Where there is no male margin prescribed for their work they shall be paid a margin of 4s. per week.

**PART III.—SAVING.**

No employee shall have his or her rate reduced merely as a result of this Determination.

**SPECIAL RATES.**

3. (a) *Leading hands.*—In addition to the margins prescribed in clause 2 herein leading hands shall be paid the following allowances:—

- (1) Fifteen shillings per week if in charge of not less than three and not more than ten employees including apprentices;
- (2) Thirty shillings per week if in charge of not less than ten and not more than twenty employees including apprentices;
- (3) Forty-five shillings per week if in charge of more than twenty employees including apprentices.

(b) In addition to the rates set out in clause 2 herein the following additional rates shall be paid:—

- (i) Sixpence per hour to employees working in confined spaces;

Confined space means a compartment, space or place the dimensions of which necessitate an employee working in a stooped or otherwise cramped position or without proper ventilation.

- (ii) Fourpence per hour to employees working in any place where clothing or boots become saturated, whether by water, oil or otherwise. Provided that this extra rate shall not be payable to an employee who is provided by the employer with suitable and effective protective clothing and/or footwear. And provided further that any employee who becomes entitled to this extra rate shall be paid such extra rate for such part of the day or shift as he is required to work in wet clothing or boots.

- (iii) Sixpence per hour to employees handling loose slag wool, loose insul wool or other loose material of a like nature used for providing insulation against heat, cold or noise;
- (iv) Fourpence per hour where a foreman and workman shall agree that the work is of an unusually dirty or offensive nature.

In case of disagreement between the foreman and workman, the workman or a shop steward on his behalf shall be entitled within 24 hours, to ask for a decision on the workman's claim by the employer's Industrial Officer if there be one, or otherwise by the employer or the executive officer responsible for the management of superintendence of the plant concerned. In such case a decision shall be given on the workman's claim within 48 hours of its being asked for (unless that time expires on a non-working day, in which case it shall be given during the next working day) or else the said allowance shall be paid.

*Special Rates Not Cumulative.*

(c) Where more than one of the disabilities entitling a workman to extra rates exist on the same job the employer shall be bound to pay only one rate, namely, the highest rate for the disabilities so prevailing.

*Rates Not Subject To Penalty Additions.*

(d) The special rates herein prescribed shall be paid irrespective of the times at which the work is performed, and shall not be subject to any premium or penalty additions.

**MIXED FUNCTIONS.**

4. Where an employee is engaged in any one week for more than half of such week at work in a higher class than he or she is employed to perform, he or she shall be paid for the full week at the highest rate payable for any such work under this Determination; but if he or she is engaged for more than half of any one day he or she shall be so paid for the whole day. If the period on the higher class of work is half or less than half a week or half or less than half a day then he or she shall be paid at the rate fixed for the work he or she actually performs.

**APPRENTICES AND IMPROVERS—RATES OF PAY.**

5. The following shall be the rates of pay for apprentices and improvers:—

NOTE.—The furnaceman and underhand are paid for the output of one furnace.

(ii) To the weekly earnings of pieceworkers as computed in accordance with Columns A, B, and C, shall be added the amounts set out in Column D. The said amounts are the increases in margins granted to time workers of appropriate classification by virtue of the Determination made on the 11th February, 1955, and operative as from the beginning of the first pay period to commence on or after the 13th December, 1954.

(iii) The piecework prices set out in Column B. are based on a Basic Wage of £11 14s. per week, and the earnings of a pieceworker as computed in accordance with Columns A, B, C, and D shall be increased or decreased from time to time, as the case may be, to accord with the amount of the increase or decrease in the said Basic Wage.

In accordance with this provision as from the beginning of the first pay period to commence in August, 1955, an amount of 6s. per week shall be added to the earnings of a pieceworker.

(iv) The Board has also determined that where any person employed on tonnage rates set out in such Schedule fails to earn during any day on which he is so employed an amount equal to one-fifth of the prescribed weekly rate he shall be paid for such day not less than one-fifth of the prescribed weekly rate. Provided that if such employee elects to work for a shorter period than the number of hours fixed for an ordinary day's work he shall be paid a sum proportionate to the time worked.

Clauses, other than clauses 2 and 18, of the said Determination shall remain in force.

## Country Fire Authority Acts.

**SUMMER PERIOD IN RESPECT OF SPECIFIED  
PARTS OF THE COUNTRY AREA OF VICTORIA.**

**PROCLAMATION**

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by sub-section (2) of section 4 of the *Country Fire Authority Act 1944*, it is enacted that the Governor in Council, after consultation by the Chief Secretary of Victoria with the Minister of Forests, may from time to time by Proclamation published in the *Government Gazette* proclaim any period as the summer period in respect of the country area of Victoria or any specified part or parts thereof and, without affecting the generality of the foregoing, may proclaim different summer periods in respect of different parts of the said country area:

And whereas the Chief Secretary and the Minister of Forests have consulted accordingly:

Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State and in pursuance of the powers conferred by the Country Fire Authority Acts, do by this my Proclamation proclaim the period commencing on the sixteenth day of November, 1955, and ending on the thirty-first day of March next following to be the summer period in respect of the parts hereinafter specified of the country area of Victoria, that is to say:

Those portions of the Eighteenth Fire Control Region comprised by the municipal districts of the City of Mildura, the Shire of Mildura excluding those portions of the aforesaid Shire which lie within the Parishes of Mildura and Merbein, and the Shires of Birchip, Karkaroc, Walpeup and Wycheproof;

and the Twentieth Fire Control Region comprising the municipal districts of the Borough of Swan Hill and the Shires of Cohuna, Kerang and Swan Hill.

## BOROUGH OF INGLEWOOD.

## BOROUGH OF INGLEWOOD WATER SUPPLY DISTRICT.

Rating By-law for the Year 1st October, 1955, to 30th September, 1956.

THE Inglewood Borough Council, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make and levy a rate for the supply of water for domestic purposes of Two shillings and six pence in the £1 on the annual municipal valuation of lands and tenements liable to be rated within the Borough of Inglewood Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than One hundred and five shillings, and in respect of any land on which there is no building less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of October, 1955, and concluding on the 30th day of September, 1956, and shall be payable on the 17th day of November, 1955, at the office of the said Council, Town Hall, Inglewood.

The maximum quantity of water to be supplied in any one year, without further charge to any property rated by the Council, is hereby fixed at the quantity which, at a charge of One shilling per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per 1,000 gallons.

The charge for water delivered ex stand pipe shall be Two shillings per 1,000 gallons, provided that in no case shall a charge be less than Two shillings for any lesser quantity than 1,000 gallons taken at one delivery.

Passed this 14th day of September, 1955.

## ARARAT SEWERAGE AUTHORITY.

## BY-LAW No. 3.

THE Ararat Sewerage Authority, in pursuance and exercise of the powers conferred by the Sewerage Districts Acts, doth hereby make the by-law following:—

For Division 3 of By-law No. 1 there shall be substituted the following division:—

## DIVISION 3.—HOUSE DRAINAGE PLANS—ALTERATIONS.

Section 8. (1) Copies of the Authority's plans and/or designs of individual house drainage will be furnished by the Authority upon application and payment for the same and subject to such conditions as follows:—

- (a) (i) Where the Authority designs the work and has same carried out for the owner, a charge shall be made equal to Ten per centum (10 per cent.) on the capital cost of the work for designing, specifying, letting contract, and supervising all details in connexion with such work.
- (ii) Consent for additions to and/or amendments of approved plans or to works previously approved will be made only on the application of the owner or his authorized agent, and on payment of a minimum fee of Fifteen shillings (15s.).
- (b) When the Authority designs the work for the owner and the owner then carries out his own work—
  - (i) For plan of design Sixty shillings (60s.) plus Seven shillings and six pence (7s. 6d.) for each fitting.
  - (ii) For making and/or examining any alterations or additions to a plan previously issued or approved by the engineer, a minimum charge of Fifteen shillings (15s.) shall be made by the Authority for each fitting or drain altered or added.
  - (iii) For inspecting drains and testing by the Authority's inspector a minimum fee of Thirty shillings (30s.) plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

- (iv) For inspecting plumbing by the Authority's inspector a minimum fee of Thirty shillings (30s.) for each ten (10) fittings or part of ten fittings in the installation, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.
- (v) For the final inspection by the Authority's engineer and charting the work on the Authority's plans Thirty shillings (30s.) for each ten fittings or part of ten fittings in the installation, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.

- (vi) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work.

The house connexion will not be passed until the installation together with the amendments ordered have been completed to the engineer's satisfaction.

- (c) Where an owner designs and carries out his own work—
  - (i) For the supply of a block plan Seven shillings and six pence (7s. 6d.).
  - (ii) The owner shall submit for examination a properly drawn design and a type-written specification. The design and specification shall be supplied to the Authority in triplicate. The work shall not proceed until the owner's design and specification have been approved by the engineer and the third copy returned to him with the official endorsement.
  - (iii) For the examination of the owner's plan of design and specification a fee of Thirty shillings (30s.) for each plan of from one to five fittings, plus Seven shillings and six pence (7s. 6d.) for every fitting over five.
  - (iv) For examining any alterations or additions to a plan previously issued or approved by the engineer a minimum charge of Seven shillings and six pence (7s. 6d.) shall be made by the Authority for each fitting or drain altered or added.
  - (v) For inspecting drains and testing by the Authority's inspector a minimum fee of Thirty shillings (30s.) plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.
  - (vi) For inspecting plumbing by the Authority's inspector a minimum fee of Thirty shillings (30s.) for each ten (10) fittings or part of ten fittings in the installation, plus Fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.
  - (vii) For the final inspection by the Authority's engineer and charting work on the Authority's plans Thirty shillings (30s.) for each ten fittings or part of ten fittings in the installation, plus fifteen shillings (15s.) for each additional inspection necessary owing to faulty work.
  - (viii) The engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work.

The house connexion will not be passed until the installation together with the amendments ordered have been completed to the engineer's satisfaction.

Resolution for the passing of this by-law was agreed to by the Ararat Sewerage Authority at a special meeting held on the 22nd August, 1955, and confirmed at a special meeting held on 19th September, 1955.

The common seal of the Ararat Sewerage Authority was hereunto affixed in the presence of—

F. P. CH. DE CRESPIGNY, Chairman.  
(SEAL) O. E. MARX, Member.  
C. C. MURRAY, Secretary.

Approved by the Governor in Council,  
8th November, 1955.

A. MAHLSTEDT,  
Clerk of the Executive Council.

CITY OF HEIDELBERG.

BY-LAW No. 192.

Regulating the Supply and Distribution of Water at Diamond Creek.

A By-law of the City of Heidelberg, made under the provisions of the Local Government Act 1946, section 197 (1) (iv) and section 228, and numbered 192, for regulating the supply and distribution of water at Diamond Creek.

IN pursuance of the powers conferred by the Local Government Act 1946 and all other powers enabling, the Mayor, Councillors, and Citizens of the City of Heidelberg order as follows:—

1. That By-laws 56, 57, 131, and 183 be repealed as from the date of coming into operation of this By-law.

2. In this By-law unless inconsistent with the subject-matter or context—

- (a) "Council" means the Council of the City of Heidelberg.
- (b) "Town Clerk" means the Town Clerk of the City of Heidelberg for the time being or the Acting Town Clerk of the City of Heidelberg for the time being, and shall also mean and include any other officer or person appointed by the Council for the purpose of exercising the powers of the Town Clerk under this By-law.
- (c) "City Engineer" means the City Engineer of the City of Heidelberg for the time being or the Acting City Engineer of the City of Heidelberg for the time being, and shall also mean and include any other officer or person appointed by the Council for the purpose of exercising the powers of the City Engineer under this By-law.
- (d) "Daily Newspaper" means "The Age," "Argus," "Herald," "Sun," or other daily newspaper circulating in the water supply area of Diamond Creek.
- (e) "Period" means a succession of days whether broken or not commencing at a specified hour of a specified day and concluding at a specified hour of a specified day or at such hour of such day as shall subsequently be specified.

3. That the charge for water shall be at the rate of not less than One shilling and nine pence per 1,000 gallons, with a maximum of not more than Two shillings and six pence.

4. That the supply of water shall in all cases be by measure, and the Council may by notice, in writing, specify the size and type of meter or meters to be fixed to measure the quantity of water supplied to any premises.

5. Applications for water service must be made to the Council by the plumber laying such service, and three days' notice thereof, in writing, must be given. He shall also lodge with such application 10s. for ½-in. service, and 20s. for ¾-in. service, in addition to the usual deposit required for opening the road. The amount thus lodged shall entitle the consumer of 8,000 gallons of water for ½-in. connexion and 16,000 gallons of water for ¾-in. connexion.

6. All connexions shall be paid for by the consumer, and shall be made under the supervision and subject to the approval of the City Engineer.

7. No person shall, without notice in writing to Council, interfere with any pipe or connexion between the main and the meter.

8. Every consumer shall, at his own expense, provide a meter to Melbourne and Metropolitan Board of Works specifications, and maintain the same in good working order to the satisfaction of the City Engineer; such meter shall not be placed at a greater distance than 3 feet from the street or road frontage.

9. A high pressure screw-down stopcock, properly fitted, shall be placed on each service between the meter and the street or road frontage.

10. All connexions, meters, taps, &c., must be approved by the City Engineer, and any connexion, service pipe, meter taps, or other fittings that, in the opinion of the City Engineer, have become corroded or otherwise defective shall be renewed forthwith on receipt of notice, in writing, from him.

11. Any person desiring to remove or alter the position of a meter must give three days' notice, in writing, and the registration of the quantity of the water used shall be taken before such removal or alteration.

12. The Council may by notice, in writing, order any type and size of meter to be fixed in lieu of any other type or size of meter already fixed.

13. No person shall affix any service pipe to any of the Council's mains, or alter or repair, or in any manner interfere with, any pipe belonging to the Council or any service pipe, tap, or fitting except he shall be a licensed plumber.

14. Any alteration, removal, or work to be done under clauses 10 and 12 of this By-law shall be at the cost of the owner or occupier of the tenement supplied with water, each of whom shall be liable.

15. No person, whether licensed as aforesaid or not, shall uncover any pipe without giving three days' notice to the Council, or shall tamper with or alter any pipe without permission, in writing, or shall wilfully or negligently break, injure, or open any lock, cock, valve pipe, work, or injure the property of the Council.

16. All connexions with the Council's mains must be made in the same manner as required by the Melbourne and Metropolitan Board of Works.

17. The person appointed by the Council may at any time enter into any house or premises supplied from the Council's main, in order to examine if there be any misuse of water, or for the purpose of checking the meter, and if such person be refused admission or prevented from entering any such house or premises, the Council may refuse to continue the supply of water to such premises, and the occupier of the said premises shall, in addition, be liable to the penalties hereunder.

18. If, in the opinion of the Council, or the Town Clerk, it is necessary to reduce the consumption of water supplied by the Council within the whole of the water supply area of Diamond Creek, or within any area comprised therein, the Council or Town Clerk (as the case may be) may at any time, or from time to time, declare that in respect to the whole of the area, or in respect to such part, as are specified in the declaration—

(a) Any period to be a period of restricted use of water; or

(b) Any period to be a period of limited use of water.

19. If, in the opinion of the Council, or the Town Clerk, it is still necessary to reduce the consumption of water within the whole of the water supply area of Diamond Creek, or within any area comprised therein, specified in a declaration made pursuant to clause 18 hereof, the

Council, or the Town Clerk, may in respect to the whole of the water supply area of Diamond Creek, or in respect to any area comprised therein—

(a) during a period declared to be a period of limited use of water, terminate such period and declare the period commencing from the time of such termination to be a period of restricted use of water;

(b) during any period declared to be a period of restricted use of water or a period of limited use of water, declare any immediately ensuing period to be a period of restricted use of water or a period of limited use of water.

20. Any declaration made pursuant to clauses 18 or 19 hereof shall be in form or to the effect set forth in the Schedule hereto, and shall be signed by the Town Clerk, and shall be published in a daily newspaper.

21. Save as hereinafter provided, during any period declared to be a period of restricted use of water or a period of limited use of water, no person shall, in the whole of the water supply area of Diamond Creek, or where any declaration made pursuant to clauses 18 or 19 hereof specifies any portion of such water supply area, use or cause or permit to be used for the watering of any garden, lawn, or vegetation or of any ground used or adapted for use in connexion with any sport, game, or other form of recreation, water supplied directly, or indirectly, by the Council: Provided, however, that—

(a) During any period declared to be a period of restricted use of water, water supplied by the Council may be used for such watering if the watering be carried out by means of a watering can or other similar container held in the hand.

(b) During any period declared to be a period of limited use of water, water supplied by the Council may be used for watering if the watering be carried out by means of a watering can or hose held in the hand.

(c) During any period declared to be a period of restricted use of water, or a period of limited use of water, water supplied by the Council may be used for watering of any garden or any portion of any garden used wholly for the growing for sale of vegetables, fruit, seedlings, or flowers.

22. Any person committing any breach of this By-law shall be guilty of an offence and shall, upon conviction, be liable to a penalty not exceeding £20.

23. Before any period declared pursuant to clauses 18 and 19 hereof to be a period of restricted use of water or a period of limited use of water has expired, the Council or the Town Clerk, having regard to the water supply then available may, by declaration published in accordance with clause 20 hereof, terminate such period.

CITY OF MELBOURNE.

By-Law No. 357.

A By-law of the City of Melbourne, made under Part VII., Division 1, of the Local Government Acts and numbered 357, requiring the destruction of Argentine ants and providing that in the event of failure of any owner or occupier of any property or premises to comply with the requirements of this By-law, the Council may cause measures to be taken to destroy such Argentine ants at the expense of the owner or occupier and recover the cost thereof as a civil debt recoverable summarily.

**I**N pursuance of the powers conferred by the Local Government Acts and every other Act or power enabling it in that behalf, the Council of the City of Melbourne doth hereby order as follows:—

1. In this By-law, unless inconsistent with the context or subject matter "Argentine ants" means the species of ants known by the entomological name of *Iridomyrmex humilis* Mayr.

"Council" means the Council of the City of Melbourne.  
"Inspector" means any person appointed by the Council to carry out the duties of an inspector.

"Premises" includes messuages buildings land and hereditaments of every tenure and also any machinery plant appliance or vehicle used in connexion with any trade carried on at any premises.

2. (a) It shall be lawful for an Inspector to enter from time to time at any reasonable hour without notice upon any premises in the City of Melbourne for the purpose of ascertaining whether there are Argentine ants in or about such premises.

(b) If the Inspector finds or believes that there are Argentine ants in or about any premises, he may give notice to the owner or occupier thereof, requiring him forthwith to destroy all Argentine ants in or upon such premises.

(c) Any owner or occupier so notified who, within seven days after service of the notice, does not destroy all Argentine ants in or about his premises shall be guilty of an offence against this By-law.

3. If after three days from the date of expiry of any notice served under clause 2 (b) hereof on any owner or occupier of any premises, such owner or occupier has not complied with the requirements thereof, the Council may—

(i) cause measures to be taken to destroy all Argentine ants in or about any such premises at the expense of the owner or occupier thereof; and

(ii) recover the cost thereof from such owner or occupier as a civil debt recoverable summarily.

4. Every person guilty of a breach of this By-law shall be liable to a penalty of not less than Five pounds or more than Twenty pounds, and in the case of continuing offence to a penalty of not more than Five pounds for each day on which an offence against this By-law is continued after a conviction or order by any court.

5. This By-law shall apply to and have operation throughout the whole of the municipal district of the City of Melbourne.

Resolution for passing this By-law agreed to by the Council of the City of Melbourne, the tenth day of October, 1955, and confirmed the seventh day of November, 1955.
