26. Mover and Not the Seconder Held to Have Spoken.—A Commissioner moving a motion shall be held to have spoken thereon, but a Commissioner merely seconding shall not be held to have spoken upon it.

27. Motion to be in Writing.—At every meeting of the Commissioners, all motions, whether original motions or amendments, shall be reduced to writing, signed by the mover, and be delivered to the Chairman immediately on their being moved and seconded.

28. Amendments.—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

29. Amendment to Become the Question.—If an amendment be carried, the amendment shall become itself the question, whereupon any further amendment upon any portion of the question may be moved.

30. Second Amendment may be Moved.—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Commissioners for discussion at a time.

31. Right of Mover to Reply.—The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which question shall be put from the Chair, but no Commissioner shall be allowed to speak more than once on the same question, unless permission be given to explain or the attention of the Chair be called to a point of order.

32. Adjournment, Motion for.—No discussion shall be allowed on any motion for adjournment of the Commissioners, but if, on the question being put, the motion be negatived, the subject then under consideration, the next on the notice paper shall be discussed, or any other that may be allowed precedence before any subsequent motion of adjournment be made.

33. Protest, Commissioners May.—Any Commissioner may protest against any resolution of the Commissioners, and notice of intention to protest shall, in every case, be given forthwith on the adoption of the resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Commissioners by the protesting Commissioner in a book to be kept for that purpose in the Trust Secretary's office, and signed by such Commissioner, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Commissioners to be not in accordance with truth or in its terms disrespectful to the Commissioners.

34. Lapsed Questions.—If a debate on any motion moved and seconded be interrupted by the number of Commissioners present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

35. Order of the Day to be Restored.—If a debate on any order of the day be interrupted by such insufficiency of numbers as aforesaid happening, such order may be restored to the notice book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

36. Voting.—Whenever a division shall be demanded by any Commissioner, the Commissioners voting in the affirmative shall first hold up their hands, and all those voting in the negative shall then hold up their hands, and result be declared by the Chairman. The Chairman shall have a deliberate vote, and in case of an equal division he shall have a casting vote, and every Commissioner present shall vote except he be disabled by law from doing so.

37. Questions to be put.—The Chairman shall, in taking the sense of the Commissioners, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.
