(ii) Such sick leave shall accumulate from year to year so that any balance of the period specified in sub-clause (i) of this clause which has in any year not been allowed to an employee by the Board as paid sick leave may be claimed by the employee and subject to the conditions hereinbefore prescribed shall be allowed by the Board in any subsequent year without diminution of the sick leave prescribed in respect of that year.

*(b) Other Employees.*

(i) This clause shall apply only to continuing employees and shall apply from the first day of October, 1946, inclusive. For the purposes of this clause, an employee shall be deemed to be a continuing employee when he is engaged by the week and his engagement shall have continued for a continuous period exceeding one month. And a person shall be deemed to be continuing in the employer's employ (though not actively) during any period that he is absent from work on leave granted in consequence of personal injury or illness if he submits a certificate or certificates from a medical practitioner covering the period of absence, or other proof satisfactory to the employer, and during any period that he is absent on other leave granted by an authorized officer.

(ii) (a) Each continuing employee shall be entitled to be credited with the number of sick leave days set out in sub-clause (iii) (a) hereof, and shall be debited with such payments as he receives under sub-clause (iv) (a) hereof; provided however that at no time he shall be entitled to have, or have, a balance of more than 30 days to his credit, and provided further that on an employee ceasing to be in the employer's employ whether voluntarily or involuntarily the number of days (if any) standing to his credit and which have therefore not been required, shall be cancelled without any payment being made in respect of any such days, but if his employment is terminated by the employer other than for misconduct or absence from work without reasonable excuse, and he is subsequently within a period of twelve months re-employed and deemed to be a continuing employee, the number of days which were to his credit before cancellation on the termination of his former period of employment, shall after his re-engagement has continued for one month again be placed to his credit.

(b) "Day" for the purpose of sick leave credits shall where 40 hours are fixed herein as the number of hours for a week's work, be deemed to be eight hours; and shall where a number less than 40 hours is regularly worked by an employee, be deemed to be 3/10 of such number.

(iii) (a) Each continuing employee in the employer's employ on the 1st day of October, 1946, shall be entitled on such date to be credited with six days' sick leave in respect of the year which commenced on that date.

(b) Each continuing employee in the employer's employ on each subsequent 1st day of October, shall be entitled on such date to be credited with six days in respect of the year commencing on such date; provided however, that any employee absent on such 1st day of October or from a date prior to such 1st day of October and still absent on such 1st day of October, shall not be entitled to be credited with such six days unless, and until the day he returns to work whereupon he shall be so credited.

Each employee who may become a continuing employee on or after the 1st day of October, 1946, shall as from the date that he is deemed a continuing employee be entitled to be credited with six days' sick leave in respect of the year ending twelve months after the date of his being deemed a continuing employee, unless having been previously employed in that year he has already been credited with six days for that year.

(iv) (a) Subject to the provisos contained in paragraphs (b), (c), (d), (e), (f), and (g) of this sub-clause, a continuing employee absent from his work through personal accident or sickness not attributable in either case to the employee's misconduct shall in respect of each such period of absence be entitled to and be paid sick leave pay as hereinafter set out for the time absent on each day, but not exceeding the number of hours which, apart from overtime i.e., excess work, it would have been usual for him to work on each day that he is so absent: that is to say:—

In respect of time absent not exceeding the number of days to his credit under sub-clauses (ii) and (iii) hereof, which time would have been worked by him for his absence (day meaning the 24 hours ending at midnight); sick leave pay at a rate equal to the sum of the ordinary rate of wage and any usual additional rate of whatever nature which would have been payable to him had he been at work, but excluding any hourly rate, until the number of hours to his credit under sub-clauses (ii) and (iii) hereof shall have become reduced to none. The ordinary rate means the rate defined herein as ordinary rate. Where Sunday, payable at double rate is included as a sick leave day, every hour thereof paid for as sick leave shall be counted as a debit of two hours. Sick leave pay shall be in respect of that occupation which, in a fixed roster of work, would have been the employee's occupation had he not been so absent. And where there is no fixed roster of work, sick leave pay shall be in respect of the occupation which the employee was performing immediately prior to the commencement of the absence, unless in the opinion of the Engineer such occupation would not have continued to be the employee's occupation had the employee not become so absent, and in such case sick leave pay shall be in respect of such occupation as such Engineer shall name.

Any public holiday or holidays as defined herein occurring during the first month of any absence shall not, if the employee is entitled to such holiday with pay, be included as days of absence for the purpose of sick leave pay.

And if the number of hours to his credit shall have become reduced to none on or before the 30th day of September next following the commencement of such absence, and such absence shall continue beyond such date, he shall on the day he returns to work be credited with six days as provided by paragraph (b) of sub-clause (iii) hereof, but such credit shall not be available as sick pay in respect of the absence then just ended.

(b) That on the first day of the absence the Engineer or foreman or overseer is notified of the cause of the absence.

(c) That the employee within three days produces a certificate from a medical practitioner or some other medical practitioner nominated by the employer if the employer shall so require within such further period as the employer shall allow (whose certificate shall be final and conclusive) describing the nature of the illness or disability and certifying the period of absence necessary, or produces other proof satisfactory to the Engineer or other authorizing officer that his absence and continued absence was reasonably necessary through personal accident or sickness. And when the absence continues beyond the end of any period so proved, that he furnishes evidence that a continuation of the absence is necessary for a further specified period.

(d) That no sick leave pay shall be payable in respect of any absence for which an employee will be entitled to receive or receives compensation under the Workers' Compensation Act.

(e) That no sick leave pay shall be payable to an employee beyond a date on which his contract of employment shall terminate by reason of his death, or his having reached the compulsory retiring age, or notice—express or implied—operating to terminate his contract of employment or by or from other causes.

(f) No "standing-by" allowance, or travelling allowance, or camping allowance, or vehicle allowance if the vehicle is not being used for the employee's purposes, or any disability allowance, shall be payable in respect of any period of absence on sick leave.

(g) Except as provided, no employee shall be entitled to payment for the time absent from work in consequence of personal accident or ill health.

(h) An employee leaving the employer's employ to take employment with some other employer immediately following one or more days' absence through illness shall not be entitled to any sick leave pay which may not have been paid to him in respect of such absence.

HOLIDAYS AND SUNDAYS.

12. All employees shall be entitled to the ten holidays hereinafter mentioned without deduction of pay :—New Year's Day, Australia Day, Labour Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Queen's Birthday, Christmas Day, and Boxing Day. Should any of such holidays fall on a rest day of an employee engaged on shift work he shall in such cases receive within twelve months thereafter a holiday on full pay in lieu of each of such days except in a case where any such holiday falls on a Saturday or a Sunday. Should the 25th December in any year occur on a Saturday or a Sunday the following Monday and Tuesday shall, for the purposes of this Determination, be deemed to be Christmas Day and Boxing Day respectively. Likewise should the 1st January in any year occur on a Saturday or a Sunday the following Monday shall be deemed to be New Year's Day.

Work done by employees (other than shiftworkers) on Sundays and holidays shall be paid for at the rate of double time with a minimum of three hours' pay at the penalty rate.

For shift workers double time shall be the rate for all work done on Sundays, Good Friday and Christmas Day, and time and a half shall be the rate for all work done on New Year's Day, Australia Day, Labour Day, Easter Saturday, Easter Monday, Anzac Day, Queen's Birthday, and Boxing Day.

The days following the day observed as Boxing Day up to and inclusive of the 31st December in each year shall be granted as holidays on full pay to all employees with not less than twelve months' service. The days occurring within this period shall, except in the case of shiftworkers, be exclusive of Sundays. Should any employee work on any of the days referred to in this period or should a rest day of any employee engaged on shift work fall within such period he shall in either case receive within twelve months thereafter a holiday on full pay in lieu of each of such days.

ANNUAL HOLIDAY.

13. The annual holiday shall be as prescribed by the provisions of the Labour and Industry Acts, provided that in respect of a continuous shift worker an additional day shall be added to the annual holiday as prescribed for each holiday referred to in clause 12 on which such an employee is required to work with a maximum of five such additional days.
