The following sewerage rate is hereby made under the provisions of the Sewerage Districts Acts, and shall be levied upon the net annual value of all rateable sewered properties within the Bendigo Sewerage District:—

1. Of any land or tenements situate within the Bendigo Sewerage District, a sewerage rate of One shilling and three pence in the £1 of the net annual value of all rateable "sewered property" within the said district.

2. In no case shall the amount of sewerage rate payable annually be less than £4 in respect of any rateable sewered property on which there is a building, and £2 in respect of any rateable sewered property on which there is no building.

3. Such rate is made and shall be levied for the year beginning with the first day of October, 1955, and ending with the thirtieth day of September, 1956, and shall be payable on the thirtieth day of April, 1956, at the office of the Authority, situate at the Civic Buildings, Bendigo.

4. If any rateable property which is unsewered at the time of the making of the aforesaid rate becomes during the said year a "sewered property," there shall be levied upon such property a proportionate part of the sewerage rate for the portion of the year after it has become a sewered property, and such property shall be deemed to have been lawfully rated accordingly.

5. For making and levying such rate the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the net annual value thereof may for all purposes of such rate be determined in the manner provided in the Sewerage Districts Acts.
