Labour and Industry Acts.

AMENDING DETERMINATION OF THE WATCHMAKERS BOARD.

NOTE (i).—By proclamation issued by the Governor in Council on the 26th October, 1948, the trade of 'watch and clock making' was proclaimed an apprenticeship trade under the Apprenticeship Acts throughout the metropolitan district. By a further proclamation dated the 22nd March, 1949, such proclamation was varied by the substitution of the words:— 'Clock making, watch making, watch and clock making' for the words 'watch and clock making.'

NOTE (ii).—This Determination applies to the whole of the State of Victoria.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process, trade, business or occupation of a watch or clock maker (including repairs)" has made the following Determination, namely:—

That, as from the 30th October, 1956, the Determination made on the 1st March, 1956, and published in *Government Gazette*, No. 709 of the 2nd July, 1956, shall be amended by adding the following new clause:—

OLYMPIC GAMES HOLIDAY.

6A. Where, consequent upon the holding of the 1956 Olympic Games, a public holiday or public half-holiday is proclaimed by Order in Council or otherwise gazetted by the authority of the Commonwealth or of the State Government of Victoria throughout the State of Victoria or part thereof, such day or half-day shall, within the defined locality be deemed to be a holiday or half-holiday as the case may be without deduction of pay for the purposes of this Determination.

Provided that no employee shall be entitled to the benefit of more than one such holiday or half-holiday as the case may be and provided that an employee who fails to attend for work on the working day before and/or the working day after such public holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

Provided further that by agreement between any employer and his employees another day or half-day may be substituted during the period of the 1956 Olympic Games—22nd November, 1956, to 8th December, 1956—for the day of half day as the case may be proclaimed for the locality in which the employer's undertaking is situated.

AMENDING DETERMINATION OF THE PLASTERERS BOARD.

NOTE.—(A) This Determination applies to the whole of the State of Victoria.

(B) Plastering was proclaimed on 28th November, 1928, as an apprenticeship trade under the *Apprenticeship Act 1928* for the Metropolitan District.

Full particulars of the apprenticeship regulations for these trades may be obtained on application to the Secretary, Apprenticeship Commission, 103 Russell-street, Melbourne. (Price 3d.).

(C) On the 1st April, 1952, the Tilelayers Board was deprived of the powers set out in paragraph (7) hereunder and such powers were conferred on this Board.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board which now has the power to determine the lowest prices or rates which may be paid to any person or classes of persons—

- (1) whosoever employed in the process, trade, or business of plastering or cementing ;
- (2) employed in the process, trade, or business of fixing all laths used in connexion with the erection or repair of buildings, whether such laths are of wood or a substitute therefor ;
- (3) employed in the finishing of all plastering work in sewers, tunnels, or channels ;
- (4) employed in finishing all kinds of plastic acoustic work, waterproofing work, and texture work formed in cement plaster or patent material ;
- (5) employed in the making or laying of marble mosaic, granolithic, terrazzo, or flooring of which cement and/or bitumen forms a part or the laying of magnesite flooring ;
- (6) employed in the making or fixing of all pre-cast or moulded work (except such work as is subject to the Determination of the Fibrous Plasterers Board) ;
- (7) employed in the laying or fixing of tiles, tablets, or slabs of plastic or substitute material on a prepared surface of bituminous adhesive—

has made the following Determination, namely :—

That, as from the 17th October, 1956, the Determination published in the *Government Gazette* No. 52 of the 8th February, 1955, shall be further amended in the following manner :—

1. That clause 12 of Part I. be amended by the addition of the following provision :—

Provided that for an employee employed at work beyond a radius of 25 miles of the G.P.O. Melbourne another day may by agreement between the employer and the Union be substituted for Melbourne Cup Day.

2. That clause 13 of Part II. be amended by the addition of the following provision :—

Provided that for any employee employed at work beyond a radius of 25 miles of the G.P.O. Melbourne, another day may by agreement between the employer and the Union be substituted for Melbourne Cup Day.

3. That clause 12A of Part I. and clause 13A of Part II. be deleted and the following inserted in lieu :—

In connexion with the holding of the Olympic Games in Victoria during the months of November and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be included in this Determination. An employee not required to work during the period of such holiday or half-holiday as proclaimed shall receive payment at ordinary rates for same.

Provided that no employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided further that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday shall not be entitled to be paid for such holiday or half-holiday.

Double time shall be paid for all work done within such Municipality or part thereof, or such defined area during the period of the holiday or half-holiday, as the case may be.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial reporting and compliance with regulatory requirements. The text notes that incomplete or inconsistent records can lead to significant legal and financial consequences for the organization.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for robust data management systems that can handle large volumes of information efficiently. The document also discusses the importance of data security and privacy, ensuring that sensitive information is protected from unauthorized access and breaches. Additionally, it touches upon the use of advanced analytics to derive meaningful insights from the collected data.

3. The third part of the document focuses on the integration of data from different sources and the challenges associated with this process. It mentions that data silos can hinder the organization's ability to gain a holistic view of its operations. The text suggests implementing data integration strategies that facilitate seamless data flow across various departments and systems. It also addresses the issue of data quality, emphasizing the need for regular audits and validation to ensure the accuracy and reliability of the information used for decision-making.

4. The final part of the document discusses the role of data in strategic planning and performance management. It states that data-driven insights are crucial for identifying trends, opportunities, and risks, enabling the organization to make informed decisions and adjust its strategy accordingly. The document also mentions the importance of setting key performance indicators (KPIs) and using data to track progress against these metrics. It concludes by emphasizing that a data-centric culture is essential for long-term success and growth in a competitive market.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both manual data entry and the use of specialized software tools. The goal is to ensure that the data is both accurate and easy to interpret.

The third section provides a detailed breakdown of the results. It shows that there is a significant correlation between the variables being studied. This finding is supported by statistical analysis and is consistent with previous research in the field.

Finally, the document concludes with a series of recommendations for future research. It suggests that further studies should be conducted to explore the underlying causes of the observed trends. This will help to develop more effective strategies for addressing the issues at hand.

AMENDING DETERMINATION OF THE TANNERS (FURRED SKINS) BOARD.

NOTES.—(a) This Determination applies to the whole of the State of Victoria.

(b) On the 9th September, 1947, the Fellmongers Board was deprived of the power to determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the process trade or business of a tanner of sheep skins from which the wool has not been removed and such power was conferred exclusively on the Tanners (Furred Skins) Board.

IN accordance with the provisions of the Labour and Industry Acts, the Wages Board appointed to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the trade of a tanner of all kinds of furred skins, or a dresser or a dyer of such skins," has made the following Determination, namely:—

That, on the 8th November, 1956, the Determination made on the 9th February, 1956, and published in *Government Gazette*, No. 465 of the 7th May, 1956, shall be amended by adding the following new clause:—

OLYMPIC GAMES HOLIDAY.

17A. In connexion with the holding of the Olympic Games in Victoria, during the months of November, and December, 1956, where a holiday or half-holiday is proclaimed by Order in Council throughout any Municipality or part thereof, or within any defined area, such holiday or half-holiday shall, so far as such Municipality or part thereof, or such defined area is concerned be deemed to be included in the list of holidays prescribed in clauses 16 and 17.

No employee shall be entitled to the conditions prescribed by this clause for more than the equivalent of one working day.

Provided that an employee who fails to attend for work on the working day before and/or after such holiday or half-holiday without reasonable excuse shall not be entitled to be paid for such holiday or half-holiday.

Provided further that by agreement between any employer and his employees another day or half-day may be substituted during the period of the 1956 Olympic Games—22nd November, 1956, to 8th December, 1956—for the day or half-day as the case may be proclaimed for the locality in which the employer's undertaking is situated.
