Country Fire Authority Acts.

VARIATION OF SUMMER PERIOD IN RESPECT OF
SPECIFIED PARTS OF THE COUNTRY AREA OF
VICTORIA.

PROCLAMATION

By His Excellency the Governor of the State of Victoria
and its Dependencies in the Commonwealth of Australia,
&c., &c., &c.

WHEREAS by sub-section (2) of section 4 of the *Country Fire Authority Act 1944* it is enacted that the Governor in Council, after consultation by the Chief Secretary of Victoria with the Minister of Forests, may from time to time by Proclamation published in the *Government Gazette* proclaim any period as the summer period in respect of the country area of Victoria or any specified part or parts thereof, and, without affecting the generality of the foregoing, may proclaim different summer periods in respect of different parts of the said country area:

And whereas by the said sub-section it is further enacted that any Proclamation so published shall remain in force until revoked, amended, or varied by a subsequent Proclamation so published:

And whereas by Proclamations issued on the 15th November, 1955, 6th December, 1955, and 13th December, 1955, and published in the *Government Gazette* on the 18th November, 1955, 7th December, 1955, and 14th December, 1955, respectively, different summer periods expiring on the thirty-first day of March, 1956, were proclaimed in respect of different parts of the Country Area of Victoria, including the parts of the said country area specified in the Schedule hereto:

And whereas it is deemed expedient that the aforesaid Proclamations should be varied in the manner hereinafter described:

And whereas the Chief Secretary and the Minister of Forests have consulted accordingly:

Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the powers conferred by the Country Fire Authority Acts, do by this my Proclamation vary the aforesaid Proclamations by proclaiming that the summer period in respect of the parts of the country area of Victoria which are specified in the Schedule hereto shall end at midnight on the fourteenth day of March, 1956.

SCHEDULE.

The Eleventh Fire Control Region comprising the municipal districts of the Shires of Bairnsdale, Omco, Orbost and Tambo;

those portions of the Seventeenth Fire Control Region comprised by the municipal districts of the City of Horsham, and the Shires of Dimboola, Dunnmunkle, Kaniva, Lowan and Warracknabeal, and all those parts of the Wimmera Shire which are situated North of the Wimmera River;

those portions of the Eighteenth Fire Control Region comprised by the municipal districts of the City of Mildura, the Shire of Mildura, excluding those portions of the aforesaid shire which lie within the parishes of Mildura and Merbein, and the Shires of Birchip, Karkaroo, Walpeup and Wycheproof;

and the Twentieth Fire Control Region comprising the municipal districts of the Borough of Swan Hill, and the Shires of Cohuna, Kerang and Swan Hill.

Given under my hand and the Seal of the State of Victoria aforesaid, at Melbourne, this thirteenth day of March, in the year of Our Lord One thousand nine hundred and fifty-six, and in the fifth year of the reign of Her Majesty Queen Elizabeth II.

Forests Act 1928 (No. 3685).

VARIATION OF PROCLAMATION RELATING TO THE PROHIBITED PERIOD.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by section 3 of the *Forests Act 1928* it is enacted that the Governor in Council may from time to time by Proclamation published in the *Government Gazette* declare any period to be a prohibited period in respect of any fire protected area (other than a State forest or national park) and, without affecting the generality of the foregoing, may from time to time by Proclamation so published declare different prohibited periods in respect of different parts of any fire protected area (other than a State forest or national park):

And whereas by the said section it is further enacted that any Proclamation so published may subsequently be revoked, amended or varied by the Governor in Council by Proclamation so published:

And whereas by Proclamations issued on the 22nd November, 1955, 29th November, 1955, 6th December, 1955, 13th December, 1955 and 20th December, 1955 and published in the *Government Gazette* on the 30th November, 1955, 7th December, 1955, 14th December, 1955 and 21st December, 1955 respectively, different prohibited periods expiring on the thirty-first day of March, 1956, were proclaimed in respect of different parts of fire protected areas (other than State forests or national parks); including the areas specified in the Schedule hereto:

Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the powers conferred by the *Forests Acts*, do by this my Proclamation vary the aforesaid Proclamations by proclaiming that the prohibited period in respect of the parts of any fire protected area (other than a State forest or national park) situated in such municipalities as are specified in the Schedule hereto shall end at midnight between the fourteenth day and fifteenth day of March, 1956.

SCHEDULE.

PUBLIC HIGHWAY.—CITY OF NUNAWADING.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Local Government Act 1946*, section 518, it is amongst other things enacted that it shall be lawful for the Governor in Council at any time, and from time to time, upon the request of the council of any municipality, by notice published in the *Government Gazette*, to declare any land reserved, used or by purchase or exchange acquired for a street, road, highway, thoroughfare, bridge, square, court, alley or right-of-way to be a public highway, and that such land shall thereupon and thenceforth from the date of such

Proclamation become and be absolutely dedicated to the public as a public highway within the meaning of any law then or thereafter in force:

And, whereas the Council of the City of Nunawading has requested that the land hereinafter mentioned, which has been used for a road within the said City, be so declared to be a public highway:

Now, therefore, I, the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do, by this Proclamation, declare that all that piece of land being part of Crown portion 115 at Vermont, Parish of Nunawading, used for a road, known as Stevens Road, and being the land more particularly described hereinafter, shall be a public highway within the meaning of the said Act:—

STEVENS ROAD.

BALLARAT SEWERAGE AUTHORITY.

RATING BY-LAW No. 35.

The Ballarat Sewerage District.

THE Ballarat Sewerage Authority, in pursuance and exercise of the powers conferred by the Sewerage Districts Acts, doth hereby make the following By-law:—

The following Sewerage Rate is hereby made under provisions of the Sewerage Districts Acts, and shall be levied upon the net annual value of all rateable sewered properties within the Ballarat Sewerage District:—

- (1) Of any land or tenements situate within the Ballarat Sewerage District, a sewerage rate of One shilling and four pence in the pound of the net annual value of all rateable "sewered property" within the said district.
- (2) In no case shall the amount of sewerage rate payable annually be less than £2 4s. in respect of any rateable sewered property on which there is a building, and £1 in respect of any rateable sewered property on which there is no building.
- (3) Such rate is made and shall be levied for the year beginning with the first day of January, 1956, and ending with the thirty-first day of December, 1956, and shall be payable on the thirty-first day of March, 1956, at the office of the Authority, situate at the Water and Sewerage Offices, Ballarat.
- (4) If any rateable property which is unsewered at the time of the making of the aforesaid rate becomes during the year 1956 a "sewered property," there shall be levied upon such property a proportionate part of the sewerage rate for the portion of the year after it has become a sewered property, and such property shall be deemed to have been lawfully rated accordingly.
- (5) For making and levying such rate the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any such lands and tenements are not included in a valuation in force for the municipality in whose district

they are situate, or if there is no such valuation, the net annual value thereof may for all purposes of such rate be determined in the manner provided in the Sewerage Districts Acts.

- (6) Such person or persons as The Ballarat Sewerage Authority may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rate and charges.

The Resolution for passing the foregoing By-law was agreed to by The Ballarat Sewerage Authority on the tenth day of November, 1955, and was confirmed by the said Authority on the eighth day of December, 1955.

The common seal of The Ballarat Sewerage Authority was affixed hereto on the eighth day of December, 1955.

REGULATIONS.

IN pursuance of the powers conferred by the *Public Service Act 1946*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby amend the Public Service (Governor in Council) Regulations, with effect from and inclusive of the 15th November, 1955, in the manner following, that is to say:—

PART III.—DISCIPLINE AND CONDUCT OF OFFICERS AND EMPLOYEES.

Regulation 18.

The words "and will be dependent upon the applicant's good conduct and regular attention to duty" shall be deleted.

PART IV.—LEAVE OF ABSENCE.

Immediately following the heading "Part IV.—Leave of Absence" the following Regulation shall be inserted:—

"37. Leave of absence shall, unless otherwise prescribed in these Regulations, be granted on the authority of the Minister administering any Department."

Sick Leave.

For the expression "37" there shall be substituted the expression "37A" and Regulation 37A shall be amended as follows:—

In sub-regulation (1) the words "leave of absence is granted" shall be substituted for the words "the Minister may grant leave of absence", and the proviso to paragraph (c) shall be deleted.

In Regulation 41, sub-regulation (2) shall be revoked and for the expression "(3)" there shall be substituted the expression "(2)".

Leave on Account of Pressing Necessity.

Regulation 44 shall be revoked and the following Regulation shall be substituted therefor:—

"44. Leave of absence granted by the Minister in cases of pressing necessity, pursuant to the provisions of Section 62 of the *Public Service Act 1946* as re-enacted by the *Public Service (Amendment) Act 1955*, shall, except as is elsewhere provided in these Regulations or in such cases as the Minister on the recommendation of the Public Service Board otherwise directs, be without pay."

Regulations 51 and 53 shall be revoked.

And the Honorable Henry Edward Bolte, Her Majesty's Premier for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

Apprenticeship Acts.
APPRENTICESHIP COMMISSION OF VICTORIA.

At the Executive Council Chamber, Melbourne, the
sixth day of March, 1956.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Cameron | Mr. Mibus
Mr. Whately | Mr. Turnbull.
Mr. Porter |

REFRIGERATION MECHANIC TRADE
APPRENTICESHIP REGULATIONS.

IN pursuance of the powers conferred by the Apprenticeship Acts, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations, that is to say:—

Short Title.

1. These Regulations may be cited as the "Refrigeration Mechanic Trade Apprenticeship Regulations."

Interpretation.

2. In these Regulations—

"Acts" means the Apprenticeship Acts.

"Prescribed" means prescribed by an appropriate industrial authority or agreement, or by these Regulations, as the case may require.

"Probationer" means an applicant for apprenticeship employed on probation.

Application of Regulations.

3. These Regulations shall apply only with respect to the apprenticeship trade of Refrigeration Mechanic, as carried on in the low-pressure commercial refrigeration industry in the whole of the State of Victoria.

Educational Qualifications for Entry into Apprenticeship.

4. Applicants for apprenticeship in the said trade may be required to submit themselves for examination at the time and place determined by the Commission to prove that they possess the preparatory educational qualifications required for entry into apprenticeship in such trade; provided that any such applicant shall be exempted from such examination—

(1) If he possesses any one of the following educational qualifications, or, in the opinion of the Commission, the equivalent thereof:—

(a) The Intermediate Technical Certificate or Junior Technical Certificate of the Education Department of Victoria or the School Intermediate Certificate.

(b) The completion, in a manner satisfactory to the Commission, of the third year of the course of study of the Junior Technical Schools of the Education Department of Victoria.

(2) If he satisfies the Commission, in accordance with sub-section (2) of section 18 of the *Apprenticeship Act 1928*, that he has not had sufficient opportunity to obtain the preparatory educational qualifications prescribed for entry into the said trade.

Minimum Age for Entry into Apprenticeship.

5. The minimum age at which persons shall enter the said trade as apprentices or probationers shall be fifteen years: Provided that a person who possesses the Junior Technical Certificate may, subject to the approval of the Commission, so enter the said trade at the age of fourteen years and six months.

Term of Apprenticeship.

6. The term of apprenticeship in the said trade shall be as follows:—

(1) In the case of a person who is less than seventeen years of age at the time of commencement of the term of apprenticeship, a term of five years.

(2) In the case of a person who is seventeen or more years of age at the time of commencement of the term of apprenticeship, a term of four or five years, at the option of the contracting parties.

Form of Indentures of Apprenticeship.

7. The standard form of indentures of apprenticeship in the said trade, and the terms, covenants, and conditions

thereof, shall be in the form contained in the Seventh Schedule to the General Apprenticeship Regulations, with the following additions thereto:—

Additional Covenants, &c., to General Form of Indentures of Apprenticeship.

EMPLOYER'S COVENANTS.

(1) After clause (f), the following additional clauses shall be inserted:—

"(g) Not require the apprentice, while under the age of eighteen years, to work overtime or shift work unless he so desires.

"(h) Not require or allow the apprentice to work overtime or shift work at times which would prevent his attendance at classes for instruction in the subjects of his apprenticeship course, as required by the General Apprenticeship Regulations.

"(i) Provide the apprentice during the first, second, and third years of the said term with all tools necessary for carrying out his work, and during the remainder thereof provide all such tools, including verniers and micrometers, but excluding all other measuring and precision tools of less than 13 inches."

APPRENTICE'S AND PARENT'S OR GUARDIAN'S COVENANTS.

(2) After clause (c), the following additional clause shall be inserted:—

"(d) Replace any of the tools supplied for his use, as hereinbefore provided, if they should be lost or broken through his own carelessness."

MUTUAL AGREEMENTS.

(3) In clause 6, the following additional proviso shall be inserted:—

"Provided further, that in calculating time lost to be served, the apprentice shall be credited with any overtime which he has worked in any week during the relevant year."

Minimum Rates of Wages of Apprentices.

8. The minimum rates of wages to be paid to apprentices in the said trade shall be the under-mentioned percentages of the adult male basic wage for the area in which they are employed prescribed from time to time in the Metal Trades Award or in the determination of the Electrical Trade Board, whichever is applicable:—

(1) In a term of apprenticeship of five years—

Year of Apprenticeship.	Percentage of Adult Male Basic Wage.
1st	39
2nd	50
3rd	58½
4th	89
5th	100 + 22s.

(2) In a term of apprenticeship of four years—

Year of Apprenticeship.	Percentage of Adult Male Basic Wage.
1st	41
2nd	58½
3rd	89
4th	100 + 22s.

The total wages of apprentices shall be calculated to the nearest 6d., half or less than half of 6d. to be disregarded.

Rates for Overtime and Shift Work.

9. When an apprentice works under conditions for which, or at any time when, a journeyman employed at the aforesaid trade would be entitled to overtime or special rates for doing work under the same conditions or at the same time, then such apprentice shall be paid by the employer for any such work at a rate or rates of wages which shall bear the same proportion to the prescribed minimum rate of wages of such apprentice as the wages of such journeyman for such work would bear to the prescribed minimum rate of wages of such journeyman. Provided, however, that an apprentice shall be paid for overtime worked at a rate not less than 2s. 3d. per hour and for shift work at a rate not less than 1s. 6d. per hour.

Proportion of Apprentices to Journeymen.

10. (1) Subject to sub-regulation (2) of this Regulation, the number of apprentices who may be employed by any employer at any time in the trade of Refrigeration Mechanic shall not exceed the proportion of one apprentice to every three or fraction of three journeymen employed by such employer in such trade.

(2) With the consent of the Commission and upon satisfying the Commission that he has the training facilities deemed adequate by the Commission for the training of each apprentice concerned, an employer may employ in the said trade such number of apprentices as the Commission may determine in excess of the proportion prescribed by sub-regulation (1) hereof. Any apprentice employed pursuant to this sub-regulation shall not be included for the purpose of ascertaining the number of apprentices who may otherwise be employed in accordance with the provisions of sub-regulation (1) hereof.

(3) For the purposes of this Regulation—

- (a) an employer working at the trade shall be deemed to be a journeyman;
- (b) the number of journeymen employed at any time shall be deemed to be the average per working day of the number of journeymen employed in the said trade by such employer during the period of six months immediately preceding such time;
- (c) "apprentices" means apprentices or probationers.

Trade Experience to be Given to an Apprentice.

11. (1) The employer shall, by the best means in his power and to the extent to which his facilities permit, give or cause to be given to the apprentice gradual and complete instruction, to the satisfaction of the Commission, in the following processes (as the case may be):—

The erection, installation, maintenance, alteration, replacement or repair of commercial refrigerating systems, charged or operated with sulphur dioxide, methyl chloride or any common Freon types of refrigerants; or any component parts of such systems including electrical and water controlling devices, and the correct methods of use of tools and instruments commonly used in the trade.

(2) Training shall also be given in the rebuilding and repairing of domestic refrigerating systems where such work is carried out in addition to the above work on commercial refrigerating systems.

Classes for Instruction.

12. The classes for instruction in the subjects of the apprenticeship course for the said trade shall be as set out in the Schedule hereto, but any apprentice or probationer who has the necessary qualifications may, subject to the approval of the Commission, be permitted to enter the classes prescribed for any year of the said course.

Standard of Education to be Attained by an Apprentice.

13. The standard of education to be attained by an apprentice—

- (1) in the subjects of the first, second, or third year of his apprenticeship course in order that he may qualify to proceed to the classes for instruction prescribed for the next succeeding year; and
- (2) in the subjects of the final year of his apprenticeship course in order that he may qualify in respect to education for the "final certificate" of the Commission—

shall be not less than 50 per cent. of the possible marks allotted at the annual examinations approved by the Commission in each of the subjects prescribed for such year of the said course or such average percentage of marks in all of the said subjects as is deemed by the Commission to be equivalent thereto.

Standard of Proficiency.

14. Should the apprentice in any year pass at the first attempt in each of the subjects prescribed for that year of his apprenticeship course and attain a standard as certified by the Commission of not less than an average of 75 per cent. of the possible marks allotted at the annual examinations approved by the Commission to the subjects of Trade Theory and Trade Practice prescribed for that year of such course, he shall be deemed to have attained the standard of proficiency for such year.

Increased Rates of Pay for Proficiency.

15. When an apprentice attains in any year the standard of proficiency prescribed for that year of his apprenticeship course, he shall—

- (1) for the first occasion on which he attains such standard be paid for the next succeeding year the sum of 4s. per week, in addition to the prescribed minimum weekly wage;
- (2) for the second occasion on which he attains such standard be paid for the next succeeding year the sum of 5s. per week, in addition to the prescribed minimum weekly wage;

(3) for the third occasion on which he attains such standard be paid for the next succeeding year the sum of 6s. per week, in addition to the prescribed minimum weekly wage;

(4) for the fourth occasion on which he attains such standard be paid for the next succeeding year the sum of 6s. per week, in addition to the prescribed minimum weekly wage.

Payment of School Fees.

16. (1) The school fees of apprentices for attendance at the prescribed classes for instruction shall be paid by such apprentices, but on receipt by the employer of a report from the Commission that any such apprentice has secured during the period covered by the report a record of 100 per cent. of the possible attendances at the prescribed day classes and not less than 80 per cent. of the possible attendances at the prescribed evening classes, the employer shall refund to the apprentice the school fees paid by him for such period of instruction. Provided, however, that if such report states that the apprentice has, in the opinion of the Commission, failed to be diligent or has behaved in an indecorous manner while in attendance at the prescribed classes for instruction during such period, the employer shall not be required to make the refund as aforesaid.

(2) In cases where the apprentice is prevented from attendance at the said classes through illness or accident, or for other reasons accepted by the Commission, such occasions shall not be included as possible attendances in determining the aforesaid percentage; provided that the employer may require the apprentice to produce a medical certificate as proof of such illness or accident and in that case, if the apprentice fails to produce such certificate, such occasions shall be included as possible attendances in determining the aforesaid percentage.

(3) In the case of an apprentice undertaking a correspondence course, the school fees for the correspondence course shall be paid by the apprentice, but on receipt by the employer of a report from the Commission that the apprentice has completed not less than 80 per cent. of the test papers set for the period of instruction covered by the report and returned the same to the correspondence school, the employer shall refund to the apprentice the school fees paid by him for such period of instruction.

(4) For the purposes of this Regulation, "apprentices" means apprentices or probationers.

Apprenticeship Acts.
APPRENTICESHIP COMMISSION OF VICTORIA.

At the Executive Council Chamber, Melbourne, the sixth day of March, 1956.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Cameron	Mr. Whately
Mr. Mibus	Mr. Turnbull.
Mr. Porter	

ENGINEERING TRADES APPRENTICESHIP REGULATIONS.

IN pursuance of the powers conferred by the Apprenticeship Acts, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby rescind the Regulations mentioned in the First Schedule hereto, and doth hereby make the following Regulations, that is to say:—

Short Title.

1. These Regulations may be cited as the "Engineering Trades Apprenticeship Regulations."

Interpretation.

2. In these Regulations—

"Acts" means the Apprenticeship Acts.

"Prescribed" means prescribed by an appropriate industrial authority or agreement or by these Regulations, as the case may require.

"Probationer" means an applicant for apprenticeship employed on probation.

Application of Regulations.

3. These Regulations shall apply only with respect to the following apprenticeship trades, as carried on in the whole of the State of Victoria, viz:—

(1) Mechanical Engineering—

- (a) Patternmaking.
- (b) Fitting.
- (c) Turning.
- (d) Fitting and Turning.
- (e) Machinist.

(2) Brassfinishing (except the making of parts by specialized processes and the assembling thereof).

(3) Smithing—

- (a) Blacksmithing (engineering).
- (b) Coppersmithing.
- (c) Brass-smithing.
- (d) Coppersmithing and Brass-smithing.

Educational Qualifications for Entry into Apprenticeship.

4. Applicants for apprenticeship in the said trades may be required to submit themselves for examination at the time and place determined by the Commission to prove that they possess the preparatory educational qualifications required for entry into apprenticeship in such trades; provided that any such applicant shall be exempted from such examination—

(1) If he possesses any one of the following educational qualifications or, in the opinion of the Commission, the equivalent thereof:—

(a) The Intermediate Technical Certificate or Junior Technical Certificate of the Education Department of Victoria or the School Intermediate Certificate.

(b) The completion, in a manner satisfactory to the Commission, of the third year of the course of study of the Junior Technical Schools of the Education Department of Victoria.

(2) If he satisfies the Commission, in accordance with sub-section (2) of section 18 of the *Apprenticeship Act 1928*, that he has not had sufficient opportunity to obtain the preparatory educational qualifications prescribed for entry into the said trades.

Minimum Age for Entry into Apprenticeship.

5. The minimum age at which persons shall enter the said trades as apprentices or probationers shall be fifteen years; provided that a person who possesses the Junior Technical Certificate may, subject to the approval of the Commission, so enter the said trades at the age of fourteen years and six months.

Term of Apprenticeship.

6. The term of apprenticeship in the said trades shall be as follows:—

- (1) In the case of a person who is less than seventeen years of age at the time of commencement of the term of apprenticeship, a term of five years.
- (2) In the case of a person who is seventeen or more years of age at the time of commencement of the term of apprenticeship, a term of four or five years, at the option of the contracting parties.

Form of Indentures of Apprenticeship.

7. The standard form of indentures of apprenticeship in the said trades, and the terms, covenants, and conditions thereof, shall be in the form contained in the Seventh Schedule to the General Apprenticeship Regulations, with the following additions thereto:—

ADDITIONAL COVENANTS, ETC., TO GENERAL FORM OF INDENTURES OF APPRENTICESHIP.

EMPLOYER'S COVENANTS.

(1) After clause (f), the following additional clauses shall be inserted:—

"(g) Not require the apprentice, while under the age of eighteen years, to work overtime or shift work unless he so desires.

(h) Not require or allow the apprentice to work overtime or shift work at times which would prevent his attendance at classes for instruction in the subjects of his apprenticeship course, as required by the General Apprenticeship Regulations.

(i) Provide the apprentice (with the exception of an apprentice to the Patternmaking trade) with all tools necessary for carrying out his work, including micrometers and verniers, but excluding all other measuring and precision tools of less than thirteen inches."

APPRENTICE'S AND PARENT'S OR GUARDIAN'S COVENANTS.

(2) After clause (c), the following additional clause shall be inserted:—

"(d) Replace any of the tools supplied for his use, as hereinbefore provided, if they should be lost or broken through his own carelessness."

MUTUAL AGREEMENTS.

(3) In clause 6, the following additional proviso shall be inserted:—

"Provided further, that in calculating time lost to be served, the apprentice shall be credited with any overtime which he has worked in any week during the relevant year."

Minimum Rates of Wages of Apprentices.

8. The minimum rates of wages to be paid as from the beginning of the first pay period to commence in December, 1955, to apprentices in the said trades shall be the under-mentioned percentages of the adult male basic wage for the area in which they are employed prescribed from time to time in the Metal Trades Award or in the determination of the Engineers' and Brassworkers' (Skilled) Wages Board, whichever is applicable:—

(1) In a term of apprenticeship of five years—

Year of Apprenticeship.	Percentage of Adult Male Basic Wage.
1st	39
2nd	50
3rd	58½
4th	89
5th	100 + 22s.

(2) In a term of apprenticeship of four years—

Year of Apprenticeship.	Percentage of Adult Male Basic Wage.
1st	41
2nd	53½
3rd	89
4th	100 + 22s.

The total wages of apprentices shall be calculated to the nearest 6d., half or less than half of 6d. to be disregarded.

(3) With respect to the trade of Patternmaking only, a tool allowance of 4s. per week shall be paid to apprentices or probationers, in addition to the prescribed minimum weekly wage.

Rates for Overtime and Shift Work.

9. When an apprentice works under conditions for which, or at any time when, a journeyman employed at the aforesaid trades would be entitled to overtime or special rates for doing work under the same conditions or at the same time, then such apprentice shall be paid by the

employer for any such work at a rate or rates of wages which shall bear the same proportion to the prescribed minimum rate of wages of such apprentice as the wages of such journeyman for such work would bear to the prescribed minimum rate of wages of such journeyman. Provided, however, that an apprentice shall be paid for overtime worked at a rate not less than 2s. 3d. per hour and for shift work at a rate not less than 1s. 6d. per hour.

Proportion of Apprentices to Journeymen.

10. (1) Subject to sub-regulation (2) of this Regulation, the number of apprentices who may be employed by any employer at any time in each of the trades of Fitting, Turning, Fitting and Turning, or Machinist, shall not exceed the proportion of one apprentice to every three or fraction of three journeymen employed by such employer in such trade; provided that the number of apprentices employed in all of such trades shall not at any time exceed in the total the proportion of one apprentice to every three or fraction of three of the total number of journeymen employed in all of such trades.

(2) With the consent of the Commission and upon satisfying the Commission that he has the training facilities deemed adequate by the Commission for the training of each apprentice concerned, an employer may employ, in the trades of Fitting, Turning, Fitting and Turning, or Machinist, such number of apprentices as the Commission may determine in excess of the proportion prescribed by sub-regulation (1) hereof. Any apprentice employed pursuant to this sub-regulation shall not be included for the purpose of ascertaining the number of apprentices who may otherwise be employed in accordance with the provisions of sub-regulation (1) hereof.

(3) The number of apprentices who may be employed by any employer at any time in each of the trades to which these Regulations apply, excepting the trades mentioned in sub-regulation (1) of this Regulation, shall not exceed the proportion of one apprentice to every three or fraction of three journeymen employed by such employer in each such trade.

(4) For the purposes of this Regulation—

- (a) an employer working at the trades shall be deemed to be a journeyman;
- (b) the number of journeymen employed at any time shall be deemed to be the average per working day of the number of journeymen employed in the said trades by such employer during the period of six months immediately preceding such time;
- (c) "apprentices" means apprentices or probationers.

Trade Experience to be Given to an Apprentice.

11. The employer shall, by the best means in his power and to the extent to which his facilities permit, give or cause to be given to the apprentice gradual and complete instruction, to the satisfaction of the Commission, in the following processes (as the case may be):—

- (1) *Patternmaking.*—All classes of Patternmaking and all things incidental thereto for the reproduction of metal castings, including the correct methods of use of tools commonly used in the trade.
- (2) *Fitting.*—All classes of mechanical fitting and all things incidental thereto, including the correct methods of use of hand tools commonly used in the trade.
- (3) *Machinist.*—All classes of machining and all things incidental thereto, including the correct methods of setting-up and operating the following machines:—Lathes, boring machine, milling machine, planing machine, shaping machine, slotting machine, precision grinding machine, drilling machine (where the operator uses the same precision tools as fitter or turners).
- (4) *Turning.*—All processes as above prescribed for Machinist.
- (5) *Fitting and Turning.*—All classes of fitting and turning, as prescribed above.
- (6) *Fitting and Machining.*—All classes of fitting and machining, as prescribed above.
- (7) *Brassfinishing.*—All classes of fitting and of machining in non-ferrous metals and all things incidental thereto, including the correct methods of use of hand tools commonly used in the trade and the correct methods of setting up and operating all types of machines used in the trade.
- (8) *Blacksmithing.*—All classes of smithing and forging in iron and steel and metals common to the engineering trades and all things incidental thereto, including the correct methods of use of all tools commonly used in the trade.

(9) *Copper and/or Brass-smithing.*—All classes of smithing in non-ferrous metals and metals common to the trade and all things incidental thereto, including the correct methods of use of all tools used in the trade.

Classes for Instruction.

12. The classes for instruction in the subjects of the apprenticeship course for the said trades shall be as set out in the Second Schedule hereto, but any apprentice or probationer who has the necessary qualifications may, subject to the approval of the Commission, be permitted to enter the classes prescribed for any year of the said course.

Standard of Education to be Attained by an Apprentice.

13. The standard of education to be attained by an apprentice—

- (1) in the subjects of the first, second, or third year of his apprenticeship course in order that he may qualify to proceed to the classes for instruction prescribed for the next succeeding year; and
- (2) in the subjects of the final year of his apprenticeship course in order that he may qualify in respect to education for the "final certificate" of the Commission—

shall not be less than 50 per cent. of the possible marks allotted at the annual examinations approved by the Commission in each of the subjects prescribed for such year of the said course or such average percentage of marks in all of the said subjects as is deemed by the Commission to be equivalent thereto.

Standard of Proficiency.

14. Should the apprentice in any year pass at the first attempt in each of the subjects prescribed for that year of his apprenticeship course and attain a standard as certified by the Commission of not less than an average of 75 per cent. of the possible marks allotted at the annual examinations approved by the Commission to the subjects of Trade Theory and Trade Practice prescribed for that year of such course, he shall be deemed to have attained the standard of proficiency for such year.

Increased Rates of Pay for Proficiency.

15. When an apprentice attains in any year the standard of proficiency prescribed for that year of his apprenticeship course, he shall—

- (1) For the first occasion on which he attains such standard be paid for the next succeeding year the sum of 4s. 0d. per week, in addition to the prescribed minimum weekly wage;
- (2) for the second occasion on which he attains such standard be paid for the next succeeding year the sum of 5s. 0d. per week, in addition to the prescribed minimum weekly wage;
- (3) for the third occasion on which he attains such standard be paid for the next succeeding year the sum of 6s. 0d. per week, in addition to the prescribed minimum weekly wage;
- (4) for the fourth occasion on which he attains such standard be paid for the next succeeding year the sum of 6s. 0d. per week, in addition to the prescribed minimum weekly wage.

Payment of School Fees.

16. (1) The school fees of apprentices for attendance at the prescribed classes for instruction shall be paid by such apprentices, but on receipt by the employer of a report from the Commission that any such apprentice has secured during the period covered by the report a record of 100 per cent. of the possible attendances at the prescribed day classes, and not less than 80 per cent. of the possible attendances at the prescribed evening classes, the employer shall refund to the apprentice the school fees paid by him for such period of instruction. Provided, however, that if such report states that the apprentice has, in the opinion of the Commission, failed to be diligent or has behaved in an indecorous manner while in attendance at the prescribed classes for instruction during such period, the employer shall not be required to make the refund as aforesaid.

(2) In cases where the apprentice is prevented from attendance at the said classes through illness or accident, or for other reasons accepted by the Commission, such occasions shall not be included as possible attendances in determining the aforesaid percentage; provided that the employer may require the apprentice to produce a medical certificate as proof of such illness or accident and in that case, if the apprentice fails to produce such certificate, such occasions shall be included as possible attendances in determining the aforesaid percentage.

(3) In the case of an apprentice undertaking a correspondence course, the school fees for the correspondence course shall be paid by the apprentice, but on receipt by the employer of a report from the Commission that the apprentice has completed not less than 80 per cent. of the test papers set for the period of instruction covered by the report and returned the same to the correspondence school, the employer shall refund to the apprentice the school fees paid by him for such period of instruction.

(4) For the purposes of this Regulation, "apprentices" means apprentices or probationers.

Apprenticeship Acts.

APPRENTICESHIP COMMISSION OF VICTORIA.

At the Executive Council Chamber, Melbourne, the sixth day of March, 1956.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Cameron	Mr. Whately
Mr. Mibus	Mr. Turnbull.
Mr. Porter	

FIBROUS PLASTERING TRADE APPRENTICESHIP REGULATIONS.

IN pursuance of the powers conferred by the Apprenticeship Acts, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby rescind the Regulations mentioned in the First Schedule hereto, and doth hereby make the following Regulations, that is to say:—

Short Title.

1. These Regulations may be cited as the "Fibrous Plastering Trade Apprenticeship Regulations."

Interpretation.

2. In these Regulations—

"Acts" means the Apprenticeship Acts.

"Prescribed" means prescribed by an appropriate industrial authority or agreement or by these Regulations, as the case may require.

"Probationer" means an applicant for apprenticeship employed on probation.

Application of Regulations.

3. These Regulations shall apply only with respect to the following apprenticeship trade, as carried on in the Metropolitan District, viz.:—
Fibrous Plastering.

Educational Qualifications for Entry into Apprenticeship.

4. Applicants for apprenticeship in the said trade may be required to submit themselves for examination at the time and place determined by the Commission to prove that they possess the preparatory educational qualifications required for entry into apprenticeship in such trade; provided that any such applicant shall be exempted from such examination—

(1) If he possesses any one of the following educational qualifications, or, in the opinion of the Commission, the equivalent thereof:—

(a) The Intermediate Technical Certificate or Junior Technical Certificate of the Education Department of Victoria or the School Intermediate Certificate.

(b) The completion, in a manner satisfactory to the Commission, of the third year of the course of study of the Junior Technical Schools of the Education Department of Victoria.

(c) The completion, in a manner satisfactory to the Commission, of the Eighth Grade course of study of the Elementary Schools of the Education Department of Victoria.

(2) If he satisfies the Commission, in accordance with sub-section (2) of section 18 of the *Apprenticeship Act 1928*, that he has not had sufficient opportunity to obtain the preparatory educational qualifications prescribed for entry into the said trade.

Minimum Age for Entry into Apprenticeship.

5. The minimum age at which persons shall enter the said trade as apprentices or probationers shall be fifteen years.

Term of Apprenticeship.

6. The term of apprenticeship in the said trade shall be five years.

Form of Indentures of Apprenticeship.

7. The standard form of indentures of apprenticeship in the said trade and the terms, covenants, and conditions thereof, shall be in the form contained in the Seventh Schedule to the General Apprenticeship Regulations, with the following amendment thereto:—

In clause 1 the words "sick pay and" shall be deleted.

Minimum Rates of Wages of Apprentices.

8. The minimum weekly rates of wages to be paid as from the beginning of the first pay period to commence in February, 1956, to apprentices in the said trade shall be the under-mentioned percentages of the aggregate of the adult male basic wage prescribed from time to time by the Fibrous Plasterers' Board, a margin for skill of 75s., and a tool allowance of 4s. Such rates shall be calculated to the nearest 6d., half or less than half of 6d. to be disregarded:—

Year of Apprenticeship.	Percentage.
1st—	
1st six months	25
2nd six months	30
2nd	35
3rd	50
4th	65
5th	85

Payment for Sick Leave.

9. When an apprentice who, having had at least three months' service with the same employer, is absent from duty as a result of personal ill health or accident he shall be entitled to sick pay as follows:—

(1) During the first year of service for three or more but less than six months' service	8 hours.
For six or more but less than nine months' service	16 hours.
For nine or more but less than twelve months' service	24 hours.
(2) During the second and each subsequent year of service	40 hours.

Rates for Overtime and Shift Work.

10. When an apprentice works under conditions for which, or at any time when, a journeyman employed at the aforesaid trade would be entitled to overtime or special rates for doing work under the same conditions or at the same time, then such apprentice shall be paid by the employer for any such work at a rate or rates of wages which shall bear the same proportion to the prescribed minimum rate of wages of such apprentice as the wages of such journeyman for such work would bear to the prescribed minimum rate of wages of such journeyman.

Proportion of Apprentices to Journeymen.

11. (1) Subject to sub-regulation (2) of this Regulation, the number of apprentices who may be employed by any employer at any time in the said trade shall not exceed the proportion of one apprentice to every three or fraction of three journeymen employed by such employer in such trade.

(2) If less than three journeymen are employed by any employer in the said trade, such employer may employ one apprentice, provided that the Commission is satisfied that a proper vacancy exists for an apprentice in the said trade with such employer. For the purposes of this sub-regulation only, an employer who works at the said trade for at least 75 per cent. of the time prescribed for an ordinary week's work in such trade may be deemed to be a journeyman.

(3) For the purposes of this Regulation—

(a) the number of journeymen employed at any time shall be deemed to be the average per working day of the number of journeymen employed during the period of six months immediately preceding such time;

(b) "apprentices" means apprentices or probationers.

Trade Experience to be Given to an Apprentice.

12. The employer shall, by the best means in his power and to the extent to which his facilities permit, give or

cause to be given to the apprentice gradual and complete instruction, to the satisfaction of the Commission, in the following processes:—

All phases of the fibrous plastering trade, including the proper methods of mixing, reinforcing and preparing the materials for all kinds of fibrous plastering work; the correct use of the tools employed in the trade; setting out, battening, and furring; the running, making up, casting, reinforcing, and fixing of moulding and cornices, the setting out for and the fixing of fibrous plaster, and the making of pressed cement ornaments and enrichments.

Classes for Instruction.

13. The classes for instruction in the subjects of the apprenticeship course for the said trade shall be as set out in the Second Schedule hereto, but any apprentice or probationer who has the necessary qualifications may, subject to the approval of the Commission, be permitted to enter the classes prescribed for any year of the said course.

Standard of Education to be Attained by an Apprentice.

14. The standard of education to be attained by an apprentice—

(1) in the subjects of the first, second, or third year of his apprenticeship course in order that he may qualify to proceed to the classes for instruction prescribed for the next succeeding year; and

(2) in the subjects of the final year of his apprenticeship course in order that he may qualify in respect to education for the "final certificate" of the Commission—

shall be not less than 50 per cent. of the possible marks allotted at the annual examinations approved by the Commission in each of the subjects prescribed for such year of the said course or such average percentage of marks in all of the said subjects as is deemed by the Commission to be equivalent thereto.

Standard of Proficiency.

15. Should the apprentice in any year pass at the first attempt in each of the subjects prescribed for that year of his apprenticeship course and attain a standard as certified by the Commission of not less than an average of 75 per cent. of the possible marks allotted to such subjects, at the annual examinations approved by the Commission, he shall be deemed to have attained the standard of proficiency for such year.

Increased Rates of Pay for Proficiency.

16. When an apprentice attains in any year the standard of proficiency prescribed for that year of his apprenticeship course, he shall—

(1) for the first occasion on which he attains such standard be paid for the next succeeding year the sum of 4s. per week, in addition to the prescribed minimum weekly wage;

(2) for the second occasion on which he attains such standard be paid for the next succeeding year the sum of 5s. per week, in addition to the prescribed minimum weekly wage;

(3) for the third occasion on which he attains such standard be paid for the next succeeding year the sum of 6s. per week, in addition to the prescribed minimum weekly wage;

(4) for the fourth occasion on which he attains such standard be paid for the next succeeding year the sum of 6s. per week, in addition to the prescribed minimum weekly wage.

Payment of School Fees.

17. (1) The school fees of apprentices for attendance at the prescribed classes for instruction shall be paid by such apprentices, but on receipt by the employer of a report from the Commission that any such apprentice has secured during the period covered by the report a record of not less than 100 per cent. of the possible attendances at the prescribed day classes, and not less than 80 per cent. of the prescribed evening classes, the employer shall refund to the apprentice the school fees paid by him for such period of instruction.

Provided, however, that if such report states that the apprentice has, in the opinion of the Commission, failed to be diligent or has behaved in an indecorous manner while in attendance at the prescribed classes for instruction during such period, the employer shall not be required to make the refund as aforesaid.

(2) In cases where the apprentice is prevented from attendance at the said classes through illness, accident, or for other reasons accepted by the Commission, such occasions shall not be included as possible attendances in determining the aforesaid percentage; provided that the employer may require the apprentice to produce a medical certificate as proof of such illness or accident, and, in that

case, if the apprentice fails to produce such certificate, such occasions shall be included as possible attendances in determining the aforesaid percentage.

(3) For the purposes of this Regulation, "apprentices" means apprentices or probationers.

REGULATIONS.

IN pursuance of the powers conferred by the Road Traffic Acts, His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State; doth hereby make the Regulations following (that is to say):—

1. The Road Traffic (Metropolitan) Regulations 1955 are hereby amended as follows:—

(1) For the definition of "Pedestrian Crossing" in Clause 2 of the said Regulations, there shall be substituted the following definition:—

"Pedestrian crossing" means an area near which are exhibited signs, clearly visible to oncoming traffic, similar to the following sign:—

which area is indicated by two lines (whether continuous broken or dotted) which are not more than 15 feet and not less than 8 feet apart and which—

- (a) by painting or any similar process or by markers of metal or other suitable material are marked or indicated on the surface of any part of a street; and
- (b) are connected at intervals of not more than 30 inches by stripes not more than 28 inches and not less than 20 inches wide marked on the surface of the street by painting or any similar process.

(2) Clause 13 of the said Regulations is hereby revoked and the following clause substituted therefor:—

“ 13. (1) Except at an intersection where tramlines intersect each other, a driver of a vehicle or horse who is about to make a right hand turn at an intersection shall—

- (a) (i) approach such intersection parallel to and as near as practicable to the left side of the centre line of the street he is leaving;
 - (ii) proceed in a straight line and enter the intersection in accordance with the provisions of these Regulations; and
 - (iii) turn his vehicle or horse to the right and leave the intersection when it is safe to do so notwithstanding that he does so when the traffic control signal is displaying the colour red in respect of the street he is about to enter.
- (b) When making such right hand turn comply with any direction of a member of the Police Force in uniform directing traffic at such intersection or with any mark or sign indicating the course to be followed.

(2) At an intersection where tramlines intersect each other a driver of a vehicle or horse who is about to make a right hand turn shall—

- (a) (i) approach such intersection parallel to and as near as practicable to the left side of the street he is leaving;
 - (ii) proceed in a straight line and enter the intersection in accordance with the provisions of these Regulations; and
 - (iii) turn his vehicle or horse to the right and leave the intersection provided that where any traffic control signal is operating at such intersection the driver shall wait before turning and shall not proceed to leave the intersection until the traffic control signal is displaying the colour green in respect of the street he is about to enter.
- (b) When making such right hand turn comply with any direction of a member of the Police Force in uniform directing traffic at such intersection or with any mark or sign indicating the course to be followed.”

(3) The following sub-clause shall be inserted after sub-clause 4 of Clause 27 of the said Regulations:—

“(5) Whenever in accordance with the provisions of this clause a driver has caused his vehicle or horse to enter an intersection—

- (a) (i) he may turn his vehicle or horse to the left in accordance with clause fourteen of these Regulations;

- (ii) (the intersection not being one where tramlines intersect each other) he may turn his vehicle or horse to the right in accordance with the provisions of sub-clause (1) of clause thirteen of these Regulations;

and leave the intersection when it is safe to do so notwithstanding that he does so when the traffic control signal is displaying the colour red in respect of the street he is about to enter.

- (b) Where tramlines intersect each other, he may turn his vehicle or horse to the right in accordance with the provisions of sub-clause (2) of clause thirteen of these Regulations and leave the intersection only when the traffic control signal is displaying the colour green in respect of the street he is about to enter."

2. These Regulations shall come into operation from the 1st day of April, 1956.

And the Honorable Murray Victor Porter, for and on behalf of Her Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

REGULATIONS.

IN pursuance of the powers conferred by the Road Traffic Acts and after consideration by the Chief Secretary of Victoria (the responsible Minister of the Crown administering such Acts) of representations made to him by the Municipal Association of Victoria, His Excellency the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, doth hereby make the Regulations following (that is to say):—

1. The Road Traffic (Country) Regulations 1955 are hereby amended as follows:—

- (1) For the definition of "Pedestrian Crossing" in Clause 2 of the said Regulations, there shall be substituted the following definition:—

"Pedestrian crossing" means an area near which are exhibited signs, clearly visible to oncoming traffic, similar to the following sign:—

which area is indicated by two lines (whether continuous broken or dotted) which are not more than 15 feet and not less than 8 feet apart and which—

- (a) by painting or any similar process or by markers of metal or other suitable material are marked or indicated on the surface of any part of a street; and
- (b) are connected at intervals of not more than 30 inches by stripes not more than 28 inches and not less than 20 inches wide marked on the surface of the street by painting or any similar process.

(2) Clause 13 of the said Regulations is hereby revoked and the following clause substituted therefor:—

“13. (1) Except at an intersection where tramlines intersect each other, a driver of a vehicle or horse who is about to make a right hand turn at an intersection shall—

- (a) (i) approach such intersection parallel to and as near as practicable to the left side of the centre line of the street he is leaving;
- (ii) proceed in a straight line and enter the intersection in accordance with the provisions of these Regulations; and
- (iii) turn his vehicle or horse to the right and leave the intersection when it is safe to do so notwithstanding that he does so when the traffic control signal is displaying the colour red in respect of the street he is about to enter.
- (b) When making such right hand turn comply with any direction of a member of the Police Force in uniform directing traffic at such intersection or with any mark or sign indicating the course to be followed.

(2) At an intersection where tramlines intersect each other a driver of a vehicle or horse who is about to make a right hand turn shall—

- (a) (i) approach such intersection parallel to and as near as practicable to the left side of the street he is leaving;
- (ii) proceed in a straight line and enter the intersection in accordance with the provisions of these Regulations; and
- (iii) turn his vehicle or horse to the right and leave the intersection provided that where any traffic control signal is operating at such intersection the driver shall wait before turning and shall not proceed to leave the intersection until the traffic control signal is displaying the colour green in respect of the street he is about to enter.
- (b) When making such right hand turn comply with any direction of a member of the Police Force in uniform directing traffic at such intersection or with any mark or sign indicating the course to be followed.”

(3) The following sub-clause shall be inserted after sub-clause 4 of Clause 27 of the said Regulations:—

“(5) Whenever in accordance with the provisions of this clause a driver has caused his vehicle or horse to enter an intersection:—

- (a) (i) he may turn his vehicle or horse to the left in accordance with clause fourteen of these Regulations;

- (ii) (the intersection not being one where tramlines intersect each other) he may turn his vehicle or horse to the right in accordance with the provisions of sub-clause (1) of clause thirteen of these Regulations; and leave the intersection when it is safe to do so notwithstanding that he does so when the traffic control signal is displaying the colour red in respect of the street he is about to enter.
- (b) Where tramlines intersect each other, he may turn his vehicle or horse to the right in accordance with the provisions of sub-clause (2) of clause thirteen of these Regulations and leave the intersection only when the traffic control signal is displaying the colour green in respect of the street he is about to enter."

2. These Regulations shall come into operation from the 1st day of April, 1956.

PRIVATE ADVERTISEMENTS

CITY OF CAULFIELD.

BY-LAW No. 91.

A By-law of the municipality of the City of Caulfield, No. 91, and made pursuant to the powers conferred on the council of the municipality by clause 813 of the Uniform Building Regulations, Victoria, as amended by the Uniform Building Regulations amending Regulations Nos. 1, 2, 3, 4, and 5, made under the Local Government Acts.

IN pursuance of the powers conferred by the Local Government Acts and the Uniform Building Regulations, Victoria, as so amended and of any and every power it thereunto enabling, the Mayor, Councillors and Citizens of the City of Caulfield order as follows:—

1. In this By-law—

“The Regulations” means the Uniform Building Regulations Victoria as amended by the Uniform Building Regulations Amending Regulations Nos. 1, 2, 3, 4 and 5.

“The Table” means Table 803 contained in the Regulations and set forth in Schedule No. 2 of this By-law.

2. The Classes of Occupancy referred to in this By-law are those set forth in Clause 601 of the Regulations and are set out in Schedule No. 1 of this By-law.

3. For the purposes of this By-law—

(a) Frontage to corner sites—

Where a corner of an allotment at the junction or intersection of any streets has been rounded or angled off to facilitate traffic—

(i) the width of the frontage shall be measured from a point at the intersection of the prolongations of the side and front boundaries of the allotment—

(ii) the area shall be calculated as if the land thereby excised were portion of the allotment.

(b) Measurement of distance from boundary—

Wherever a minimum distance is provided for, such distance shall be measured horizontally from the boundary to the outermost projection from the exterior wall, except that where a chimney back not more than 5 ft. 6 in. in width or an eave so projects, the extent of the projection shall be deemed to be

the horizontal distance by which it exceeds 18 inches in the case of eaves, and 14 inches in the case of such chimney backs.

4. (a) The minimum width of frontage depth and area specified in column 3 of the table for a building of Class I. Occupancy is the minimum width of frontage depth and area of land on which a building of that class shall be constructed throughout the whole of the municipal district, provided that in the case of a site irregular in shape—

(i) The site shall be capable of containing within its boundaries a rectangular having an area equal to three-fifths of the minimum area specified in column 3 of the table and having a minimum dimension not less than the minimum width of frontage specified in that column; and

(ii) Either the width of frontage or the depth of the site as prescribed by this clause may be reduced by not more than 25 per cent.

(b) The minimum width of frontage depth area and open space at ground level per flat specified in column 3 of the table is the minimum width of frontage depth area and open space per flat at ground level of land on which a building or buildings of Class II. Occupancy shall be constructed throughout the whole municipal district.

5. When a building has been constructed on any site the width of frontage depth and area of such site shall not thereafter be reduced to less than the minimum width of frontage depth and area respectively prescribed by this by-law for a building of the same class of occupancy.

6. Within the whole municipal district—

(a) Buildings of Class II. and Class III. Occupancy shall not be constructed to contain more than two storeys including the ground storey; and

(b) Buildings of Class II. Occupancy shall contain not more than four flats.

7. The minimum distance of the outer walls of a building of Class I. and Class II. Occupancy—

(a) from frontage, shall be 25 feet;

(b) from boundaries other than frontage, the distance set forth in column 3 of the table appropriate to the number of storeys contained in the building.

8. Where any land abuts on more than one street no person shall construct thereon a building closer to a street alignment (other than the frontage) than one and a half times the minimum distance from boundaries other than frontage prescribed by the preceding clause 7: Provided that nothing in this clause contained shall apply in respect of any street to which under the provisions of any Act, Regulation or By-law in force in relation thereto no dwelling may have a frontage.

9. A building of Class IV. Occupancy on any land forming part of a subdivision approved by the Council and lodged in the Office of Titles prior to the date of commencement of the Regulations shall not be required to have direct access from the rear of such building to a street not less than 10 feet in width, pursuant to clause 811 of the Regulations.

10. By-law No. 77, the Resolution for the passing of which was agreed to by the Council at its meeting on the 18th day of December, 1945, and confirmed on the 5th day of February, 1946, and approved by the Governor in Council on the 20th day of March, 1946, and By-law No. 81, the Resolution for the passing of which was agreed to by the Council at its meeting on the 9th day of December, 1947, and confirmed on the 3rd day of February, 1948, and approved by the Governor in Council on the 2nd day of March, 1948, shall be and each of them is hereby repealed.

Local Government Act 1946, Section 594.

CITY OF GEELONG WEST.

NOTICE OF SCHEME.

WHEREAS pursuant to section 594 of the *Local Government Act 1946*, the Council of the City of Geelong West has resolved that it is desirable that new streets to be called "Breguet-street" and "Grundell-street" should be opened in accordance with plans submitted by the City engineer, and in addition to purchasing or compulsorily taking any land for the purpose of such new streets it is also desirable that other land (hereinafter referred to as "surplus land") situate in the neighbourhood though not actually required for that purpose should also be purchased or compulsorily taken for developmental purposes and has directed that a scheme be prepared in accordance with the said section for submission to the Minister for approval of the Governor in Council.

Notice is hereby given that the Council of the City of Geelong West has prepared a scheme under the provisions of section 594 of the *Local Government Act 1946*, for submission to the Minister for the approval of the Governor in Council.

1. The purport of such scheme is as follows:—

- (a) To open two new streets to be called "Breguet-street" and "Grundell-street," in accordance with plan marked "B" and thereon coloured brown;
- (b) to purchase or compulsorily take the land required for such new streets, and to purchase or compulsorily take other land referred to as surplus land situate in the neighbourhood and shown on the said plan marked "B" coloured red and green;
- (c) to subdivide that part of the surplus land coloured red for sale into twelve lots as shown on said plan marked "B" such subdivision to comply with the requirements of the Uniform Building Regulations (Victoria) and to sell that part of the surplus land coloured green to the owner of adjoining land;
- (d) the estimated cost of carrying out the scheme is Fifteen thousand and thirty-three pounds (£15,033). It is proposed to obtain the required funds for carrying out the scheme by way of overdraft under the provisions of section 435 of the *Local Government Act 1946*, and it is anticipated that the proceeds of the sale of the surplus land will be sufficient to cover the cost of carrying out the scheme.

2. A copy of such scheme with relative plans is deposited at the office of the Council and is open for inspection during office hours, by any person, free of charge.

3. All persons affected by the scheme are requested to set forth, in writing, addressed to the municipal clerk, within 40 clear days from the publication hereof in the *Government Gazette*, all objections which they may have to the scheme.

By order,

6449 H. R. FRENCH, Town Clerk.

REGULATION No. 7.

A Regulation of the Shire of Swan Hill, numbered 7, made under section 44 of Part I. of the Fifteenth Schedule to the *Local Government Act 1946*, in force in the shire by virtue of a by-law of the above-named shire, numbered 41, for appointing the hours at which it shall not be lawful to drive into or through certain parts of the Township of Manangatang, such township being within the municipal district of Swan Hill, any cattle intended for sale, slaughter, or shipment, or travelling from one part of Victoria or of any other State to any other part.

IN pursuance of the powers conferred by the *Local Government Act 1946*, the President, Councillors and Ratepayers of the Shire of Swan Hill make the following Regulation, which shall apply to and have operation in certain parts of the Township of Manangatang.

1. No person shall between the hours of Six o'clock ante meridian and Nine o'clock post meridian drive any cattle or cause to be driven any cattle into or through or within the portions of the streets as set forth in the First Schedule.

2. Every person who drives any such cattle contrary to this Regulation shall be liable to forfeit for every head of cattle so driven a sum not exceeding Twenty shillings. Provided that nothing herein contained shall apply to horses driven in harness or to oxen in the yoke.

3. This Regulation shall have operation throughout that part of the Township of Manangatang within the boundaries set forth in the First Schedule.

4. "Cattle" includes any horse, mare, gelding, colt, filly, or foal, and any bull, cow, ox, steer, heifer, or calf, and any ram, ewe, sheep, or lamb, and any ass, mule, goat, or pig.

5. This Regulation shall come into force on the day after the day of its publication in the *Government Gazette*.

FIRST SCHEDULE.

That part of the Township of Manangatang (such township being within the municipal district of the Shire of Swan Hill) commencing at the south-eastern corner or angle of allotment 1, section 1, at the intersection of Wattle-street with Larundel-street; thence in a line bearing north along the western boundary of Wattle-street, across Rainbow-street, and continuing to the north-eastern corner or angle of allotment 10, section 2, at the intersection of Coghill-street and Wattle-street; thence in a line bearing east to the eastern boundary of Wattle-street; thence in a line bearing south along the eastern boundary of Wattle-street to the corner or angle of the intersection of Wattle-street and Larundel-street; thence in a line bearing west to the point of commencement.

The Resolution for passing this Regulation was agreed to by the Council of the Shire of Swan Hill on the 14th day of December, 1955, and was confirmed on the 11th day of January, 1956.

The common seal of the President, Councillors and Ratepayers of the Shire of Swan Hill was heretofore affixed this 11th day of January, 1956, in the presence of—

(SEAL) T. BRIGHT, President.
E. E. HUGGETT, Councillor.

SUBSCRIPTIONS.—*The subscription, including postage, is £2 15s. per annum, £1 7s. 6d. half-yearly, or 13s. 9d. per quarter, payable in advance.*

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of 1s. 6d. per line single column, and 3s. per line double column.

The title (f5 Reward, Dissolution of Partnerships, &c.) forms one or more lines as a heading.

On an average, ten words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are One shilling, posted One shilling and three pence.

No GAZETTES prior to January, 1950, in stock.

****ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.*
