SUPPLEMENTARY REGISTER OF TEACHERS
AND SUPPLEMENTARY REGISTER OF
SCHOOLS FOR THE YEAR ENDED
31ST DECEMBER, 1960.

THE subjoined Supplementary Lists, showing the alterations, additions, revisions, and removals made in the Register of Teachers and in the Register of Schools during the year ended 31st December, 1960, are published in accordance with the provisions of Section 49 of the *Education Act* 1958.

A. McDONELL, President.

W. R. STEVENSON, Registrar.

The Council of Public Education,
Education Office, Melbourne, C.2.,
30th January, 1961.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable and valid measurement instruments.

3. The third part of the document describes the process of data analysis and interpretation. It discusses the various statistical techniques used to analyze the data and the importance of interpreting the results in the context of the research objectives.

4. The fourth part of the document discusses the ethical considerations involved in conducting research. It emphasizes the need to obtain informed consent from participants and to ensure that the research is conducted in a fair and equitable manner.

5. The fifth part of the document discusses the importance of reporting research findings. It emphasizes the need to present the results in a clear and concise manner and to provide a thorough discussion of the implications of the findings.

6. The sixth part of the document discusses the future of research and the need for continued innovation and development in the field. It highlights the importance of staying up-to-date on the latest research and the need to collaborate with other researchers in the field.
