eighteenth day of September, 1962.

## PRESENT:

His Excellency the Lieutenant-Governor of Victoria.

Mr. Porter

Mr. Meagher.

WHEREAS His Excellency the Lieutenant-Governor of  
the State of Victoria, by and with the advice of  
the Executive Council of the said State, has this day  
consented, pursuant to the provisions of the *State  
Electricity Commission Act 1958* to the State Electricity  
Commission of Victoria raising by way of loan the sum  
of Ten thousand pounds (£10,000). And whereas His  
Excellency the Governor in Council is satisfied that a  
sufficient proportion of the loan to be raised will fall  
due and be repaid in each year during the currency of  
the proposed loan; Now therefore it is directed pursuant  
to the provisions of section 91 (3) of the said Act, that  
it shall not be necessary to provide a sinking fund in  
connexion with such loan.

And the Honorable Henry Edward Bolte, Her Majesty's

ROAD DISCONTINUED.—CITY OF ST. KILDA.

WHEREAS it is provided in section 528 (2) of the Local Government Act 1958, as amended, that where a road (whether or not a public highway but not being a road set out on land of the Crown) or any part thereof is not required for public use, the Governor in Council, on the request of the council of the municipality in which such road is situated, made not less than one month after publishing in a newspaper generally circulating in the district and posting to the registered proprietor (if any) of the land and any person known to have an interest in the land, notice of intention to make such a request, may, by Order published in the Government Gazette, direct that such road or part shall be discontinued and thereupon such road or part shall be discontinued accordingly:

And whereas the Council of the City of St. Kilda has requested that the Governor in Council direct that a road, off Octavia-street, St. Kilda, be discontinued, and, not less than one month previously, has published in a newspaper generally circulating in the district and posted to all persons known to have an interest in the said road notice of intention to make such request:

And whereas there is no registered proprietor of the land in the road to whom notice can be posted:

Now, therefore, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, hereby directs that the said road, which is shown by hachure on the plan hereunder, shall be discontinued and that the land may be sold by the Council of the City of St. Kilda by agreement.

And the Honorable Murray Victor Porter, Her Majesty's Minister for Local Government for the State of Victoria, shall give the necessary directions herein accordingly.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of September, 1962.

PRESENT:

His Excellency the Lieutenant-Governor of Victoria.  
Mr. Mibus | Mr. Mack.

ORDER APPROVING OF WIDENING AN EXISTING STATE HIGHWAY IN THE BOROUGH OF ECHUCA.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1958 (No. 6229) has represented to His Excellency the Governor in Council that it appears to it desirable that the existing Murray Valley Highway in the Borough of Echuca (declared to be a State highway under the said Act which declaration was confirmed by the Order in Council published in the Government Gazette of the 5th April, 1933, on page 1121) should be widened by the said Board: And whereas the said Board in accordance with the requirements of

section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said widening is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said highway being widened, that is to say:—

All those pieces of land in the Parish of Wharparilla, the boundaries of which are as follow:—

- (a) Commencing at the north-eastern angle of allotment 19 of the said parish; thence by lines bearing respectively 180 deg. 0 min. 11.4 links, 315 deg. 0 min. 32.1 links, 270 deg. 0 min. 1,827.3 links, 57 deg. 7 min. 36.3 links, 90 deg. 0 min. 1,819.5 links and 180 deg. 0 min. 31 links to the point of commencement.
- (b) Commencing at the north-eastern angle of allotment 18 of the said parish; thence by lines bearing respectively 225 deg. 47 min. 100 links, 335 deg. 35 min. 88.5 links, 270 deg. 0 min. 1,423.1 links, 360 deg. 0 min. 19.7 links, 90 deg. 0 min. 1,508.1 links and 142 deg. 40 min. 38.5 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red on survey plan numbered 8420, lodged in the office of the Country Roads Board.

And the Honorable Horace Rostill Petty, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

N. G. WISHART,  
Clerk of the Executive Council.

PRESENT:

His Excellency the Lieutenant-Governor of Victoria.  
Mr. Mibus | Mr. Mack.

#### ORDER APPROVING OF WIDENING AN EXISTING MAIN ROAD IN THE SHIRE OF WARRNAMBOOL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1958* (No. 6229) has represented to His Excellency the Governor in Council that it appears to it desirable that the existing Warrnambool-Caramut road in the Shire of Warrnambool (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 19th October, 1938, on page 3184) should be widened by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said widening is proposed to be made and the cost of acquiring the land: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being widened, that is to say:—

All those pieces of land in the Township of Winslow, Parish of Yarturk, the boundaries of which are as follow:—

- (a) Commencing at the northern angle of allotment 10, section 3, of the said parish; thence by lines bearing respectively 137 deg. 56 min. 404 links, 311 deg. 49 min. 365.8 links, 300 deg. 46 min. 119.7 links, 290 deg. 52 min. 439.9 links, 107 deg. 21 min. 431.7 links, and 107 deg. 47 min. 109 links to the point of commencement.
- (b) Commencing at the southern angle of allotment 1, section 14, of the said parish; thence by lines bearing respectively 323 deg. 26 min. 400 links, 134 deg. 56 min. 385.6 links, 119 deg. 45 min. 100.6 links, 112 deg. 57 min. 389.5 links, 287 deg. 21 min. 400 links, and 288 deg. 47 min. 104.4 links to the point of commencement.

Also, all that piece of land in the Parish of Meerai, the boundaries of which are as follow:—

Commencing at a point on the western boundary of allotment 1, section B, of the said parish, distant 169 deg. 58 min. 580.7 links from the north-western angle of the said allotment; thence by lines bearing respectively 163 deg. 45 min. 374.3 links, 152 deg. 41 min. 231.8 links, 323 deg. 0 min. 241.4 links, and 349 deg. 58 min. 378.3 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red and yellow on survey plans numbered 8518, 8519 and 8520, lodged in the office of the Country Roads Board.

And the Honorable Horace Rostill Petty, Her Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

REGULATIONS FOR THE CARE, PROTECTION AND MANAGEMENT OF THE ALTONA SPORTS PARK PUBLIC RECREATION RESERVE, ALTONA.

WHEREAS by section 218 of the *Land Act 1958* power is given to the Board of Land and Works to make Regulations in respect of the care, protection and management of any Crown land which has been reserved under the Land Acts for any public purpose whatsoever and which has not been conveyed to or vested in trustees, and for the further purposes as enacted: Now therefore the Board of Land and Works, in pursuance of the power conferred aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council dated the 24th November, 1959, as a site for Public Recreation in the Parish of Truganina, shown ink hatched on plan T.109 (6) attached to Lands Department correspondence Rs.245, and known as "Altona Sports Park" (hereinafter referred to as the "Reserve").

The Reserve has been placed under the control of the Council of the Shire of Altona as a Committee of Management (hereinafter referred to as the "Committee"), with power and authority to enforce these Regulations.

## REGULATIONS.

1. The Reserve shall be open to the public free of charge, except on such days, not exceeding 52 in any one year, for any specified part thereof as may be set apart for fêtes, sports, or holiday amusements, on any of which occasions a sum not exceeding Five shillings may be charged and taken for admission of every adult to the Reserve.

2. No person shall—

- enter or remain in the Reserve who may offend against decency as regards dress, language or conduct, or who may behave in a disorderly, unseemly or offensive manner, or create or take part in any disturbance;
- enter or remain in the Reserve whilst in a state of intoxication;
- exercise or train any horse or pony on the Reserve, or any part thereof, without the consent of the Committee first obtained.

3. The Committee shall have the power to hold entertainments, shows or performances on the Reserve, and to make a charge for admission thereto as hereinbefore provided.

4. The Committee shall have power to let any portion of the Reserve to any club, association, person or society for the purpose of holding entertainments, performances, shows or sports, subject to the payment of such fees and on such terms as it may deem to be reasonable and consistent with these Regulations, and to authorize any club, association, society or person, to make a charge for admission thereto as hereinbefore provided in these Regulations.

5. No person, except the Committee or its officers or employees on duty, shall enter any part of the Reserve on an occasion when a charge is made for admission thereto without first paying the fees chargeable for such admission.

6. No person shall park a motor car, vehicle or motor cycle in the Reserve, except at such places as are set apart for the purpose by the Committee, which reserves the right to make and take a parking charge not exceeding Two shillings for each vehicle per day for use of such area.

7. No person shall take part in any public entertainment of any sort in the Reserve without the permission, in writing, of the Committee first obtained.

8. No person shall play, practise or engage in any organized game or sport within the Reserve at any time without permission, in writing, of the Committee first obtained.

9. Persons renting or hiring any stand, building, erection or enclosure on the occasion of any sport, fêtes or holiday amusements may be required to deposit any sum which the Committee may at any time determine by way of guarantee that due care shall be taken of any stand, building, erection or enclosure, and such Committee, in its absolute discretion, may make good any damage or injury sustained by such stand, building, erection or enclosure or anything contained therein, during such occupancy or hiring, and deduct the cost of making good such damage, injury or loss from the sum of money deposited by way of guarantee, and all persons so renting or hiring shall abide by these Regulations and by any order given by the Committee.

10. No person shall, in the Reserve, interfere with or break or damage any of the trees, plants or shrubs, or pluck any flowers, or climb, jump, or get over or under any of the fences, gates, seats, or any other structures therein, or roll or throw stones, or other missiles, or leave any bottles, broken glass, paper, orange peel, banana skins, or any refuse or rubbish whatever therein, or post bills or advertisements on any of the fences, gates, seats or other structures therein.

11. No person shall light a fire in the Reserve, except in fireplaces provided for that purpose.

12. No person shall put in the Reserve any cattle, horses, sheep, goats, pigs or other animals without the permission, in writing, of the Committee first obtained.

13. No person shall bring into the Reserve any dog, unless controlled by a chain or cord.

14. No person shall camp in the Reserve, nor erect therein any building or any booth for the purpose of offering for sale any article without permission, in writing, of the Committee first obtained.

15. No person, club or other body shall, without the consent of the Committee first obtained, grade or scrape the ground off or cut or burn any grass growing on any part of the Reserve.

16. No person shall remove any earth, sand, stone, marl or gravel from the Reserve.

17. No person shall remove or displace or damage or deface any board, plate, fitting or written notice for the exhibition of any Regulations, or any notice fixed or set up by the Committee of the Reserve.

The common seal of the Board of Land and Works was hereto affixed this 26th day of September, 1962—

(SEAL) KEITH TURNBULL, President.  
L. B. MERCER, Member.

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 218 of the *Land Act 1958*, for each offence be liable to a penalty of not more than Five pounds, and every person who contravenes or fails to comply with any such Regulations, and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist therefrom, may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law and shall be liable to a penalty of not more than Ten pounds.

REGULATIONS FOR THE CARE, PROTECTION AND MANAGEMENT OF THE "COORAMOOK PUBLIC HALL AND RECREATION RESERVE".

WHEREAS by section 218 of the *Land Act 1958* power is given to the Board of Land and Works to make Regulations in respect of the care, protection and management of any Crown land which has been reserved under the Land Acts for any public purpose whatsoever and which has not been conveyed to or vested in trustees, and for the further purposes as enacted: Now therefore, the Board of Land and Works, in pursuance of the power conferred aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council dated the 17th June, 1962, as a site for a Public Hall and Recreation purposes in the Parish of Cooramook, and known as the "Cooramook Public Hall and Recreation Reserve".

The Reserve has been placed under control of a Committee of Management (hereinafter referred to as the "Committee") with power and authority to enforce these Regulations.

REGULATIONS.

1. The hall shall be open to the public at such times and subject to such terms and conditions and the payment of such fees and charges as the Committee may determine.

2. The remainder of the Reserve shall be open to the public at all times, free of charge, except on such days, not exceeding 26 in any one year, as it or any portion thereof may be set aside by the Committee for fêtes, entertainments or amusements, on any of which occasions admission shall be subject to such conditions as the Committee may determine.

3. No person shall enter or remain in any portion of the Reserve or in any building thereon who may offend against decency as regards dress, language or conduct, or who may behave in a disorderly, unseemly or offensive manner, or create or take part in any disturbance.

4. No person shall interfere with, damage or destroy the vegetation or any buildings in the Reserve, nor throw stones or other missiles, nor light fires, except in fireplaces specially provided by the Committee, nor deposit litter or refuse of any kind therein.

5. No person shall bring into the Reserve any cattle, horses, sheep, goats, pigs or other animals, nor permit the same to enter, without the permission of the Committee being first obtained, otherwise the same may be impounded by the Committee.

6. No person shall erect any tent, booth or other structure, nor offer any article for sale or hire in the Reserve without the permission of the Committee being first obtained.

7. No person shall use, or cause to be used, any structure, tent, caravan or any vehicle of any description in the Reserve for camping or living therein.

8. No person shall have the use of the hall or any stand, erection or enclosure in the Reserve without the permission of the Committee being first obtained. Such permission shall not be unreasonably or arbitrarily withheld but shall be subject to such conditions as the Committee may consider reasonable.

9. Persons renting or hiring the hall or any stand, erection or enclosure in the Reserve may be required to deposit any sum of money which the Committee may at any time determine by way of guarantee that due care shall be taken of the hall or any stand, erection or enclosure, and the Committee, in its absolute discretion, may make good any loss, damage or injury sustained by the hall or any stand, erection or enclosure, or anything contained therein, during such renting or hiring, and deduct the cost of making good such loss, damage or injury from the sum of money deposited by way of guarantee, and all such persons so renting or hiring shall abide by these Regulations and by any order given by the Committee.—(Rs.8134.)

REGULATIONS FOR THE CARE, PROTECTION AND MANAGEMENT OF THE PUBLIC RECREATION RESERVE AT APSLEY.

THE Board of Land and Works, in pursuance of the powers conferred on it, doth hereby make the following additional Regulation in respect of the land temporarily reserved by Order in Council of the 28th August, 1882, as a site for Public Recreation in the Town of Apsley, and known as the "Apsley Recreation Reserve".

REGULATION.

15. No person shall drive or park any vehicle over or on the playing grounds at any time without the permission of the Committee of Management.—(Rs.3190.)

The common seal of the Board of Land and Works was hereto affixed this twenty-sixth day of September, 1962, in the presence of—

(SEAL) KEITH TURNBULL, President.  
L. B. MERCER, Member.

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 218 of the *Land Act 1958*, for each offence be liable to a penalty of not more than Five pounds, and every person who contravenes or fails to comply with any such Regulations, and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist therefrom, may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds.

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE PORTARLINGTON RESERVES.

WHEREAS by section 218 of the *Land Act 1958* power is given to the Board of Land and Works to make Regulations in respect of the care, protection and management of any Crown land which has been reserved under the Land Acts for any public purpose whatsoever and which has not been conveyed to or vested in trustees, and for the further purposes as enacted: Now therefore, the Board of Land and Works, in pursuance of the power conferred aforesaid, doth hereby make the following Regulations in respect of the lands reserved as set out hereunder, hereinafter referred to as the "Reserves", which have been placed under control of a Committee of Management with power and authority to enforce these Regulations:—

- (a) "Portarlington Foreshore Reserve" being such portions of the land reserved for Public purposes in the Township of Portarlington and the Parish of Paywit, as are indicated by red colour on plan marked P/26.4.1950 attached to Lands Department correspondence Rs.6395.
- (b) "Eastern Park" being the remaining land temporarily reserved by Order in Council dated 19th October, 1936, as a site for Public Park in the Township of Portarlington, Parish of Bellarine Rs.1931.
- (c) "Western Park", temporarily reserved by Orders in Council of the 7th July, 1887, and 17th January, 1888, as a site for Public purposes in the Township of Portarlington.

These Regulations are in lieu of all previous Regulations made by the Board in respect of the above-described land, which are hereby revoked.

REGULATIONS.

1. No person shall enter or remain in the Reserves who may offend against decency as regards dress, language or conduct.

2. No person shall bathe from the Reserves unless decently attired in a suitable bathing costume.

3. No person shall climb or jump over any of the fences in or around the Reserves, stick bills thereon, or cut names on the fences, trees, seats or other improvements therein, or otherwise disfigure, damage, injure or destroy the said fences, trees, seats or other improvements.

4. No person shall discharge any firearms or air-gun, pea-rifle, or take, displace or remove any bird's nest or nest of any animal in or from the Reserves.

5. No person shall cut, saw, dig, move or displace any trees, bough, live or dead timber, wood or other material which may be in or around the Reserves without the consent, in writing, of the Committee of Management.

6. No person shall remove any stone, soil or sand from the Reserves.

7. No person shall throw or cause to be thrown any stone or other substance, or play football, cricket, hockey, rounders, golf or any other game with a hard or semi-hard ball on the Reserves.

8. Horses shall not be allowed on the Reserves for racing, bathing or riding purposes at any time.

9. No person or persons shall ride a bicycle, or motor cycle, or drive a motor vehicle or any other vehicle within the Reserves recklessly or in a manner which is dangerous to the public, and at no time is to exceed a speed limit of 10 miles per hour.

10. The Committee of Management may at any time, by notice posted up, prohibit the taking of horses, bicycles, motor cycles, motor cars or any other vehicles into any portion or portions of the Reserves, and the owner or the user for the time being of any horse, bicycle, motor cycle, motor car or other vehicle found in such portion or portions shall be guilty of an offence against these Regulations.

11. No person shall stick or affix, place, or cause to be placed, any advertisement, bill, notice or placard on any fence, rock, cliff, tree, latrine, seat, improvement or building in or around the Reserves, and the Committee of Management or its duly authorized officer may remove any such advertisement, bill, notice or placard affixed, stuck, placed or attached in contravention to these Regulations.

12. No person shall, on the Reserves—

- (a) light a fire or burn any material, except with the consent of the Committee of Management or in the places set apart for the purpose by the Committee of Management or its duly appointed officer;
- (b) break glass of any kind or leave or deposit any matter or thing injurious to persons;
- (c) deposit or leave any bottle, glass, tin, can, orange peel, waste paper, garbage or litter of any kind, except in a receptacle provided for that purpose by the Committee of Management.

13. No person shall—

- (a) enter or remain in any Reserve under the control of the Committee of Management whilst in a state of intoxication;
- (b) bring any intoxicating liquor on to any Reserve under the control of the Committee of Management without the consent of such Committee first obtained.

14. No person shall bring in a caravan, erect any bathing box, boat-shed, tent or other building or construction on the Reserves without permission, in writing, of the Committee of Management first obtained, and such permission may be granted subject to such conditions and terms as may be imposed by such Committee, and to the payment to such Committee of the fees prescribed by it. Any person who is granted permission to bring in a caravan, erect any such bathing box, boat-shed, tent or other building or construction shall not transfer nor sub-let the same to another person.

15. No person shall moor, use, place or leave any boat on the Reserves without the permission of the Committee of Management, in writing, first obtained.

16. No person shall bring in a caravan, motor conveyance, mobile unit, vehicle or erect any tent, booth or other structure, nor offer for sale or deliver any article within the Reserves or within any caravan, motor conveyance, mobile unit, vehicle, tent, booth or other structure thereon without having paid the prescribed fee in advance and without the permission of the Committee of Management first obtained.

17. No person shall reside, camp or live in any bathing box, boat-shed or any other structure erected on the Reserves, nor shall any person use any such structure for the purposes of storing furniture or goods, and no person shall use any structure except for the particular purpose stipulated in the permit.

18. The Committee of Management shall have full power to order the removal of any building, structure or erection which has been placed, erected or established on the Reserves—

- (a) without its consent, or
- (b) which has not been kept properly painted, or
- (c) which in its opinion has not been satisfactorily maintained, or
- (d) upon which the occupancy has not been renewed, or
- (e) for any other reason it may deem good and sufficient—

and no person shall neglect or refuse to remove any such building, structure or erection from the Reserves within fourteen (14) days after such Committee has sent, by registered post to his last-known address, a notice requiring him to remove such building, structure or erection.

19. In the event of any such refusal or neglect as mentioned in Regulation 18 hereof continuing for more than fourteen (14) days after the receipt of the said notice, the Committee of Management may remove such building, structure or erection without prejudice to any proceedings which might be taken against such person for so refusing to comply with these Regulations.

20. The owner or driver of any vehicle shall park such vehicle in such place and manner as directed by the duly appointed officer of the Committee of Management.

21. The Committee of Management may set apart a portion or portions of the Reserves as and for the purpose of a camping area, and may fix and collect fees or other charges for entering and use of any such area.

22. No person shall camp on or use as a camp any portion of the Reserves except such portion or portions hereof as are specially set apart by the Committee of Management for the purpose and then only in such place or places as directed by its duly authorized officer.

23. No person shall camp on or use a camping area or any camping lounge or convenience appurtenant to a camping area, except during the period covered by a permission, in writing, of the Committee of Management or its authorized officer, and then only on the payment of such fees as are fixed by such Committee, and any such permission may be granted subject to conditions deemed reasonable by such Committee.

24. Any person entering a structure, tent, or shelter, or parking a caravan in any camping area shall abide by such directions as may be given by the Committee of Management or its duly appointed officer.

25. The person to whom permission is issued by the Committee of Management or its authorized officer to use a site in a camping area shall be deemed to be the person who erected on such site any structure, tent, or shelter, or who parked a caravan pursuant to such permission, and such person shall keep the site thus occupied in such camping area in a clean, sanitary and tidy condition, and before vacating such site shall collect and place in the receptacle provided for the purpose all refuse, litter or garbage from the site.

26. Permit to camp or occupy a site must be obtained from the Committee of Management before entering the Reserves. No person, other than a person desirous of holidaying on any area set apart for camping in the Reserves, shall bring a caravan therein or erect a tent thereon or other structure, nor shall any person sub-let such caravan, such tent or a camping site.

27. Any permission issued by the Committee of Management or its authorized officer to a person for use of a camping area may be cancelled or withdrawn by such Committee or its authorized officer and subsequent to such cancellation or withdrawal a proportionate refund of any fees or charges paid in advance shall be refunded, and such Committee or its authorized officer at its or his discretion may deduct and retain from any such proportionate refund a sum as it or he determines will be necessary to clear up and put in order the site vacated.

28. All persons using any conveniences provided on the Reserves by the Committee of Management shall, on demand, pay a fee which shall from time to time be indicated by an appropriate notice.

29. Every person holding or purporting to hold any receipt or permission, in writing, issued by the Committee of Management shall, on demand by any member of such Committee or any officer thereof or any member of the Police Force or any bailiff of Crown lands, produce such receipt or permission.

30. No person shall bring into the Reserves any dog or animal at any time.

31. The Committee of Management may from time to time fix and collect fees or other charges for entering and using any facilities provided by it on the Reserves for bathing and/or bathers.

32. No person, except workmen employed on the Reserves, shall enter any plots therein which may be enclosed for plantation of young trees, shrubs or grass.

33. No person shall play or perform in any band of music, or deliver or read any public speech, lecture, prayer, sermon or address of any kind, sing any sacred or secular song, enter into any, public discussion, or hold or take part in any public assemblage on the Reserves, except with the consent of the Committee of Management, in writing, first obtained.

34. The Reserves shall be open to the public, free of charge, except on such days (not exceeding twelve in any one year) as the whole or any portion of such of the Reserves as are specially reserved for recreation, may be set apart for cricket or football matches, games, fêtes, sports, concerts, entertainments or holiday amusements, on any of which occasions a sum as determined by the Committee of Management may be charged and taken for the admission of each person thereto.

35. The Committee of Management may from time to time permit portions of such of the Reserves as are specially reserved for recreation, to be occupied by any club, association or person for the purpose of playing cricket, football or any other form of sport, or for holding concerts, shows or entertainments subject to the payment of such fees and to such terms and conditions deemed reasonable by the Committee of Management.

36. Permit to camp or occupy a site must be obtained from the Committee of Management before entering the Reserves. The Committee of Management shall not be responsible for any accident arising from the use of any of the swings, slides or other appliances in the Reserves. The Reserves are closed for camping from the 15th May to 15th August of each year, during that period no caravan, mobile unit, tent, building or other structure shall remain in the Reserves. Any camping equipment so remaining will be removed at the owner's expense and after eight months sold to defray costs of removal and storage. The Committee of Management will exercise every care in respect to such property but accepts no responsibility by damage or theft.

## BY-LAW No. 115.

A By-law of the Town of Castlemaine, made under the Local Government Acts, and numbered 115, for prohibiting the leaving standing of derelict or unregistered motor cars on streets or roads.

IN pursuance of the powers conferred by the Local Government Acts and of any and every other power it thereunto enabling, the town Council orders as follows:—

1. In this By-law the words "derelict motor car" shall mean any derelict motor car which has remained in any street for a period exceeding 30 days.

2. No person shall leave any derelict or unregistered motor car standing on any street or road.

3. Any officer of the Council authorized by it in that behalf may cause any derelict or unregistered motor car left standing in any street or road to be removed by such reasonable means as he may think fit to some place set aside for that purpose.

4. As soon as reasonably may be after such car has been removed as aforesaid, the Council shall cause to be published in a newspaper generally circulating in the municipal district a notice in the form in the Schedule hereto.

5. If within fourteen days after such publication such motor car shall be claimed by any person producing to the Council proof to its satisfaction that he is the

owner thereof and the appropriate charge prescribed by this By-law shall be paid in respect thereof, such motor car shall be released to the person so claiming it.

6. (a) Where any such motor car shall not be so released within fourteen days after the publication of such notice as aforesaid, the Council may, after the expiration of 21 days after the expiration of such notice, cause the same to be sold either by public auction or private contract.

(b) The proceeds of such sale shall be applied firstly in payment of the appropriate charge for the removal thereof and the residue (if any) shall be payable to any person producing to the Council proof to its satisfaction that he is the owner of such motor car.

(c) If within three months after the date of such sale no person shall have claimed such residue and produced such proof as aforesaid to the Council such residue shall be paid into the municipal fund.

7. If the Council shall be unable to sell such motor car within fourteen days from the expiration of such period of 21 days the same may be disposed of by the Council in such manner as it may think fit.

8. The charge for the removal of any derelict or unregistered motor car, pursuant to this By-law, is hereby prescribed as a sum equivalent to Ten shillings for each mile or part thereof of the distance between the place where such motor car was left standing to the place set aside by the Council pursuant to clause 2 hereof.

9. This By-law shall apply to and have operation throughout the whole of the municipal district.

## THE SCHEDULE HEREINBEFORE REFERRED TO.

Notice is hereby given that the under-mentioned derelict or unregistered motor car was, pursuant to the provisions of By-law No. 115 of the Town of Castlemaine, removed from \_\_\_\_\_ street, on the \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, to the Council's yard in Bull-street.

SHIRE OF BULN BULN.

BY-LAW No. 59.

A By-law of the Shire of Buln Buln, made under the *Local Government Acts*, and numbered 59, for regulating the use of and the conduct of persons using or being on the premises of the Drouin and District War Memorial Swimming Pool situated at Drouin.

IN pursuance of the powers conferred by the *Local Government Acts* and of any and every power it thereunto enabling, the President, Councillors and Ratepayers of the Shire of Buln Buln orders as follows:—

1. In this By-law unless inconsistent with the subject matter—

"Attendant" means any employee of the Council performing any duties on or in connexion with the swimming pool premises.

"Attendant in Charge" means any person by the authority of the said Council hereinafter mentioned for the time being in charge or control of the swimming pool premises and of any attendant.

"Council" means the Council of the Shire of Buln Buln.

"Swimming Pool" means any pool or body of water provided on the swimming pool premises for the use of swimmers, including any wading or diving pool.

"Swimming Pool Premises" means the Drouin and District War Memorial Swimming Pool being the land more particularly described in (49) hereafter, which includes any and all buildings, structures and equipment on or appurtenant thereto.

Words importing the masculine gender also include the feminine and vice versa.

2. The swimming pool premises shall be open to the public during such periods and such hours as the Council shall by resolution determine.

3. The Council may at any time and from time to time close the swimming pool premises or any part thereof for such period or periods as may be deemed necessary.

4. The attendant in charge of the swimming pool premises may refuse admission to any person.
5. No person shall enter any swimming pool unless an attendant or authorized person is present. Sole bathing is prohibited.
6. No person shall use any swimming pool unless he be properly attired in a bathing costume so as to preserve public decency.
7. No person shall dress or undress, or remove any part of his bathing costume, in any part of the swimming pool premises open to public view.
8. No person shall expectorate on the concourse of the swimming pool, on any lawns or in the dressing-rooms, compartments, passages or entrances thereto or in the vicinity of the kiosk, on the walls or on any sealed surface within the swimming pool premises.
9. No person shall spit, spout water or blow his nose in any swimming pool.
10. No person shall roll or throw stones or other articles into any swimming pool.
11. No person shall loiter, misconduct himself or commit a nuisance in the swimming pool premises or bring rubbish, filth or other offensive matter into the swimming pool premises, or deposit any rubbish therein, or leave therein any tins, bottles, broken glass, orange or other peel, papers, cast-off clothing or other litter except in receptacles provided for such purpose.
12. No person shall interfere with the use and enjoyment of the swimming pool premises by any other person and any person so acting or otherwise behaving in an unseemly or improper manner shall immediately leave the swimming pool premises when requested so to do by the attendant in charge.
13. No person shall engage in boisterous or rough play or conduct within the swimming pool premises.
14. Beach balls, motor tubes, or other inflated rubber or plastic articles are not permitted in the main swimming pool, except by permission of the attendant in charge. Toddlers may be permitted by the attendant in charge to take rubber toys into the wading pool. Water polo may only be practised or played at times and by teams approved by the Council. No other ball games of any kind shall be permitted in the swimming pool premises.
15. No person shall obstruct, hinder or interfere with the attendant in charge or any person employed at the swimming pool premises or any officer of the Council or duty lifesaver or registered swimming instructor in the performance of his duty thereat.
16. (a) No person shall for fee or reward instruct or coach any person in the swimming pool premises unless registered by the Council as a professional coach in respect to such premises.  
(b) The Council may refuse to register any applicant as a professional coach in respect to the swimming pool premises if it is of the opinion that the applicant is not a suitable person to be so registered or that the number of persons already registered should not be increased.  
(c) Every registration shall be in force for the season for which registration is made and no longer but may be sooner suspended or cancelled by the Council for breach of any of the By-laws, regulations, orders or rules to which the same is subject.
17. No boy or girl over the age of ten years shall use the wading pool.
18. No person shall smoke within 10 feet of any swimming pool.
19. No person shall be in possession of any bottle or glass within 10 feet of any swimming pool.
20. No person shall—
  - (a) Bring into the swimming pool premises any intoxicating liquor.
  - (b) Consume intoxicating liquor on the swimming pool premises.
  - (c) Enter or remain in or upon the swimming pool premises if intoxicated.
21. No person shall at any time while being in or upon the swimming pool premises use indecent, offensive or abusive language or behave in an indecent or offensive manner.
22. No person shall occupy the shower baths for an unreasonable time or enter any shower or water closet occupied by another person.
23. No person shall bring into or cause or allow any dog or other animal under his control to remain in the swimming pool premises.
24. No person shall bring any bicycle into the swimming pool premises.
25. No person shall use any swimming pool whilst in an unclean condition, or suffering from any cutaneous, infectious, or contagious disease, and any such person shall retire from the swimming pool upon being requested so to do by any attendant on duty.
26. No person shall enter any swimming pool before first washing himself in the shower bath and every bather after using the latrines shall wash under the showers without costume before entering or re-entering the swimming pool.
27. No person unless authorized by the attendant in charge shall climb or attempt to climb over, into or upon or remain on or upon any fixture, fence, roof, building, or structure forming part of or adjoining the swimming pool premises.
28. No person shall use or interfere with any rope, raft, lifebuoy or life-saving appliance or apparatus in the swimming pool premises except in case of accident and danger occurring to a bather or other person rendering their use necessary.
29. No person shall use any soap or other substance or preparation in any place or manner in any swimming pool. Approved soap is permitted for use in showers and at hand basins only.
30. No person shall damage, deface or remove any placard or notice board within the swimming pool premises.
31. No person shall foul or pollute the water in any swimming pool or the shower baths, or wilfully or improperly soil or defile any towel or bathing costume or any shower, wall, closet or urinal or any bath-room, dressing-room, compartment or any part of the swimming pool premises or any furniture or article therein.
32. (a) No person shall at any time carelessly or negligently break, injure or interfere with any lock, tap or fitting used in connexion with the swimming pool premises, nor carelessly, negligently or wilfully damage or injure any furniture or fitting towel or any other article that may be in or upon the swimming pool premises, or write upon or deface the walls or partitions or any other part of the swimming pool premises.  
(b) No person shall remove, injure or destroy any tree, shrub, plant or flower growing or being on the swimming pool premises.
33. No child under the age of ten years, who is unable to swim shall use the main swimming pool without the permission of the attendant in charge, unless accompanied by an adult.
34. No child under the age of six years shall be permitted to enter the swimming pool premises unless in the opinion of the attendant in charge such child is in the care of a responsible person.
35. No person, other than a child under the age of four years under the care of a responsible person, shall enter or use any dressing-room, shower, or convenience or passages leading thereto which have been appointed or appropriated for the use of persons of the opposite sex.
36. No person unless authorized by the attendant in charge or other competent authority shall enter the plant room, its enclosure or any storeroom within the swimming pool premises.
37. No person shall hawk or sell or offer for sale in the swimming pool premises any goods or articles or services without having first obtained permission in writing from the Council.
38. Any person hiring any article from an attendant shall return the same to an attendant prior to leaving the swimming pool premises.
39. Neither the Council nor any officer, employee or agent of the Council shall be responsible for any article lost by or stolen from any person admitted to the swimming pool premises.
40. Any person finding any article in or on the swimming pool premises shall immediately thereafter deliver the same to the attendant in charge who shall thereupon register a description of same and all particulars relating thereto in a book to be kept for that purpose and upon any person claiming such article giving satisfactory proof of loss the attendant in charge shall deliver the same to such last-mentioned person after entering the name and address of that person in the same book and obtaining therein his signature therefor.
41. (a) Any person may deposit with the attendant in charge or any attendant authorized thereto by the attendant in charge any articles for safe keeping and the attendant receiving the article shall thereupon give to the

person so depositing the article a ticket or token as a receipt therefor. On the presentation of such ticket or token an attendant may deliver the article to the person presenting the same notwithstanding that such person may not be the person who deposited the article:— Provided however that the Council or any person duly authorized in that behalf by the Council may sell or otherwise dispose of any article deposited as aforesaid and not claimed within three calendar months from the date of such depositing without being liable in any way to the owner or depositor of such article by reason of such sale or disposition.

(b) Any attendant receiving any article deposited as aforesaid shall take reasonable steps to ensure the safe keeping of such article but neither the Council or any attendant exercising such reasonable care shall be answerable to any person for the loss, theft or destruction of or any damage to any article deposited as aforesaid.

42. Except as hereinafter provided every person shall before entering the swimming pool premises pay to the attendant the price fixed from time to time for admission thereto or produce a season ticket issued by the Council.

43. No season ticket shall be transferable and any holder of such a ticket who allows any other person to use the same shall immediately forfeit such ticket and all moneys paid thereon and the rights and privileges given by such ticket.

44. The attendant in charge or other person duly authorized by the Council shall charge every person entering the swimming pool premises the proper fees, including charges, if any, for the admission of school children in the charge of a teacher, as fixed from time to time by Special Order of the Council.

45. The Council reserves the right to permit any person or persons or any body to use the swimming pool premises or any part thereof for gala entertainment or other purposes for such time and upon such terms and conditions as it shall think fit and on such occasions:—

(a) The charges fixed by the Council for admission to the swimming pool premises or such part thereof shall be suspended.

(b) Season or other tickets, licences or tokens issued by or on behalf of the Council shall not be used or availed of for attendance or entrance to the swimming pool premises or such part as may be used as aforesaid.

Melbourne and Metropolitan

BOARD OF WORKS.

BY-LAW No. 81.

WATER SUPPLY.

**T**HE Melbourne and Metropolitan Board of Works (hereinafter called "the Board"), pursuant to and in exercise and execution of the powers and authorities conferred on it by the *Melbourne and Metropolitan Board of Works Act 1958* (as amended) and pursuant to and in exercise and execution of any other powers and authorities in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

1. By-laws No. 56, No. 58, No. 59, No. 63, No. 68, No. 72, No. 73, No. 74, No. 77, No. 79 and No. 80 are hereby revoked as from the date of the coming into operation of this By-law but nothing herein shall affect the validity or enforcement of any rate or charge made before the coming into operation of this By-law and every such rate or charge shall be levied and the payment thereof enforced as if this By-law had not been made; and nothing herein contained shall relieve discharge or absolve any person from liability to pay any rate or charge made in accordance with the said By-laws or abrogate or alter the power of the Board to recover and enforce payment of any such rate or charge, or withdraw any permission given or cancel any licence granted by or on behalf of the Board or annul or stay any proceedings taken prosecutions commenced or business initiated as in conformity with the provisions of the said By-laws prior to the date of this By-law coming into operation, but the same respectively may be continued and carried to completion and all offences against any provision of the said By-laws committed before the date of this By-law coming into operation may be prosecuted for and punished as if this By-law had not been made and passed.

2. In the construction of this By-law unless inconsistent with the subject-matter or context—

- (a) The meaning which in the Board's Act (as hereinafter defined) is assigned to any word shall be the meaning of the same word where occurring in this By-law;
  - (b) "Approved" means approved either generally or in any class of cases by the Board or in any particular case by (a) the Board or (b) its officer authorized in that behalf by this By-law;
- "Aqueduct" means any constructed channel, the property of the Board, for conveying water not under pressure from place to place;
- "Arterial main" means any pipe, the property of or under the control of the Board, laid for the purpose of supplying water not being a water main as hereinafter defined;

- “Engineer-in-Chief” means the Engineer-in-Chief of the Board for the time being or the Acting Engineer-in-Chief for the time being, and shall also mean and include any other officer or person appointed by the Board for the purpose of discharging the duties and exercising the powers of the Engineer-in-Chief;
- “Licensed Plumber” means a plumber duly licensed by the Board;
- “Meter” means any water meter which is required to be fixed pursuant to this By-law;
- “Proper Officer” means an officer of the Board authorized by it in respect of or whose duty it is to deal with or act in regard to any act matter or thing in connexion with which the expression is used.
- “Secretary of the Board” means the Board’s Secretary for the time being and shall also mean and include any other officer or person appointed by the Board for the purpose of discharging the duties and exercising the powers of the Secretary;
- “Service pipe” means any pipe laid so as to convey a supply of water within a tenement from a water main arterial main or aqueduct whether directly subject to water pressure from such water main arterial main or aqueduct or supplied indirectly through the intervening medium of a storage tank;
- “Storage Tank” means any vessel used or intended to be used for the storage of water whether under pressure or not;
- “The Board’s Act” means the *Melbourne and Metropolitan Board of Works Act 1958* as amended;
- “Water main” means any pipe laid for the supply of any street or part thereof with water, notice of the laying of which has been given pursuant to Section 69 of the Board’s Act, and any pipe or main vested in the Board pursuant to any Order in Council made under the Board’s Act;
- “Work of Water Supply” means the construction alteration extension disconnexion removal maintenance repair renewal or clearing of any service pipes or fittings (including meters) communicating or intended to communicate directly or indirectly with any water main arterial main or aqueduct.

#### SUPPLY OF WATER BY MEASURE.

3. The supply of water by the Board to any lands tenements or premises or for any purposes shall be upon the terms and conditions prescribed by this By-law and where applicable for the charges in this By-law prescribed.

Compulsory  
fixing of  
meters.

4. The Board may by notice in writing direct any person—

- (a) Being a consumer supplied with water whether for domestic purposes or not;
- (b) Supplied with or desiring to be supplied with water;
- (c) Whose premises are directly or indirectly connected with a water main, arterial main or aqueduct or are about to be so connected, to be supplied by measure and to fix a meter on the service pipe in a position or place approved by the Proper Officer to register the quantity of water so supplied.

5. Any person so directed who shall not properly fix a meter within fourteen days after the service of such notice shall be guilty of an offence.

6. Any person who enters into the occupation of any lands tenements or premises which are directly or indirectly connected with a water main, arterial main or aqueduct and at which a meter is affixed for the supply of water by measure to such lands tenements or premises shall not be entitled to use water supplied by the Board to such lands tenements or premises or to suffer any other person to do so until he has given notice to the Board of his entry into such occupation and he shall without prejudice to the liability of the owner or any prior occupier be liable for any rates or charges for water supplied by measure and other sums in respect of such lands tenements or premises due to the Board under the provisions of Part II. of the Board’s Act at the time he entered into occupation of the lands tenements or premises as well as for all rates charges and other sums in respect of lands tenements or premises which may become due to the Board during his occupation thereof.

7. (a) Save as in this By-law specifically prescribed water supplied by the Board by measure in the metropolis other than to lands and tenements which are not rateable property shall be charged for at the rate of Two shillings per thousand gallons;

(b) The amount to be charged in respect of any period during which water is supplied by measure by the Board shall be calculated at the rate hereinbefore prescribed therefor upon such volume of water as shall have been ascertained by the Board to have been supplied during such period.

8. (a) The minimum amount to be charged where water is supplied by measure to any lands and tenements being rateable property, shall in any one year commencing on the first day of July be the amount which would be payable under or pursuant to the Board's Act as a water rate if such lands and tenements were supplied with water otherwise than by measure, provided that such minimum amount shall not in any case be less than Two pounds per annum;

Minimum charge for water by measure.

(b) The said minimum amount shall be payable in advance by two equal payments on such days as the Board by notice requires;

(c) Without limiting the right of the Board to charge and recover from the occupier or the owner or any other person for water supplied by measure to lands and tenements being rateable property the Board may charge and recover from the owner for the minimum amount as aforesaid, and the occupier or any other person for the balance due for the water supplied by measure.

9. Any consumer of water who is supplied with water through a meter or meters and pays for such supply by measure an amount exceeding the sum which would be payable upon the rating of the premises supplied if such premises were supplied otherwise than by measure shall out of any excess be allowed so far as such excess will admit thereof a deduction equal to Ten shillings per annum on account of each closet pan on such premises provided that the deduction hereby allowed to any such consumer shall not exceed One pound per annum in respect of such premises and provided further that such allowance or deduction shall only be made in respect of those premises which are separately supplied from a water main arterial main or aqueduct and upon which is levied a Metropolitan General Rate.

Allowance for sanitary flushing.

10. Water supplied by the Board to shipping at wharves and piers through fixed meters shall be charged for at the rate of Three shillings per thousand gallons; but wherever it is necessary for the Board to provide hoses or labour for the supply of water, the charge shall be at the rate of Six shillings per thousand gallons, subject in all cases to the control of the Board as to quantity and time of supply.

Water supplied to shipping.

#### SPECIAL CHARGES AND CONDITIONS.

11. (1) Notwithstanding anything contained in this By-law, the Board may supply water other than by measure for the purposes or in the circumstances hereinafter described upon the charges (payable always in advance) calculated or specified as hereinafter prescribed, that is to say:—

Special charges and conditions.

- (a) For the making and mixing of concrete, for masonry and brickwork and for consolidating materials at the rate of Two pence per cubic yard of such materials as measured in the work;
- (b) For general building purposes at such of the following rates as may be applicable upon the estimated assessable value of the completed building:—
  - (i) Buildings other than wooden buildings at the rate of One shilling and four pence in the pound during the period (from date of commencement) of three months where the abovementioned value does not exceed Fifty pounds; of four months where such value exceeds Fifty pounds but not One hundred pounds; and six months where such value exceeds One hundred pounds.
  - (ii) Wooden buildings at the rate of Eight pence in the pound during the periods specified in paragraph (b) (i) hereof.
  - (iii) From the termination of the period during which either of the above rates are applicable until the valuation of the tenement with the building erected thereon is returned to the municipal council or a supplementary valuation thereof is made by such council or by the Board, at a rate equivalent to the water rate then made and levied by the Board.
- (c) Through a hose to a garden not exceeding 100 square yards in area at a charge of One pound per annum, provided that the measurement of such area shall include all paths and portions of paved areas within 3 feet of any cultivated area, and shall include all areas which, in the opinion of the Engineer-in-Chief, are capable of cultivation.

- (d) For work carried out or for any appliance or appliances affixed other than in or upon any tenement at the rate of Two shillings per One thousand gallons of the estimated consumption of water.
- (e) For other than domestic purposes to a tenement upon which a water rate is levied a charge of Twelve shillings and six pence per annum.

(2) For the purposes of this clause "estimated" means estimated by the Treasurer or other responsible officer of the Board.

#### SUPPLY OF WATER FOR PARTICULAR PURPOSES.

For automatic flushing.

12. Water may be supplied by the Board for use in automatic flushing cisterns subject to the due observance of the following conditions:—

- (a) A meter shall be fixed solely to record the water used by the cistern;
- (b) The automatic cistern shall be kept under inspection and maintained in proper working order at all times;
- (c) The supply to the automatic cistern shall be shut off at all times when the urinals or other fittings supplied are not made available for use.
- (d) In the event of the Engineer-in-Chief at any time ordering the removal of the automatic cistern and its replacement by a hand-operated appliance, such order shall be carried out forthwith.
- (e) An agreement in writing containing the said conditions (a) (b) (c) and (d) and such further or other conditions as may be deemed necessary in the circumstances by the Engineer-in-Chief shall first be executed by the owner of the premises.

For cooling purposes.

13. Water may be supplied by the Board for cooling purposes subject to the due observance of the following conditions:—

- (a) An apparatus in which water is used for cooling purposes shall be deemed to be an apparatus within the meaning of this By-law.
- (b) The use of water as aforesaid for any such apparatus shall be subject to the conditions and charges as set out in this By-law.
- (c) No such apparatus shall be installed or used in on or in connexion with any property land or tenement unless the Board shall have first consented thereto in writing.
- (d) Applications for consent to install or use such apparatus shall state the make and type, the minimum and maximum water requirements, and any other information the Board may require.
- (e) If the total quantity of water used for or in the operation of the said apparatus or apparatuses (if there be more than one on any land property or tenement) under full output exceeds one half (½) gallon per minute it shall not be run to waste unless consent in writing shall have first been obtained from the Board.
- (f) The quantity of water run to waste shall be limited to the quantity specified in the Board's consent. Should water in excess of the quantity so specified in the Board's consent be run to waste the owner or occupier of the property land or tenement or other persons supplied with or using the water so supplied by the Board who shall permit or allow such excess water to be run to waste shall be guilty of an offence against this By-law.
- (g) The water run to waste shall be recorded by a meter.

For steam boilers.

14. Water supply connexions to steam boilers shall be made as follows:—

- (a) By direct connexion from a service pipe.  
A screw-down high-pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be fixed between the stop-tap and the boiler and a half-inch testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap.
- (b) By direct connexion from a service pipe together with an injected supply from a storage tank or condensate sump.

Reflux valve to be fixed in steam services.

In addition to the provisions of paragraph (a) hereof the injected water to a boiler must be taken through a separate opening in the wall of the boiler. In no circumstances shall a connexion be permitted between the service pipe and the piping from a storage tank or condensate sump.

Water connexions may be made through the tops or sides of steam boilers.

15. In cases where water is required from water mains arterial mains or aqueducts for hot water radiation systems or other similar equipment it shall be taken through a storage tank fitted with a ball tap and overflow fixed in accordance with the Board's requirements for storage tanks prescribed by clause 47 of this By-law. For hot water radiation systems.

16. A water operated appliance whether hand operated or automatic shall only be connected directly or indirectly with a service pipe if the consent in writing of the Board shall have first been obtained and then in strict conformity with any conditions specified by the Board. For water operated appliances.

17. Any person who connects or allows or permits the connexion of any service pipe with any steam boiler any hot-water radiation system or any water operated appliance otherwise than in strict conformity with the foregoing clauses shall be guilty of an offence.

#### METERS.

18. (a) No meter shall be fixed on a service pipe until it has been examined, tested and approved by a duly authorized officer of the Board. Meters must be fitted with dials capable or recording the following:— Meters to be tested and approved.

- (i)  $\frac{1}{4}$ -in. meters, at least 1,000,000 gallons.
- (ii) Meters greater than  $\frac{1}{4}$  in., at least 10,000,000 gallons.

(b) Every meter must be capable of correctly registering such rates of flow as may be fixed by the Engineer-in-Chief.

(c) (i) Every meter must be fixed and maintained truly level on a proper foundation of timber brick or concrete.

(ii) Except where otherwise specifically permitted by the Proper Officer, each meter shall be placed above the ground and connected to the service pipe, in accordance with the method, table and diagram set forth in the First Schedule hereto appropriate to the diameter of the meter.

(iii) With the consent of the Proper Officer a meter may be fixed in a pit properly constructed and effectively drained. Meters—How to be fixed.

(iv) All meters must be properly protected by an approved cover. A meter fixed below the ground shall be capable of being uncovered by one man; and if required by notice shall be furnished with a locking device.

(v) All meters fixed to services of two (2) inches internal diameter and under shall be provided with connexions of brass or copper or other approved materials.

(vi) If lead joints are used in the meter assembly it will be necessary to secure such assembly by clips and tie-rods in accordance with the standard practice of the Board.

(vii) Washers for meter connexion couplings must be of leather or other material approved by the proper officer. Washers to be used.

(viii) All bends used in fixing of meters shall be left exposed until passed by the Proper Officer.

(d) Meters must be so fixed as to register the whole of the water supplied to any tenement or premises, except where otherwise allowed by the Proper Officer. Whole supply to property to be registered.

(e) Every person desiring to remove a meter or alter the position thereof must make written application for the consent of the Board to such removal or alteration, and no such removal or alteration shall be effected unless the Board's permission in writing shall have been first given. Removal of meters.

Any person who interferes with any water meter dirt box or any seal thereon, except with the written consent of the Board, shall be guilty of an offence.

(f) No person except a licensed plumber or any officer of the Board shall carry out or perform any work in connexion with the fixing removal or alteration in position of a meter. Licensed Plumbers to do work.

19. No person shall place construct stack store or permit to be placed constructed stacked or stored any hedge building erection materials or goods over or upon any meter or do or permit to be done anything which shall prevent or interfere with the inspection or removal of any meter at any time by any officer of the Board. Any person who neglects or refuses, on notice from the Board, to remove any obstruction or impediment to inspection or removal of the meter shall be guilty of an offence. Meter to be available for inspection.  
Neglect or refusal to remove obstruction an offence.

20. The Board may by notice in writing:—

(a) Order a meter to be fixed.

(b) Order the removal of any meter to an approved position which shall be free from obstruction or impediment to inspection at any time by an officer of the Board. Board may require meter to be fixed or to be removed.

Size and type of meter to be as directed.

- (c) Order the return to the Board of any meter provided by the Board.
- (d) Specify the size and type of meter or meters to be fixed to measure the quantity of water supplied to any premises.
- (e) Order any type and size of meter to be fixed in lieu of any other type or size of meter already fixed.

In default of observance of such notice the Board may itself carry out any work thereby ordered and in such event the cost of the work shall be borne by the owner or occupier of the tenement to which water is supplied, each of whom shall be liable therefor.

Neglect to comply with such notice an offence.

Any person who neglects or refuses to comply with such notice or who obstructs the Board in carrying out any work thereby ordered shall be guilty of an offence.

21. The Board may let for hire water meters, the rent for which shall be at the rate per annum—

Hire of meter and rate of rent thereof.

- For  $\frac{1}{4}$ -in. meter, Nine shillings.
- For  $\frac{3}{4}$ -in. meter, Ten shillings.
- For 1-in. meter, Sixteen shillings.
- For  $1\frac{1}{4}$ -in. meter, Twenty-two shillings.
- For  $1\frac{1}{2}$ -in. meter, Twenty-eight shillings.
- For 2-in. meter, Fifty shillings.

Meter rent to be exclusive of rate.

Such rent shall be in addition to the amount chargeable for the recorded consumption of water, and shall be due and must be paid half-yearly in advance on the first day of the month of July and of the month of January next succeeding, the first payment to date and to be made as from the commencement of the month in the half-year during which the meter is hired.

Safe custody of meter.

22. (a) Every owner or occupier of lands and tenements to which or other person to whom water is supplied by measure by the Board shall be deemed to be responsible for the safe custody of the water meter fixed on the service pipe conveying such water and if it is stolen he shall pay to the Board the cost of the meter or if it is damaged he shall pay to the Board the cost of repairing the damage.

(b) Every private meter shall be kept and maintained in proper working condition to the satisfaction of a supervising officer of the Board by and at the cost of the owner.

Where meter ceases registering &c., average may be charged.

(c) If any meter in use ceases to register, or is reported as out of repair or registering inaccurately, the Board will estimate and charge for the water consumed during the period such meter is not in working order and until it is repaired and re-fixed or replaced by another meter (1) by taking an average of the quantity of water used during any period of similar conditions, (2) on the basis of subsequent consumption or (3) by inserting a check meter on the service pipe and charging upon estimate from the registering thereof.

(d) In the event of a meter having been tested by the Board and having been found to be reliable but to register with a percentage of error, this percentage or error shall be ascertained and fixed by the Proper Officer and the Registrar of Meters shall apply the same in the adjustment of the registration.

Testing meters.

(e) In the event of the owner or occupier of any property land or tenement being dissatisfied with the registering of a meter provided or maintained by the Board and fixed on the service pipe to register the supply to such property land or tenement, he may, by notice in writing, require the Board to cause the meter to be removed and tested and, together with such notice, shall forward a sum of Ten shillings, which, if the meter is found to register correctly, shall be retained by the Board towards the cost of removing and testing the meter; but if the meter is found to fail in registration, or is found to register incorrectly, it shall be repaired and replaced or another meter shall be placed instead of it at the cost of the Board, and the amount deposited by such owner or occupier shall be returned to him.

(f) Should any private meter cease to register, be reported out of repair or be registering inaccurately, the owner and the occupier shall each be responsible for the immediate removal and repair thereof and for the submission of such meter to a test by the Board before it is re-fixed.

All work in connexion with any removal, repair and re-fixing of a meter shall be at the owner's expense and any work in connexion with the removal and re-fixing of a meter shall be carried out by a licensed plumber and the repair of a meter shall be carried out only by a person approved by the Board.

Testing large meters in position.

(g) Except where otherwise permitted by the Proper Officer provision must be made for testing in position meters of 2-in. size or larger sizes by fixing a stop-tap or valve on the outlet side of the meter, with a stop-tap

ferrule between the stop-tap or valve and the meter. No branches shall be taken off between the stop-tap or valve and the meter. The sizes of the stop-tap ferrules must be as follows:—

For 2-in. and 3-in. meters	..	..	$\frac{3}{4}$ -in.
For 4-in. meters	..	..	1-in.
For meters larger than 4-in.	..	..	$1\frac{1}{2}$ -in.

(h) Where with the approval of the Proper Officer a meter is fixed inside a building, a stop-tap or valve must be fixed in an approved position on the outlet side of the meter.

23. Any meter which has been fixed on a service pipe prior to this By-law coming into operation, and is removed for any purpose whatever, shall be re-fixed in a manner and position in strict accordance with the provisions of this By-law unless otherwise permitted by the Proper Officer. Re-fixing of meters.

#### CONNEXIONS WITH NEW WATER MAINS.

24. If the Engineer-in-Chief shall have certified in writing that in order to maintain the purity of the water supply the service pipe of any tenement supplied directly or indirectly with water from a water main of the Board not laid in the street or part thereof upon which such tenement abuts should be connected with a water main laid in such street or part thereof the Board may require and order any owner of such tenement within two months after the service of notice thereof to lay down a service pipe so as to convey a supply of water within such tenement from the water main laid in the street or part thereof upon which such tenement abuts and to disconnect and plug such other service pipe supplying the tenement as aforesaid and the Board may also in such notice require and order any such owner to plug the water main to which such other service pipe is attached.

Every person who fails to comply with such notice or is otherwise guilty of any breach of this clause shall be guilty of an offence.

#### TAPPINGS AND SERVICE PIPES.

25. All work connexions fittings apparatus and material to provide for a supply of water from any water main arterial main or aqueduct must be in strict accordance with the provisions of this By-law. Application of provisions regarding connexions, &c.

26. (a) Save as hereinafter provided no person whether a licensed plumber or not shall lay any service pipe to communicate with a water main arterial main or aqueduct or shall alter repair or replace any service pipe tap or fitting connected to a water main arterial main or aqueduct unless he shall have given to the Board not less than two days' notice in the prescribed form of the day and hour such work is to be done. Notice to lay service pipe, &c.

(b) Should urgent repairs be required to prevent the waste or escape of water a licensed plumber may execute such repairs without giving notice of the duration prescribed in paragraph (a) hereof provided that such notice is given before commencing the repairs or if the Proper Officer upon application consents to the immediate commencement of repairs such notice is lodged within 24 hours of such commencement. Urgent repairs.

(c) No person shall lay any service pipe to communicate with a water main arterial main or aqueduct or shall alter repair or replace any service pipe tap or fitting connected to a water main arterial main or aqueduct except under the superintendence and according to the directions of an authorized officer of the Board. Supervision of officer of the Board.

27. Any person giving notice of his desire to lay a service pipe to connect with a water main shall— Connexion with water main.

(a) Provide and bear the cost of all labour and material necessary for such connexion other than the labour and material to be provided by the Board as hereinafter set forth.

(b) Pay to the Board a fee which shall include the cost to the Board of providing and fixing the tapping saddle, tapping pad or branch and valve.

(c) Reinstate or cause to be reinstated the ground to the satisfaction of the local municipal authority.

28. Any person giving notice of his desire to lay a service pipe to connect with an arterial main shall— Connexion with arterial main.

(a) Bear the cost of all labour and material necessary for such connexion, such labour and material, unless the Board otherwise directs, being provided by the Board.

- (b) Should the Board so direct, carry out the excavation of the ground and the subsequent reinstatement thereof to the satisfaction of the Board or of such municipal authority as may be concerned therewith.
- (c) Pay in advance to the Board as and by way of deposit such portion of the estimated cost of the labour and materials to be provided by the Board as the Board may require.

Connexion  
with aqueduct.

29. Any person giving notice of his desire to lay a service pipe to connect with an aqueduct shall—

- (a) Bear the cost of all labour and material necessary.
- (b) Provide all labour and material other than such labour and material as the Board may provide.
- (c) Carry out all work under the supervision and direction of the Board and in strict compliance with its requirements therefor.
- (d) Pay in advance to the Board as and by way of deposit such portion of the estimated cost of labour materials and supervision to be provided by the Board as the Board may require.

30. If it becomes necessary to shut off a water main or an arterial main having a diameter of 9 inches or greater in order to install enlarge repair remove replace or clip any tapping, the Board may charge such special fee as shall from time to time be fixed to cover the expense of such shutting off.

31. No arrangements will be made for the carrying out of any works or for the provision of any materials by the Board unless the person requiring the same shall have first satisfied the Proper Officer that all rates charges and fees, including the charges or fees payable for or in respect of the works and materials required, have been paid to the Board.

32. The maximum diameter tapping that is permitted for each diameter of water mains is as follows, viz:—

Diameter of Water Main.	With Tapping Saddle Cast Iron Water Mains Only.		With Tapping Saddle.	
Inches.	Inches.		Inches.	
3 .. ..	..	3/4	..	1 1/2
4 .. ..	..	1	..	1 1/2

The diameter of the drill that shall be used for cutting holes in water mains where tapping saddles are fixed shall be as follows, viz:—

Size of Service.	Size of Drill.	
Inch.	Inch.	
3/4 .. ..	..	1/2
1 .. ..	..	3/4
1 1/4 .. ..	..	1
1 1/2 .. ..	..	1
2 .. ..	..	1 1/4
2 1/2 .. ..	..	1 1/2

Tappings, &c.,  
under pressure.

33. Tapping or plugging of water mains or arterial mains and alterations to main ferrule stop-taps must be made under pressure by an officer of the Board in every case unless otherwise ordered or permitted by the Proper Officer; excavations for any such work shall be of sufficient dimensions so as to enable the work conveniently to be carried out and shall in no case be of lesser dimensions than those shown on the plan set forth in the Second Schedule hereto.

34. Any person who in any way tampers with or alters any water main arterial main or aqueduct without the permission in writing of the Board being first obtained or who wilfully or carelessly breaks injures or opens any lock tap valve pipe work or engine the property of the Board shall be guilty of an offence.

35. (a) One service pipe only will be permitted for domestic supply to each tenement.

(b) Except with the permission in writing of the Board, not more than one tenement shall be supplied from a single service pipe.

Trunk  
services.

(c) The Board may, if it thinks fit, give permission to arrange in special cases that the water supply to more than one tenement may pass from the water main arterial main or aqueduct into a service pipe (herein called a

“trunk service”) which must be laid in a public thoroughfare and have branch piping to each tenement, and a stop-tap must be fixed in the public thoroughfare on the trunk service at the building line, and on each branch in the public thoroughfare to each property, but in no case shall branches be fixed in excess of the number or of the diameter set forth in the subjoined table, namely:—

Diameter of Trunk Service.	No. of 1-in. Branches Only.	No. of 1-in. Branches Only.	No. of 1-in. Branches Only.
$\frac{3}{4}$ Inch.	—	—	2
1 .. .. .	—	2	or 5
$1\frac{1}{4}$ .. .. .	2	or 4	or 10
$1\frac{1}{2}$ .. .. .	3	or 6	or 15
2 .. .. .	6	or 12	or 30

(d) The piping of a trunk service shall be laid or renewed in a public thoroughfare in a straight line parallel with the boundary thereof and along the side on which the properties to be supplied abut. The stop-tap ferrule shall be fixed or re-fixed in the water main or arterial main so that the piping from it is at right angles to such water main or arterial main and in a straight line with a stop-tap that shall be fixed in the trunk service in the public thoroughfare at the building line.

(e) No service pipe through which water is supplied to a tenement shall be extended to any other land or tenement without the prior written consent of the Proper Officer. Extensions subject to consent of the Proper Officer.

(f) Where, at the time of this By-law coming into operation, more tenements than one are supplied from one and the same service pipe the Board may consent to the extension of piping from the water closet of one tenement to the water closet of another tenement, provided that the water supply to each water closet is controlled by a separate stop-tap, but when and so soon as any tenement so supplied with water by an extension of piping has for itself a separate supply of water for general purposes the extended piping for supply of water to the water closet at that tenement must be disconnected and the water closet must be connected with the service pipe affording the separate supply of water.

(g) Any permission granted by the Board to supply a tenement with water by means of a service pipe from a water main which does not pass in front of the said tenement or from a service pipe arterial main or aqueduct shall be deemed to be temporary and shall be liable to revocation at the pleasure of the Board. Temporary extensions.

36. (a) That part of any service pipe (including any bend, elbow, or other fitting therefor), which extends in a thoroughfare from a main aqueduct or arterial main to and including the high-pressure screw-down stop-tap required to be fixed, pursuant to clause 39 hereof, and all meter connexions shall, save where the Engineer-in-Chief, in writing, may otherwise permit, be of the materials hereinafter set forth, that is to say:— Service pipes to be of approved materials.

- (i) Where the diameter of the service pipe is 2 inches or less—copper or brass; and
- (ii) where the diameter of the service pipe is greater than 2 inches—copper, brass, galvanized iron, or other materials approved by the Engineer-in-Chief.

(b) All materials, pipes, bends, junctions, fittings and apparatus shall be of the best quality of their respective kinds, sound, new and free from defects, of the kind and standard approved from time to time, and shall, if thereby required, be tested and stamped in accordance with any By-law of the Board prescribing the testing and stamping of articles and materials.

(c) Galvanized iron tubes shall comply with the requirements of the Australian Standard “Steel Tubes and Tubulars Suitable for Screwing” for heavy gauge, namely:—

(e) Except where otherwise permitted by the Engineer-in-Chief all pipe joints shall be of a type approved by the Board and shall be made in accordance with the practice from time to time adopted by the Board.

Approved joints for service pipes are as follows:—

For Cast Iron Pipes.—Flanged or Gibault Thimble joints and poured and caulked lead joints.

For Asbestos Cement Pipes.—Gibault Thimble joints socketed and rubber ring joints.

For Copper or Brass Pipes.—Yarned and screwed, flanged, compression, capillary and brazed joints with approved fittings.

For Galvanized Pipes.—Yarned and screwed joints and flanged joints.

For Welded Mild Steel Coated Pipes.—Flanged joints and poured and caulked lead joints and welded joints.

(f) Any person who connects directly or indirectly to any pipe of the Board any pipe joint junction fitting or apparatus which is not of the dimensions, quality or standard prescribed shall be guilty of an offence.

37. A connexion to a water main arterial main or aqueduct shall be in <sup>Connexions.</sup> accordance with the following:—

- (a) Connexion to a water main shall—
  - (i) in the case of a connexion with 2-in. diameter or over to a water main of 5-in. diameter or under and in the case of a connexion of 3-in. diameter or over to a water main of 6-in. diameter or over be by means of the insertion of a branch and valve.
  - (ii) in all other cases be by means of a stop-tap ferrule and a right angle bend of copper alloy as approved by the Engineer-in-Chief.
- (b) Connexion to an arterial main shall as directed by the Board be—
  - (i) by means of a tapping pad and ferrule; or
  - (ii) by means of a saddle or tapping arm and valve.
- (c) Connexion to an aqueduct shall as directed by the Board be—
  - (i) by means of a pipe laid through the wall of the aqueduct;
  - (ii) by means of a syphon pipe laid over the wall of the aqueduct; or
  - (iii) by means of a pipe conveying a pumped supply through or over the wall of the aqueduct.

38. (a) Except as provided in Clause 35 (c) of this By-law every service <sup>Sizes of</sup> pipe between a water main or an arterial main and the building line, or if a <sup>service</sup> meter is fixed, between a water main or an arterial main and such meter, shall <sup>pipes.</sup> have a nominal bore of not less than  $\frac{3}{4}$ -in. diameter.

(b) The size of a service pipe for the supply of water for domestic purpose to any tenement other than a building occupied as business premises or as flats or as a place of public recreation or entertainment or by an institution shall be in accordance with the following, that is to say:—

- (i) For a tenement rated on a valuation of not more than £200 and the area of which is less than 1,000 square yards—a  $\frac{3}{4}$ -in. service pipe; where the area of the tenement is more than 1,000 square yards—a 1-in. service pipe.
- (ii) For a tenement rated on a valuation of more than £200 and not more than £400 and the area of the tenement is less than 3,000 square yards—a 1-in. service pipe; where the area of the tenement is more than 3,000 square yards—a  $1\frac{1}{4}$ -in. service pipe.
- (iii) For a tenement rated on a valuation of more than £400 and not more than £600 and the area of the tenement is less than 3,000 square yards—a  $1\frac{1}{4}$ -in. service pipe; where the area of the tenement is more than 3,000 square yards—a  $1\frac{1}{2}$ -in. service pipe.
- (iv) For a tenement rated on a valuation of more than £600—a  $1\frac{1}{2}$ -in. service pipe.

Provided however that where the supply of water is in the opinion of the Engineer-in-Chief insufficient to meet the normal demands of the tenements in the vicinity the sizes of service pipes to be laid to connect such tenements to a water main or arterial main will be determined by the Engineer-in-Chief irrespective of the valuations or areas of such tenements.

(c) The size of any service pipe or pipes approved for the supply of water for any business premises flats place of public recreation or entertainment or institution or for other than domestic purposes shall be determined by the Proper Officer.

(d) In connexion with every application to lay a service pipe of 2-in. and over in diameter, or to alter the position of any such service pipe, the plumber's notice must be accompanied by a properly dimensioned plan showing the locality of the premises at which the work is to be done and the position in which it is intended to lay the service pipe and fix a meter stop-tap and other like fittings thereto. In every such case the Board will, if desired, supply a block tracing (so far as the same may be available) on payment of such reasonable fee for each tracing as the Proper Officer may fix.

39. A high-pressure screw-down stop-tap properly secured must be fixed on <sup>Stop-tap to</sup> each service pipe in one of the following positions:— <sup>be fixed.</sup>

- (a) Where a meter is fixed, on the service pipe between the meter and the inlet bend thereto as approved of by the Proper Officer.
- (b) Where a meter is not fixed, on the service pipe above the ground in an accessible position not more than 6 feet from the building line.

If the said stop-tap fixed on the service pipe in any land property or tenement is not accessible at all times the owner or occupier shall, if required by the Board and upon receiving notice, immediately fix an additional stop-tap and

cover on the service pipe between the water main and the boundary of such land property or tenement and within 6 inches of such boundary or within such other distance as the council of the municipality may require.

40. Where water mains are under wood blocks concrete or other special pavements, an iron box and riser of approved pattern shall be fixed over the stop-tap ferrule in the main.

41. Except where otherwise permitted by the Board, every stop-tap and stop-tap ferrule must be opposite the tenement supplied and the service pipe, stop-tap and meter shall be laid from the stop-tap ferrule in a straight line and at right angles to the water main.

42. Where any service pipe does not enter the tenement supplied at a point opposite to the point on the water main or arterial main to which the service pipe is connected, an iron box and riser of approved pattern shall be fixed over the stop-tap ferrule in the water main or arterial main and a high-pressure screw-down stop-tap with an approved cover shall be fixed on the service pipe at each subsequent change of direction of such pipe and an additional stop-tap shall be fixed in accordance with clause 39 of this By-law.

43. A service pipe not provided with a stop-tap or a valve having approved reflux action must have fitted thereto an approved reflux valve to prevent the return of water to the Board's water main arterial main or aqueduct. Such reflux valve must be fixed on the service pipe above ground in an accessible position as the Proper Officer shall direct and be maintained in proper working condition to his satisfaction.

Where it is impracticable to place the reflux valve above ground it shall be fixed in a pit properly constructed and drained and provided with an approved cover so constructed as to permit of the entire pit being uncovered by one man; an approved locking device shall be provided on the cover when directed by the Proper Officer.

Where two or more service pipes supplying any premises are connected together, a reflux valve shall be fixed on each service pipe in a position approved by the Proper Officer and provision must be made for testing the working of the reflux valve in position by affixing a stop-tap ferrule or a bib tap on the connected service pipe in one of the following positions:—

- (a) Where a meter is fixed, between the reflux valve and outlet side of the meter.
- (b) Where a meter is not fixed, between the stop-tap or valve in the thoroughfare and the street alignment or otherwise in a position approved of by the Proper Officer. The stop-tap ferrule for testing must, where in the thoroughfare, be covered with an approved cast iron box.

Depth of  
service pipe.

44. Every service pipe where laid in a thoroughfare must be laid at a depth of not less than 1 foot from the surface thereof or at such greater depth as the council of the municipality in whose municipal district the thoroughfare is situated may require. A service pipe must not be laid longitudinally in any thoroughfare unless expressly allowed by the Board and the By-laws or Regulations of such council as aforesaid.

Repair of  
service pipe.

45. The owner or occupier of the tenement supplied by a service pipe shall, upon receiving notice that the service pipe or any fitting or apparatus connected therewith requires repairing, immediately proceed to have such service pipe fitting or apparatus repaired; and he shall be responsible for any loss of water or damage which is caused by reason of such service pipe fitting or apparatus being leaky or otherwise out of repair or broken, and in default of complying with such notice he shall be guilty of an offence and the Board may stop the water flowing into such tenement either by cutting off the service pipe, or otherwise as the Board may see fit, until the necessary repairs have been effected.

#### CROSS CONNEXIONS.

46. (a) No person shall permit or allow any solid liquid or gas to have access or means of access to water supplied by the Board prior to the delivery thereof. For the purposes hereof water so supplied shall be deemed to be delivered when it has emerged free from any pipe fitting or appliance connected directly or indirectly with any water main arterial main or aqueduct of the Board.

(b) No person shall attach or fix or permit or allow to remain attached or fixed to any pipe in communication directly or indirectly with any water main arterial main or aqueduct of the Board or to any tap hose or fitting attached to or in communication with such pipe any appliance containing or having

provision for the containing of any solid or gas or of any liquid other than water supplied by the Board unless the Engineer-in-Chief shall either generally or specifically have first consented to the attachment or fixing of such appliance.

(c) No connexion will be permitted between the outlet piping from any cistern tank or other receptacle and the service pipe connected with a water main arterial main or aqueduct.

#### STORAGE TANKS.

47. (a) No person shall fix a storage tank other than a pressure storage tank to a service pipe save in accordance with the following requirements:—

- (i) The storage tank shall be provided with a ball-tap, overflow pipe and cover.
- (ii) The supply of water to the ball-tap shall be controlled by a stop-tap connected to the ball-valve by a flexible copper pipe.
- (iii) The cold water feed into a storage tank shall be at least  $\frac{1}{2}$  in. above the top of the overflow from the tank.
- (iv) The overflow pipe shall be of galvanized sheet iron with soldered joints and shall be at least  $1\frac{1}{2}$ -in. in diameter, and all other parts of such tank shall be made of approved materials.
- (v) The construction and fixing of the storage tank shall be in conformity with the diagram set forth in the Third Schedule of this By-law.
- (vi) The storage tank and the connexions thereto shall be situate in an accessible position.

(b) Where a storage tank is installed between the roof and the ceiling of any building there shall be fixed beneath such tank a tray constructed of approved material and with an overflow pipe of at least 2-in. in diameter constructed of galvanized sheet iron with soldered joints.

(c) An overflow pipe whether from a storage tank or from a tray of from a storage tank and a tray shall be so constructed as to discharge outside the building in which the storage tank is situate in such a manner that the discharge, if any, therefrom may be readily discernible.

(d) Where a storage tank is installed between the roof and the ceiling of any building, or in any other position not readily accessible, a controlling stop-tap or, for a pressure storage tank, a gate valve shall be fixed on the rising pipe supplying the storage tank, in an easily accessible position, at or near ground level.

(e) The Proper Officer may, having regard to the situation of or the purpose of any storage tank either fixed or proposed to be fixed, make such requirements or such further requirements as he may deem necessary and the person fixing such storage tank shall comply therewith.

#### BATHS.

48. Except with the special permission of the Board, no bath shall be allowed which has a holding capacity of more than 100 gallons.

#### FIRE SERVICES.

49. (a) All provisions of this By-law applicable to service pipes shall apply equally to fire service pipes. Subject to the prior written consent of the Board, private fire service pipes without meters will be allowed, but every fire hose tap on such fire service pipe must be sealed except in cases where the Engineer-in-Chief shall have certified in writing that the sealing thereof is unnecessary. For each fire service pipe laid from a water main, arterial main or aqueduct there shall be paid to the Board on the fixing thereof a fee of Five pounds and thereafter an annual fee of Twenty shillings. When with the approval of the Engineer-in-Chief a fire service pipe is extended from one tenement to one or more abutting tenements under separate valuations, there shall be paid to the Board an initial fee of Twenty shillings in respect of each such extension and thereafter an annual fee of the like amount. When the fire service is installed and is required to be sealed by the Board, there shall also be paid to the Board a sealing fee of Twenty shillings. Except in the case of fire, no person shall, without the authority of the Board, wilfully break the seal affixed to any fire hose tap on a fire service pipe, and in the event of any such seal being broken accidentally or otherwise, the occupier of the tenement shall within twenty-four hours thereafter give notice in writing of the fact at the office of the Board. Should such occupier fail to do so, he shall be guilty of an offence, and of a continuing offence in respect of each day during which he shall neglect to give such notice. He shall, except in the case of fire, pay a re-sealing fee of Twenty shillings.

(b) Every fire service pipe must be laid and fixed in a conspicuous position and must be painted and maintained at all times with a distinguishing coating of approved bright red paint or other distinguishing marks approved by the Engineer-in-Chief.

(c) No extension shall be taken from any fire service pipe beyond the governing stop-tap or valve outside the premises except with sealed taps and under the foregoing provisions.

(d) No person shall extend permit or allow to be extended any branch from any fire service pipe without the previous written authority of the Engineer-in-Chief.

(e) Unless the Engineer-in-Chief shall have first approved in writing, no person shall use water from any portion of a fire service pipe except for fire extinction purposes.

#### LICENCED PLUMBERS.

Unlicensed persons not to interfere with pipes or services.

50.(a) (i) Save as provided in paragraph (ii) hereof no person other than the holder of a plumber's licence from the Board shall execute any work of water supply.

(ii) A plumber's apprentice or a plumber registered by the Plumbers and Gasfitters Board of Victoria may work in the actual performance of any work of water supply if in the employ of or in common employment with a licensed plumber and under the direct supervision of such licensed plumber.

Licences to plumbers to be during pleasure of the Board.

(b) Plumbers' licences shall be at and during the pleasure of the Board, and be subject to review from time to time, and the Board may at any time, in its discretion and without assigning any reason and without in any way qualifying or limiting the discretion aforesaid, suspend or cancel any such licence in the event of the holder thereof being adjudged by the Board to be incompetent, or by himself or by an employee committing any breach of the Board's Acts, By-laws or Regulations.

Licence to plumbers under Water Act not to apply to sewerage.

(c) A licence issued in conformity with the provisions of the *Water Act* 1958, or any Act repealed thereby, shall not authorize the holder thereof to do any kind of work connected with the sanitary fittings of houses or the sewerage system of the Board within the metropolis.

#### CARRYING OUT OF PLUMBING WORK.

51. Every licensed plumber shall, in carrying out any work of water supply:—

- (a) Execute the work in accordance with the provisions of the Board's Act and of the By-laws of the Board and with any special directions or orders given or issued thereunder by the Board or by any Proper Officer of the Board; and
- (b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Board; and
- (c) use materials of the description quality kind and standard prescribed by this By-law; and
- (d) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street road park reserve or other public place or property; and
- (e) pay all fees payable to the council of a municipality for the opening of any public road or street or otherwise in connexion with the works; and
- (f) restore upon completion of the work any part of any public road or street to the satisfaction of the municipal council or other authority having control thereof; and
- (g) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the inspecting officer of the Board; and
- (h) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and
- (i) exercise at all times immediate supervision over the work.

52. Subject to this By-law no licensed plumber shall carry out any work of water supply unless he has signed the appropriate notice required by this By-law to be given in respect of such work: Provided however nothing herein shall prevent a licensed plumber carrying out work of water supply at the direction of another licensed plumber who himself has signed the appropriate notice.

53. A licensed plumber who has signed any notice with respect to the carrying out of work of water supply shall not permit or allow any other person not in his employ or under his direction to carry out such work unless he shall have first notified the Board of his intention not to carry out such work.

#### WASTE OF WATER.

54. Any person supplied with water by the Board who shall wilfully or negligently allow the same to run to waste shall be guilty of an offence.

#### TAKING OR SUPPLYING WATER WITHOUT AUTHORITY.

55. Any person who is supplied by the Board with water or is otherwise receiving water from the Board and who, without the written permission of the Board, takes or carries away such water from the tenement where it is supplied or the place where it is received, or who allows any person to take or carry away such water or sells the same to any other person shall be guilty of an offence. Water not to be used or supplied without written authority.

56. Any person not having agreed to be supplied by the Board, who without the written consent of the Engineer-in-Chief, takes or carries away water from any tap trough or service pipe or from any water main arterial main or aqueduct shall be guilty of an offence.

57. No person, other than an employee of a municipality or of a fire authority in the course of his duty, shall, without the written permission of the Board, use water for any purpose whatsoever by means of a hydrant attached to a water main or arterial main. Use of water by means of hydrant.

#### GENERAL.

58. Where any service pipe or any pipe joint junction fitting or apparatus connected directly or indirectly therewith existing at the time of the coming into operation of this By-law is not in accordance with the provisions of the By-law all renewals alterations additions or replacements thereof or thereto must be effected in strict accordance with the provisions of the By-law.

59. The consent of the Board or of the Engineer-in-Chief, wherever required by this By-law, must be obtained by application in writing, addressed to the Secretary of the Board, and delivered at his office, at such length of time before doing any act or commencing any work as is required by the Board's Act or by this By-law. Such act shall not be done or work be commenced save upon the consent in writing of the Board or of the Engineer-in-Chief and then only subject to and in accordance with such directions or conditions as shall be therein specified. Consent of the Board or of the Engineer-in-Chief. Applications to be addressed to the Secretary.

#### CONSENT, APPROVAL, ETC.—HOW GIVEN.

60. In any case where pursuant to any provision of this By-law the Board has given to any person:—

- (a) any authority, permission, consent, sanction or approval; or
- (b) any order or direction; or
- (c) any notice,

the Board may convey or notify the same by writing under the hand of the Secretary of the Board or by writing under the hand of an officer appointed by the Board for the purpose either generally or in the particular case, or, in those cases in which the same is not required by this By-law to be in writing, the Board may give the same by parole only by the Secretary of the Board or by such officer as aforesaid.

61. When any costs expenses or charges are payable to the Board for work done by it for material supplied or used or which are otherwise made payable to the Board by this By-law, the same shall be payable forthwith on demand to the Board unless otherwise provided and if not paid such payment may be enforced by legal proceedings immediately after such demand.

62. Every person who—

- (a) Does any act forbidden by this By-law or permits or allows such Act to be done or falls to do any act required by this By-law to be done; or Offences against By-law.
- (b) connects directly or indirectly to any service pipe, water main, arterial main or aqueduct any pipe joint junction fitting contrivance or apparatus which is not of the materials dimensions quality standard or kind prescribed by any provision of this By-law or whether or not of such quality standard or kind in a manner not in strict conformity with the method prescribed in any such provision; or

- (c) neglects or refuses to carry out or comply with any order notice or direction given by the Board by the Engineer-in-Chief or by the Proper Officer pursuant to the provisions of this By-law; or
- (d) obstructs impedes or interferes with any officer or workman of the Board in carrying out any inspection test or work authorized under this By-law,

shall be guilty of an offence against this By-law.

**Penalty.**

63. Any person guilty of an offence against this By-law shall be liable to a penalty not exceeding Twenty pounds and in case of a continuing offence shall be liable to a further penalty not exceeding Five pounds for each day the offence continues after notice of the offence from the Board.

The penalties hereby imposed shall be recoverable notwithstanding that the Board has not chosen to exercise any power given to it by the Board's Act or by this By-law.
