Burials of deceased persons whose bodies have been removed to the Melbourne City Mortuary from places north of the River Yarra and from places from within the Williamstown-Footscray area, respectively, shall take place at the Necropolis, Springvale, and are included in sub-schedule A accordingly.

Printed forms of tender giving full particulars and lists of places for which the funerals are required are obtainable from the Secretary to the Tender Board, Macarthur-street, Melbourne, C.2.

Separate prices for ordinary funerals and for funerals under clause 6 of the conditions of contract must be stated (a) for adults, (b) for children above five years and under fourteen years of age, and (c) for children five years and under, including stillborn—one sum is to be stated for each, including interment, conveyance, and all other charges.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Security will be required in the sum of £20 for each sub-schedule accepted, either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the tender will be declared informal.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act 1958* (No. 6217), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, of timber 1 inch in thickness, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the Necropolis, Springvale, for burial should the death of such person take place in any sub-district south of the River Yarra, including burials of bodies from the Melbourne City Mortuary, and to the New Melbourne Cemetery, Fawkner, should the death take place in any sub-district north of the River Yarra, excepting bodies buried from the Melbourne City Mortuary. Burials in the Williamstown-Footscray sub-districts shall be made in the Williamstown or Footscray Cemeteries, as the police may direct, excepting bodies buried from the Melbourne City Mortuary.

Provided, however, that the Tender Board may, on application by the Contractor and subject to such conditions as it may determine, authorize the burial of bodies in a cemetery other than those specified.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and respective Cemeteries Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor or deducted from the contract security money.

10. When burials are required to take place on Sunday, or, in the case of any Mental Hospital, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternatively, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. The order for burial shall be produced at the cemetery when the Contractor gives instructions for interment. The Contractor must pay the Minister's fee for reading the burial service should it be claimed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul of the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, the Consul may provide for such service as he may consider necessary.

13. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends of relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

14. The account is to be rendered monthly to the officer ordering the service for payment by the Treasury, Melbourne.

15. TENDERS FOR THE SERVICE, 1960-62.

REMOVAL OF DEAD BODIES TO MELBOURNE CITY MORTUARY (METROPOLITAN).

TENDERS will be received until Eleven o'clock a.m. on Friday, 22nd July, 1960, from persons willing to undertake Removals of Dead Bodies to the Melbourne Morgue, as required by the several Departments of the Government of Victoria, from 1st August, 1960, to 30th June, 1962, in various Police sub-districts, as per sub-schedules B, C and E, of Schedule No. 2.

Printed forms of tender giving full particulars and lists of places for which the service is required are obtainable from the Secretary to the Tender Board, Macarthur-street, Melbourne, C.2.

Separate prices for removals must be stated for adults and for children as specified in the tender form.

Tenderers are required to state on the tender form—(a) the number and description of the vehicles that they have available to carry out the service; (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

Security will be required in the sum of £20 for each sub-schedule accepted, either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the tender will be declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for Removals only" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Macarthur-street, Melbourne, or, if sent by post, postage must be prepaid and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Macarthur-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The Contractor must be prepared to undertake any removals from the police sub-district or area contracted for at any hour and on any day when called upon by the police. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstances, however, make it necessary in any particular case that an immediate removal to the Melbourne City Mortuary be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Melbourne City Mortuary, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police, as in the case of a removal by the Government Contractor. The

contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the Contractor.

5. Bodies to be removed to the Melbourne City Mortuary shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Melbourne City Mortuary.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment by the Treasury, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

12. The contract shall not be considered broken, infringed or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the Contractor in the event of urgency or emergency.
