## NOTICE OF INTENTION TO RESTRICT THE METHODS OF FISHING IN INLAND AND CERTAIN OTHER WATERS.

IT is hereby notified for general information that it is intended, after the expiration of one month from the date of publication of this notice in the *Government Gazette*, to move His Excellency the Governor in Council to make a Proclamation providing as follows respecting the methods of fishing in inland and certain other waters.

1. Revoking the Proclamation made the twenty-third day of April, 1918, and published in the *Government Gazette* of the 1st day of May, 1918, respecting methods of fishing restricted in inland and certain other waters.

2. Revoking the Proclamation made the twenty-fourth day of September, 1930, and published in the *Government Gazette* of the first day of October, 1930, respecting the prohibition of more than two rods and lines or hand lines in fishing.

3. Prohibiting fishing or the taking of fish by any method or in any manner except by rod and line or hand line with not more than two hooks attached from inland waters and also other waters in which the use of nets is or may be hereafter prohibited for the whole-year provided that—

(a) the hooks forming part of each spinner, spoon, flash or other artificial bait shall be considered as one hook;

(b) a rod and line or hand line with more than two hooks attached may be used in sea waters and other waters directly affected by tidal influence.

4. Prohibiting any person using at the same time more than two lines whether attached to rods or not for the purpose of fishing in or taking fish from any inland water except in any portion of any such waters directly affected by tidal influence.

5. Prohibiting fishing or the taking of fish by any method or in any manner in any marine waters in which netting is or may be hereafter prohibited during any portion of any year except—

(a) By rod and line or hand line.

(b) By a spear whether powered or not; provided—

(i) that a hand-propelled spear shall have not more than two prongs each of which shall be without barbs of any type; and

(ii) that a spear propelled by a spring, rubber in any form, mechanism of any kind or used with a bow shall have not more than two prongs with not more than two floppers attached.

(c) By the use of nets, fixed engines or long lines by the holder of a fishing licence during the period in which the use of any such fishing gear is permitted in any such marine waters.

NOTE.—The use of a spear or any similar device in the waters of Corner Inlet and Port Albert and Shoal or Shallow Inlet is prohibited during the whole of each year except in a portion of such waters generally northerly from St. Margaret's Island in which the spearing of fish is permitted during the whole year.

E. R. MEAGHER,

for Chief Secretary.

Acting Director of Fisheries and Wildlife.

#### COHUNA WATERWORKS TRUST.

##### RATING BY-LAW FOR YEAR 1961.

THE Cohuna Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the following rates for the supply of water for domestic purposes of Four pence in the £1 on the net annual valuation of lands and tenements liable to be rated within the Cohuna Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty shillings, and in respect of any land on which there is no building be less than Five shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the three months commencing on the first day of July, 1961, and ending on the thirtieth day of September, 1961, and shall be payable on the 28th day of September, 1961, at the office of the Trust.

The charge for water supplied by measure to any property not rated by the Trust is hereby fixed at Two shillings per 1,000 gallons.

Passed this 28th day of August, 1961.

(SEAL) T. E. TURNLEY, Chairman.  
R. E. KNOWLES, Secretary.

Approved, 5th September, 1961.—W. J. MIBUS, Minister of Water Supply.

#### COLAC WATERWORKS TRUST.

##### RATING BY-LAW FOR THE PERIOD 1ST SEPTEMBER, 1961, TO 31ST DECEMBER, 1961.

##### Beeac Urban District.

THE Colac Waterworks Trust, in pursuance and exercise of powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling in the pound on the annual municipal valuations of lands and tenements liable to be rated within the Beeac Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of land on which there is no building less than Twenty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the period commencing the 1st day of September, 1961, and ending the 31st day of December, 1961, and shall be payable in one sum on the 29th day of September, 1961, at the office of the said Trust, and if not paid within four months from the date made payable will bear interest at the rate of 6 per cent. per annum from the date made payable until paid.

The maximum quantity of water to be supplied in any one year, without further charge to any property rated by the Trust, is hereby fixed at the quantity which, at a charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Two shillings per 1,000 gallons.

The above charge for water supplied by measure to any property shall be payable, on demand, at the office of the said Trust.

Signed and sealed this 28th day of August, 1961.

(SEAL) ARTHUR F. POTTER, Chairman.  
A. O. BILSON, Commissioner.  
E. J. ROBBINS, Secretary.

Approved, 5th September, 1961.—W. J. MIBUS, Minister of Water Supply.

#### COLAC WATERWORKS TRUST.

##### RATING BY-LAW FOR THE PERIOD 1ST SEPTEMBER, 1961, TO 31ST DECEMBER, 1961.

##### Coragulac, Alvie and Warrion Urban Districts.

THE Colac Waterworks Trust, in pursuance and exercise of powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Two shillings and six pence in the pound on the annual municipal valuations of lands and tenements liable to be rated within the Coragulac, Alvie and Warrion Urban Districts.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than One hundred and fifty shillings, and in respect of land on which there is no building less than Forty shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the period commencing the 1st day of September, 1961, and ending the 31st day of December, 1961, and shall be payable in one sum on the 29th day of September, 1961, at the office of the said Trust, and if not paid within four months from the date made payable will bear interest at the rate of 6 per cent. per annum from the date made payable until paid.

The maximum quantity of water to be supplied in any one year, without further charge to any property rated by the Trust, is hereby fixed at the quantity which, at a charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Two shillings per 1,000 gallons.

The above charge for water supplied by measure to any property shall be payable, on demand, at the office of the said Trust.

## ORDER APPROVING OF WIDENING AN EXISTING MAIN ROAD IN THE SHIRE OF HASTINGS.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1958* (No. 6229) has represented to His Excellency the Governor in Council that it appears to it desirable that the existing Balnarring-road in the Shire of Hastings (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 16th July, 1947, on pages 3851-5) should be widened by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said widening is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being widened, that is to say:—

All that piece of land in the Parish of Balnarring, the boundaries of which are as follow:—Commencing at the south-eastern angle of allotment 5 of the said parish; thence by lines bearing respectively 270 deg. 0 min. 75.8 links, 37 deg. 13 min. 91.7 links and 164 deg. 26 min. 75.8 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan numbered 8203, lodged in the office of the Country Roads Board.

And the Honorable Horace Rostill Petty, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,  
Clerk of the Executive Council.

## COUNTRY ROADS BOARD.

September, 1961.

## PRESENT:

His Excellency the Governor of Victoria.  
Mr. Chandler | Mr. Bloomfield.

## ORDER APPROVING OF THE MAKING OF A NEW BY-PASS ROAD IN THE SHIRE OF CHILTERN.

## WHEREAS:

I. Country Roads Board incorporated by the *Country Roads Act 1958* has represented to His Excellency the Governor in Council that it appears to the said Board that a new by-pass road (Hume By-pass road) in the Shire of Chiltern should be made.

II. The said Board in accordance with sections 19 and 101 of the said Act has caused to be prepared a map plan and estimate showing—

- (a) the points between which and the land on and through which the said new by-pass road is proposed to be made;
- (b) the cost of acquiring the said land.

III. On inspection of the said map and plan and consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the said land:

Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby approve of the said land (being the land described in the Schedule hereunder) being acquired and the said road being made.

## SCHEDULE.

All that piece of land in the Parish of Barnawartha South, the boundaries of which are as follow:—Commencing at the south-western angle of allotment 4, section 12A, Township of Barnawartha in the said parish; thence by lines bearing respectively 56 deg. 10 min. 1,393 links, 49 deg. 4½ min. 871.5 links, 146 deg. 40 min. 469.7 links, 239 deg. 53 min. 865.2 links, 236 deg. 10 min. 510 links, 231 deg. 58 min. 383 links and 270 deg. 0 min. 600 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan numbered 8282, lodged in the office of the Country Roads Board.

And the Honorable Horace Rostill Petty, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,

COUNTRY ROADS BOARD.

*At Government House, Melbourne, the fifth day of September, 1961.*

PRESENT:

His Excellency the Governor of Victoria.  
Mr. Chandler | Mr. Bloomfield.

ORDER APPROVING THE WIDENING OF AN EXISTING STATE HIGHWAY IN THE CITY OF BENDIGO AND SHIRE OF HUNTLY.

WHEREAS:

I. Section 114 of the *Country Roads Act* 1958 (herein called "the Act") provides (*inter alia*) in—

- (a) sub-section (1) thereof that the powers conferred upon municipal councils by Division 14 of Part XIX. of the *Local Government Act* 1958 shall so far as applicable be conferred upon the Country Roads Board (herein called "the Board") so far as relates to the declaration of the alignment the widening and opening up of State highways and that the provisions of the said Division shall with certain modifications extend and apply accordingly;
- (b) sub-section (2) thereof that no State highway shall be widened or opened up pursuant to the said section unless the Governor in Council has by Order published in the *Government Gazette* approved such widening or opening up.

II. The Board has—

- (a) in exercise of the powers conferred upon it by the said section 114 and for the purpose of widening the Midland Highway in the City of Bendigo and Shire of Huntly (declared by the Board pursuant to the Act or some corresponding previous enactment to be a State highway which declaration was confirmed by an Order of the Governor in Council published in the *Government Gazette* of the 30th December,

1947, at pages 6281-2 thereof) by Resolution dated the 17th day of April, 1961, fixed new alignments for the east and west sides of the said highway:

- (b) in accordance with the provisions of section 19 of the Act caused to be prepared a map plan and estimate showing—

- (i) the points between which and the lands on and through which the said widening is proposed to be made; and
- (ii) the cost of acquiring the land.

III. The Governor in Council is satisfied that there are funds legally available for acquiring the said land:

Now therefore His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof by this Order approves for the purposes of sections 20, 74 and 114 of the Act—

- (a) the widening of the said Midland Highway so as to include therein the land described in the Schedule hereto; and
- (b) the acquisition of the land so described.

SCHEDULE.

## ORDER APPROVING THE WIDENING OF AN EXISTING MAIN ROAD IN THE SHIRE OF FERN TREE GULLY.

## WHEREAS:

I. Section 114 of the *Country Roads Act 1958* (herein called "the Act") provides (*inter alia*) in—

- (a) sub-section (1) thereof that the powers conferred upon municipal councils by Division fourteen of Part XIX. of the *Local Government Act 1958* shall so far as applicable be conferred upon the Country Roads Board (herein called "the Board") so far as relates to the declaration of the alignment the widening and opening up of main roads and that the provisions of the said Division shall with certain modifications extend and apply accordingly;
- (b) sub-section (2) thereof that no main road shall be widened or opened up pursuant to the said section unless the Governor in Council has by Order published in the *Government Gazette* approved such widening or opening up.

## II. The Board has—

- (a) in exercise of the powers conferred upon it by the said section 114 and for the purpose of widening the Dorset-road in the Shire of Fern

Tree Gully (declared by the Board pursuant to the Act or some corresponding previous enactment to be a main road which declaration was confirmed by an Order of the Governor in Council published in the *Government Gazette* of the 2nd July, 1947, at page 3354 thereof) by Resolution dated the nineteenth day of October, 1953, fixed a new alignment for the east side of the said Dorset-road;

- (b) in accordance with the provisions of section 19 of the Act caused to be prepared a map plan and estimate showing—

- (i) the points between which and the lands on and through which the said widening is proposed to be made; and
- (ii) the cost of acquiring the land.

III. The Governor in Council is satisfied that there are funds legally available for acquiring the said land.

Now therefore, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, by this Order approves for the purposes of sections 20 and 114 of the Act—

- (a) the widening of the said Dorset-road so as to include therein the land described in the Schedule hereto; and
- (b) the acquisition of the land so described.

## SCHEDULE.

##### PRESENT:

His Excellency the Governor of Victoria,  
Mr. Chandler | Mr. Bloomfield.

#### ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF PORTLAND.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1958* (No. 6229) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation herein-after referred to from the existing Woolsthorpe-Heywood road in the Shire of Portland (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 19th February, 1941, on page 911) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parishes of Bessiebell and Dunmore, the boundaries of which are as follow:—

Commencing at the north-eastern angle of allotment 2, Parish of Bessiebell; thence by lines bearing respectively 168 deg. 44 min. 1,601.8 links, 341 deg. 53 min. 802.8 links, 328 deg. 42 min. 2,007.5 links, 107 deg. 50 min. 771 links and 159 deg. 54 min. 714.6 links to the point of commencement.

Also, all that piece of land in the Parish of Homerton, the boundaries of which are as follow:—

Commencing at the south-eastern angle of the western portion of Crown Pre-emptive, section A; thence westerly by the northern boundary of Darlots Creek; thence by lines bearing respectively 344 deg. 40 min. 765 links, 5 deg. 26 min. 1,613.5 links, 18 deg. 31 min. 300 links, 185 deg. 15 min. 1,362.7 links, 177 deg. 38 min. 927 links and 156 deg. 0 min. 366 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red and yellow on survey plan numbered 7968, lodged in the office of the Country Roads Board.

And the Honorable Horace Rostill Petty, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

## ORDER APPROVING THE WIDENING OF AN EXISTING STATE HIGHWAY IN THE SHIRE OF FERN TREE GULLY.

## WHEREAS:

I. Section 114 of the *Country Roads Act* 1958 (herein called "the Act") provides (*inter alia*) in—

(a) sub-section (1) thereof that the powers conferred upon municipal councils by Division 14 of Part XIX. of the *Local Government Act* 1958 shall so far as applicable be conferred upon the Country Roads Board (herein called "the Board") so far as relates to the declaration of the alignment the widening and opening, up of State highways and that the provisions of the said Division shall with certain modifications extend and apply accordingly;

(b) sub-section (2) thereof that no State highway shall be widened or opened up pursuant to the said section unless the Governor in Council has by Order published in the *Government Gazette* approved such widening or opening up;

## II. The Board has—

(a) in exercise of the powers conferred upon it by the said section 114 and for the purpose of widening the Burwood Highway in the Shire of Fern Tree Gully (declared by the Board pursuant to the Act or some corresponding previous enactment to be a State highway which declaration was confirmed by an Order of the Governor in Council published in the *Government Gazette* of the 10th day of August, 1960, at pages 2743-8 thereof) by Resolution dated the 10th day of April, 1961, fixed a new alignment for the north side of the said highway;

(b) in accordance with the provisions of section 19 of the Act caused to be prepared a map plan and estimate showing—

- (i) the points between which and the lands on and through which the said widening is proposed to be made; and
- (ii) the cost of acquiring the land.

III. The Governor in Council is satisfied that there are funds legally available for acquiring the said land:

Now therefore His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof by this Order approves for the purposes of sections 20, 74 and 114 of the Act—

- (a) the widening of the said Burwood Highway so as to include therein the land described in the Schedule hereto; and
- (b) the acquisition of the land so described.

#### SCHEDULE.

#### Forests Act 1958 (No. 6254).

#### FORESTS COMMISSION OF VICTORIA.

#### OFFERS FOR WATTLE BARK IN THE STATE FORESTS, ETC., 1961.

OFFERS, endorsed "Offer for Wattle Bark, lot—," and addressed to the Secretary, Forests Commission, Melbourne, will be received at this office up to Twelve noon on Wednesday, 18th October, 1961, for the right to strip and remove wattle bark on and from the following areas. The general conditions hereunder will apply in every case where not expressly stated to the contrary, and special conditions will also apply where provided. Full particulars may be obtained from the officer in charge in each case, or on application to the Commission.

#### GENERAL CONDITIONS.

1. No offer will necessarily be accepted.
2. The deposit specified in Schedule must accompany each offer.
3. The licensee shall do everything within his power to strip and remove all bark available on the area upon which he is licensed to operate.
4. Stripping shall be commenced within six weeks from date of acceptance of offer unless otherwise authorized by the Commission.

5. No stripping shall be commenced until the applicant has lodged the deposit specified and is in possession of the requisite licence.

6. Notification, in writing, that stripping operations have been commenced must be forwarded to the officer in charge within 48 hours from date thereof.

7. No tree shall be felled or stripped on any area which the officer in charge directs is not to be operated upon, and no particular tree specially marked by him to remain standing shall be felled or stripped.

8. In the event of stripping being permitted on any area regarded as a tourist resort all tops must be lopped, stacked, and burned under the direction of and in accordance with the written conditions specified by the officer in charge.

9. No tree shall be felled so as to fall into any water-course or to obstruct any road or track.

10. Except with the permission of the officer in charge, no tree of less than 5 inches diameter shall be stripped when of the black or feather-leaved variety, or less than 2½ inches in diameter when of the broad-leaved species, unless otherwise stated in the licence. Wherever a size limit is stated it shall be at a height of 2 feet from the ground.

11. All stripping must cease by 31st March following the date of issue of licence unless otherwise authorized, in writing, by the officer in charge.

12. Bark must be properly bundled, securely tied, and stacked in heaps of not less than 10 cwt. in clear places only, and the licensee must take such precautions as the officer in charge may direct to safeguard such bark from loss by fire.

13. No bark shall be removed without the permission of the officer in charge, and it must be carted from the forest and weighed not later than one month from the date of stripping the bark unless otherwise authorized by the officer in charge.

14. The whole of the work shall be done under the supervision and to the satisfaction of the officer in charge and at a rate satisfactory to the Commission.

15. All bark must be weighed at the weighbridge stipulated in the licence, or at such other weighbridge as may be approved by the officer in charge, and in all cases at the expense of the licensee. Duplicate weighbridge tickets must be provided and, if so directed by him, the bark must be weighed in the presence of the officer in charge.

16. Prior to removal of the bark satisfactory arrangements must be made with the Commission for payment of royalty. The licensee shall pay such royalty at the rate tendered on weights as disclosed by the weighbridge dockets.

17. Camps must be pitched and fires lighted only in such places as shall be determined by the officer in charge, and the licensee shall, on demand of the officer, instantly dismiss from his employ any person or persons who shall carelessly use, leave, or light any fire otherwise than in accordance with the Forests Acts and Regulations.

18. The licensee shall forthwith comply with any direction given to him by the officer in charge for the effective protection from the fire of the forest within the boundaries of the area upon which he is licensed to operate, and he shall do everything that is reasonably within his power to prevent from spreading and to extinguish any fire which may break out on such area or which may spread to it.

19. The violation of any of the above conditions will render the licence null and void, and the Forests Commission shall have absolute power to forfeit the whole or part of the deposit to the Crown and to seize all bark stripped to date of voidance. The officer in charge shall have power to suspend operations pending the decision of the Forests Commission.

H. G. MURPHY,  
Secretary.

Forests Commission,  
Melbourne, 11th September, 1961.

NOTE.—Preliminary deposit of 10s. must be forwarded in respect of each lot tendered for, otherwise the offer will be treated as informal.

"Poultry Farm" shall mean any land or premises on which there is kept at any time, a greater number of mature birds than twenty-five (25).

#### *Part II.*

This Part shall apply to all areas zoned as "Residential" under the provisions of the Town and Country Planning Acts.

1. No person shall keep, or cause, permit or suffer to be kept—

(a) On any premises, a number of fowls greater than twenty-five (25) mature birds or more than two (2) turkeys, ducks or geese.

(b) In any poultry-house or similar structure, a number of fowls greater than the number produced by dividing the area in square feet of such poultry-house or similar structure by four (4), unless confined in approved battery cages.

2. Every pen, shed or structure in which live poultry are kept shall be not more than seven (7) feet in height and one hundred (100) square feet in floor area.

3. No person shall keep or allow to be kept, or erect or allow the erection of any structure, or any part thereof, or keep or allow to be kept any animal or bird within any structure—

(a) Within 75 feet of the boundary of the street or road to which the building has a frontage.

(b) Less than 5 feet from any other street or road of a lesser width than 25 feet.

(c) Less than 10 feet from any other street or road of a greater width than 25 feet.

(d) Less than 5 feet from the boundary of any adjoining allotment of land.

(e) Less than 40 feet from any dwelling whether on the same or adjoining land.

(f) So as to be a nuisance or dangerous to health or offensive.

4. No person shall keep, or cause, permit or suffer to be kept, any cow, bull, bullock, horse or mare, goat, swine or pig, sheep and the young thereof.

#### *Part III.*

This Part shall apply to all poultry farms.

1. Any person may establish a commercial poultry farm provided that the Council consents thereto in writing and that all provisions of this Part are complied with in all respects.

2. No person shall keep poultry on any poultry-farm otherwise than in a poultry-house or similar structure or enclosed poultry-run or battery cage system.

3. Every poultry-house or similar structure or any enclosed poultry-run or any battery cage system shall be—

(a) distant at least seventy-five (75) feet from the boundary of the street or road to which the building has a frontage;

(b) distant at least ten (10) feet from any other street;

(c) distant at least ten (10) feet from the boundary of any adjoining allotment of land;

(d) distant at least one hundred (100) feet from any dwelling whether on the same or adjoining land, excepting only that the owner or occupier may erect incubators or brooder houses not less than forty (40) feet from his own dwelling.

4. Every poultry-house or similar structure or battery cage system shall be roofed with approved material with guttering leading to water tanks or to adequate storm water drains.

5. The ground surrounding every poultry-house or similar structure or battery cage system shall be well drained.

6. The floor beneath any battery cage system and the floor of any poultry-house or similar structure shall be built up so that the surface shall be at least three (3) inches above the level of the surrounding ground.

7. The owner or occupier shall keep the area of land within five (5) feet of any fowl house, similar structure, enclosure or battery cage system free from all dry grass, weeds, refuse or other materials capable of harbouring rats or vermin.

8. The owner or occupier shall cause the poultry-house, similar structure or enclosure or battery cage system to be thoroughly cleaned from time to time as often as may be necessary and shall keep the same in a clean, wholesome and sanitary condition at all times.

9. No person shall keep or store or cause or permit to be kept or stored on any property where poultry is kept any food for consumption by poultry unless such food is kept or stored in rat-proof receptacles or rat-proof buildings.

#### Part IV.—General Provisions.

1. The occupier or any property shall cause any animal or bird kept thereon which shall develop diphtheria, tuberculosis, or other contagious or infectious disease injurious to human beings to be forthwith destroyed and disposed of to the satisfaction of the Council.

2. No person shall cause, permit, or suffer any animal, bird or poultry to remain or wander other than within the confines of pens, sheds, structures, or runs, approved by the Council.

3. Every pen, shed or structure in which live poultry are kept shall be constructed of galvanized iron, or fibrous-cement sheets, or such other materials as might from time to time be approved by the Council, with such wire netting as shall be necessary, and shall be roofed with galvanized iron sheets or other approved material and shall be paved with concrete and the surface level of the floor shall be at least 3 inches above the level of the surrounding ground, and shall be so constructed that litter to a depth of 6 inches can be placed thereon.

4. No person shall keep any poultry in any pen, shed or structure unless the same be rendered ratproof by placing galvanized iron, jointed brickwork, cement sheet or concrete around the foundations to a depth of at least 18 inches below ground level and all walls shall be constructed of rat-proof material.

5. Every battery cage system in which poultry is kept shall have a permanent roof and any walls are to be constructed of approved materials and having a floor raised at least three (3) inches above the level of the surrounding ground.

6. The occupier of any land or premises on which is erected any structure for the keeping, housing or sheltering of any animal, bird or poultry shall—

(a) cause all manure, refuse and rubbish produced or accumulated therein to be placed temporarily in a properly constructed fly and vermin-proofed receptacle of impervious walls, together with an impervious floor, and shall—

(i) maintain such receptacle in a good state of repair so as to prevent the escape or leakage of the contents;

(ii) keep such receptacle covered constantly and from time to time as may be required by the Council effectively deodorize the contents thereof or such receptacle;

(iii) cause the contents of such receptacle to be removed and disposed of to the satisfaction of the Council at least once in every week and/or at such other times as may be directed by the Council, Provided that any manure accumulated on any premises may be kept in such premises if to be used on such premises, conditionally that the manure be kept so as not to create a nuisance or be liable to be dangerous to health;

(b) cause the floor of any such structure to be paved with concrete or other approved impervious material, and properly graded and drained to an approved silt trap and outlet;

(c) keep such structure in a state of good repair and in a clean and sanitary condition.

7. No structure, nor any part thereof shall be erected or placed on any premises, unless a plan and specification in duplicate is first submitted to and approved by the Council in writing.

8. Any swine kept on any premises shall be kept under such conditions as are in full compliance with the provisions of the Health Act and Offensive Trades Regulations relative to the General provisions and the construction of piggeries thereof and the keeping of swine or any amendments thereof.

9. If any pen, shed or structure be erected on any premises contrary to the provisions of this By-law or any structure be not maintained in compliance with the provisions of this By-law, the Council may, in writing, order the removal of such structure, and if any structure be not removed within a specified number of days, not less than seven (7) days from the date of such order, the Council may, if it sees fit, remove, or have removed such structure at the expense of the owner or occupier of the premises and recover the cost from such person before any justice, in addition to any penalties for any act or default contrary to this By-law.

10. Where any animal or bird is kept on any premises where the consent in writing of the Council is required, the Council may grant such consent under such conditions as it thinks fit and such consent may be cancelled at any time, but shall not be granted for any period longer than twelve months, or the Council may refuse to grant or renew such consent as it thinks fit so to do.

11. Any contravention of any of the foregoing clauses, by the act or omission shall be an offence against this By-law.

12. Every person who is guilty of an offence against this By-law shall be liable, on conviction, to a penalty of not more than twenty (20) pounds and in the case of a continuing offence to a further penalty of not more than five (5) pounds per day, but so that the total of such penalties shall not exceed one hundred (100) pounds.

Resolution for passing this By-law agreed to by the Council on the 24th day of May, 1961, and confirmed on the 28th day of June, 1961.

The common seal of the Mayor, Councillors and Citizens of the City of Colac was hereto affixed in the presence of—

2. By-law No. 115 of the City of Springvale (formerly the Shire of Springvale and Noble Park) is hereby repealed.

3. The proprietor of any premises on which there is erected a pan closet shall—

- (a) cause the space under the seat of every such pan closet to be so constructed or prepared for the accommodation of a sanitary pan as herein-after provided; and
- (b) permit every such pan closet to be used for a double pan service; and
- (c) cause every such pan closet to be kept in a fit state or condition for such service; and
- (d) provide every such pan closet with a proper sanitary pan for the reception of nightsoil; and
- (e) cause such sanitary pan (except when being changed) to be kept in a proper position under the seat of such pan closet; and
- (f) provide a tight fitting lid for such sanitary pan for use when the same is being removed from the premises.

4. (1) Every such sanitary pan shall—

- (a) be cylindrical in shape and formed of galvanized iron of not less than 22 gauge or other approved material with folded grooved seams sweated with solder and presenting on the inside and outside an impervious hard smooth and durable surface;
- (b) have all surfaces which might come into contact with nightsoil free from any projections;
- (c) be water tight and strongly constructed with re-enforced metal bands where necessary;
- (d) be provided with properly attached side lifting handles.

(2) Every such sanitary pan shall have a capacity of 14 cubic feet with an internal depth of 14 inches and diameter of not less than 14 inches and shall be fitted with a suitable rim or lugs to permit an air-tight lid to be affixed.

5. (1) The proprietor of any premises shall cause to be kept in every pan closet a supply of liquid deodorant or lime sawdust or some other dry material suitable for deodorizing nightsoil.

(2) Every person using a pan closet shall cause all nightsoil deposited in the pan to be immediately on the deposit thereof covered with a quantity of deodorization material sufficient to thoroughly and effectually deodorize the contents of such pan.

6. The proprietor of any premises on which there is erected a urinal shall provide such urinal with an approved apparatus for the regular automatic discharge into the same of a sufficient approved deodorant to keep such urinal constantly deodorized.

7. No person shall place or deposit or cause or permit to be placed or deposited any slops, water or rubbish in any sanitary pan.

8. The proprietor of any premises on which a pan closet or urinal is erected shall—

- (a) maintain such pan closet or urinal in good repair and in a clean and sanitary condition;
- (b) if and when required by the Inspector immediately and effectually disinfect such pan closet or urinal or the contents thereof; and
- (c) if and when required by the Inspector effect any repairs to such pan closet or urinal as he may deem necessary.

9. (1) No person shall cause permit or suffer any sanitary pan to overflow or spill its contents on any part of any premises.

(2) Every person who causes permits or suffers the contents of any sanitary pan to overflow or spill shall immediately cause the place where such contents have been dropped or spilled to be thoroughly cleansed.

10. Every person removing a sanitary pan from any premises shall immediately report to the Council at the earliest available opportunity the discovery of any pan found to be overflowing or leaking and shall forthwith cause the place where the contents have been dropped or spilled to be thoroughly cleansed.

11. (1) No person other than a person authorized or employed by the Council shall remove any nightsoil from any premises.

(2) No person shall bury any nightsoil in any place except at a depot nominated by the Council.

(3) No person shall dispose of any nightsoil except in the manner authorized by this By-law and the Regulations.

12. No person shall remove any nightsoil from premises situate in the shopping area except before the hour of Eight o'clock in the forenoon on any day.

13. (1) All nightsoil shall be disposed of in trenches at the depot nominated by the Council.

(2) All such trenches shall—

- (a) be not less than 9 nor more than 18 inches in depth;
- (b) not exceed 2 feet in width;
- (c) shall not be closer to any other trench than 18 inches;
- (d) have the bottom broken up to facilitate percolation of liquids.

(3) All nightsoil shall—

- (a) be deposited in any such trench in layers not exceeding 6 inches in depth at any one act of deposit;
- (b) not be deposited to a height in any such trench exceeding 6 inches below the ground level;
- (c) be covered by at least 6 inches of clean thoroughly broken up soil after deposit.

14. No trench with a bottom of rock or other impermeable material shall be used for the disposal of nightsoil.

15. (1) All trenches shall be excavated, used and filled in regular consecutive order.

(2) No trench containing nightsoil shall be left not filled in.

(3) All necessary filling shall be obtained by excavating the next trench to be used.

16. Every person depositing nightsoil shall—

- (a) immediately cause the sanitary pan which contained the nightsoil to be thoroughly washed or otherwise cleansed; and
- (b) immediately dispose of the resultant washings or filth in like manner as nightsoil.

17. Every person depositing nightsoil shall cause every sanitary pan used by him to be thoroughly cleansed and disinfected before removing the same from the depot by either of the following methods—

- (a) by washing or scrubbing with water and immediately thereafter subjecting the pan to a current of steam from a boiler at 60 pounds pressure to the square inch for not less than two minutes in a steam tight box or chamber; or
- (b) thoroughly washing and scrubbing in water then rinsing in clean water and finally submerging for not less than five minutes in aqueous solution containing not less than 1 per cent. of Accol Cyllin Kerol Izal Hycol or other disinfectant of equal efficiency; or
- (c) thorough washing and scrubbing in water and afterwards submerging for not less than five minutes in boiling water;
- (d) any other method approved in writing from time to time by the Commission.

18. No person shall use any sanitary pan for the reception of nightsoil until it has first been properly coated with well boiled tar, crude creosote or other approved material and thereafter similarly treated at least every month or sooner where deemed necessary by the Inspector.

19. Every person authorized by the Council to remove nightsoil shall cause every vehicle or other conveyance used for that purpose to be—

- (a) properly constructed and at all times maintained in a proper working order; and
- (b) thoroughly cleansed and disinfected each day after use.

20. No person shall remove any nightsoil from any premises except in accordance with the provisions of this By-law.

21. No person shall remove or cause to be removed any portion of the contents of a septic tank except with the written permission with or without qualification of the Council.

22. No person other than a person appointed for that purpose by the Council shall cleanse or de-sludge any septic tank.

23. (1) The Council shall at the written request of the proprietor of any premises cause any septic tank installed on such premises to be properly cleansed and de-sludged.

(2) The Council shall fix a scale of charges for the cleaning and de-sludging of septic tanks of varying sizes.

(3) Every such proprietor requesting the Council as aforesaid shall pay to the Council at the time of making his written request the appropriate charge fixed for cleansing and de-sludging his septic tank.

24. No person shall dispose of any sludge taken from or the contents of any septic tank except at a depot nominated by the Council and in the same manner as nightsoil may be disposed of or in some other manner approved by the Council.

25. Every person guilty of a wilful act or default contrary to the provisions of this By-law shall be liable to a penalty of not less than £5 if the offence shall relate to any provisions hereof other than clauses 21 and 24 (inclusive) or not less than £15 if the offence relates to clauses 21 to 24 (inclusive) nor more than £20 and to a further penalty of not more than £5 for each day on which such offence is continued after a conviction or order by any court.

26. This By-law shall apply to and shall have operation throughout the whole of the municipal district of the City of Springvale.

Resolution for passing this By-law agreed to by the Council on the 5th day of June, 1961, and confirmed the 3rd day of July, 1961.

## SHIRE OF CORIO.

## BY-LAW No. 46.

## Part I.—Introduction.

A By-law of the Shire of Corio made under the provisions of the Health Acts and the Local Government Acts and every other Act or power enabling it in that behalf, and numbered Forty-six for repealing By-law No. 29 of the said municipality, and for—

- (a) regulating of the keeping of any animals or birds and the regulating or prohibiting of the keeping of any place or the storage of any things which in the opinion of the Council may be offensive, injurious to health or dangerous;
- (b) fixing the distance from any dwelling within which it shall be unlawful to keep any such place or animal or bird or to store any such thing;
- (c) providing for the health of the residents in the municipal district and against the spreading of contagious or infectious diseases, and for other purposes.

**T**HE President, Councillors and Ratepayers of the Shire of Corio, in pursuance of the powers conferred by the Health Acts and the Local Government Acts and by every other Act or power enabling it in that behalf, do hereby make the By-law No. 46 and order as follows:—

1. By-law No. 29 of the said municipality shall be and is hereby repealed.

2. This By-law shall come into full force and operation immediately after its publication in the *Government Gazette* after its approval by the Governor in Council.

3. This By-law shall apply and have operation throughout the whole of the municipal district except:—

- (a) To premises registered as a poultry-killing premises and poultry saleyards when so exempt, in writing, by the Council; or
- (b) where otherwise expressly provided.

4. In this By-law, unless inconsistent with the context or subject matter:—

"Animals" shall not include cats.

"Approved materials" means material approved by the Council.

"Battery cage" means a wire and metal mesh cage divided into one or more compartments in which poultry is kept.

"Dwelling" shall include a living room, sleepout, bathroom or tent, and all rooms used for sleeping, living or cooking.

"Litter" includes wood shavings, tan bark, straw or dry grass clippings or other similar suitable clean material.

"Mature bird" means a bird aged more than three months.

"Person" includes the owner or occupier or the person in charge of the premises.

"Poultry" includes fowls, turkeys, ducks and geese.

"Poultry farm" means any premises on which there is kept at any time a greater number of mature birds than 25.

## Part II.

1. No person shall keep, or cause or permit to be kept:—

- (a) Any animal less than 30 feet from any building.
- (b) More than one animal in the yard of or attached to any dwelling the area of which yard is less than 500 square feet.

(c) More than two animals in the yard of or attached to any dwelling the area of which is less than 1,000 square feet.

(d) More than four animals in the yard of or attached to any dwelling the area of which yard is less than 1,500 square feet.

(e) More than six animals in the yard of or attached to any dwelling.

(f) More than six animals on any land zoned as residential under the Town and Country Planning Acts without the previous consent, in writing, of the Council having been first had and obtained.

2. No person shall keep, or cause or permit to be kept, any animal or bird in any dwelling, or in the yard of or attached to any such dwelling, or on any land whatsoever in such a manner as to be offensive, injurious to health, or dangerous.

3. The occupier of the yard of or attached to any dwelling or of any other land in which any animal or bird is kept or housed, shall cause the place of keeping of such animal or bird to be maintained in a good state of repair, and thoroughly cleaned and effectually deodorized from time to time as may be necessary for the purpose of keeping such place in a clean, wholesome and sanitary state and condition.

4. The occupier of any land (excluding land zoned as Agricultural "A" under the Town and Country Planning Acts) on which is erected any stable for the keeping or housing of horses shall:—

(a) Cause all manure, refuse, and rubbish produced or accumulated therein to be placed in a properly constructed receptacle of brickwork walls 9 inches in thickness, with brick or concrete floor 6 inches in thickness, lined throughout internally, with cement rendering composed of 2½ parts of sand to 1 part cement;

(b) maintain such receptacle in a good state of repair as to prevent the escape or leakage of the contents;

(c) keep such receptacle constantly covered, and from time to time effectually deodorize the same and the contents thereof;

(d) cause the contents of such receptacle to be removed from such land at least once in each and every week;

(e) cause the floor of such stable to be properly drained and paved, or flagged with brick, stone, concrete, or other impervious material;

(f) keep such stable in a good state of repair, and in a cleanly and sanitary condition.

## Part III.

This part shall apply to areas zoned as residential under the Town and Country Planning Acts other than any area which immediately before the coming into operation of this By-law was used as a poultry farm and continues to be so used.

1. No person shall keep or cause or permit to be kept on any premises in an area zoned as residential, a number of fowls greater than 25 mature birds.

2. No person shall keep in any poultry-house or similar structure a number of fowls greater than the number produced by dividing the area in square feet of such poultry-house or similar structure by four unless confined in approved battery cages.

3. No person shall keep or cause or permit to be kept on any one property more than two birds of the species of turkeys, ducks or geese.

4. No person shall keep any poultry on any premises, in an area zoned as residential, otherwise than in a poultry-house or similar structure or an enclosure or battery cage unless such poultry-house or similar structure or enclosure or battery cage is—

(a) distant at least 75 feet from the boundary of the street or road to which the premises has a frontage;

(b) distant at least 10 feet from any other street or road of a greater width than 25 feet;

(c) distant at least 5 feet from any other street or road of a lesser width than 25 feet or from the boundary of any adjoining allotment of land;

(d) distant at least 40 feet from any dwelling whether on the same or adjoining allotment.

5. Every poultry-house or similar structure, except approved battery cages, shall be roofed with approved material and paved with approved impervious material and the surface level of the floor shall be at least 3 inches above the level of the surrounding ground and shall be constructed so as to hold 6 inches in depth of litter.

6. Every poultry-house or similar structure except approved battery cages shall be rendered rat-proof by placing galvanized iron, jointed brickwork, cement sheet or concrete around the foundations to a depth of at least 18 inches below ground level, and all walls shall be constructed of approved rat-proof material.

7. Every battery cage system in which poultry is kept in an area zoned as residential shall have a permanent roof and any walls to be constructed of approved materials and having a floor raised at least 3 inches above the level of the surrounding ground.

**PART IV.—Provisions Relating to Poultry Farms and Keeping of Pigeons and Doves.**

1. No person shall keep poultry on any poultry farm otherwise than in a poultry-house or similar structure or enclosed poultry-run or battery cage system.

2. Where the number of mature birds is at any time greater than twenty-five every poultry-house or similar structure or any enclosed poultry-run or any battery cage system shall be:—

- (a) distant at least seventy-five feet from the boundary of the street or road to which the building has a frontage;
- (b) distant at least ten feet from any other street;
- (c) distant at least ten feet from the boundary of any adjoining allotment of land;
- (d) distant at least one hundred feet from any dwelling whether on the same or adjoining land, excepting only that the owner or occupier may erect incubators or brooder houses not less than forty feet from his own dwelling.

3. Every poultry-house or similar structure or battery cage system shall be roofed with approved material with gutters leading to water tanks or to adequate storm water drains.

4. The ground surrounding every poultry-house or similar structure or battery cage system shall be well drained.

5. The floor beneath any battery cage system and the floor of any poultry-house or similar structure shall be built up so that the surface shall be at least three inches above the level of the surrounding ground.

6. No person shall keep, or cause or permit to be kept, any pigeons or doves within 25 feet from any dwelling, nor in the yard thereof or attached thereto, the area of which yard is less than 500 square feet, nor on any other land unless such pigeons or doves are housed or kept in a properly constructed pigeon loft or dove cote.

7. No pigeon loft or dove cote shall be erected or placed within 25 feet from any dwelling, nor in the yard thereof or attached thereto, the area of which yard is less than 500 square feet, nor to a greater height than 7 feet from the ground, nor unless a plan and description thereof be first submitted to and approved by the Shire Surveyor.

**PART V.—General Provisions.**

1. The owner or occupier shall keep the area of land within five feet of any fowl house, similar structure, enclosure or battery cage system free from all dry grass, weeds, refuse or other materials capable of harbouring rats or other vermin.

2. No person shall keep or store or cause or permit to be stored on any property zoned under the Town and Country Planning Acts, except on land zoned as "Agricultural A" any food for consumption by animals or birds unless such food is kept or stored in a rat-proof receptacle or rat-proof building.

(3) Notwithstanding section (2) of this Part, no person shall keep or store or cause or permit to be kept or stored on any property where poultry is kept, any food for consumption by poultry, unless such food is kept or stored in rat-proof receptacles or rat-proof buildings.

4. Any shed, shelter, erection, structure, loft, cote, battery cage or other enclosure for the housing or keeping of any animal or bird erected or placed in the yard of or attached to any dwelling, or on any other land, contrary to the provisions of this By-law, shall be removed by the owner or occupier of such yard, or dwelling, or land, within seven days after being required so to do by notice, in writing, under the hand of the Shire Secretary or the Shire Surveyor.

5. No occupier of any yard or other land in or on which has been erected or placed any shed, shelter, erection, structure, loft, cote, battery cage or other enclosure for the housing or keeping of any animal or bird shall leave or suffer to remain therein for a longer period than is absolutely necessary, any waste food or other matter likely to become offensive or injurious to health or attract or harbour rodents or other vermin.

6. Any animal or bird which shall develop any infection or contagious disease injurious to the health of residents of the Municipal District shall be forthwith destroyed, by the person keeping the same.

**PART VI.—Penalty.**

Any contravention of any section of this By-law by act or omission shall be an offence against this By-law. Every person who is guilty of an offence against this By-law shall be liable on conviction to a penalty of not more than Twenty pounds for each offence, and in the case of a continuing offence, to a further penalty of not more than Five pounds for each day such offence is continued after a conviction or order of any Court, but so that the total of such penalties shall not exceed One hundred pounds.
