MONDAY, JANUARY 14.

[1957

*Labour and Industry Acts.*

AMENDING DETERMINATION OF THE WHARFS AND JETTIES BOARD.

NOTE.—This Determination applies to the whole of the State of Victoria.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board, which now has the power to “determine the lowest prices or rates which may be paid to any persons employed in the trade of constructing or demolishing wooden or concrete wharfs, piers, or jetties,” has made the following Determination, namely:—

1. That, as from the 17th September, 1956, the Determination published in *Government Gazette*, No. 376 of the 27th June, 1955, shall be further amended by the addition thereto of the following clause:—

7A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed in clause 7.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

A. V. BARNES, J.P., Chairman.

J. W. RYAN, Secretary.

Melbourne, 20th October, 1956.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and reporting, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and integration. It provides strategies to overcome these challenges and ensure that the data is reliable and secure.

5. The fifth part of the document discusses the importance of data governance and the role of the data steward. It emphasizes that clear policies and procedures are essential for managing data effectively and ensuring compliance with relevant regulations.

6. The sixth part of the document explores the benefits of data-driven decision-making. It shows how analyzing data can provide valuable insights into organizational performance, customer behavior, and market trends, leading to more informed and strategic decisions.

7. The seventh part of the document discusses the importance of data literacy and training. It emphasizes that all employees should have a basic understanding of data and how to use it effectively to support their work.

8. The eighth part of the document addresses the ethical considerations of data management. It discusses the importance of protecting individual privacy and ensuring that data is used responsibly and transparently.

9. The ninth part of the document discusses the future of data management and the role of artificial intelligence. It highlights how AI can be used to analyze large volumes of data and identify patterns and trends that would be difficult to detect otherwise.

10. The tenth part of the document provides a summary of the key points discussed and offers recommendations for improving data management practices. It emphasizes that data is a valuable asset and that effective data management is essential for organizational success.
