PORT FAIRY WATERWORKS TRUST.

RATING BY-LAW FOR 1961.

THE Port Fairy Waterworks Trust, in pursuance and exercise of the powers conferred by the *Water Acts*, doth hereby make a rate for the supply of water for domestic purposes of One shilling and one penny in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Port Fairy Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Thirty-six shillings, and in respect of any land on which there is no building less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1961, and shall be payable on the 1st day of February, 1961.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling and three pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling and three pence per 1,000 gallons for the first 5,000,000 gallons, Nine pence per 1,000 gallons for quantities in excess of 5,000,000 gallons and Six pence per 1,000 gallons for quantities in excess of 10,000,000 gallons.

The charge for water supplied by measure to any property not rated by the Authority is hereby fixed at One shilling and three pence per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 16,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Passed this 14th day of December, 1960.

(SEAL) J. H. REARDON, Acting Chairman.
JOHN W. PHILLIPS, Secretary.

Approved, 16th January, 1961.—W. J. MIBUS, Minister of Water Supply.

Water Acts.

BOARD OF EXAMINERS OF ENGINEERS OF WATER SUPPLY.

At the Executive Council Chamber, Melbourne, the seventeenth day of January, 1961.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Turnbull	Mr. Porter.
Mr. Thompson	

REGULATIONS FOR THE GRANTING OF CERTIFICATES OF QUALIFICATION AS ENGINEERS OF WATER SUPPLY.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of provisions contained in section 322 of the *Water Act* 1958, and under all other powers enabling him in that behalf, doth make the following Regulations affecting the issue by the Board of Examiners of Engineers of Water Supply of Certificates of Qualification as Engineers of Water Supply. The Regulations shall take effect as on and from the date of this Order, and His Excellency doth by this Order revoke the Regulations made on the 19th day of August, 1947, and amended on the 5th day of November, 1952, and on the 24th day of February, 1953.

1. The Board of Examiners of Engineers of Water Supply will issue Certificates of Qualification, after examination or without examination, as the case may be, to such candidates as have satisfied the Board that they have been properly educated and trained for the profession of a civil and hydraulic engineer, and have been engaged for not less than two years (exclusive of any period of training or pupillage) in the active practice of such profession, one year at least of which practice has been in connexion with waterworks or other hydraulic works, and who have complied with some one of the conditions following:—

(a) After examination—to every such candidate who satisfactorily passes an examination conducted by the Board in accordance with these Regulations.

(b) Without examination—to every such candidate who satisfies the Board that he has been employed for not less than one year in some responsible professional capacity in charge of the construction and management of waterworks, and that he is—

- (i) a Member or Associate Member of the Institution of Civil Engineers London; or
- (ii) a Bachelor or Master of Civil Engineering or a Bachelor or Master of Engineering (in Civil Engineering) of the University of Melbourne, or a person who holds educational qualifications recognized by the University of Melbourne as an entitlement for admission *ad eundem statum*—

and that he has sufficient knowledge of the Victorian Acts and regulations relating to waterworks.

CERTIFICATES AFTER EXAMINATION.

2. Examinations of candidates for Certificates of Qualification will be held in Melbourne in October in each year, or at such other time after the 31st day of July in each year, and at such other places, as may be fixed by the Board from time to time, of which not less than three months' notice will be given in the *Government Gazette*. Each examination shall be held at such address in Melbourne or elsewhere as the Board may from time to time appoint.

3. An intending candidate shall, not later than the 30th day of June preceding the date of examination, make application in writing for permission to present himself for examination and shall at the same time submit documentary evidence satisfactory to the Board—

- (a) (i) That he is not less than 23 years of age; and
- (ii) That he has passed the Leaving Examination of the University of Melbourne, or such other examination as shall, in the opinion of the Board, be equivalent thereto; and
- (iii) That he has obtained in Civil Engineering a University Degree satisfactory to the Board, or a Technical School Diploma or Certificate satisfactory to the Board, or such other examination qualification as shall in the opinion of the Board be equivalent thereto; and
- (iv) That after obtaining such Degree, Diploma, Certificate or qualification he has been engaged for not less than two years in the active practice of the profession of a civil engineer, of which at least one year shall have been in connexion with waterworks or other hydraulic works; or
- (b) (i) That he is not less than 27 years of age; and
- (ii) That he has passed the Leaving Examination of the University of Melbourne, or such other examination as shall, in the opinion of the Board, be equivalent thereto; and
- (iii) That he has been properly educated and trained for the profession of a civil and hydraulic engineer; and
- (iv) That after the completion of his training or pupillage he has been actively engaged in civil engineering work for not less than two years, of which at least one year shall have been in connexion with waterworks or other hydraulic works and shall have gained thereby experience deemed satisfactory by the Board.

4. (a) An intending candidate shall, with his application, submit to the Board a detailed statement giving evidence of the nature and extent of the engineering work on which he has been engaged. This statement shall include details of all water supply, sewerage and other hydraulic engineering work on which the candidate has been engaged, together with the time engaged on each item of such work and the precise degree of responsibility carried in connexion therewith. The statement shall be certified by a suitably qualified professional engineer or engineers or, if such certification is not practicable, otherwise substantiated to the satisfaction of the Board. In the case of a candidate applying under clause 3 (b) full particulars of his training or pupillage and course of study pursued shall be included in the statement.

4. (b) An intending candidate applying under clause 3 (a) above who has been engaged for not less than two years in the active practice of the profession of a civil engineer of which less than one year has been in connexion with waterworks or other hydraulic works may, if the Board so determines, be permitted to sit for examination but, in the event of such candidate satisfactorily passing the examination conducted by the Board, no Certificate of Qualification will be issued until he satisfies the Board that he has been engaged in the active practice of the profession of a civil engineer in connexion with waterworks or other hydraulic works for not less than one year.

5. (a) Upon his application being approved by the Board the candidate will be so advised and on payment to the Secretary of the Board of the prescribed fee not later than the 31st day of July preceding the commencing day of the examination at which he intends to present himself shall be permitted to sit for such examination.

5. (b) The following fees shall be payable under these regulations for entrance to the prescribed examinations:—

(5) Engineering Surveying.	"Engineering Surveying".
(6) Hydraulics.	"Hydraulics".

9. A candidate who has been admitted as a Corporate Member of the Institution of Civil Engineers, London, after having passed "the Institution Examination" of that Institution, may be exempted from examination in all subjects of Section A, in subjects Nos. 1, 3 and 4 of Section B, and in any or all of the subjects of Section B set out in the left-hand side of the following table, provided that

in each case he has passed "the Institution Examination" in the subject or subjects set out opposite thereto in the right-hand side of the table:—

Board's Examination. Section B.	"The Institution Examination" of the Institution of Civil Engineers, London.
(2) Design of Structures.	"Theory of Structures" and "Geology of Soil Mechanics".
(5) Engineering Surveying.	"Surveying".
(6) Hydraulics.	"Hydraulics".

10. A candidate who has obtained a degree in Civil Engineering of the University of Melbourne, or a University whose graduates are admitted by the University of Melbourne *ad eundem statum*, may be exempted from examination in all subjects of Section A and in the following subjects of section B:—

- (1) Theory of Structures.
- (2) Design of Structures.
- (3) Engineering Materials.
- (4) Engineering Drawing.
- (5) Engineering Surveying.
- (6) Hydraulics.

Provided that in the case of a candidate admitted by the University of Melbourne *ad eundem statum* he shall have passed examinations in corresponding subjects in his course.

11. A candidate who has obtained the degree of Bachelor of Engineering Science of the University of Melbourne may be exempted from examination in all subjects of Section A and in the following subjects of Section B:—

- (1) Theory of Structures.
- (2) Design of Structures.
- (3) Engineering Materials.
- (4) Engineering Drawing.
- (5) Engineering Surveying.
- (6) Hydraulics, provided he has passed in "Hydraulic Engineering I." or equivalent subject.

12. A candidate who has obtained the Fellowship Diploma or an Associateship Diploma in Civil Engineering of the Royal Melbourne Technical College, or who has obtained a Diploma in Civil Engineering of the Ballarat School of Mines and Industries, the Bendigo School of Mines and Industries, the Castlemaine Technical School, the Footscray Technical School, the Gordon Institute of Technology (Geelong), the Swinburne Technical College, or the Victorian Education Department may be exempted from examination in all subjects of Section A and in the following subjects of Section B:—

- (1) Theory of Structures.
- (2) Design of Structures.
- (3) Engineering Materials.
- (4) Engineering Drawing.
- (5) Engineering Surveying.
- (6) Hydraulics.

13. (a) A candidate who has obtained by examination, prior to 31st December, 1961, the Certificate of Qualification as Municipal Engineer in the State of Victoria may be exempted from examination in all subjects of Section A and in the following subjects of Section B:—

- (1) Theory of Structures.
- (2) Design of Structures.
- (3) Engineering Materials.
- (4) Engineering Drawing.
- (5) Engineering Surveying.
- (6) Hydraulics.

13. (b) A candidate who has obtained by examination, after 31st December, 1961, the Certificate of Qualification as Municipal Engineer in the State of Victoria may be exempted from examination in the following subjects:—

- Section A.
1. English.
 3. Mechanics of Solids and Fluids.
 6. Fundamentals of Engineering Drawing.

Section B.

- (1) Theory of Structures.
- (2) Design of Structures.
- (3) Engineering Materials.
- (4) Engineering Drawing.
- (5) Engineering Surveying.
- (6) Hydraulics.

14. A candidate who holds examination qualifications which are in the opinion of the Board equivalent to any of those set out in clauses 7, 8, 9, 10, 11, 12 and 13 of these Regulations, and who satisfies the Board as to his experience in civil and hydraulic engineering may be exempted from such subjects as the Board may determine.

15. The Board may exempt from examination in such subjects it may determine any candidate concerning whom there are exceptional circumstances in respect of age, engineering experience and professional standing which in its opinion warrant special consideration, provided that such candidate has held a responsible position in connexion with civil and hydraulic engineering works, including waterworks, for not less than ten years and satisfies the Board as to his standard of education and his training and experience in civil and hydraulic engineering.

16. Every candidate will be required to pass Section A or Section B of the examination, as the case may be, at one sitting. A candidate who has been granted exemption in individual subjects will be required to pass at one sitting those subjects for which exemption has not been granted in the section concerned. A candidate who passes in not less than two-thirds of the subjects in which he is required to pass in the section concerned may, at the discretion of the Board, be permitted to sit at any subsequent examination within a period of three years only for the subject or subjects in which he failed, and if he fails to pass all the subjects for which he was originally required to sit within such period of three years, he shall present himself for examination in all the subjects in which he was originally required to pass in that section.

17. Each candidate for examination shall provide himself with a slide rule of standard pattern, mathematical tables (Chambers or other approved similar tables), steel section book, graph of pipeline discharges (Turneure and Russell or other approved graph), and drawing instruments, scales, set squares or other appliances for drawing (except paper), in subjects in which their use is likely to be required. Other books, papers, tables or handbooks shall not be brought into the examination room, and any candidate receiving assistance during the examination will be disqualified.

CERTIFICATES WITHOUT EXAMINATION.

18. A candidate applying for a Certificate of Qualification without examination shall submit satisfactory documentary evidence in detail as to his education, training, and experience, and shall satisfy the Board that the rights conferred by the certificate, membership or other qualification by virtue of which he makes his application have not been cancelled or suspended.

19. Upon his application being approved by the Board the candidate shall pay a fee of Five pounds five shillings to the Secretary of the Board, and upon receipt of such fee a Certificate of Qualification will be issued.

GENERAL.

20. On each Certificate of Qualification it shall be stated—

- (a) The qualifications in respect of which it is issued.
- (b) Whether it is granted without an examination, or, if after partial examination, the subjects in which the applicant was examined.

21. All communications to the Board of Examiners shall be addressed to the Secretary, Board of Examiners of Engineers of Water Supply, State Rivers and Water Supply Commission, Melbourne.

And the Honorable Wilfred John Mibus, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,
Clerk of the Executive Council.

TRANSFER OF LAND ACT 1958.

At the Executive Council Chamber, Melbourne, the
seventeenth day of January, 1961.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Turnbull
Mr. Thompson

Mr. Porter.

REGULATIONS.

IN pursuance of the powers conferred by the *Transfer of Land Act 1958*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, makes the following Regulations to take effect on and from the 1st day of February, 1961:—

1. These Regulations may be cited as the *Transfer of Land (Amending) Regulations 1960* and shall be read and construed as one with the *Transfer of Land Regulations of 24th May, 1955* (hereinafter called the *Principal Regulations*).

2. For Regulation 3 of the *Principal Regulations* there shall be substituted the following Regulation:—

“3. In these Regulations ‘the Act’ means the *Transfer of Land Act 1958* as amended.”

3. At the end of Regulation 7 of the *Principal Regulations* there shall be inserted the following additional Regulations:—

“8. No instrument or application pursuant to which a certificate of title is to be issued in respect of a stratum estate in a building subdivision in relation to which a service company operates or is intended to operate shall be lodged unless accompanied by the documents evidencing the shares or other like interests in the service company which were issued or sold with or in respect of that estate.”

9. Applications made pursuant to sub-section (2) of section 98A and sub-sections (1) and (2) of section 98C of the Act shall be in or to the effect of the appropriate form in the Schedule hereto.

10. When any shares or other like interests in a service company have been included in a certificate of title the documents evidencing such shares or interests shall be retained by the Registrar.

11. Every plan of subdivision lodged for approval pursuant to section 97 of the Act shall be accompanied by the relevant duplicate Crown grant or certificate of title.

12. The Registrar may if he thinks fit issue a certificate of title for each allotment or for any number of allotments on any approved plan of subdivision and shall thereupon cancel the existing Crown grant or certificate of title to such extent as is necessary. For this purpose, the Registrar may require the person having the custody or control thereof to produce the relevant duplicate Crown grant or certificate of title.

13. The Registrar may refuse to issue a single certificate of title for more than one allotment on an approved plan of subdivision.

14. Except with the consent of the Registrar, no mortgage may include allotments on more than one approved plan of subdivision.”

4. The Schedule of Forms in the *Principal Regulations* is hereby amended as follows:—

(a) For the expression “1954” (wherever occurring) there shall be substituted the expression “1958”; and

(b) At the end of the Schedule there shall be inserted the following additional forms:—

APPLICATION PURSUANT TO SECTION 98A (2) OF THE TRANSFER OF LAND ACT 1958.

To The Registrar of Titles:

I (name, address and occupation) being registered as the proprietor of the stratum estate described in certificate of title, volume folio hereby apply for the inclusion in that certificate of title of (here specify all the shares or other like interests in the service company which were issued or sold with or in respect of the stratum

estate) and I produce herewith the said certificate and (here identify the documents evidencing the said shares or other interests).

Dated this day of 19 Signed at in the presence of—

APPLICATION FOR REGISTRATION OF SERVICE AGREEMENT PURSUANT TO SECTION 98C (1) OF THE TRANSFER OF LAND ACT 1958.

To The Registrar of Titles:

(Full description and address of service company) hereby applies for registration of a service agreement dated (insert date of agreement) and made between the said company and A.B. (name, address and occupation of registered proprietor or person entitled to be registered as proprietor of the stratum estate) in respect of the stratum estate described in certificate of title, volume folio (or where no separate title has yet issued being lot on plan of subdivision No.). Produced herewith are the said agreement and relevant duplicate certificate of title.

Dated this day of 19 The common seal, &c., of the service company.

APPLICATION PURSUANT TO SECTION 98C (2) OF THE TRANSFER OF LAND ACT 1958.

A. O'NEILL, Deputy Town Clerk.

CITY OF RINGWOOD.

BY-LAW No. 48.

A By-law Relating to the Collection and Removal and Disposal of Refuse.

IN pursuance of the powers contained in the *Health Act 1958*, and of all other powers it thereunto enabling the Council of the City of Ringwood, in the name and on behalf of the Mayor, Councillors and Citizens of the City of Ringwood, order as follows:—

(1) All former By-laws so far as they relate to the matter and things provided for in this By-law are hereby repealed.

(2) This By-law shall come into full force and operation on its approval by the Governor in Council and immediately after its publication in the *Victoria Government Gazette*.

(3) This By-law shall apply to and have operation throughout the whole of the municipal district of Ringwood, and unless exempted by the Council, shall apply to every house, building or premises therein.

(4) In this By-law, unless inconsistent with the context or subject-matter—

“Premises” includes messuages, buildings, lands and hereditaments of every tenure; and also any machinery, plant, appliance or vehicle used in connexion with any trade carried on at any premises.

“Proprietor” means the proprietor of any house, building or premises, and includes the owner, occupier, and/or any person having the management or control thereof.

“Refuse” includes offensive matter (except sewage manure and garden refuse), food waste and food ordinarily used for human consumption, but which has been discarded.

(5) The proprietor of every premises in or about which any refuse is produced or accumulated, shall provide, keep and maintain at all times upon such premises, a properly constructed receptacle in which he shall from time to time cause to be deposited all such refuse.

(6) Such receptacle shall be provided with a suitable close-fitting lid having a flange overlapping the top of the receptacle and a proper handle or other lifting device, and such receptacle shall be kept constantly covered with such lid (except when refuse is being deposited therein or discharged therefrom) and a sufficient quantity of some efficient deodorant shall be from time to time introduced therein when necessary to keep such receptacle and lid and refuse in an inoffensive condition.

(7) Such receptacle and lid shall be constructed of galvanized iron of not less than 24 gauge or other material approved by the Council in such a manner as to prevent any absorption by any part of such receptacle or lid of any offensive matter which may be deposited therein or any escape by leakage or otherwise of any part of the contents of such receptacle.

(8) Each such receptacle shall have a capacity of not less than 1½ cubic feet nor more than 3 cubic feet, and shall be so constructed as to be capable of being easily and conveniently carried by one man, and shall be strongly constructed and provided with properly attached side-lifting handles.

(9) No person shall place or cause or permit to be placed any slops or liquid waste in such receptacle or place or cause or permit to be deposited any moist refuse in such receptacle, unless such moist refuse has been previously strained and effectually wrapped in paper to the intent that such moist refuse shall remain confined in such wrapping whilst in such receptacle and shall not become loose or spread therein.

(10) No person shall place or cause or permit to be placed in such receptacle any ashes or dust from fires or vacuum cleaners unless such ashes or dust has been effectually wrapped in paper to the intent that such ashes or dust shall remain confined in such wrappings whilst in such receptacle and shall not become loose or spread therein.

(11) The proprietor shall cause such receptacle and lid to be kept at all times in good order and inoffensive, and shall coat the inside of such receptacle and lid with tar or other suitable substance if required to do so by the Council.

(12) The proprietor (at such hours and at such times as may be appointed by the Council) shall cause such receptacle to be deposited close to the entrance to the land upon which such house, building or premises is erected from the street, road, lane or right of way on which such land abuts or on and close to the entrance of any other premises affected by this By-law in order that that contents of such receptacle may be conveniently removed by the contractor or person authorized or employed in that behalf by the Council.

(13) No person shall remove from such receptacle any rag, cloth or similar substance except for the disposal of the whole contents of such receptacle in a manner and at a place approved by the Council.

(14) Any person who commits a breach of this By-law shall be liable for every such breach to a penalty of not more than Twenty pounds, and in the case of such continuing offence, to a further daily penalty of not more than Five pounds.

Resolution for passing this By-law agreed to by the Council on the 28th day of July, 1960, and confirmed on the 25th day of August, 1960.

The common seal of the Mayor, Councillors and Citizens of the City of Ringwood was hereunto affixed in the presence of—

(SEAL) A. G. LAVIS, Mayor.
L. H. MCLEOD, Councillor.
F. P. DWERRYHOUSE, Town Clerk.

SHIRE OF BAIRNSDALE.

BY-LAW No. 71.

A By-law of the Shire of Bairnsdale, numbered 71, relating to the collection, removal and disposal of garbage.

IN pursuance of the powers contained in the *Health Act 1958* and of any other powers thereunto enabling it in that behalf, the Council of the Shire of Bairnsdale, in the name of and on behalf of the President, Councillors and Ratepayers of the said Shire, for the purposes of carrying the said Act into execution within its jurisdiction, hereby makes the following By-law, namely:—

1. All former By-laws so far as they relate to the matters and things provided for in this By-law are hereby repealed.

2. This By-law shall apply to and have operation within the areas defined in the First, Second, Third and Fourth Schedules hereto.

3. In this By-law, unless inconsistent with the context or subject-matter—

“Proprietor” means the proprietor of any premises wherein or whereabouts garbage as defined in this By-law is produced or accumulated and includes the owner, the occupier or any person having the management or control thereof.

“Garbage” means all food wastage or other such like decomposable and/or putrefying waste produced or accumulated in or about any premises and includes tin food containers which have been flattened prior to being deposited in any garbage receptacle in accordance with this By-law or unbroken glass food containers so deposited.

“Inspector” means the Health Inspector of the Shire of Bairnsdale for the time being and includes any acting or assistant inspector and any other person duly authorized by the said Council.

4. The proprietor of every house, building or premises within the areas as defined in the First, Second, Third and Fourth Schedules hereto in or about which garbage is produced or accumulated shall provide, keep and maintain at all times thereon a properly constructed receptacle or receptacles in accordance with clause 5 hereof and shall cause all such garbage to be from time to time deposited in such receptacle or receptacles.

5. Such receptacles shall be constructed of galvanized iron of not less than 24-gauge or other approved material in such a manner as to prevent any absorption by any part of such receptacle of any offensive matter which may be deposited therein or any escape by leaking or otherwise of any part of the contents of such receptacle and shall be provided with properly attached side-fitting handles.

6. Every such receptacle shall have a capacity of not more than 2 cubic feet and shall be so constructed as to be capable of being easily and conveniently carried by one man.

7. Every such receptacle shall be provided with a suitable close-fitting lid with a flange overlapping the top of such receptacle and shall be kept constantly covered (except when such garbage is being deposited therein or discharged therefrom) and a sufficient quantity of some efficient deodorant shall be from time to time introduced therein when necessary to keep such garbage in an inoffensive condition.

8. No person shall place or cause or permit to be placed any slops or liquid waste in such receptacle, nor shall deposit any moist garbage in such receptacle unless such moist garbage has been previously strained and effectually wrapped in waste paper.

9. The proprietor shall cause such receptacle to be kept at all times in good order and sweet condition and shall coat the inside of such receptacle with tar or other suitable substance when deemed necessary by the Council's Inspector.

10. Once a week on such day and at such time in each week as may be appointed by the Council for the removal of garbage from any house, building or premises to which this By-law applies, the proprietor thereof shall cause such receptacle or receptacles to be placed close to and inside of the entrance to such house, building or premises from the street, lane or right-of-way on which

such house, building or premises abut in order that the contents of such receptacle or receptacles may be conveniently removed by the Council's garbage contractor or other person authorized or employed in that behalf by the Council.

11. No person shall place or cause to be placed any such receptacle in or upon any street, lane or right-of-way except in the case of business premises built on the street alignment where such premises do not abut on a suitable right-of-way or land on which such receptacle could be placed for collection and emptying.

12. This By-law shall come into operation on the day after its publication in the *Government Gazette*.

13. Any person committing a breach of this By-law shall, on conviction, be liable to a penalty of not more than Twenty pounds, and in the case of a continuing offence to a further daily penalty of not more than Five pounds.
