GOD SAVE THE QUEEN!

PUBLIC HIGHWAY.—CITY OF SUNSHINE.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Local Government Act 1946*, section 518, it is amongst other things enacted that it shall be lawful for the Governor in Council at any time, and

from time to time, upon the request of the council of any municipality, by notice in the *Government Gazette*, to declare any land reserved, used or by purchase or exchange acquired for a street, road, highway, thoroughfare, bridge, square, court, alley or right-of-way to be a public highway, and that such land shall thereupon and thenceforth from the date of such Proclamation become and be absolutely dedicated to the public as a public highway within the meaning of any law then or thereafter in force:

And whereas the Council of the City of Sunshine has requested that the land hereinafter mentioned, which has been used for a street within the said City, be so declared to be a public highway:

Now, therefore, I, the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do by this Proclamation, declare that all that piece of land used for a street, being part of Crown portion 18 at Braybrook, Parish of Cut-paw-paw, and being the land described hereunder, shall be a public highway within the meaning of the said Act, namely:—

Osbert-street.

Commencing at a point being the south-eastern angle of lot 26 shown on lodged plan of subdivision No. 10958, being distant 634 ft. 10½ in. in a southerly direction along the western alignment of Cornwall-road from the south-western angle of the intersection of such road with Ballarat-road, bounded thence by lines bearing respectively south 50 feet, 270 deg. 44 min. 972 ft. 7 in., north 54 ft. 6 in., 90 deg. 5 min. 135 ft. 4 in., 179 deg. 33 min. 6 feet, and 90 deg. 44 min. 837 ft. 4½ in. to the point of commencement.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-seventh day of November, in the year of Our Lord One thousand nine hundred and fifty-seven, and in the sixth year of the reign of Her Majesty Queen Elizabeth II.

ROAD TRAFFIC ACT 1956.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Road Traffic Act 1956* it is amongst other things enacted that Part II. of the said Act shall apply only in respect of infringements occurring in any area or circumstance specified for the purpose of such Part by Proclamation of the Governor in Council published in the *Government Gazette* and occurring after the date of such Proclamation:

And whereas it is also enacted in the said Act that any such Proclamation may provide that such Part of the said Act shall apply only in respect of parking infringements or in respect of traffic infringements or in any particular area or circumstance:

And whereas it is further enacted that no such Proclamation shall be made in relation to parking infringements unless the council of any municipality the municipal district or any part of the municipal district of which is specified therein has requested the Governor in Council to extend the application of such Part to such municipal district or part thereof:

And whereas the Council of the City of Shepparton has requested the Governor in Council to extend the application of such Part in respect only of parking infringements to the City of Shepparton.

Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State do by this my Proclamation specify the City of Shepparton as an area in which Part II. of the *Road Traffic Act 1956* shall apply in respect only of parking infringements occurring after the date hereof.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-seventh day of November, in the year of our Lord One thousand nine hundred and fifty-seven, and in the sixth year of the reign of Her Majesty Queen Elizabeth II.

CITY OF WARRNAMBOOL.

RATING BY-LAW FOR THE YEAR 1957-1958

(BY-LAW No. 73).

THE Municipal Council of the City of Warrnambool, in pursuance and exercise of the powers conferred by the Water Acts, doth make a rate for the supply of water for domestic purposes of Twelve pence (12d.) in the pound of the net annual valuation of lands and tenements liable to be rated within the Warrnambool Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of any land on which there is no building less than Thirty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of October, 1957, and shall be payable on the 10th day of December, 1957, at the office of the said local governing body, Municipal Chambers, Warrnambool.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Council is hereby fixed at the quantity which, at a charge of Twenty-four pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Twenty-four pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Council is hereby fixed at Twenty-four pence per 1,000 gallons, and the minimum quantity of water to be charged in cases where water is so supplied is hereby fixed at 30,000 gallons.

Such person or persons as the Council may appoint from time to time for the purpose shall be authorized to demand, receive, and collect the said rates and charges.

The foregoing was made and adopted by the Municipal Council of the City of Warrnambool on the 19th day of November, 1957, and the common seal of the City of Warrnambool was hereto affixed, by the order of the said Council and in the presence of—

(SEAL) JOHN A. WELSH, Mayor.
H. McD. TAYLOR, Councillor.
E. P. GIBBONS, Councillor.
K. L. ARNOLD, Town Clerk.

Approved 2nd December, 1957.—W. J. MIBUS, Minister of Water Supply.

DEPARTMENT OF CROWN LANDS AND SURVEY.

ACT 391.—SECOND SCHEDULE.

A STATEMENT of Trusts having been submitted by the head or authorized representative of the denomination of the Presbyterian Church of Victoria under the provisions of the "Act to provide for the Abolition of State Aid to Religion," for allowance by the Governor, the same was allowed by him on the twenty-seventh day of November, 1957, and the following is the form in which such statement of trusts has been allowed:—

STATEMENT OF TRUSTS.

Description of Land.—I acre 3 roods 8 perches, Township of Hamilton, Parish of North Hamilton, County of Dundas, being allotment 6, section 16A: Commencing at the intersection of the south-western alignment of McIntyre-street and the north-western alignment of Griffin-street; bounded thence by Griffin-street bearing S. 49 deg. 0 min. W. 400 links; by allotments 14 and 5 bearing N. 41 deg. 0 min. W. 450 links; by Gray-street bearing N. 49 deg. 0 min. E. 400 links; and thence by McIntyre-street bearing S. 41 deg. 0 min. E. 450 links to the point of commencement.

Name of Trustees.—The Presbyterian Church of Victoria Trusts Corporation.

Powers of Disposition.—With the consent of the General Assembly of "The Presbyterian Church of Victoria," to mortgage, sell, lease, exchange, and transfer, and grant easements over the said land, or any part or parts thereof, and, subject to such powers and the exercise thereof, to hold the said land, or so much thereof as may from time to time remain vested in the said trustees, upon such trusts for the said Presbyterian Church of Victoria, and for such purposes, and with and subject to such powers and provisions as are contained in the document enrolled by the Registrar-General of the State of Victoria, pursuant to the provisions of the *Presbyterian Trusts Act 1890*, and styled "The Presbyterian Church of Victoria Model Trust Deed for Church Site."

Purposes to which Proceeds of Disposition are to be Applied.—To pay the money coming to the hands of such trustees by virtue of any such power of disposition to the treasurer for the time being of the Presbyterian Church of Victoria, to be by him applied first in payment of all incidental costs, next in payment to the said Presbyterian Church of Victoria of all deductions heretofore or hereafter to be authorized by the General Assembly of the said church, and as to the residue for such purposes as the said Assembly has heretofore authorized or may hereafter authorize.

As witness the hand of the Governor of the State of Victoria, this twenty-seventh day of November, 1957.

DALLAS BROOKS,
Governor of the State of Victoria.

LANG LANG WATERWORKS TRUST.

By-LAW No. 2.

THE Lang Lang Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

PART I.—INTERPRETATION.

Definitions.

1. In this By-law unless inconsistent with the context or subject matter—

"The Act" means the Water Acts.

"Fittings" includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying supplying storing or regulation of the flow of water in or derived from a main pipe.

"Main Pipe" means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

"Person" includes a Corporation or Company.

"Private Service" means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

"Proper Officer" means any employee of the Trust authorized to execute any function on behalf of the Trust.

"Service Pipe" means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

"Trust" means the Lang Lang Waterworks Trust.

"Works" means works of or in connexion with the laying constructing altering disconnecting removing repairing renewing or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter repair or in any manner interfere with any pipe of the Trust or any service pipe tap or meter or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix alter repair or in any manner interfere with any such main pipe service pipe tap meter or other fitting as aforesaid.

Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound (£1), and for each renewal Five shillings (5s.).

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) without having given to the Trust not less than two (2) days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in on or in respect of which it is proposed to execute such works and the time or times (being between the hours of 8

a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode form strength material construction dimensions and arrangement of all pipes fittings and structures intended to be used in the execution of such works.

(iii) in the case of every private service containing any service pipe of diameter larger than two inches (2 in.) a properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works showing thereon all buildings erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon.

Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i) (ii) and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the Proper Officer of the Trust the completion of any new work extensions or repairs in connexion with any service within twenty-four (24) hours of effecting same.

Carrying Out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

(a) execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust by the Proper Officer of the Trust; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust; and

(c) use materials of the description quality kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work, on over or through any private property, or any street road park reserve or other public place or property; and

(f) pay all fees payable to the Council of a Municipality or other Authority having control thereof for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the Municipal Council or other Authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Trust; and

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore other than three-quarters of an inch ($\frac{3}{4}$ in.).

(b) No person shall connect or affix to the Trust's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which has a diameter exceeding

the appropriate diameter listed in the schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served, or to the anticipated annual consump-

tion of water at the said property, as demonstrated to the satisfaction of the Proper Officer of the Trust and certified to under his hand, whichever is the larger—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed in Inches.

Over £1,000 but not over £2,000	.. Over 1,500,000 gallons, but not over ..	3,000,000 gallons, 2

Depth of Service Pipes.

9. No person shall lay construct repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than twelve inches (12 in.) below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road street lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than eighteen inches (18 in.) below the surface of the ground or at such greater depth as the Council of the Municipality having control of the said road street lane or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- (a) lay, construct or alter any private service or any part thereof,
- (b) erect or construct any building erection or structure—

in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection repair and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-Tap, &c.

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two (2) high pressure screw-down stop-taps, one (1) of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connexions.

12. No person shall permit or suffer any fluid solid or gas which in the opinion of the Proper Officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch ($\frac{1}{2}$ in.) above the highest possible water level in the said cistern tank or receptacle.

Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw down high pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a half-

inch ($\frac{1}{2}$ in.) testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or

- (b) By direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connexion with a private service unless the same shall comply in all respects with the following specifications:—

- (a) That part of any service pipe (including any bend, elbow or other fitting therefor) which extends in a thoroughfare from a water main to, and including the high pressure screw down stop-tap required to be fixed, pursuant to clause 11 hereof, and all meter connexions shall be of the materials hereinafter set forth, that is to say:—

(i) Where the diameter of the service pipe is two inches (2 in.) or less—copper or brass; and

(ii) Where the diameter of the service pipe is greater than two inches (2 in.)—copper, brass, galvanized iron, cast iron, welded mild steel or asbestos cement.

- (b) All materials, pipes, bends, junctions, fittings and apparatus shall be of the best quality of their respective kinds, sound, new and free of defects and shall comply with relevant specifications of the Standards Association of Australia where such specifications have been issued.

- (c) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.

- (d) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.

- (e) All ends of galvanized wrought iron and brass pipes bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.

- (f) All stop-taps and bib-taps shall be screw down high pressure taps made of hard brass or gun-metal.

- (g) Galvanized iron piping shall comply with the specification of the Australian Standard for steel tubes and tubulars, and shall be of the following diameters and dimensions:—

Nominal Bore of Pipe.	Approximate Outside Diameter.	S.W.G.	Thickness.	Sockets—Approximate Outside Diameter.	Sockets—Minimum Length.

PART V.—CONNEXIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one (1) service pipe or private service for the supply of water for domestic purposes to any one (1) tenement.

Connexion to Main Pipe.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angled bend of copper alloy is properly and securely attached.

Size of Tappings Permitted.

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

MAXIMUM DIAMETER OF TAPPING IN INCHES.

Diameter of Main Pipe in Inches.	Without Tapping Saddle (Cast-iron Main Pipes Only.)	With Tapping Saddle.

9	$1\frac{1}{2}$	$2\frac{1}{4}$
Over 9	2	$2\frac{1}{2}$

Tapping Fees.

- (b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Twenty shillings (20s.).

Position of Stop-taps.

18. A high pressure screw down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- between the main pipe and the building line within six (6) feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the Municipality in which the service is laid.
- where a meter is fixed, between the meter and the upper inlet bend thereto.
- where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet (6 ft.) inside the building line.

PART VI.—REPAIR.

Repair of Service Pipes.

19. Any person using any private service shall at all times keep same in proper repair.

Trust Can Repair Service Pipe in Certain Circumstances.

20. If any person refuses neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Trust so to do the Trust by its Proper Officers servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Trust, or the Trust may stop the water flowing into such tenement either by cutting off the service pipe or otherwise as the Trust may see fit, until the necessary repairs have been effected.

PART VII.—METERS.

Meters Supplied and Maintained.

- (a) Except as permitted in clause 34 of this By-law, and where no meter has been installed by the Trust, no person shall use any service for the supply of water unless the whole of the water supplied to such service passes through a meter where it has been installed by the Trust.
- (b) Such meters will be provided and maintained by the Trust and every person before installing a private service shall ascertain from the Trust the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—
 - The meter shall be located within the property and not more than six feet (6 ft.) from the building line.
 - The meter shall be in an easily accessible position protected from accidental damage.
 - The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
 - The meter shall be fixed truly level on a solid foundation of brick stone or concrete the top of which foundation is level with or above the surface of the ground.
 - All washers used for connexion couplings for meters shall be made of leather.
- (c) Pending connexion of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct place stack or store or permit or suffer to be constructed placed stacked or stored any building erection material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act matter or thing whereby inspection of such meter shall be prevented obstructed or in any way rendered difficult or interfered with.

Replacement and Testing of Meter.

23. (a) The Trust may at any time replace or remove for test any meter attached to any private service.

Fees Returned in Certain Circumstances.

- (b) Any consumer may at any time request the Trust in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Trust the sum of One pound (£1). The Trust shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Trust may retain such sum of One pound (£1) in satisfaction of the fee for testing meter hereinbefore prescribed but if such meter is found to be registering incorrectly such sum of One pound (£1) shall be returned to such consumer.

Consumer Leaving Tenement to Notify Trust.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust in writing at least six (6) days notice of his intention to do so.

PART VIII.—MISUSE AND WASTE.*Supply Restricted to One Tenement Only.*

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks and Troughs.

26. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism, efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

Water Closets and Urinals.

27. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

Baths.

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than one hundred (100) gallons of water.

No Overflow Pipe on Baths.

29. No person shall affix an overflow pipe to any bath.

Wasting of Water.

30. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

Sale of Water.

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust and no person shall sell any water supplied by the Trust.

Fire Brigades.

32. No person other than a servant or agent of the Council of the Shire of Cranbourne or the Country Fire Authority in the execution of his duty as such servant or agent shall without the written permission of the Trust open close or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the Municipality Corporation or body having the care and management of a public park public garden or reserve for public purposes shall without the previous consent of the Trust open close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in on or connected with any service pipe used for the supply of water to such park, garden or reserve.

PART IX.—PRIVATE FIRE SERVICES.*Private Fire Services.*

34. (a) Private fire services comprising pipes and fittings not exceeding six inches (6 in.) in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of Fifteen shillings (15s.) per annum. Every such fire service shall be sealed. Except in case of fire no person shall, without the authority of the Trust, willfully break the seal affixed to any private fire service and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within twenty-four (24) hours thereafter give notice in writing of the fact at the office of the Trust, and except in the case of a fire he shall pay a resealing fee of Fifteen shillings (15s.). No water shall be taken from any sealed portion of a private service except for extinction of fire.
- (b) Except as expressly provided in sub-clause (a) of this Clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.
- (c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.
- (d) Any application for a fire service shall be made by the owner of the premises and in writing to the Trust.
- (e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Trust may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

PART X.—INSPECTIONS.*Inspections.*

35. Any person authorized by the Trust in that behalf either generally or for any class of cases or in any particular case may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service or any part thereof or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works.
- (c) For any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct hinder impede resist oppose or refuse admission to any premises by the Proper Officer or any person duly authorized in that behalf by the Trust, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART XI.—PENALTIES.*Penalties.*

37. Any person who commits any breach of any of the provisions of this By-law shall be liable to a penalty of not more than Five pounds (£5), and in the case of a continuing offence to a further penalty not exceeding Five pounds (£5) for every day after notice of the offence from the Trust.

Clerk of the Executive Council.

SHIRE OF ARARAT WATERWORKS TRUST.

BY-LAW No. 10.

THE Shire of Ararat Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks Districts:—

PART I.—INTERPRETATION.

Definitions.

1. In this By-law, unless inconsistent with the context or subject-matter—

"The Act" means the Water Acts.

"Fittings" includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying, supplying, storing, or regulation of the flow of water in or derived from a main pipe.

"Main pipe" means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

"Person" includes a corporation or company.

"Private service" means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

"Proper Officer" means any employee of the Trust authorized to execute any function on behalf of the Trust.

"Service pipe" means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

"Trust" means the Shire of Ararat Waterworks Trust.

"Works" means works of or in connexion with the laying, constructing, altering, disconnecting, removing, repairing, renewing, or maintaining of a private service, or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

PART II.—LICENSING OF PLUMBERS.

Unlicensed Persons Not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter, repair, or in any manner interfere with any pipe of the Trust or any service pipe, tap, or meter or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix, alter, repair, or in any manner interfere with any such main pipe, service pipe, tap, meter, or other fitting as aforesaid.

Period of Licences. Cancellation of Licences. Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound, and for each renewal Five shillings.

Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

Notice of Works to be Given.

5. No person shall execute any works (except such works as are authorized by sections 191 and 194 of the Water Act 1928)—

(a) without having given to the Trust not less than two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do, specifying the tenement in, on or in respect of which it is proposed to

execute such works and the time or times (being between the hours of 8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works,

(ii) a complete specification in writing of the works proposed to be done setting out the mode, form, strength, material, construction, dimensions, and arrangement of all pipes, fittings, and structures intended to be used in the execution of such works,

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches a properly prepared plan drawn to a scale specified thereon of the premises in, on or in respect of which it is proposed to execute the said works, showing thereon all buildings, erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon. Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision;

(b) contrary to or not in conformity with this By-law or such notice, specification, and plan mentioned in sub-paragraphs (i), (ii) and (iii) of paragraph (a) of this clause.

Plumbers to Report.

6. Each licensed plumber shall report to the Proper Officer of the Trust the completion of any new work, extensions or repairs in connexion with any service within 24 hours of effecting same.

Carrying Out of Plumbing Work.

7. Every licensed plumber shall in carrying out any work of water supply—

(a) execute the work in accordance with the provisions of the Act and of the By-laws of the Trust and any special directions or orders given or issued thereunder by the Trust by the Proper Officer of the Trust; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Trust; and

(c) use materials of the description, quality, kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street, road, park, reserve or other public place or property;

(f) pay all fees payable to the council of a municipality for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Trust; and

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

8. (a) No service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of clause 34 of this By-law) which supplies water otherwise than by measure to any tenement shall have a bore exceeding $\frac{1}{2}$ inch.

(b) No person shall connect or affix to the Trust's mains any service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions

of clause 34 of this By-law) which has a diameter exceeding the appropriate diameter listed in the Schedule hereunder written corresponding either to the net annual valuation of the property to be served, or to the anti-

pated annual consumption of water at the said property as demonstrated to the satisfaction of the Proper Officer of the Trust and certified to under his hand, whichever is the larger—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed (in Inches).
Not over £150	Not over 200,000 gallons	$\frac{1}{2}$
Over £150 but not over £300	Over 200,000 gallons, but not over 500,000 gallons	1
Over £300 but not over £500	Over 500,000 gallons, but not over 800,000 gallons	$1\frac{1}{2}$
Over £500 but not over £1,000	Over 800,000 gallons, but not over 1,500,000 gallons	$1\frac{1}{2}$
Over £1,000 but not over £2,000	Over 1,500,000 gallons, but not over 3,000,000 gallons	2

Depth of Service Pipes.

9. No person shall lay, construct, repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road, street, lane or right-of-way or where it may be exposed to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the council of the municipality having control of the said road, street, lane or right-of-way may require.

Access to Service Pipes.

10. No person shall—

- (a) lay, construct or alter any private service, or any part thereof,
- (b) erect or construct any building, erection or structure—

in such place, position or manner that any part of such private service is not easily accessible for the purposes of inspection, repair and renewal unless such part is comprised of copper piping and copper fittings.

Arrangement of Stop-tap, &c.

11. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right-angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable, in which case such services shall be provided with two high-pressure screw-down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of clause 18 of this By-law.

Cross Connexions.

12. No person shall permit or suffer any fluid, solid or gas, which in the opinion of the Proper Officer of the Trust is capable of polluting water supplied by the Trust, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Trust.

Where any service pipe is connected to any cistern, tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe, and the said outlet shall be not less than $\frac{1}{2}$ inch above the highest possible water level in the said cistern, tank or receptacle.

Connexions to Steam Boilers.

13. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe, in which case a screw-down high-pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a $\frac{1}{2}$ -in. testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or
- (b) by direct connexion from a service pipe, together with an injected supply from a storage tank or condensate sump in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

Specifications for Piping and Materials.

14. No person shall use any pipe or fittings in or in connexion with a private service, unless the same shall comply in all respects with the following specifications:—

- (a) The whole of the pipes and fittings shall be of the best quality galvanized wrought-iron, copper, brass, cast-iron, welded mild steel or asbestos cement, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought-iron piping) properly galvanized throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (d) All ends of galvanized wrought-iron and brass pipes, bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, toes or fittings.
- (e) All stop-taps and bib-taps shall be screw-down high-pressure taps made of hard brass or gun-metal.

PART V.—CONNEXIONS TO MAINS.

One Service Pipe to Each Tenement.

15. No person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

Connexion to Main Pipe.

16. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule to which a right-angle bend of copper alloy is properly and securely attached.

Size of Tappings Permitted.

17. (a) The maximum diameters of tappings that will be permitted for main pipes of the respective diameters set out hereunder, and for cases where the tapping is made with or without a tapping saddle, are as follows:—

Diameter of Main Pipe in Inches.	Without Tapping Saddle (Cast-Iron Main Pipes Only).	With Tapping Saddle.
3	$\frac{3}{4}$	$1\frac{1}{2}$
4	$\frac{3}{4}$	$1\frac{1}{2}$
5	1	$1\frac{1}{2}$
6	1	$2\frac{1}{2}$
7	1	$2\frac{1}{2}$
8	$1\frac{1}{2}$	$2\frac{1}{2}$
9	$1\frac{1}{2}$	$2\frac{1}{2}$
Over 9	2	$2\frac{1}{2}$

Tapping Fees.

(b) No person shall affix or connect or cause to be affixed or connected any service pipe to any main pipe without having first paid to the Trust a tapping fee of Forty shillings.

Position of Stop-taps.

18. A high-pressure screw-down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) Between the main pipe and the building line within 6 feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the municipality in which the service is laid;
- (b) where a meter is fixed, between the meter and the inlet bend thereto;
- (c) where a meter is not fixed, on the service pipe above the ground in an accessible position not more than 6 feet inside the building line.

*PART VI.—REPAIR.**Repair of Service Pipes.*

19. Any person using any private service shall at all times keep same in proper repair.

Trust Can Repair Service Pipe in Certain Circumstances.

20. If any person refuses, neglects or delays to have any private service, or any part thereof, used by him properly repaired after having been required in writing by the Proper Officer of the Trust so to do the Trust by its Proper Officers, servants or agents may enter into or upon any premises supplied by such private service, or any part thereof, and may where necessary repair or renew such private service, or any part thereof, so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal, and such cost and expense shall be a debt due by such person to the Trust.

*PART VII.—METERS.**Meters Supplied and Maintained.*

21. (a) Except as permitted in clause 34 of this By-law, no person shall use any private service save for the supply of water solely for domestic purposes, exclusive of the watering of any garden, unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Trust, and every person before installing a private service shall ascertain from the Trust the size of meter to be installed and shall make provision in the arrangement and construction of the private service for connexion of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than 6 feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connexions or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick, stone or concrete, the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connexion couplings for meters shall be made of leather.

(c) Pending connexion of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

Restriction of Access to Meter.

22. No person shall construct, place, stack or store or permit or suffer to be constructed, placed, stacked or stored any building, erection, material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act, matter or thing whereby inspection of such meter shall be prevented, obstructed or in any way rendered difficult or interfered with.

Replacement and Testing of Meter.

23. (a) The Trust may at any time replace or remove for testing any meter attached to any private service.

Fees Returned in Certain Circumstances.

(b) Any consumer may at any time request the Trust, in writing, to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Trust the sum of One pound. The Trust shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Trust may retain such sum of One pound in satisfaction of the fee

for testing meter hereinbefore prescribed, but if such meter is found to be registering incorrectly such sum of One pound shall be returned to such consumer.

Consumer Leaving Tenement to Notify Trust.

24. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Trust, in writing, at least six days' notice of his intention to do so.

*PART VIII.—MISUSE AND WASTE.**Supply Restricted to One Tenement Only.*

25. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

Cisterns, Tanks and Troughs.

26. No person shall use or permit or suffer the use of any private service, or any part thereof, for the supply of water to any cistern, tank or water trough unless such cistern, tank or water trough is watertight and is provided with an equilibrium ball-valve or other mechanism efficiently regulating the flow of water thereinto in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this clause water trough means a water trough used for the supply of water to animals.

Water Closets and Urinals.

27. No person shall construct, lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet, or any part thereof, save through a cistern or tank.

Baths.

28. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

No Overflow Pipe on Baths.

29. No person shall affix an overflow pipe to any bath.

Wasting of Water.

30. No person supplied with water by the Trust shall waste the same or permit or suffer the same to run to waste.

Sale of Water.

31. No person shall take or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Trust, and no person shall sell any water supplied by the Trust.

Fire Brigades.

32. No person other than a servant or agent of the Council of the Municipality of the Shire of Ararat or the Willaura Urban Fire Brigade in the execution of his duty as such servant or agent shall without the written permission of the Trust open, close or otherwise interfere with any hydrant attached to any main pipe.

Taps in Parks and Reserves.

33. No person other than a servant or agent of the Municipality Corporation or body having the care and management of a public park, public garden or reserve for public purposes shall without the previous consent of the Trust open, close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in, on or connected with any service pipe used for the supply of water to such park, garden or reserve.

*PART IX.—PRIVATE FIRE SERVICES.**Private Fire Services.*

34. (a) Private fire services comprising pipes and fittings not exceeding 6 inches in diameter and without meters may be permitted at the expense of the owner of the premises, subject to the payment of a fee of One pound per annum. Every such fire service shall be sealed. Except in case of fire no person shall without the authority of the Trust wilfully break the seal affixed to any private fire service, and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within 24 hours thereafter give notice, in writing, of the fact at the office of the Trust, and except in the case of a fire he shall pay a resealing fee of One pound. No water shall be taken from any sealed portion of a private service except for extinction of fire.

(b) Except as expressly provided in sub-clause (a) of this clause, all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright-red paint, which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and in writing to the Trust.

(e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Trust may by notice in writing to the owner withdraw permission for the private fire service, and such service shall thereupon be disconnected.

PART X.—INSPECTIONS.

Inspections.

35. Any person authorized by the Trust in that behalf, either generally or for any class of cases or in any particular case, may at all reasonable times—

- (a) enter into or upon any premises for the purpose of inspecting and may inspect any private service, or any part thereof, or any works in course of execution therein or thereon, and/or
- (b) enter into or upon any premises for the purpose of superintending the execution of any works in course of execution therein or thereon and may give to the owner or occupier of such premises or any person engaged in executing such works any directions or instructions necessary for the purpose of ensuring that all relevant provisions of this By-law shall be duly complied with and observed during and in connexion with the execution of such works,
- (c) for any such purpose as aforesaid may dig or excavate in or upon any such premises.

Hindering of Inspections.

36. No person shall obstruct, hinder, impede, resist, oppose or refuse admission to any premises by the Proper Officer or any person duly authorized in that behalf by the Trust, or shall fail or neglect to carry out and observe all lawful directions and instructions given by him.

PART XI.—PENALTIES.

Penalties.

37. Any person who commits any breach of any of the provisions of this By-law shall be liable to a penalty of not more than Five pounds (£5), and in the case of a continuing offence to a further penalty not exceeding Five pounds (£5) for every day after notice of the offence from the Trust.

SHIRE OF ARARAT WATERWORKS TRUST.

BY-LAW No. 11.

Standing Orders for Regulating and Appointing the Place and Hour of Meetings of the Shire of Ararat Waterworks Trust, and Providing for the Management and Conduct of Business Thereat.

THE Shire of Ararat Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks Districts:—

1. In all cases not provided for by the Acts of Parliament of Victoria relating to authorities, or by this By-law, resort shall be had to the rules, forms, and usages of the Parliament of Victoria, which shall be followed so far as the same are applicable to the proceedings of the Trust.

2. *Place and Hour of Meetings.*—Meetings of the Trust shall be held periodically on the third Monday in the month, at 2.15 o'clock p.m., at the Shire Hall, Ararat. Upon notice of motion the time, day and hour of the

meeting may be altered by a majority of the Commissioners. A notice of every regular meeting of the Commissioners shall be, by the Trust Secretary, delivered or sent by post, addressed to the usual address of the Commissioner, three clear days at least prior to the day on which such intended meeting is to be held.

3. *Meeting, Resolutions at, Not to be Revoked.*—No resolution at any meeting of the Commissioners shall be revoked or altered at any subsequent meeting, unless notice of intention to propose such revocation or alteration be given by the Trust Secretary to each of the Commissioners seven days at least before holding the meeting, nor unless such revocation or alteration be determined upon by a majority consisting of at least two-thirds of the Commissioners present at such subsequent meeting (if the number of the Commissioners present at such subsequent meeting be not greater than the number present when such resolution was come to), or by majority if the number of Commissioners present at such subsequent meeting be greater than the number present at such former meeting.

4. *Business, &c., Order of, Minutes.*—At every meeting of the Commissioners the first business thereof shall be reading and putting a question for the confirmation of the minutes of the proceedings at the preceding meeting, and no discussion shall be permitted thereon, except as to their accuracy as a record of the proceedings, and the rough minutes of the proceedings of the Commissioners at any meeting shall be read at the close of such meeting, if required by any Commissioner present at such meeting.

5. After the signing of the minutes by the Chairman, the order of the business of any ordinary meeting shall be as follows, or as near thereto as may be practicable; but for the greater convenience of the Commissioners at any particular meeting thereof it may be altered by resolution to that effect:—

- (1) Reading of copies of letters sent by the authority of the Commissioners, if called for.
- (2) Reading letters received, and considering and ordering thereon.
- (3) Reception and reading of petitions and memorials.
- (4) Receiving deputations from the ratepayers.
- (5) Presentation of reports of committees and officers.
- (6) Payments.
- (7) Orders of the day, including subjects continued from proceedings of former meetings, and any business the Chairman may think desirable.
- (8) Other motions of which previous notice has been given.
- (9) Notices of motion and the order of business at a special meeting shall be the order in which such business stands in the notice thereof.

6. *Titles, Official.*—The Commissioners, in meeting, shall designate each other by their official titles, namely, that of Chairman or Commissioner, as the case may require.

7. *Who to Speak.*—If two or more Commissioners rise to speak at the same time, the Chairman shall decide which is entitled to priority.

8. *Chairman to Rise Whilst Addressing Meeting.*—The Chairman shall rise in addressing the Commissioners to discuss any question, and shall not leave the Chair on such occasions.

9. *Commissioners Not to Speak Twice on the Same Question.*—No Commissioner shall speak twice on the same question, unless entitled to reply, or in the explanation when he has been misrepresented or misunderstood.

10. *Points of Order.*—The Chairman, when called upon to decide on points of order or practice, shall state the provision, rule, or practice which he deems applicable to the case, without discussing or commenting on the same, and his decision as to order or explanation in each case shall be final.

11. *Commissioners Not to Digress or Impute Improper Motives.*—No Commissioner shall digress from the subject-matter of the question under discussion, nor impute improper motives, and all personal reflections on Commissioners shall be deemed disorderly, and every Commissioner so doing shall, upon being called to order by the Chairman, apologize for such conduct, and withdraw such imputations or reflections, as the case may be.

12. A Commissioner called to order shall sit down unless permitted to explain.

13. *Persons Not Commissioners to Leave When Requested.*—No person not being a Commissioner who, having been admitted to any meeting of the Commissioners, shall be guilty thereof of any improper or disorderly conduct, and every such person shall leave such meeting when requested by the Chairman to do so.

14. *Call of the Commissioners.*—No Commissioner shall absent himself from any meeting held in compliance with an order for a call of the whole Commissioners without reasonable excuse to the satisfaction of the majority thereof.

15. *Documents to be Produced.*—Any Commissioner may of right demand the production of any of the documents of the Trust applying to the question under discussion.

16. *Motions, Amendments, and Notice Thereof.*—All notices of motion shall be in writing, dated, and numbered, and given by the intending mover to the Trust Secretary at the close of meeting of the Commissioners, or if not given at the meeting then seven days prior to the day which the next meeting of the Commissioners is to take place, and the Secretary shall enter the same in the notice of motion book, in the order in which they may be received.

17. *No Motion Without Notice.*—No Commissioner shall make any motion initiating a subject for discussion, except in pursuance of notice given as prescribed in the last preceding clause.

18. *Motions on Petitions.*—No motion, except that for receiving the same, shall, unless under most urgent circumstances, be made on any petition, memorial or other like application until the next ordinary meeting of the Commissioners after that at which it has been presented.

19. *Motions to be Moved in Order.*—Except by leave of the Commissioners, motions shall be moved in the order in which they have been received and recorded by the Trust Secretary in the notice of motion book, and if not so moved or postponed shall be struck out.

20. *Motions Not to be Proceeded with in the Absence of the Mover.*—No motion entered in the notice of motion book shall be proceeded with in the absence of the Commissioner who gave notice of the same, unless by some other Commissioner producing written authority from him to that effect.

21. No motion for an address of petition shall be entertained unless the mover shall, at some previous meeting, have submitted a draft of the same.

22. *Mover of Motion or Amendment Not to be Interrupted.*—Any Commissioner desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the Chairman, and shall not be interrupted unless called to order, when he shall sit down until the Commissioner calling to order shall have been heard thereon, and the question or order disposed of, when the Commissioner in possession of the chair may proceed with the subject.

23. *Nature of Motion to be Stated.*—Any Commissioner desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Commissioners thereon.

24. *Leave to be Obtained Before Motion Withdrawn.*—No motion or amendment shall be withdrawn without the leave of the Commissioners.

25. *Motions to be Seconded Prior to Discussion.*—No motion or amendment shall be discussed or put to the vote of the Commissioners unless it be seconded; but a Commissioner may, however, require the enforcement of any standing order of the Commissioners by directing the Chairman's attention to the infraction thereof.

26. *Mover and Not the Seconder Held to Have Spoken.*—A Commissioner moving a motion shall be held to have spoken thereon, but a Commissioner merely seconding shall not be held to have spoken upon it.

27. *Motion to be in Writing.*—At every meeting of the Commissioners, all motions, whether original motions or amendments, shall be reduced to writing, signed by the mover, and be delivered to the Chairman immediately on their being moved and seconded.

28. *Amendments.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

29. *Amendment to Become the Question.*—If an amendment be carried, the amendment shall become itself the question, whereupon any further amendment upon any portion of the question may be moved.

30. *Second Amendment May be Moved.*—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Commissioners for discussion at a time.

31. *Right of Mover to Reply.*—The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which question shall be put from the Chair, but no Commissioner shall

be allowed to speak more than once on the same question, unless permission be given to explain or the attention of the Chair be called to a point of order.

32. *Adjournment, Motion for.*—No discussion shall be allowed on any motion for adjournment of the Commissioners, but if, on the question being put, the motion be negatived, the subject then under consideration, the next on the notice paper shall be discussed, or any other that may be allowed precedence before any subsequent motion of adjournment be made.

33. *Protest, Commissioners May.*—Any Commissioner may protest against any resolution of the Commissioners, and notice of intention to protest shall, in every case, be given forthwith on the adoption of the resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Commissioners by the protesting Commissioner in a book to be kept for that purpose in the Trust Secretary's office, and signed by such Commissioner, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Commissioners to be not in accordance with truth or in its terms disrespectful to the Commissioners.

34. *Lapsed Questions.*—If a debate on any motion moved and seconded be interrupted by the number of Commissioners present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

35. *Order of the Day to be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of numbers as aforesaid happening, such order may be restored to the notice book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

36. *Voting.*—Whenever a division shall be demanded by any Commissioner, the Commissioners voting in the affirmative shall first hold up their hands, and all those voting in the negative shall then hold up their hands, and result be declared by the Chairman. The Chairman shall have a deliberate vote, and in case of an equal division he shall have a casting vote, and every Commissioner present shall vote except he be disabled by law from doing so.

37. *Questions to be Put.*—The Chairman shall, in taking the sense of the Commissioners, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.

38. *Contents of Petitions.*—It shall be incumbent on every Commissioner presenting a petition to acquaint himself with the contents thereof, and to ascertain that it does not contain language disrespectful to the Commissioners, and that the contents do not violate any by-law or any provision thereof.

39. *Name at Beginning of Petition.*—Every Commissioner presenting a petition to the Commissioners shall write his name at the beginning thereof.

40. *Petition to be in Writing.*—Every petition shall be in writing and not printed or lithographed, and shall contain the prayer of the petitioner at the end thereof, and be signed by at least one person on every sheet on which it is written.

41. *How Signed.*—Every petition shall be signed by the persons whose names are appended thereto by their names or marks and by no one else, except in cases of incapacity by sickness.

42. *No Letters, &c., to be Attached.*—No letters, affidavits, or other documents shall be attached to any petition.

43. *Presentation of Petitions.*—Every Commissioner presenting a petition to the Commissioners shall confine himself to a statement of the persons from whom it comes, of the number of signatures attached to it, of the material allegations contained in it, and to the reading of the prayer thereof.

44. *Deputations.*—Deputations from the ratepayers wishing to be heard before the Commissioners in support of any petition, or otherwise, must send in an application in writing, to the Trust Secretary, at least three clear days before the meeting of the Commissioners at which such petition is intended to be presented.

45. *Cheques to be Signed.*—All cheques shall be signed by two Commissioners, and countersigned by the Secretary.

46. *Appointment to Permanent Office.*—No appointment to any permanent office at the disposal of the Commissioners shall take place until seven clear days' public

notice shall have been given by advertisement in one or more newspapers circulating in the Shire of Ararat, inviting applications from qualified candidates for same.

47. *Salaries to be Fixed.*—The salary or allowance attached to all offices and places at the disposal of the Commissioners shall, in all cases, be fixed before they proceed to appoint any person to fill the same.

48. *Commissioners, &c., Not to be Surety.*—No Commissioner or officer of the Commissioners, and no assessor or auditor, shall be received as a surety for any officer appointed by the Commissioners, or for any work to be done for the Commissioners.

49. *Contracts.*—In all cases of security being given for the faithful performance of any contract, the expenses of preparing such security shall be borne by the person providing the same.

50. *Plans, &c.*—All the plans and specifications for any public work shall be laid before the Commissioners at least six days prior to the same being considered and ordered upon, and be open for inspection by any Commissioner during that time, except in cases of emergency.

51. *Secretary to Expend Moneys.*—It shall be lawful for the Secretary from time to time, on the written order of the Chairman, to disburse such moneys as shall have been appropriated by the Commissioners for the purposes of this clause, and as shall be required for any necessary occasion not exceeding in the whole in an interval between two ordinary meetings of the Commissioners the sum of Ten pounds.

52. *Addresses to the Governor, &c.*—All addresses to the Governor shall be presented by the Chairman and Trust Secretary, unless otherwise ordered by the Commissioners.

53. *Suspension of Regulations.*—Any one or more of the rules and provisions herein contained may be suspended for a special purpose on motion upon notice being given, and shall not otherwise be suspended except by a unanimous vote of the Commissioners.

54. *Penalty.*—Every person who shall so offend against this By-law shall be liable to a penalty not exceeding Five pounds for each such offence.

55. *Common Seal.*—The common seal of the Trust shall be kept in a locked box, of which the key shall be kept by the Trust Secretary, and the corporate seal shall not be affixed to any document unless the Chairman of the Trust and the Secretary, or in the absence of the Chairman, unless two Commissioners and the Secretary be present.

SHIRE OF KANIVA WATERWORKS TRUST.

RATING BY-LAW FOR 1958 IN THE URBAN DISTRICT OF KANIVA.

THE Chairman and Commissioners of the Shire of Kaniva Waterworks Trust, in pursuance of the powers conferred by the Water Acts, do hereby make the following By-law:—

The following rate and charges are those which the occupiers or owners of lands and tenements liable to be rated shall pay for the year 1958 in respect of water supplied by the Trust within the Urban District of Kaniva, as such district has been proclaimed and defined.

For the supply of water for domestic purposes, a rate is hereby made of Two shillings in the pound on the annual municipal valuation of such lands and tenements. Provided that in no case shall the amount of the rate payable in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of land on which there is no building less than Ten shillings.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Fifteen pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Eighteen pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust shall be an amount equal to the district rate of Two shillings in the pound on the

valuation of the property by the Trust, provided that such charge shall not be less than Forty shillings. Allowance and excess water to be at district charge per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Public Institutions and Others.—The charge for water supplied to all Government Departments shall be by special agreement, or shall be an amount equal to the district rate of Two shillings in the pound on the valuation of the property by the Trust, provided that such charge shall not be less than Forty shillings. Meter to be installed if required by Trust; allowance and excess water to be at district charge per 1,000 gallons. Water supplied to churches and public hospitals shall be by measure at Fifteen pence per 1,000 gallons. For water supplied to parks and recreation grounds, and cricket, bowling, or tennis clubs, the charge shall be subject to arrangements with the Trust.

Water Troughs.—Private water troughs will be charged for at the rate of Twelve shillings per annum each, except where, in the opinion of the Trust, a meter shall be necessary, in which case the minimum charge shall be for 8,000 gallons per annum at Eighteen pence per 1,000 gallons.

Period of Rate.—That the above-mentioned rate is made for one year, commencing on the 1st day of January, 1958, and ending on the 31st day of December, 1958, and shall be due and payable on the 1st day of February, 1958, at the office of the said Trust.

Such persons as the Commissioners of the Trust may from time to time appoint for that purpose shall be authorized to demand and receive and collect and recover the said rate and charges.

By-law passed and adopted this 19th day of November, 1957.

(SEAL) THOS. J. ARTHUR, Chairman.
N. G. HAYNES, Secretary.

Approved 2nd December, 1957.—W. J. MIBUS, Minister of Water Supply.

BOROUGH ECHUCA WATER TRUST.

RATING BY-LAW FOR THE YEAR 1958.

THE Borough Echuca Water Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Twelve pence (12d.) in the pound on the net annual municipal valuation of land and tenements liable to be rated within the Borough Echuca Water Trust Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Five pounds, and in respect of land on which there is no building less than Four pounds.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1958, and shall be payable on the 10th day of January, 1958, at the office of the said Trust.

The maximum quantity of water to be supplied in any year without further charge to any property rated by the Trust is hereby fixed at a quantity which at a charge of One shilling and six pence per 1,000 gallons, would produce an amount equal to the amount of rate levied on the property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling and six pence per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the said Trust.

Passed this 11th day of November, 1957.

R. S. L. McDONALD, Commissioner.
K. F. McCARTNEY, Secretary.

Approved 2nd December, 1957.—W. J. MIBUS, Minister of Water Supply.

SHIRE OF KANIVA WATERWORKS TRUST.

RATING BY-LAW FOR 1958.

THE Shire of Kaniva Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for

domestic and ordinary use and for watering stock of Two pence in the pound on the annual municipal valuation of lands and tenements within the Waterworks District of the Trust, exclusive of the Urban District of Kaniva.

Such rate is made for one year, commencing on the 1st day of January, 1958, and ending on the 31st day of December, 1958, and shall be payable on the 1st day of February, 1958, at the office of the said Trust.

Such person or persons as the Commissioners of the Trust may from time to time appoint for that purpose shall be authorized to demand and receive and collect and recover the said rate.

By-law passed this 19th day of November, 1957.

N. G. HAYNES, Secretary.

Approved 2nd December 1957.—W. J. MIBUS, Minister of Water Supply.

MAFFRA WATERWORKS TRUST.

RATING BY-LAW No. 46 FOR THE YEAR 1958.

THE Maffra Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Twenty pence in the pound on the annual municipal valuation of lands and tenements liable to be rated in the Maffra Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Three pounds, and, in respect of any land on which there is no building, less than One pound.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1958, and shall be payable on the 2nd day of January, 1958, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which at a charge of Two shillings per 1,000 gallons would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity computed as in the last preceding clause is hereby fixed at One shilling per 1,000 gallons.

The charge for water supplied to any property not rated by the Trust will be fixed by special agreement with the Trust.

The charge for water supplied by measure shall be payable on demand at the office of the Trust.

Passed this 21st day of November, 1957.

*At the Executive Council Chamber, Melbourne, the
twenty-seventh day of November, 1957.*

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Rylah	Mr. McArthur
Mr. Porter	Mr. Fraser.

ROAD DISCONTINUED AS TO PART—CITY OF COBURG.

WHEREAS it is provided in section 527 (2) of the
Local Government Act 1946, that where a road
(whether or not a public highway, but not being a road
set out on land of the Crown) or any part thereof is not
required for public use, the Governor in Council, on the
request of the council of the municipality in which such
road is situated, made not less than one month after
publishing in a newspaper generally circulating in the
district and posting to the registered proprietor (if any)
of the land and any person known to have an interest
in the land, notice of intention to make such a request,
may, by Order published in the *Government Gazette*,
direct that such road or part shall be discontinued and
thereupon such road or part shall be discontinued
accordingly:

And whereas the Council of the City of Coburg has
requested that the Governor in Council direct that that
part of a road known as Bignell-street described here-
under be discontinued, and has not less than one month
previously published in a newspaper circulating in the
district and posted to all persons known to have an
interest in the land notice of intention to make such
request:

Now, therefore, His Excellency the Governor of the
State of Victoria, by and with the advice of the Executive
Council thereof, hereby directs that that part of a road
known as Bignell-street described hereunder shall be
discontinued and shall be sold by the Council of the
City of Coburg to the owner of land abutting part of the
southern boundary of the said part of Bignell-street,
and being lot 48, shown on lodged plan of subdivision
No. 12302:—

All that piece of land, being part of Crown
allotment 142 at Coburg, Parish of Jika Jika, com-
mencing at the north-western angle of lot 15 shown
on lodged plan of subdivision No. 2374, bounded
thence by lines bearing respectively south 0 deg.
30 min. east 165 ft. 6 in., west 0 deg. 28 min. north
50 feet, north 0 deg. 30 min. west 165 ft. 2 in. and
east 50 feet to the point of commencement.

And the Honorable Sir Thomas Karran Maltby, Her
Majesty's Commissioner of Public Works for the State
of Victoria, shall give the necessary directions herein
accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

Water Acts.

with the advice of the Executive Council of the said State, on the recommendation of the State Rivers and Water Supply Commission, doth hereby approve of the acquisition by the State Rivers and Water Supply Commission of all that land set out and described in the schedule hereto, which land is within the Tallangatta Urban Area.

SCHEDULE.

All those lands being part of Crown allotment 69d, Parish of Wagra, County of Benambra, being the whole of the land comprised in certificate volume 8039, folios 081 and 082.

And the Honorable Wilfred John Mibus, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

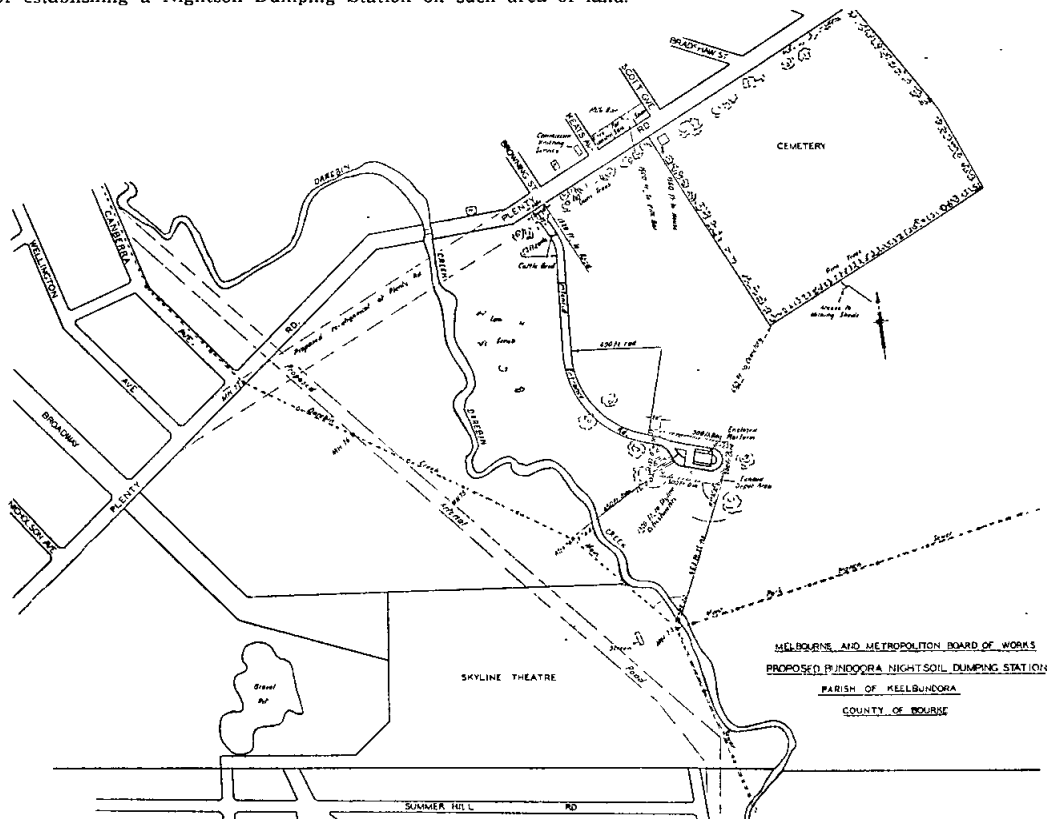

A. MAHLSTEDT,
Clerk of the Executive Council.

At the Executive Council Chamber, Melbourne, the twenty-seventh day of November, 1957.

His Excellency the Governor of Victoria.

WHEREAS under the provisions of paragraph (b) of sub-section (1) of section fifty-one of the *Health Act 1956* (No. 6024) the Melbourne and Metropolitan Board of Works may not take on lease, acquire, or purchase any land within the metropolis as defined by or under section three of the *Melbourne and Metropolitan Board of Works Act 1928* for the purpose of or associated with collecting, removing and disposing of nightsoil from pan closets on unsewered premises in such metropolis without the consent of the Governor in Council:

Now therefore I, the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, hereby consent to the issue to the Melbourne and Metropolitan Board of Works of a grant of permissive occupancy of an area of land in the Parish of Keelbundora, County of Bourke, as shown hachured on the plan annexed hereto together with a right to use the approach road shown on such plan for the purpose of establishing a Nightsoil Dumping Station on such area of land.

A. MAHLSTEDT,
Clerk of the Executive Council.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the twenty-seventh day of November, 1957.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Rylah	Mr. McArthur
Mr. Porter	Mr. Fraser.

ORDER APPROVING OF WIDENING AN EXISTING MAIN ROAD IN THE SHIRE OF BERWICK.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the existing Woori Yallock-Pakenham-Koo-wee-rup road in the Shire of Berwick (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 14th January, 1914 on page 91) should be widened by the said Board; And whereas the said Board in accordance with the requirements of section 19 of the said cited Act as amended by the *Country Roads Act 1956* (No. 5978) has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said widening is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being widened, that is to say:—

All those pieces of land in the Parish of Nar-Nar-Goon, the boundaries of which are as follow:—

RIVER IMPROVEMENT ACT 1948.

At the Executive Council Chamber, Melbourne, the third day of December, 1957.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Chandler | Mr. Cameron.
Mr. McArthur

LATROBE RIVER IMPROVEMENT TRUST—RATING DIVISIONS 1957.

WHEREAS by section 36 of the *River Improvement Act* 1948, it is provided, *inter alia*, that for the purpose of making and levying any river improvement rate, the properties to be rated may be arranged in so many and such divisions as are determined by the Governor in Council, having regard to the relative extent of the benefits which may be expected to be derived by such properties from the river improvement works for the district:

And whereas by Order made on the twenty-ninth day of November, 1953, the Governor in Council determined that the properties within the Latrobe River Improvement District should be arranged in eight divisions in the manner therein provided:

And whereas by section 17 of the afore-mentioned Act, the Governor in Council is empowered to make additional orders relating to any district and its river improvement authority, and in any such order to repeal any of the provisions of any previous order, and to make any order which might have been made in the original order constituting such district or the Trust therefor:

And whereas it is now considered to be desirable to determine that the number of such divisions shall be more than eight:

Now therefore, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, under the powers conferred by the *River Improvement Act* 1948, and all other powers enabling him

in that behalf, doth by this order repeal the provisions of the said order made on the twenty-ninth day of November, 1955, and doth hereby determine that the properties within the Latrobe River Improvement District shall be arranged in nine divisions in the manner hereinafter provided:—

- (1) That the said divisions shall be known as the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, and Ninth Divisions.
- (2) That the First Division shall comprise those lands coloured green on the plan titled "Latrobe River Improvement District Rating Divisions 1957", and approved by the Governor in Council and deposited in the office of the State Rivers and Water Supply Commission, at Melbourne—(Corres. No. 57/14739.)
- (3) That the Second Division shall comprise all those lands coloured brown on the said plan.
- (4) That the Third Division shall comprise all those lands coloured yellow on the said plan.
- (5) That the Fourth Division shall comprise all those lands coloured grey on the said plan.
- (6) That the Fifth Division shall comprise all those lands coloured purple on the said plan.
- (7) That the Sixth Division shall comprise all those lands coloured pink on the said plan.
- (8) That the Seventh Division shall comprise all those lands coloured blue on the said plan.
- (9) That the Eighth Division shall comprise all those lands coloured orange on the said plan.
- (10) That the Ninth Division shall comprise all those lands within the said district not included in the First, Second, Third, Fourth, Fifth, Sixth, Seventh, and Eighth Divisions.

And the Honorable Wilfred John Mibus, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE "YARRAWONGA SHOW-GROUNDS RESERVE."

WHEREAS by section 181 of the *Land Act* 1928, as re-enacted by section 9 of the *Land Act* 1941, power is given to the Board of Land and Works to make Regulations in respect of the care, protection, and management of any Crown land which has been reserved under the Land Acts for any public purpose whatsoever, and which has not been conveyed to or vested in trustees, and for the further purposes as enacted: Now therefore the Board of Land and Works, in pursuance of the power conferred as aforesaid, doth hereby make the following Regulations in respect of the land in the Town of Yarrowonga temporarily reserved by Order in Council of the 25th July, 1892, as a site for Showyards, known as the "Yarrowonga Showgrounds Reserve," hereinafter referred to as the "Reserve":—

REGULATIONS.

1. Except on the occasion of the annual show of the Yarrowonga Agricultural and Pastoral Association, or except as may be authorized by the terms of any lease, licence, or agreement entered into by the Committee of Management with any club, association, society, or persons in conformity with these Regulations, no person shall without the consent, in writing, of the Committee of Management enter upon any part of the Reserve, or any building, shed, or premises thereon.

2. The maximum fee which may be charged and taken for the admission of each adult person to the Reserve on such days as the Reserve may be set apart for the purpose of agricultural or other shows, cricket, football or other matches, fêtes, sports, carnivals, or holiday amusements shall not exceed the sum of Five shillings.

3. No person shall—

(a) Enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct, or who may behave in a disorderly, unseemly, or offensive manner, or create or take part in any disturbance.

(b) Enter or remain in the Reserve whilst in a state of intoxication.

(c) Use indecent or offensive language in the Reserve.

(d) Offer any articles for sale, or bring in any intoxicating liquor on to the Reserve without in either case the consent, in writing, of the Committee of Management. Provided always that this Regulation shall not apply to intoxicating liquor in so far as it shall be brought on to the Reserve for sale in and sold in any lawfully authorized publican's booth for the conduct

of which the approval of the Committee of Management shall first (either generally or in that particular case) have been given.

(e) Obstruct, hinder, or interfere with any person under authority from the Committee of Management, or employed by it at the Reserve.

(f) Exercise or train any horse or pony in the Reserve, or any part thereof, without the consent, in writing, of the Committee of Management.

4. For the purpose of maintaining good order any person authorized by the Committee of Management may refuse admission to any person to the Reserve.

5. The Committee of Management shall have power to hold entertainments, shows, or performances in the Reserve, and to make a charge for admission thereto as herebefore provided.

6. The Committee of Management shall have power from time to time to let for certain days, whether occasionally or over a defined period or periods, the Reserve or any portion of the Reserve with or without the use of any building or buildings thereon to any club, association, society, or person for the purpose of playing or training for the playing of cricket, football, lacrosse, hockey, tennis, or any other game or for athletics or any other sport or for the purpose of holding entertainments, performances, shows, or sports meetings, subject to the payment of such fees and on such terms and conditions as the Committee of Management shall deem to be reasonable and consistent with these Regulations, and to authorize any club, association, society, or person to make a charge for admission thereto, as provided hereinbefore in these Regulations. The said Committee shall also have power to authorize the erection by any club, association, society, or person of any buildings or other structures on the Reserve, or any part thereof, upon such terms and conditions as the said Committee in its own absolute discretion shall think fit.

7. No club, association, society, or person shall hold any entertainment, performance, show, or ceremony in any part of the Reserve without the written authority of the Committee of Management first obtained.

8. No person except the Committee of Management or its officers or employees on duty shall enter any part of the Reserve when a charge is made for admission without first paying the fees chargeable for admission.

9. No person shall park a motor car or motor cycle within the Reserve, except at such places as are set apart for that purpose by the Committee of Management, and any person using any such place for parking a motor car or motor cycle shall, on demand by an authorized officer of the Committee of Management, pay such fee as is from time to time determined by such Committee, not exceeding Two shillings, in respect of any such car or cycle for the use of such parking area on such days only as a charge for admission is being made as provided in clause 2 of these Regulations.

10. No person shall engage in any organized game or sports in the Reserve on any Good Friday.

11. Except as may be authorized by the terms of any lease, licence, or agreement entered into by the Committee of Management, no club, association, or society of any kind having for its object physical recreation or any member of any such club, association, or society shall engage in any pastime or play upon, occupy, or use the Reserve, or any part thereof, without the permission, in writing, of the Committee of Management first obtained.

12. No person shall engage in training or in cricket, football, lacrosse, hockey, tennis, or any other like game in the Reserve without the permission, in writing, of the Committee of Management, unless such person is at the time of playing a member of any club which is duly authorized to play in the Reserve at such time: Provided that any person not otherwise offending against these Regulations may enter on the Reserve and play golf, bowls, croquet, or tennis thereon on paying to the club or association for the time being leasing the Reserve, or to the Committee of Management, a green or court fee not exceeding Two shillings per day, or part thereof, or of Five shillings per week.

13. Upon application to the Committee of Management any club, association, society, or person may be granted the use of the Reserve, or any defined part thereof, with or without the use of any building or buildings thereon for the purpose of holding of cricket, football or other matches, shows, sports, fêtes, bicycle or other races, musical performances, or other amusements or ceremonies, and may make a charge for admission as provided hereinbefore in these Regulations.

14. No person shall damage any building in any part of the Reserve or the furniture or fittings thereof.

15. No person shall in the Reserve interfere with or break or damage any of the trees, plants, or shrubs, or pluck any flowers or walk on the beds or borders, or climb, jump, get under or over any of the fences, gates, seats, or other structures, or roll or throw stones or other missiles, or leave any bottles, broken glass, paper, orange peel, banana skins, or any refuse or rubbish whatever therein, or post bills or advertisements on any of the fences, gates, seats, or other structures within.

16. No person, except the judge or judges, stewards, and the officials appointed by the body conducting a show parade or sports gathering on the day to act in the particular class or section then exhibiting, exhibitors, and authorized attendants, and such persons as may be authorized by the Committee of Management, shall enter the arena or other places where exhibits are being judged in the Reserve.

17. No person shall light a fire in the Reserve, except at places as are set apart for that purpose by the Committee of Management.

18. No person shall erect any stall, stand, tent, or structure on the Reserve, or sell or expose for sale therein any articles of food or drink or any other commodity or operate any money-making amusement, livestock, goods or chattels, or bring any stall, tent, stand, structure, machinery, cart, carriage, barrow, or other vehicle upon any part of the Reserve which has not been set apart for the purpose, and any such person on receiving permission, in writing, from the Committee of Management shall be required to use any such stand, building, erection, or enclosure as instructed by any officer, employee, or any member of the Committee of Management.

19. Children under the age of ten years not being under the control of some competent person may be removed from the Reserve.

20. No person shall carry firearms into or through the Reserve, or shoot, snare, or destroy any game or birds therein, except with the authority of the Committee of Management.

21. All animals and all poultry entering the Reserve must be under proper control, and the owner of any animal or poultry that causes damage within the Reserve shall be responsible therefor.

22. No cart or other vehicle shall without the authority of the Committee of Management be driven into or through the Reserve.

23. No person shall remain in the Reserve at any time when lawfully directed by any officer or employee or member of the Committee of Management to leave same.

24. Any person who, in the opinion of the Committee of Management, has been guilty of disorderly conduct, or who has been disqualified as an exhibitor, may be warned off the Reserve, or any part thereof, by any person duly authorized by the Committee of Management.

25. Any person found in a state of intoxication or behaving in a disorderly manner or creating or taking part in any disturbance or committing any act of indecency in the Reserve or refusing to obey those authorized by the Committee of Management or by the club, association, society, or persons renting or having been granted the use of the Reserve for the time being to keep order shall be liable to be forthwith removed therefrom, notwithstanding that such person may have purchased a ticket for admission thereto, and shall also be liable to a prosecution for an offence against these Regulations.

26. Any club, association, society, or persons seeking or having the use for any purpose whatsoever (whether at a charge or not) of any stand, building, erection, or enclosure on any occasion may be required to deposit such sum which the Committee of Management may at any time determine, not exceeding Twenty-five pounds, by way of guarantee that due care shall be taken of such stand, building, erection, or enclosure, and the said Committee in its absolute discretion may make good any loss or damage sustained by such stand, building, erection, or enclosure or anything contained therein during such use and deduct the cost of making good such loss or damage from the sum of money deposited by way of guarantee, and all clubs, associations, societies, and persons so using the same shall abide by these Regulations and by any order given by the Committee of Management thereunder.—(Rs.4816.)

The common seal of the Board of Land and Works was hereunto affixed this 28th day of November, 1957, in the presence of—

(SEAL) KEITH TURNBULL, President.
W. T. LONG, Member.

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 181 of the *Land Act* 1928, as re-enacted by section 9 of the *Land Act* 1941, for each offence be liable to a penalty of not more than Five pounds, and every person who contravenes or fails to comply with any such Regulation, and who, after he has been warned by any bailiff or member of the Police Force, does not desist therefrom may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds.

The Reserve has been placed under the control of a Committee of Management with power and authority to enforce the foregoing Regulations.

W. M. HOUSTON,
Government Printer.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are One shilling, posted One shilling and three pence.

No GAZETTES prior to January, 1950, in stock.

***ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.

SUBSCRIPTIONS.—The subscription, including postage, is £2 15s. per annum, £1 7s. 6d. half-yearly, or 13s. 9d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the GAZETTE.

ADVERTISEMENTS are charged at the rate of 1s. 6d. per line single column, and 3s. per line double column.

The title (£5 Reward, Dissolution of Partnerships, &c.) forms one or more lines as a heading.

On an average, ten words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.
