Labour and Industry Acts.

AMENDING DETERMINATION OF THE ENGINEERS AND BRASSWORKERS (SKILLED) BOARD.

Notes.—(A) This Determination applies to the whole of the State of Victoria.

(B) The following trades were proclaimed as apprenticeship trades under the *Apprenticeship Act 1928*, for the Metropolitan District:—

- (1) On 5th March, 1930—
 - (i) Motor mechanics.
 - (ii) Motor cycle mechanics.
- (2) On 1st April, 1936—
 - (a) Mechanical engineering:—
 - (i) Patternmaking.
 - (ii) Fitting and/or turning.
 - (iii) Machinists.
 - (b) Brassfinishing (except the making of parts by specialized processes, and the assembling thereof).
 - (c) Smithing:—
 - (i) Blacksmithing (engineering).
 - (ii) Copper and/or brass smithing.

Full particulars of the apprenticeship regulations for these trades may be obtained on application to the Secretary, Apprenticeship Commission, Melbourne (Price 3d.).

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any skilled persons employed—

- (a) in the process, trade, or business of a brassfounder or brassfinisher, or in the process, trade, or business of a brassfounder or brassfinisher of any electrical apparatus or machinery or parts thereof;
- (b) in the process, trade, or business of a mechanical engineer, including—
 - (1) a patternmaker,
 - (2) an iron or brass turner,
 - (3) a fitter,
 - (4) a blacksmith,
 - (5) a planer,
 - (6) a slotter,
 - (7) a borer,
 - (8) a milling machiner;
- (c) in the trade of a maker of scientific instruments, fire-proof safes, strongroom doors, safe locks (four or more levers), or locks of the same quality;
- (d) in performing any engineering fitting or engineering machining work not already under the jurisdiction of the Board;
- (e) in preparing iron or steel material for reinforcing concrete for building or other purposes;
- (f) in the occupation of a coppersmith, but not including any person or classes of persons subject either to the Determination of the Tinsmiths Board or to the Determination of the Plumbers Board;
- (g) in the trade of moulding, casting, dressing, fitting, or machining any articles made of cast aluminium or from aluminium alloys;

(h) in the trade of fitting or machining any articles made from sheet aluminium or from aluminium alloy sheets heavier in either case than 10 gauge;

(i) in the process, trade, or business of making or repairing typewriters, book-keeping machines, adding machines, calculating machines, cash registers, duplicating machines and similar machines," has made the following Determination, namely:—

That, as from the 1st November, 1956, the Determination made on the 9th December, 1954, and published in *Government Gazette*, No. 23 of the 28th January, 1955, as amended, shall be further amended by adding the following new clause:—

OLYMPIC GAMES HOLIDAY.

13A. Where, consequent upon the holding of the 1956 Olympic Games, a public holiday or public half-holiday is proclaimed by Order in Council or otherwise gazetted by the authority of the Commonwealth or of the State Government of Victoria, throughout the State of Victoria or part thereof, such day or half-day shall, within the defined locality be deemed to be a holiday or half-holiday as the case may be without deduction of pay for the purposes of this Determination.

Provided that no employee shall be entitled to the benefit of more than one such holiday or half-holiday as the case may be and provided that an employee who fails to attend for work on the working day before and/or the working day after such public holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

Provided further that by agreement between any employer and his employees another day or half-day may be substituted during the period of the 1956 Olympic Games—22nd November, 1956, to 8th December, 1956—for the day or half-day as the case may be proclaimed for the locality in which the employer's undertaking is situated.

A. V. BARNS, J.P., Chairman.

J. W. RYAN, Secretary.

Labour and Industry Acts.

AMENDING DETERMINATION OF THE HAIRDRESSERS BOARD.

IN accordance with the provisions of the *Labour and Industry Acts*, the Hairdressers Board has made the following amending Determination, namely:—

That as from the 7th November, 1956, the Determination made on the 22nd February, 1955, and in force as from the first pay period to commence on or after the 1st March, 1955, as published in *Government Gazette* No. 346 on the 17th June, 1955, shall be amended as follows:—

1. By deleting clause 7 and inserting in lieu the following:—

SPECIAL RATES.

7. Double time shall be paid for all work done on Melbourne Cup Day within the Metropolitan District as defined in the *Labour and Industry Act*, and treble time shall be payable throughout the State for work done on Easter Saturday.

2. By deleting clause 7A and inserting in lieu the following:—

PUBLIC HOLIDAYS.

7A. (a) New Year's Day, Australia Day, Labour Day, Good Friday, Easter Monday, Queen's Birthday, Christmas Day, Boxing Day, and within the Metropolitan District 22nd November, 1956 (Olympic Day), or any day by Act of Parliament or Proclamation substituted for any of the said days shall be observed as Public Holidays.

An employee engaged on terms of weekly hiring shall be entitled to the above-named Public Holidays without deduction of pay.

(b) Where a Public Holiday prescribed in this clause occurs in any week an employee shall not be required to make up time lost through such holiday and for the purpose of computing overtime an employee shall be deemed to have worked the same number of hours as he ordinarily worked on such day.

(c) An employee who fails to attend for work on the working day before and/or after a Public Holiday without reasonable excuse shall not be paid for such holiday.

3. By adding a new clause 7B as follows:—

7B. Outside the Metropolitan District where in connexion with the holding of the Olympic Games in Victoria during the months of November and December, 1956, a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included as holidays in this Determination.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before/and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

Double time shall be paid for work done during the period of the holiday or half-holiday, as the case may be, within the area as proclaimed.

AMENDING DETERMINATION OF THE BUILDERS' LABOURERS BOARD.

IN accordance with the provisions of the Labour and Industry Acts the Builders Labourers Board has made the following Amending Determination, namely—

That as from the 5th November, 1956, the Determination made on the 8th May, 1956, and in force as from the beginning of the first pay period to commence on or after the 23rd May, 1956, shall be amended as follows :—

By adding a new clause 10A in Part 1 to read :—

10A. In connexion with the holding of the Olympic Games in Victoria during the months of November and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be included in this Determination. An employee not required to work during the period of such holiday or half-holiday as proclaimed shall receive payment at ordinary rates for same

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday shall not be entitled to be paid for such holiday or half-holiday.

Double time shall be paid for all work done within such Municipality or part thereof, or such defined area during the period of the holiday or half-holiday, as the case may be.

A. V. BARNES, J.P., Chairman.

J. W. RYAN, Secretary.

Melbourne, 5th November, 1956.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses and income.

The second part of the document provides a detailed breakdown of the accounting cycle. It outlines the ten steps involved in the process, from identifying the accounting entity to preparing financial statements. Each step is explained in detail, with examples provided to illustrate the concepts.

The third part of the document focuses on the classification of accounts. It discusses the different types of accounts, such as assets, liabilities, equity, and income, and how they are used to record transactions. It also explains the relationship between these accounts and the accounting equation.

The fourth part of the document covers the process of journalizing and posting. It describes how transactions are recorded in the journal and then posted to the ledger. It also discusses the importance of double-entry accounting and how it helps to ensure that the books are balanced.

The fifth part of the document discusses the preparation of financial statements. It explains how the information from the ledger is used to prepare the balance sheet, income statement, and statement of owner's equity. It also discusses the importance of these statements for the business and its stakeholders.

The sixth part of the document covers the closing process. It explains how the temporary accounts are closed to the permanent accounts at the end of the accounting period. It also discusses the importance of this process in preparing for the next period.

The seventh part of the document discusses the importance of internal controls. It explains how these controls help to prevent errors and fraud, and how they can be used to improve the efficiency of the business.

The eighth part of the document covers the use of technology in accounting. It discusses how software and other tools can be used to streamline the accounting process and reduce the risk of errors.

The ninth part of the document discusses the importance of ethics in accounting. It explains how accountants have a responsibility to act ethically and to provide accurate and reliable information to their clients and the public.

The tenth part of the document covers the future of accounting. It discusses how new technologies and regulations are shaping the industry and how accountants can stay up-to-date on these changes.

AMENDING DETERMINATION OF THE FIBROUS PLASTERERS BOARD.

IN accordance with the provisions of the Labour and Industry Acts the Fibrous Plasterers Board has made the following Amending Determination, namely—

That as from the 31st October, 1956, the Determination made on the 22nd December, 1954, and in force as from the first pay period to commence on or after the 28th December, 1954, as published in *Government Gazette No. 36* on 4th February, 1955 shall be further amended as follows:—

By deleting clause 8 and inserting in lieu the following—

SPECIAL RATES.

8. (a) Allowances, as per columns B of clause 1 of this Part, shall be made in addition to the wages set out in columns A of clause 1 of this Part as compensation for time lost on prescribed holidays. Such allowances shall be paid proportionately to the number of hours worked per week.

(b) For all work done on Sundays and prescribed holidays employees shall be paid at the rate of double time; and all work done on a Saturday shall be paid for at the rate of time and a half for the first two hours and double time thereafter.

The following are the prescribed holidays, viz.:—New Year's Day, Australia Day, Good Friday, Easter Monday, Anzac Day, Queen's Birthday, Labour Day, Melbourne Cup Day, Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays double time shall be payable only for work done on the day so substituted.

Provided that for any employee employed at work beyond a radius of 25 miles of the G.P.O. Melbourne, another day may by agreement between the employer and the Union, be substituted for Melbourne Cup Day.

A. V. BARNES, J.P., Chairman.

J. W. RYAN, Secretary.

Melbourne, 31st October, 1956.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This not only helps in tracking expenses but also ensures compliance with tax regulations.

In the second section, the author provides a detailed breakdown of the company's revenue for the quarter. It includes a table showing sales from different regions and product lines. The data indicates a steady increase in sales, particularly in the electronics department.

Region	Product Line	Q1 Sales	Q2 Sales	Q3 Sales
North America	Electronics	\$120,000	\$135,000	\$150,000
North America	Software	\$80,000	\$85,000	\$90,000
Europe	Electronics	\$90,000	\$95,000	\$100,000
Europe	Software	\$60,000	\$65,000	\$70,000
Asia	Electronics	\$70,000	\$75,000	\$80,000
Asia	Software	\$50,000	\$55,000	\$60,000
Oceania	Electronics	\$40,000	\$45,000	\$50,000
Oceania	Software	\$30,000	\$35,000	\$40,000

The third section outlines the company's financial goals for the next quarter. It sets targets for revenue growth, cost reduction, and improved profit margins. The author also discusses the strategies being implemented to achieve these goals, such as launching new products and expanding into new markets.

Finally, the document concludes with a summary of the key findings and recommendations. It stresses the need for continued monitoring and reporting to ensure the company stays on track with its financial objectives.

(b) On 21st February, 1911, the powers of the Brick Trade Board were extended so that it might fix "the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of sand, lime, or cement brickmaking".

(c) On the 14th July, 1953, the Board was deprived of its powers to cover persons employed in the making of cement bricks and such powers were conferred on the Cement Articles Board.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of brickmaking (including clay-digging)" has made the following Determination, namely:—

That as from the 2nd November, 1956, the Determination made on the 28th February, 1955, and published in *Government Gazette*, No. 332 of the 3rd June, 1955, as amended, shall be further amended by adding the following new clause:—

OLYMPIC GAMES HOLIDAY.

8A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed herein.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half holiday.

AMENDING DETERMINATION OF THE POTTERY BOARD.

NOTE.—(a) This Determination applies to the whole of the State of Victoria.

(b) By Orders in Council of the 11th June, 1946, and the 27th December, 1946, the Board was deprived of the powers to provide for any person or persons or classes of persons employed in—

(i) the process, trade, or business of making roofing tiles (other than roofing tiles made of cement), and all accessories for such roofing tiles; air vents, chimney pots, agricultural pipes, terra cotta lumber and flower pots;

(ii) the digging of clay incidental to the manufacture of the above-mentioned articles;

and such powers were conferred on the Roofing Tiles Board.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board which, since the 27th day of November, 1939, has had the power "to determine the lowest price or rates which may be paid to any person or persons or classes of persons employed in the process, trade, or business of—

(a) making pottery, tiles, or pipes, except where such work is subject to the Determination of any Wages Board heretofore appointed;

(b) digging clay, except where such work is subject to the Determination of any Wages Board heretofore appointed"; has made the following Determination, namely:—

That as from the 2nd November, 1956, the Determination made on the 8th August, 1955, and published in *Government Gazette*, No. 887 of the 19th December, 1955, shall be amended by adding the following new clause:—

OLYMPIC GAMES HOLIDAY.

8A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed in clauses 7 and 8 hereof.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half holiday.

AMENDING DETERMINATION OF THE ROOFING TILES BOARD.

NOTE.—(i) This Determination applies to the whole of the State of Victoria.

(ii) The Pottery Board previously covered these employees, but by Orders in Council dated the 11th June, 1946, and the 26th November, 1946, it was deprived of such powers, and some were conferred upon the Roofing Tiles Board.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons, employed in—

(i) the process, trade, or business of making roofing tiles (other than roofing tiles made of cement), and all accessories for such roofing tiles; air vents, chimney pots, agricultural pipes, terra cotta lumber, and flower pots;

(ii) the digging of clay incidental to the manufacture of the above-mentioned articles";

has made the following Determination, namely:—

That as from the 2nd November, 1956, the Determination made on the 18th January, 1954, and published in *Government Gazette*, No. 206 of the 12th April, 1954, as amended, shall be further amended by adding the following clause:—

OLYMPIC GAMES HOLIDAY.

8A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed in clauses 7 and 8 hereof.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

No. 51—12718/56.—PRICE 6D.

The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability.

In the second section, the author outlines the various methods used to collect and analyze data. This includes both qualitative and quantitative approaches, ensuring a comprehensive understanding of the subject matter.

The third section details the findings of the study, highlighting key trends and patterns observed in the data. It notes that while there are significant similarities, there are also notable differences across different categories.

Finally, the document concludes with a series of recommendations for future research and implementation. It suggests that further exploration of certain areas could provide deeper insights into the overall phenomenon being studied.
