## ST. ARNAUD WATERWORKS TRUST.

### BY-LAW No. 2.

THE St. Arnaud Waterworks Trust, in pursuance and exercise of the powers and authorities conferred by the Water Acts, doth hereby make the By-law following for its Waterworks District:—

#### PART I.—INTERPRETATION. Definitions.

1. In this By-law, unless inconsistent with the context or subject-matter—

"The Act" means the Water Acts.

"Fittings" includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying, supplying, storing or regulation of the flow of water in or derived from a main pipe.

"Main pipe" means any pipe belonging to or under the control of the Trust and used for the conveying or supplying of water.

"Person" includes a Corporation or company.

"Private service" means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

"Proper officer" means any employee of the Trust authorized to execute any function on behalf of the Trust.

"Service pipe" means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

"Trust" means the St. Arnaud Waterworks Trust.

"Works" means works of or in connexion with the laying, constructing, altering, disconnecting, removing, repairing, renewing or maintaining of a private service or any part thereof.

All words used in this By-law, which are also used in the Act, shall have the meanings assigned to them by the Act.

#### PART II.—LICENSING OF PLUMBERS.

##### Unlicensed Persons not to Interfere with Private Services.

2. Before any person shall affix any service pipe to any main pipe of the Trust or alter, repair or in any manner interfere with any pipe of the Trust or any service pipe, tap or meter or other fitting connected with the main pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and no unlicensed person shall affix, alter, repair or in any manner interfere with any such main pipe, service pipe, tap meter or other fitting as aforesaid.

##### Period of Licences; Cancellation of Licences; Fees Payable.

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Trust at its discretion from time to

time in each case to the following 31st December. The Trust shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Trust shall be sole judge. For each original licence the licensee shall pay to the Trust a fee of One pound, and for each renewal One pound.

##### Proof of Fitness to be Given.

4. Before any licence shall be granted by the Trust, the person applying for such licence shall satisfy the Trust by any tests required by the Trust or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply and with the Act so far as it applies to town supplies.
