Dog Races Acts.
DATE OF COMING INTO OPERATION OF SECTION
TWO OF THE DOG RACES ACT 1955.

PROCLAMATION

By His Excellency the Governor of the State of Victoria
and its Dependencies in the Commonwealth of Australia,
&c., &c., &c.

WHEREAS by an Act of Parliament of the State of
Victoria passed in the fourth year of the reign of
Her Majesty Queen Elizabeth II., intituled the *Dog Races
Act 1955*, No. 5904, it is amongst other things enacted
that section two of the said Act shall come into operation
on a day to be fixed by Proclamation of the Governor
in Council published in the *Government Gazette*:

Now therefore I, the Governor of the State of Victoria,
in the Commonwealth of Australia, by and with the
advice of the Executive Council of the said State, do
by this my Proclamation fix the 21st day of February,
1956, as the day upon which section two of the said Act
shall come into operation.

Given under my Hand and the Seal of the State of
Victoria aforesaid, at Melbourne, this twenty-
first day of February, in the year of our Lord
One thousand nine hundred and fifty-six, and in
the fifth year of the reign of Her Majesty Queen
Elizabeth II.

(L.S.)

DALLAS BROOKS.

By His Excellency's Command,
MURRAY PORTER,
Acting Chief Secretary.

GOD SAVE THE QUEEN!

By Authority: W. M. HOUSTON, Government Printer, Melbourne.

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains. The *Agrobacterium* strains were grown in YEA medium for 24 h at 28 °C. The cell concentration was adjusted to 10⁸ cells/ml. The cells were then mixed with the plant tissue and incubated for 24 h at 28 °C. The plant tissue was then cultured on the selective medium. The transformation efficiency was determined as the number of transformants per 100 µg of plant tissue. The data are the mean ± SD of three independent experiments.
