APOLLO BAY WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1956.

THE Apollo Bay Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling and three pence (1s. 3d.) in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Apollo Bay Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings (40s.), and in respect of any land on which there is no building less than Fifteen shillings (15s.).

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1956, and shall be payable on the 1st day of May, 1956, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the said Trust is hereby fixed at the quantity which, at a charge of One shilling and sixpence (1s. 6d.) per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity computed as in the last preceding clause is hereby fixed at One shilling and sixpence (1s. 6d.) per 1,000 gallons.
