Labour and Industry Acts.

AMENDING DETERMINATION OF THE SHEARING INDUSTRY BOARD.

NOTE.—This Determination applies within the whole of the State of Victoria.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board appointed "for persons employed at or in connexion with the shearing or crutching of sheep"; has made the following Determination, namely:—

That, as from the 17th September, 1956, the Determination made on the 11th July, 1956, and in force as from the beginning of the first pay period to commence on or after the 26th July, 1956, shall be amended by adding the following clause:—

OLYMPIC GAMES HOLIDAY.

11A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed herein.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

A. V. BARNES, J.P., Chairman.

J. W. RYAN, Secretary.

Melbourne, 29th October, 1956.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support informed decision-making.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and reporting, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and privacy. It provides strategies to mitigate these risks and ensure that data is used responsibly and ethically.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of ongoing monitoring and evaluation to ensure that data management practices remain effective and aligned with the organization's goals.

6. The sixth part of the document provides a detailed overview of the data collection process, including the identification of data sources, the design of data collection instruments, and the implementation of data collection procedures.

7. The seventh part of the document discusses the various methods used for data analysis, such as descriptive statistics, inferential statistics, and qualitative analysis. It explains how these methods are used to interpret the data and draw meaningful conclusions.

8. The eighth part of the document focuses on the presentation of data, including the use of tables, charts, and graphs. It provides guidelines for creating clear and concise reports that effectively communicate the results of the data analysis.

9. The ninth part of the document discusses the importance of data security and privacy. It outlines the measures that should be taken to protect sensitive data from unauthorized access, loss, or disclosure.

10. The tenth part of the document provides a final summary and concludes the report. It reiterates the key findings and offers final recommendations for improving data management practices in the future.
