings, &c.—All existing fixtures, fittings, and appliances not in accordance with these Regulations, which the owner may desire to remain unaltered and undisturbed, and which, in the opinion of the Authority will be inoffensive, may remain only at the request of the owner, in writing, until such time as the Authority shall otherwise order. Existing fixtures, fittings, and appliances which, in the opinion of the Authority, are offensive shall be removed at once.

PART 6.—WATER SUPPLY.

DIVISION 38.—WATER SERVICES TO SANITARY FIXTURES.

Section 172.—Supply of Water to Fixtures.—All water closets and other plumbing fixtures shall be provided by the owner with a sufficient supply of water for flushing purposes to keep them at all times in a proper and cleanly condition.

Every owner of premises who desires, or who has been ordered by the Authority, to provide sanitary appliances for his premises, and to connect his premises with the sewers of the Authority, shall, before or at the commencement of the work of making such connexion, provide piping approved by the Authority for the conveyance of water, and shall cause the piping to be joined to the most convenient water supply main in accordance with the water supply by-laws of the district within which the premises are situated. Such piping shall be of capacity sufficient to supply all sanitary fixtures on the premises freely and continuously, and convey to the flushing cistern, flushing tank, or other flushing apparatus of each water closet upon the premises enough water to fill the same at a rate of not less than one-half (½) gallon per minute, and the owner shall cause such piping to be connected with the cistern before the completion of the work.

The water supply to any fixture shall be so arranged that there shall be an actual physical discontinuity between the water stored or used in any such fixture and that in the water service pipes.

The water supply for water closets or urinals shall not be taken from a storage tank serving a hot-water system.

Section 173.—Material, Condition, Capacity, &c. of Water Supply Piping.—The entire length of the water supply piping from its connexion with the water supply main

to the water closet flushing cistern or other fixture shall be such as is, in the opinion of the Authority, suitable in regard to material, condition, and capacity to convey a sufficiency of water for the sanitary requirements of the particular premises. The owner shall keep the piping from becoming, whether by reason of corrosion or other cause, of insufficient capacity for such requirements.

Section 174.—Fixtures not Connected with Sewers.—No water service pipe shall be laid to supply any fixture in any premises in any sewered area unless such fixture is connected with the sewers of the Authority; or unless special permission, in writing, has been previously given to lay such service pipe.

Section 175.—Storage Tanks.—Water supply pipes to storage tanks for internal closets shall be of not less than $\frac{3}{4}$ -in. diameter and be provided with stop taps and with high pressure ball valves, except where the available pressure from the water supply system is not sufficient to allow of high pressure ball valves being used. In such cases the permission of the Authority shall be obtained to fix low pressure ball valves.

The water supply pipes from storage tanks to cisterns shall be not less than the following diameters:—

For 1 or 2 cisterns ..	$\frac{3}{4}$ -in. diameter.
For 3 to 6 cisterns ..	1-in. diameter.
For 7 to 25 cisterns ..	1½-in. diameter.
For 26 to 50 cisterns ..	2-in. diameter.

Provided that, where more than 50 cisterns are supplied, or where more than ten cisterns supplied are subject to a head of less than 20 feet—measured vertically from the top water level of the storage tank to the level of the point of discharge into the cistern—the case shall be submitted to the Authority for decision.

The overflow from a storage tank shall be 1½ inches in diameter. Where the flushing apparatus of more than two fixtures is connected to a storage tank, a full-way gate valve shall be provided on the outlet of the tank.

Where the head of water supply from the storage tank or other source of supply to the flushing cistern is less than 20 feet, a low pressure ball valve shall be provided to the cistern.

Except by special permission of the Authority, the head of water supply shall in no case be less than 10 feet measured vertically from the top-water level of the storage tank to the level of the point of discharge into the cistern.

Section 176.—Supply Pipe Connexion with Flushing Cistern.—In all water closets, where directed, a piece of lead or annealed copper pipe not less than 12 inches in length shall be used between the flushing cistern and the stopcock on the supply pipe.

The above By-law was made and passed by the Tallangatta Sewerage Authority on the 3rd day of June, 1955, and confirmed on the 4th day of August, 1955.

In witness whereof the common seal of the Authority was affixed hereto, in the presence of—

(SEAL) JAS. RONAN, Chairman.
E. A. RIED, Member.
A. S. KILBECK, Secretary.

Approved by the Governor in Council, 18th October, 1955.—N. G. WISHART, Clerk of the Executive Council.

SENATE ELECTION.

NOTICE is hereby given that His Excellency the Governor of Victoria has this day issued a writ for the Election of five Senators for the State of Victoria to serve in the Parliament of the Commonwealth of Australia, and the following arrangements have been made, viz. :—

Date of Nomination	Wednesday, 16th November, 1955.
Date of Polling	Saturday, 10th December, 1955.
Return of Writ	On or before Wednesday, 25th January, 1956.

By His Excellency's Command,
A. MAHLSTEDT,
Official Secretary.

The Governor's Office,
Melbourne, 7th November, 1955.

By Authority: W. M. HOUSTON, Government Printer, Melbourne.

Labour and Industry Act 1953.

DETERMINATION OF A WAGES BOARD ADJUSTED PURSUANT TO SECTION 33 OF THE LABOUR AND INDUSTRY ACT 1953.

I, Henry Norman Jones, Secretary for Labour and Industry, in pursuance of the powers conferred by the Labour and Industry Act, hereby make and issue the following adjusted Determination of the Wages Board referred to hereunder showing adjusted rates and prices to operate from the beginning of the first pay period to commence in August, 1955.

Dated at Melbourne, this
8th day of August, 1955.

H. N. JONES,
Secretary for Labour and Industry.

GENERAL BOARD.

(ink or Adhesives Section.)

Clause 2 of the Determination for this Section published in *Government Gazette* No. 137 of the 28th March, 1954, be replaced by the following clause:—

2.

WAGES PER WEEK OF 40 HOURS.

(a) Improvers.						(b) Adults.		
Males.			Females.			Males.		
—	Percentage of Basic Wage.	—	—	Percentage of Female Basic Wage.	—	Printing-ink mixer	grinder	and/or s. d.
		s. d.			s. d.	All others 247 0
1st year's experience	22	53 0	1st six month's experience	23	41 6 243 0
2nd "	31	74 6	2nd "	30	54 0			
3rd "	42	101 0	3rd "	34	61 0			
4th "	57	137 0	4th "	41	74 0			
5th "	73	175 0	5th "	45	81 0			
6th "	84	201 6	6th "	52	93 6			
7th "	90	216 0	7th "	57	102 6			
			8th "	65	117 0			
and thereafter the minimum wage.						Females.		
						All persons 180 0

NOTE.—The rates prescribed for improvers shall apply only to such employees as are under 21 years of age, or who being over 21 years of age, are the holders of improvers' licences.

PROPORTION (IN ANY PLACE).

Males.

One improver to each male adult.

Females.

One improver to each female receiving not less than the minimum wage.

Clauses, other than clause 2, of the said Determination for this Section shall remain in force.

By Authority: W. M. HOUSTON, Government Printer, Melbourne.

Leading Hands.

Leading hands in charge of not less than three and not more than ten employees, 15s. per week extra; more than ten and not more than twenty employees, 30s. per week extra; more than twenty employees, 45s. per week extra.

Ship Repairing.

Employees covered by this Determination who are engaged on ship repairs shall receive an additional margin of 5s. per week.

FEMALES AND UNAPPRENTICED MALE JUNIORS.

3. (a) Subject to the exceptions hereinafter provided, the minimum rates of wage for adult and junior females employed in manufacturing and assembling of small parts of electrical and other machinery and appliances, and in core making, in which females were employed on the 15th May, 1935, and for unapprenticed male juniors employed in occupations for which apprenticeship is not provided by this Determination, shall be as follows:—

WAGES PER WEEK OF 40 HOURS.

	*Percentage of Basic Wage.	Margin.	Additional Amount.	Total Wage Payable—		
				Within 20 Miles of G.P.O., Melbourne; 10 Miles of G.P.O., Geelong; at Warrnambool; and within Mildura and Gippsland Districts.	At Yallourn.	Other Parts of Victoria.
	Per Week.		s. d.	£ s. d.	£ s. d.	£ s. d.

I.—Adult Females.

Under one month's experience	75	16 0	..	9 0 0	9 5 0	8 17 6
All others	75	9 16 0	10 1 0	9 13 6

When employed in a classification for which the corresponding margin in clause 24 of the Determination published in Government Gazette No. 159 of the 2nd April, 1954, exceeded 28s. per week, but did not exceed 40s. per week—75 per centum of the margin now prescribed for that classification in clause 24 hereof in lieu of the 16s. herein prescribed.

WAGES PER WEEK OF 40 HOURS—continued.

	*Percentage of Basic Wage.	Margin.	Additional Amount.	Total Wage Payable—		
				Within 20 Miles of G.P.O., Melbourne; 10 Miles of G.P.O., Geelong; at Warrnambool; and within Mildura and Gippsland Districts.	At Yallourn.	Other Parts of Victoria.
	Per Week.		s. d.	£ s. d.	£ s. d.	£ s. d.
<i>II.—Junior Females.</i>						
17 years of age and under	52	..	3 6	4 17 0	4 19 6	4 16 0

17 years of age	46	..	4 0	5 14 6	5 17 6	5 13 0
18 years of age	58	..	5 0	7 4 0	7 8 0	7 2 6
19 years of age	73	..	6 0	9 1 0	9 6 0	8 19 0
20 years of age	88	..	7 0	10 18 0	11 4 0	10 15 6
<i>IV.—Junior Males (Foundries).</i>						
Under 16 years of age	24	..	3 0	3 0 6	3 2 0	3 0 0
16 years of age	32	..	4 3	4 1 0	4 3 0	4 0 0
17 years of age	58	..	8 0	7 7 0	7 11 0	7 5 6
18 years of age	73	..	10 0	9 5 0	9 10 0	9 3 0
19 years of age and over	88	..	11 6	11 2 6	11 8 6	11 0 0

* The percentages for junior females relate to the female basic wage, but in all other cases relate to the male basic wage.

The total wage shall be calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

(b) Except in the case of employees in foundries, the minimum rate payable to a junior female of any age or a junior male of eighteen years or more each with less than six months' experience under this Determination shall, until he or she has had six months' experience, be 10 per cent. less than the amount represented by the percentage of the basic wage hereby prescribed for a junior employee of his or her age and in addition thereto the additional amount prescribed for such an employee.

(c) Junior employees employed on the following machines or operations shall be paid at not less than the appropriate adult minimum rates:—

- (i) Angle-iron cropping where the material weighs more than 3½ lb. per foot and is not clamped.
- (ii) Assisting steel furnace ladleman other than in daubing or repairing ladles.
- (iii) Assisting storeman racking and/or loading and/or unloading off vehicles of heavy steel plates, bars or sections.
- (iv) Breaking up pig iron.
- (v) Carrying material to or from cupola forge or electric steel furnace or using the slicer or hanging on to end of a bloom. This shall not apply in the case of junior moulders.
- (vi) Cutting out and punching rivets on plates.
- (vii) Cutting plates by means of hammer and cold set.
- (viii) Holding up rivets over ½ in. diameter.
- (ix) Plate edge planers in structural steel or shipbuilding yards where the operator travels on the machine.
- (x) Punching machines handling plates weighing more than 84 lb.
- (xi) Shearing machines other than guillotine plate shearers, handling plates weighing more than 84 lb.

(d) Junior employees shall not be employed:—

- (i) if under the age of 16 years—
 - on oil or gas burners or fires used for heating of small articles; or
 - using electric arc or oxy-acetylene blow-pipe; or
- (ii) if under 18 years of age—
 - as furnaceman or assistant to furnaceman; or
 - as a roller, extrusion press operator, pipe trap machine operator, roller's assistant or as a melter.

Clauses, other than clauses 2 and 3, of the said Determination shall remain in force.
