LOCAL GOVERNMENT ACTS.

PROCLAMATION EXTENDING THE OPERATION OF THE UNIFORM BUILDING REGULATIONS

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS section 900 (2) of the *Local Government Act 1946* provides—*inter alia*—that the Governor in Council may, by proclamation published in the *Government Gazette*, at the request of the council of any municipality, not being a city or town, extend the operation of the Regulations made under Part XLIX. of the Act to the municipal district of such municipality or any part thereof:

And whereas by proclamations published in the *Government Gazettes* of the 9th November 1949, the 11th August 1954, the 27th October 1954 and the 16th May 1956 the operation of the Uniform Building Regulations was extended to part of the municipal district of the Shire of Portland:

And whereas the Council of the Shire of Portland has requested that the operation of the said Regulations be extended to a further part of the municipal district of such municipality:

Now, therefore, I, the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, by this, my Proclamation, do hereby extend the operation of the Regulations made under Part XLIX. of the *Local Government Act 1946* to that part of the municipal district of the Shire of Portland, described hereunder:—

Commencing at a point on the shore-line of Portland Bay in line with the western boundary of Crown allotment 11, Parish of Bolwarra, County of Normanby, thence northerly along the western boundary of the said Crown allotment to its north-western angle, thence continuing north-easterly along the northern boundaries of Crown allotments 11 and 10 to the northern bank of the Surrey River and following the northern bank in a north-easterly direction to a point in line with the western boundary of Crown allotment 6A, section 1, Parish of Narrawong, thence northerly along the western boundaries of 6A and 6,

to the north-west corner of the said Crown allotment 6, thence easterly along the northern boundaries of Crown allotment 6 and 5 to the north-east corner of the said Crown allotment 5, thence northerly along the eastern boundaries of Crown allotments 6 and 7, section 2, to the north-east corner of the said Crown allotment 7, thence easterly along the northern boundaries of Crown allotments 23, 22, 21, 20, 19 and 18 and to the south-west corner of Crown allotment 26, thence northerly along the western boundary of the said Crown allotment 26 and to the south-west corner of Crown allotment 28, thence easterly following the southern boundaries of Crown allotments 28, 29, 39 and 40 and continuing easterly to the south-east corner of the said allotment 40, thence southerly along the eastern boundary of Crown allotment 37 and continuing southerly along the eastern boundaries of Crown allotment 36 to a point on the shore-line at Portland Bay in line with the said eastern boundary of the said allotment 36, Parish of Narrawong, County of Normanby.

And order that the said Regulations shall come into operation in the above-mentioned part of the municipal district of the Shire of Portland on publication of this Proclamation in the *Government Gazette*, provided that Parts I. and II. of Chapter 8 thereof shall not be deemed to come into operation till the 1st May 1957, except in so far as may be necessary to enable the Council of the said municipality to make by-laws pursuant to the powers conferred by Part III. of the said Chapter, and provided, further, that no such by-law shall come into operation before the 1st May 1957.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this fifth day of February, in the year of our Lord One thousand nine hundred and fifty-seven, and in the fifth year of the reign of Her Majesty Queen Elizabeth II.

BOROUGH OF STAWELL.

By-Law No. 40.

THE Borough of Stawell, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

PART I.—INTERPRETATION.

Definitions.

1. In this By-law unless inconsistent with the context or subject matter—

“The Act” means the Water Acts.

“Fittings” includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying supplying storing or regulation of the flow of water in or derived from a main pipe.

“Main Pipe” means any pipe belonging to or under the control of the Council and used for the conveying or supplying of water.

“Person” includes a corporation or company.

“Private Service” means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

“Proper Officer” means any employee of the Council authorized to execute any function on behalf of the Council.

“Service Pipe” means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

“Council” means the Borough of Stawell.

“Works” means works of or in connexion with the laying constructing altering disconnecting removing repairing renewing or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Council or alter repair or in any manner interfere with any pipe of the Council or any service pipe tap or meter or other fitting connected with the main pipes of the Council, he shall obtain from the Council a licence in that behalf to execute such works, and no unlicensed person shall affix alter repair or in any manner interfere with any such main pipe service pipe tap meter or other fitting as aforesaid.

Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Council at its discretion from time to time in each case to the following 31st December. The Council shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Council shall be sole judge. For each original licence the licensee shall pay to the Council a fee of One pound (£1), and for each renewal Five shillings (5s.).

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Council, the person applying for such licence shall satisfy the Council by any tests required by the Council or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Council relating to water supply and with the Act so far as it applies to town supplies. The Council may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) Without having given to the Council not less than two (2) days prior to the commencement of the execution of such works—

(i) notice in writing of his intention, so to do specifying the tenement in or or in respect of which it is proposed to execute such works and the time or times, (being between the hours of 8

a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode form strength material construction dimensions and arrangement of all pipes fittings and structures intended to be used in the execution of such works.

(iii) in the case of every private service containing any service pipe of diameter larger than two inches (2 in.) a properly prepared plan drawn to a scale specified thereon of the premises in or in respect of which it is proposed to execute the said works showing thereon all buildings erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) Contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i), (ii), and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the proper officer of the Council the completion of any new work extensions or repairs in connexion with any service within twenty-four (24) hours of effecting same.

Carrying Out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

(a) Execute the work in accordance with the provisions of the Act and of the By-laws of the Council and any special directions or orders given or issued thereunder by the Council by the proper officer of the Council; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Council; and

(c) use materials of the description quality kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work, on over or through any private property, or any street road park reserve or other public place or property; and

(f) pay all fees payable to the Council of a Municipality or other Authority having control thereof for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the Municipal Council or other Authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Council; and

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore other than three-quarters of an inch ($\frac{3}{4}$ in.).

(b) No person shall connect or affix to the Council's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which has a diameter exceeding

the appropriate diameter listed in the schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served, or to the anticipated annual consump-

tion of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Council and certified to under his hand, whichever is the larger—

Depth of Service Pipes.

9. No person shall lay, construct, repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than twelve inches (12 in.) below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road, street, lane, or right-of-way, or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than eighteen inches (18 in.) below the surface of the ground or at such greater depth as the Council of the Municipality having control of the said road, street, lane, or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- (a) lay, construct or alter any private service or any part thereof,
- (b) erect or construct any building erection or structure—

in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection repair and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-tap, &c.

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two (2) high pressure screw-down stop-taps, one (1) of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connexions.

12. No person shall permit or suffer any fluid, solid, or gas which in the opinion of the Proper Officer of the Council is capable of polluting water supplied by the Council, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Council.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch ($\frac{1}{2}$ in.) above the highest possible water level in the said cistern tank or receptacle.

Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw-down high-pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a half-inch ($\frac{1}{2}$ in.) testing ferrule or bib-tap shall be

fixed between the reflux valve and the stop-tap; or

- (b) By direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) That part of any service pipe (including any bend, elbow or other fitting therefor) which extends in a thoroughfare from a water main to, and including the high-pressure screw-down stop-tap required to be fixed, pursuant to clause 11 hereof, and all meter connexions shall be of the materials hereinafter set forth, that is to say:—
 - (i) Where the diameter of the service pipe is two inches (2 in.) or less—copper or brass; and
 - (ii) where the diameter of the service pipe is greater than two inches (2 in.)—copper, brass, galvanized iron, cast iron, welded mild steel or asbestos cement.
- (b) All materials, pipes, bends, junctions, fittings and apparatus shall be of the best quality of their respective kinds, sound, new and free of defects and shall comply with relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (c) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought-iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (d) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (e) All ends of galvanized wrought iron and brass pipes, bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.
- (f) All stop-taps and bib-taps shall be screw-down high-pressure taps made of hard brass or gunmetal.
- (g) Galvanized iron piping shall comply with the specification of the Australian Standard for steel tubes and tubulars, and shall be of the following diameters and dimensions:—

PART V.—CONNEXIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one (1) service pipe or private service for the supply of water for domestic purposes to any one (1) tenement.

Size of Tappings Permitted.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angled bend of copper alloy is properly and securely attached.

Connexion to Main Pipe.

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

MAXIMUM DIAMETER OF TAPPING IN INCHES.

Diameter of Main Pipe in Inches.	Without Tapping Saddle (Cast-iron Mainpipes only).	With Tapping Saddle.

9	$1\frac{1}{2}$	$2\frac{1}{2}$
Over 9	2	$2\frac{1}{2}$

Tapping Fees.

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Twenty shillings (20s.).

Position of Stop-taps.

18. A high-pressure screw-down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) between the main pipe and the building line within six (6) feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the Municipality in which the service is laid.
- (b) where a meter is fixed, between the meter and the upper inlet bend thereto.
- (c) where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet (6 ft.) inside the building line.

PART VI.—REPAIR.

Repair of Service Pipes.

19. Any person using any private service shall at all times keep same in proper repair.

Council Can Repair Service Pipe in Certain Circumstances.

20. If any person refuses neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Council so to do the Council by its Proper Officers servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Council, or the Council may stop the water flowing into such tenement either by cutting off the service pipe or otherwise as the Council may see fit, until the necessary repairs have been effected.

PART VII.—METERS.

Meters Supplied and Maintained.

21. (a) Except as permitted in Clause 34 of this By-law, and where no meter has been installed by the Council, no person shall use any service for the supply of water unless the whole of the water supplied to such service passes through a meter where it has been installed by the Council.

(b) Such meters will be provided and maintained by the Council and every person before installing a private service shall ascertain from the Council the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than six feet (6 ft.) from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick stone or concrete the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connexion couplings for meters shall be made of leather.

(c) Pending connexion of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct, place, stack or store, or permit or suffer to be constructed, placed, stacked or stored any building, erection, material or thing over or upon any meter connected or affixed to any private service, or shall do or permit or suffer to be done any act, matter or thing whereby inspection of such meter shall be prevented, obstructed, or in any way, rendered difficult or interfered with.

Replacement and Testing of Meters.

23. (a) The Council may at any time replace or remove for test any meter attached to any private service.

Fees Returned in Certain Circumstances.

- (b) Any consumer may at any time request the Council in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Council the sum of One pound (£1). The Council shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering, correctly the Council may retain such sum of One pound (£1) in satisfaction of the fee for testing meter hereinbefore prescribed, but if such meter is found to be registering incorrectly such sum of One pound (£1) shall be returned to such consumer.

Consumer Leaving Tenement to Notify Council.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Council in writing at least six (6) days' notice of his intention to do so.

PART VIII.—MISUSE AND WASTE.

Supply Restricted to One Tenement Only.

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks, and Troughs.

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism, efficiently regulating the flow of water therein in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

Water Closets and Urinals.

27. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

Baths.

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than one hundred (100) gallons of water.

No Overflow Pipe on Baths.

29. No person shall affix an overflow pipe to any bath.

Wasting of Water.

30. No person supplied with water by the Council shall waste the same or permit or suffer the same to run to waste.

Sale of Water.

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Council and no person shall sell any water supplied by the Council.

Fire Brigades.

32. No person other than a servant or agent of the Council of the Borough of Stawell or the Country Fire Authority in the execution of his duty as such servant or agent shall without the written permission of the Council open close or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the Municipality Corporation or body having the care and management of a public park, public garden or reserve for public purposes shall without the previous consent of the Council open close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in, or connected with any service pipe used for the supply of water to such park, garden or reserve.

PART IX.—PRIVATE FIRE SERVICES.

Private Fire Services.

34. (a) Private fire services comprising pipes and fittings not exceeding six inches (6 in.) in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of Fifteen shillings (15s.) per annum. Every such fire service shall be sealed. Except in case of fire no person shall, without the authority of the Council, wilfully break the seal affixed to any private fire service and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within twenty-four (24) hours thereafter give notice in writing of the fact at the office of the Council, and except in the case of a fire he shall pay a resealing fee of Fifteen shillings (15s.). No water shall be taken from any sealed portion of a private service except for extinction of fire.
- (b) Except as expressly provided in sub-clause (a) of this Clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.
- (c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.
- (d) Any application for a fire service shall be made by the owner of the premises and in writing to the Council.
- (e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Council may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

PART X.—INSPECTIONS.

Inspections.

35. Any person authorized by the Council in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution, therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct, hinder, impede, resist, oppose or refuse admission to any premises by the Proper Officer or any person duly authorized in that behalf by the Council, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART XI.—PENALTIES.

Penalties.

37. Any person who commits any breach of any of the provision of this By-law shall be guilty of an offence liable to a penalty of not more than Five pounds (£5), and in the case of a continuing offence to a further penalty not exceeding Five pounds (£5) for every day after notice of the offence from the Council.

Passed this 21st day of November, 1956.

LISMORE WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1957.

THE Lismore Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Lismore Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Four pounds (£4), and in respect of any land on which there is no building less than One pound (£1).

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing 1st January, 1957, and shall be payable on the 1st March, 1957, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Three shillings per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

(SEAL) J. W. BAIRD, Chairman.
M. M. BRUMBY, Secretary.

Approved, 6th February, 1957.—G. S. MCARTHUR, for Minister of Water Supply.

WERRIBEE SHIRE COUNCIL WATER SUPPLY DISTRICT.

RATING BY-LAW FOR THE YEAR ENDING 30TH SEPTEMBER, 1957.

THE Werribee Shire Council, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Twenty-four pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Werribee Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year ending on the 30th day of September, 1957, and shall be payable on the 28th day of February, 1957, at the office of the said local governing body, Shire Hall, Werribee.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Council is hereby fixed at the quantity which at a charge of Twenty-one pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Twenty-one pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Council is hereby fixed at Twenty-one pence per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 30,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Council.

Dated the 24th day of January, 1957.

(SEAL) R. G. CARR, Chairman.
N. G. MINNS, Shire Secretary.

Approved, 6th February, 1957.—G. S. MCARTHUR, for Minister of Water Supply.

MURRAYVILLE WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1957.

THE Murrayville Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Thirty-six pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Murrayville Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of land on which there is no building be less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1957, and ending on the 31st day of December, 1957, and shall be payable on the 1st day of March, 1957, at the office of the said Trust, at the Shire Hall, Ouyen.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Two shillings per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust and where no agreement exists is hereby fixed at Two shillings per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 34,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust, Ouyen.

Dated this 24th day of January, 1957.

AUTHORITY FOR THE SALE OF PROPERTY BY THE
MILDURA BASE HOSPITAL.

WHEREAS the Mildura Base Hospital, an incorporated institution within the meaning of the *Hospitals and Charities Act 1948* (No. 5300), is the owner of the property described in the Schedule hereto:

And whereas 50 per centum of the purchase price of the property so described was provided from Government funds:

And whereas the property so described is no longer required for the purposes of the Mildura Base Hospital:

And whereas the North-West Victoria Ambulance Service has offered to purchase the property so described for the sum of £910:

And whereas the Hospitals and Charities Commission has made inquiry into the matter and has reported recommending the acceptance of such offer:

Now therefore, the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, being satisfied that in the hereinbefore recited circumstances it would be advantageous for the Mildura Base Hospital to accept the said offer and in exercise of the powers conferred by section 65 of Act No. 5300, hereby authorizes the sale by the Mildura Base Hospital of the property described in the Schedule hereto to the North-West Victoria Ambulance Service for the sum of Nine hundred and ten pounds (£910) and directs that of that last-mentioned sum an amount of Four hundred and fifty-five pounds (£455) be paid into the Government Building Trust Fund Account of that hospital.

Local Government Act 1946.

CITY OF HEIDELBERG.

NOTICE TO ALL WHOM IT MAY CONCERN.

WHEREAS the Council of the Municipality of the City of Heidelberg, in the State of Victoria, deems it expedient to execute a certain work or undertaking for the purpose of widening a road at Greensborough, for the purposes whereof it is in the opinion of the said Council necessary and desirable that the said Council exercise its power of taking land compulsorily within the municipal district of the said Council, as provided by the *Local Government Act 1946*, and the said Council has caused its surveyor to prepare specifications, maps, plans, sections and elevations of the said work or undertaking as are necessary and in which are expressed the nature and extent of such work or undertaking and the exact site and admeasurements thereof and on and through what land the said work or undertaking is proposed to be placed and the names of the owners or reputed owners, lessees or reputed lessees and the occupiers of such land so proposed to be taken so far as known and the said specifications, maps, plans, sections and elevations so prepared have been approved by the said Council.

In pursuance of the provisions of the *Local Government Act 1946*, the said Council doth hereby publish and give notice that the description shortly of the purport of the said work or undertaking and of the said specifications, maps, plans, sections and elevations is as follows:—

The widening of a road running in an easterly direction from Henry-street to the Plenty River, and known as Plenty-lane, Greensborough.

And the said Council doth hereby give further notice that the said specifications, maps, plans, sections and elevations are deposited at the office of the said Council, Town Hall, Upper Heidelberg-road, Ivanhoe, and are there open for inspection and perusal on all the days and between the hours the Municipal Office is appointed to be open for the space of 40 clear days from the date of the publication of this notice in the *Government Gazette*.

And the said Council doth hereby call upon all persons interested in or affected by the said proposed work or undertaking to set forth, in writing, addressed to the said Council or the Town Clerk thereof, at the Town Hall, Upper Heidelberg-road, Ivanhoe, within 40 clear days from the date of the publication of this notice as aforesaid all objections which they may have to the said work or undertaking.

Dated this 4th day of February, 1957.

The common seal of the Mayor, Councillors and Citizens of the City of Heidelberg was hereto affixed by me—

F. PHILLIPS, Town Clerk.
