#### CLOSING OF A STREET IN THE SHIRE OF MULGRAVE.

WHEREAS by virtue and in exercise of the powers contained in the Country Roads Acts the Country Roads Board has recommended to the Governor in Council that the street described in the Schedule hereto should be closed: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, by this Order made in pursuance of the powers conferred by the said Acts and upon the said recommendation doth hereby close the said street.

##### SCHEDULE.

The street shown as a 10-ft. road on plan of subdivision No. 23472, lodged in the Office of Titles.

Whereas:

1. Country Roads Board incorporated by the *Country Roads Act 1928* (hereinafter called "the Board") has pursuant to the *Country Roads Act 1948* fixed a new alignment for the east side of Springvale-road in the Shire of Mulgrave as shown on the copy of survey plan numbered 6079 annexed hereto.

2. In the opinion of the Board the fixing of the said new alignment renders economically unuseable and un-saleable the parts of the two allotments of land at the south-east corner of Waverley-road and Springvale-road, bounded on the east by a 10-ft. road and on the south by lot 4 on plan of subdivision No. 23472, lodged in the Office of Titles (hereinafter called "the existing plan") lying to the east of the said new alignment as shown on the copy of the said survey plan numbered 6079.

3. In order to obtain economically useable and saleable allotments of land the Board—

- (a) has with the approval of the Council of the Shire of Mulgrave resubdivided the said parts of the said two allotments of land and also the said 10-ft. road and lot 3 on the existing plan as shown in the copy of survey plan numbered 6106 annexed hereto;
- (b) has acquired the said 10-ft. road and lot 3 on the existing plan; and
- (c) has agreed with the owners of the said parts of the two allotments of land the exchange of the parts of those allotments lying to the west of the said new alignment for lots 1 and 2 shown on the said copy of survey plan numbered 6106.

4. The Board—

- (a) is of opinion that for the effective resubdivision as aforesaid it is expedient that the street shown as a 10-ft. road on the existing plan should be closed;
- (b) has complied with the provisions of paragraphs (b) and (c) of sub-section (3) of section 26 of the *Local Government (Streets) Act 1948*, no person having objected to the said closing;
- (c) is of opinion that the said closing will not substantially injure the public.

Now therefore the Board doth hereby recommend to the Governor in Council that the said street should be closed.
