Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

3. Accounts shall be rendered fortnightly, and shall be subject to any deductions for goods or parcels lost or damaged whilst in the custody of the contractor or for storage or demurrage charges which may accrue through delay or default by the contractor in taking delivery of the goods.

4. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay the cause of delay, if reported, shall be investigated.

5. The contractor must have an office connected by telephone, and within a radius of 10 miles of the Melbourne (Elizabeth-street) Post Office. 10. The contractor is not at liberty to transfer his contract under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will the contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity, or delay in delivering the goods or parcels as required, or failure to comply with the requirements of clause 3 or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct, as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the

security money, and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.
