LISMORE WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1962.

THE Lismore Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Three shillings and six pence in the £1 of the annual municipal valuation of lands and tenements liable to be rated within the Lismore Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Six

pounds fifteen shillings (£6 15s.) and in respect of any land on which there is no building less than Two pounds (£2).

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing 1st January, 1962, and shall be payable on the 19th July, 1962, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Three shillings and six pence per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of the maximum quantity, computed as in the last preceding clause, is hereby fixed at Three shillings per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Passed this 16th day of April, 1962.

(SEAL)

J. W. BAIRD, Chairman.
A. M. SMITH, Secretary.

UNIFORM BUILDING REGULATIONS AMENDING REGULATIONS No. 1.

WHEREAS it is provided by section 925 of the *Local Government Act* 1958 (No. 6299) that the Governor in Council after consideration by the Minister of any report and draft Regulations submitted to the Minister by the Committee appointed under section 920 of the said Act, may make Regulations for or with respect to regulating, restricting, restraining or prohibiting the construction, pulling down or removal of buildings and any matters connected therewith and (without affecting the generality of the foregoing) for or with respect to all or any of certain matters therein specified, and whereas the Minister has duly considered a report and draft Regulations submitted to him by the said Committee for the purpose of amending the Uniform Building Regulations, Victoria, made by the Governor in Council on the 18th day of April, 1961, and published in the *Government Gazette* on the 26th day of April, 1961—

Now, therefore, His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by the aforesaid section 925, doth hereby make the following Regulations which may be cited as the Uniform Building Regulations Amending Regulations No. 1 and which shall be read and construed as one with the Uniform Building Regulations, Victoria, and doth fix the 11th day of July, 1962, as the day on which the Regulations so made shall come into operation.

The Uniform Building Regulations, Victoria, are hereby amended as follows:—

1. In sub-clause (a) of clause 102 the definition of "building" shall be amended as follows:—

- (a) after the word "sewerage" there shall be inserted the expression "and masts, poles, aerials and antennae used in connexion with the transmission or reception of wireless telegraphy or television"; and
- (b) after the words "appurtenances of the building" there shall be inserted the words "and also includes bathing, wading, and swimming pools, as well as the buildings used in connexion therewith".

2. In sub-clause (a) of clause 102 in the definition of "storey" there shall in that definition after the word "building" be inserted the words "other than a basement".

3. For sub-clauses (a) and (b) of clause 303 there shall be substituted the following sub-clauses:—

"(a) *Buildings Constructed Contrary*.—Where any building, work, structure, or thing is constructed in breach of any provisions of these Regulations, the Government department, council or public authority administering such provisions shall, through its proper officer, give notice to the owner or builder requiring him to show cause, within a period to be specified therein, why such building, work, structure, or thing should not be made to conform to the requirements of these Regulations, or pulled down or removed as the case may require, and if within the specified period the owner or builder does not furnish good and sufficient reasons as aforesaid—

- (i) the Department, council, or public authority, or any person authorized by such Department, council or authority, may pull down, remove or alter such building, work, structure, or thing, and may sell the same or the materials thereof in such manner as the Department, council or authority thinks fit; or
- (ii) the Department, council or public authority may serve a further notice requiring the owner or builder, within a specified time, to make the building conform

to the Regulations, or pull it down and/or remove it as the case may require, and failure to comply with any such notice validly given shall be an offence continuing until the notice is complied with.

(b) *Buildings Left Incomplete*.—Where a permit has been cancelled pursuant to the provisions of clause 508 of these Regulations and has not been renewed, the Government department, council or public authority may, at the expiration of twelve months from the date of such cancellation, give notice through its proper officer to the owner of the uncompleted building requiring him to show cause, within a period to be specified therein, why the same should not be demolished and removed, and if within the specified period the said owner does not furnish good and sufficient reasons as aforesaid—

(i) the Department, council or public authority or any person authorized by such Department, council or public authority, may pull down and remove such building and may sell the same or the materials thereof in such manner as the council thinks fit; or

(ii) the Department, council or public authority may serve a further notice requiring the owner or builder, within a specified time, to make the building conform to the Regulations, or pull it down and/or remove it as the case may require, and failure to comply with any such notice validly given shall be an offence continuing until the notice is complied with."

4. In clause 501 after sub-clause (b) there shall be inserted the following sub-clause:—

"(c) except that any person directed to demolish any house pursuant to section 56 (1) of the *Housing Act* 1958 shall not require a permit or pay fees as prescribed in the preceding sub-clauses (a) and (b) but shall be required to give notice, in writing, and setting out full information as required in this chapter, to the council of intention to demolish and further that such demolition shall be carried out in accordance with all the provisions of these Regulations."

5. In clause 804 after sub-clause (b) there shall be added the following sub-clauses:—

"(c) No person shall construct a building of Class II. or III. Occupancy in an area prescribed by the council of a municipality by a by-law made pursuant to paragraph (b) of clause 815 to contain more than two or more than three storeys including the ground storey as specified in such by-law.

(d) No person shall construct a building or buildings of Class II. Occupancy on any one site in any area prescribed by the council by a by-law made pursuant to paragraph (c) of clause 815 to contain in the aggregate more than the maximum number of flats specified in such by-law."

6. In clause 809 after the expression "V." there shall be inserted the expression "VI."

7. For sub-clause (d) of clause 1101 there shall be substituted the following sub-clause:—

"(d) Any verandah or porch attached to that portion of an external wall containing a window or other opening providing the requisite natural light and ventilation to a habitable room, kitchen, or laundry shall not be enclosed to a greater extent than to a height of 3 feet above the floor of such verandah or porch, except with glazing having an openable area of not less than one-sixteenth of the aggregate area of the verandah and all rooms to the extent they are lighted with windows thereunder, and with fixed ventilation for a similar total area as required by clause 1101 (a) (ii)."

8. For sub-clause (c) of clause 1128 there shall be substituted the following sub-clause (c):—

"Any verandah or porch attached to that portion of an external wall containing a window or other opening providing the requisite natural light and ventilation to a bathroom in a building of Class I., II., III., or IV. Occupancy shall not be enclosed to a greater extent than to a height of 3 feet above the floor of such verandah or porch,

except with glazing having an openable area of not less than one-sixteenth of the aggregate area of the verandah and all rooms to the extent they are lighted with windows thereunder, and with fixed ventilation for a similar total area as required by clause 1101 (a) (ii)."

9. In clause 1326—

(a) After sub-clause (g) of clause 1326 there shall be inserted the following sub-clause:—

"(ga) Soft building limestone shall have a crushing strength of not less than 175 pounds per square inch."

(b) After sub-clause (m) of clause 1326 there shall be inserted the following sub-clause:—

"(n) *Reinforced Gypsum Concrete*.—The values prescribed in the American Standard Specification for reinforced gypsum concrete approved by the American Standards Association dated December 29th, 1954."

10. (a) In sub-clause (a) of clause 1401 the words "British Standard Specification for Fire Tests on Building Materials and Structures No. 476-1953" shall be replaced by the words "Australian Standard No. A30-1958. Fire Tests on Building Materials and Structures".

(b) In sub-clause (b) of clause 1401 after the words "Commonwealth Experimental Building Station" there shall be inserted the words "or any other Australian Organization accredited by the Building Regulations Committee".

11. For clause 1407 there shall be substituted the following clause:—

"1047. *Fire Doors*.—For the purposes of these Regulations a fire door means a compatible assembly comprising all of—

The door leaf and all its furniture and latching and operating devices; and

The frame, together with its necessary fixings to the wall; and

The hardware necessary for the hanging or suspension of the door leaf; and

Where relevant, all guides together with their fittings; and

In the case of any automatic door, the temperature-sensitive or smoke-sensitive mechanism; and

In the case of any self-closing door, the door closer.

Every fire door shall be classified as a one-hour or a two-hour fire door and shall satisfy the following requirements:—

(a) The assembly shall comply with a specification for the construction and installation of a fire door of which a prototype has been subjected to the standard fire test, and when so subjected has demonstrated its ability to provide, for the relevant one-hour or two-hour period of the classification, the necessary degree of resistance to fire and smoke, and the assembly shall otherwise be suitable for its intended purpose.

(b) Where glazing is permitted in fire doors elsewhere in these Regulations, such glazing shall not exceed 2 square feet in superficial area, shall be secured with metal beads, and shall consist of either wired glass not less than $\frac{1}{4}$ -in. in thickness, or electric copper glazing not less than $\frac{1}{4}$ -in. in thickness in which the area of each individual pane is not more than 16 square inches.

(c) Every sliding fire door, except a fire door in a lift shaft, shall have affixed to each side a metal plate bearing a clearly embossed arrow not less than 4 inches long and indicating the direction of opening.

Any variation from the specification of (a) hereof as to latching, direction of swing, material, or design shall be forbidden, except that the Surveyor may permit such a variation if he is satisfied, on the basis of technical evidence presented to him, that the variation will not adversely affect the fire performance of the fire door, provided that the surveyor shall permit a reduction in the width and/or height of any doorway from that mentioned in such specification to be matched by a reduction in the corresponding width and/or height of items of the assembly."

12. In clause 1502 after sub-clause (d) there shall be inserted the following sub-clause:—

"(e) In the case of reinforced gypsum concrete, be in conformity with the American Standard Specifications, dated December 29th, 1954."

13. In clause 1606 for sub-clause (a) there shall be substituted the following sub-clause:—

“(a) Unless otherwise approved, storey after storey shall be completely removed within a time to be stipulated by the surveyor.”

14. In clause 2005 for the word “multitude” there shall be substituted the word “multiple”.

15. In sub-clause (b) of clause 2020 for the expression “In buildings of Type II. or Type III. Construction” there shall be substituted the expression “In buildings of Type 2 or Type 3 Construction”.

16. In clause 2029 for the expression “clause 1320” there shall be substituted the expression “clause 1319”.

17. In sub-clause (a) of clause 2048 after the expression “constructed either of sheet lead” there shall be inserted the expression “embossed black polythene strip not less than 1/100th of an inch thick”.

18. In sub-clause (a) of clause 2060 for the expression “clause 1324A” there shall be substituted the expression “clause 1325”.

19. In clause 2112 for the expression “clause 1325 (j)” where appearing in the second line there shall be substituted the expression “clause 1326 (j)”.

20. At the end of sub-clause (c) of clause 2203 there shall be added the following expression:—

“except that a pitch of 20 degrees without sarking is permissible conditional upon the tile having a minimum end lap of 4 inches.”

21. Clause 2606 shall be amended as follows:—

(a) After the word “masonry” there shall be inserted the words “soft building limestone”;

(b) After sub-clause (e) there shall be inserted the following sub-clause:—

“(f) In the case of soft building limestone, so constructed that no portion of the veneer is below the level of ground unless provided with a vertical damp-proof course in accordance with clause 2052.”

22. In sub-clause (a) of clause 2707 for the expression “Every building containing Occupancies of Class V., VI., VII., or VIII.” there shall be substituted the expression, “Every building containing Occupancies of Class V., VI., VII., or VIII.”.

23. In sub-clause (c) of clause 2716 for the expression “clause 2716 (c)” there shall be substituted the expression “clause 2715 (c)”.

24. After clause 3102 there shall be inserted the following clause:—

“3102A *Wash Basins*.—In every dwelling of Class I., II., and IV., hereafter constructed, there shall be provided a wash basin connected with an approved water supply and drainage system.”

25. In clause 3128 for paragraph (iii). of sub-clause (f) there shall be substituted the following paragraph:—

“(iii) The average height of the wall of the garage within 4 feet of the boundary of an adjoining allotment shall be not greater than 10 feet above the ground and in no case shall any part of the wall exceed 12 feet.”

26. In clause 3130 for the expression “appurtenant to a building of Class I., III., or IV. Occupancy” there shall be substituted the expression “appurtenant to any building of Class I., III., or IV. Occupancy or appurtenant to each dwelling in a building of Class II. Occupancy on an allotment on which is erected not more than two flats”.

27. In sub-clause (a) of clause 3604 after the expression “not less than $\frac{1}{4}$ inch per foot” there shall be added the following expression “except that in cases where the roof covering is of continuous metal sheeting the surveyor may permit a fall of not less than $\frac{1}{4}$ inch per foot in which case the fall may be to the sides of the verandah”.

28. In clause 3904 for the heading “Inceptor Traps” there shall be substituted the heading “Interceptor Traps”.

29. In clause 3919 there shall be inserted the following paragraph between the first and second paragraph:—

“These provisions for educt and induct vents may be reduced in the case of single storey residences or lock-up shops where there are no trade wastes, and where the discharge from all fixtures is equivalent to not more than 26 fixture units, to 2 inches diameter galvanized

wrought iron of standard thickness for both vents or for similar buildings and conditions other than single storey to 3 inches diameter galvanized sheet iron of thickness not less than 20 gauge."

30. In clause 3920 the second paragraph shall be replaced by the following paragraph:—

"All galvanized sheet iron vent pipes shall be double galvanized with longitudinal joints grooved, welded or riveted, and circumferential joints riveted and soldered or single galvanized by a bonded galvanizing process of a nominal thickness of 2 ounces per square foot, and shall be of not less gauge than 20 for 3-in. and 4-in. diameter pipes and 18 for 6-in. pipes. Where ordered by the proper officer, the first 6 feet above ground shall be of cast iron or other approved material."

31. In clause 3924 after sub-clause (d) there shall be inserted the following sub-clause:—

"(e) Notwithstanding anything contained in this clause where a lavatory basin is drained by means of a "P" trap immediately followed by a section of inclined waste pipe and is the sole fixture served by such waste pipe the anti-syphonage vent pipe must be fixed in the inclined section not less than 3 inches or more than 2 feet from the crown of the trap provided syphonage does not occur in the trap. This shall not be interpreted as precluding the vent pipe being fixed at the junction of the inclined section and the succeeding vertical section of the waste pipe provided such junction is not more than 2 feet from the crown of the trap provided syphonage does not occur in the trap."

32. After clause 4007 there shall be inserted the following new clause 4008:—

"4008. *Connexions to Vertical Stacks.*—All connexions of waste, combined waste and soil pipe branches to vertical stacks taking the discharge from fixtures on more than one floor, shall be made by means of approved 45 deg. junctions in all cases, irrespective of the nature of the materials used in the installation, the length, or location of the branch pipes."

33. In clause 4137 for the words "same diameter as disconnecter trap" there shall be substituted the expression "diameter computed in accordance with the requirements of clause 4003 for vents to 4-in. diameter soil, waste or combined waste pipes".

34. At the end of clause 4142 there shall be inserted the following expression:—

"When provided on copper tube or copper tube fittings, the door seats shall be affixed by means of a brazed lap joint with a minimum lap of $\frac{1}{4}$ inch.

Each circular door shall be secured to the seat by three and each rectangular door by four $\frac{3}{8}$ -in. diameter hot pressed brass hexagon head Whitworth set screws and shall be fitted with approved sealing gaskets. The minimum sizes of openings shall conform to the following table:—

Nominal Size (Inches).	Rectangular Doors, Minimum Size of Opening (Inches).		Circular Doors, Minimum Diameter of Opening (Inches).	
	Width.	Length.	Inspection.	Testing.
4	3 $\frac{1}{2}$	8	3 $\frac{1}{2}$	3 $\frac{1}{2}$
5	4 $\frac{1}{2}$	8	3 $\frac{3}{4}$	4 $\frac{1}{2}$
6	5 $\frac{1}{2}$	8	3 $\frac{3}{4}$	5 $\frac{1}{2}$
9	8 $\frac{1}{2}$	9	3 $\frac{3}{4}$	8 $\frac{1}{2}$ "

35. At the end of clause 4170 there shall be inserted the following paragraph:—

"Notwithstanding anything contained in this clause where a lavatory basin is drained by means of a 1 $\frac{1}{2}$ -in. diameter 'P' trap immediately followed by a section of inclined 1 $\frac{1}{2}$ -in. diameter waste pipe and is the sole fixture served by such waste pipe the anti-syphonage vent may be omitted provided the waste pipe does not exceed 2 feet in inclined length and/or 7 feet in vertical length provided syphonage does not occur in the trap."

And the Honorable Murray Victor Porter, Her Majesty's Minister for Local Government for the State of Victoria, shall give the necessary directions herein accordingly.

REGULATIONS FOR THE CARE, PROTECTION AND MANAGEMENT OF THE "ALLAN'S FLAT RECREATION RESERVE".

WHEREAS by section 218 of the *Land Act* 1958, power is given to the Board of Land and Works to make Regulations in respect of the care, protection and management of any Crown land which has been reserved under the Land Acts for any public purpose whatsoever and which has not been conveyed to or vested in trustees, and for the further purposes as enacted: Now therefore the Board of Land and Works, in pursuance of the power conferred aforesaid, doth hereby make the following Regulations in respect of the remaining portion of the land in the Parish of Yackandandah temporarily reserved by Orders in Council dated 19th January, 1886, 10th January, 1951, and 19th December, 1961, as sites for Public Recreation, and known as the "Allan's Flat Recreation Reserve" (hereinafter referred to as the "Reserve").

The Reserve has been placed under the control of a Committee of Management (hereinafter referred to as the "Committee") with power and authority to enforce these Regulations.

REGULATIONS.

1. The Reserve shall be open to the public at such times as may be determined from time to time by the Committee.
2. No person shall—
 - (a) enter or remain in the Reserve who offends against decency as regards dress, language or conduct, or who behaves in a disorderly, unseemly or offensive manner, or creates or takes part in any disturbance;
 - (b) enter or remain in the Reserve whilst in a state of intoxication;
 - (c) use indecent or offensive language in the Reserve;
 - (d) offer any article of food or drink or any other commodity whatsoever for sale, or bring any intoxicating liquor on to the Reserve without the consent of the Committee first obtained;
 - (e) obstruct, hinder or interfere with any person employed by the Committee on the Reserve;

- (f) climb, jump on or get over any of the gates or fences in or around the Reserve, or stick bills or advertisements or cut names thereon or in any way damage or injure any of the buildings, furniture, fittings, gates, stiles, seats or other structures in the Reserve;
- (g) interfere with, break or damage in any way any of the trees, shrubs or plants or pluck any of the flowers or walk on the beds or borders in the Reserve;
- (h) leave or deposit any bottles, broken glass, paper, orange peel, banana skins, refuse or rubbish whatever in the Reserve;
- (i) roll or throw stones or missiles of any kind in the Reserve or leave anything therein that might injure any person;
- (j) light a fire in the Reserve, except at such places as are set apart for the purpose by the Committee;
- (k) carry or discharge any firearms or air guns in the Reserve, or shoot, snare or destroy any game or birds therein without the consent of the Committee first obtained;
- (l) bet publicly in the Reserve without the consent of the Committee;
- (m) spit or expectorate on the paths or on any structure or erection in the Reserve;
- (n) erect any building, tent or structure, or camp on any portion of the Reserve without permission, in writing, of the Committee first obtained, and then only under such conditions as may be determined by the said Committee;
- (o) bring into the Reserve any dog, unless controlled by a chain or cord, without the permission of the Committee;
- (p) do anything whatever in the Reserve for the purpose of making money without the consent, in writing, of the Committee first obtained;
- (q) remain in the Reserve at any time when lawfully directed by an officer or employee of the Committee to leave the same.

3. The Committee shall have power to let any portion of the Reserve to any club, association or person for the purpose of holding fêtes, entertainments, musical performances, shows, sports or cycling events, or for athletic training or other physical recreation, subject to the payment of such fees and on such terms and conditions as it may deem reasonable and consistent with these Regulations, and to authorize any club, association or person to make a charge for admission thereto as hereinafter provided.

4. No club or association of any kind having for its object physical recreation, or any member or members of any club or association nor any other person shall play, practise, train or engage in any game or sport or athletic exercise within the Reserve without the permission, in writing, of the Committee first obtained, unless such person is at the time of playing a member of any club which is duly authorized to play in the Reserve at such time.

5. No person except the Committee or its officers and employees on duty shall enter any part of the Reserve when a charge is made for admission without first paying the fees chargeable for such admission.

6. No person shall park a motor vehicle within the Reserve except at such places as are set apart for the purpose, and any person using any such place for parking a motor vehicle shall, on demand by any authorized officer of the Committee, or any officer authorized by the club, association or persons renting or having been granted the use of that part of the Reserve for the time being, pay such fee as may be fixed from time to time, provided such fee is deemed by the Committee to be reasonable, in respect of any such motor vehicle for the use of such parking area.

7. No person shall take or put or allow to be taken or put in the Reserve any horses, cattle, sheep, goats, pigs or other animals or being the owner or having possession, care, custody or control or supervision thereof shall suffer or allow such horses, cattle, sheep, goats, pigs or other animals to be in or graze or wander upon the Reserve without the permission, in writing, of the Committee first obtained.

8. No person shall drive, ride or exercise any horse or other animal in the Reserve without the consent, in writing, of the Committee first obtained.

9. No person shall take or drive any carriage, cart or other vehicle drawn by a horse or any other animal into the Reserve without the permission of the Committee, and no horse or other animal drawing any such carriage, cart or other vehicle shall, whilst in the Reserve, be left unattended unless safely tethered.

10. No person shall take or ride or drive any bicycle in the Reserve without the consent, in writing, of the Committee first obtained, except as hereinbefore provided.

11. No person shall enter any building in the Reserve without the permission of the Committee, and no person shall remain in any building in the Reserve after being directed to leave by an authorized officer of the Committee, or by an officer authorized by the club, association or persons renting or having been granted the use of that part of the Reserve for the time being, or by a police constable or Crown lands bailiff.

12. No person, except labourers and workmen employed on the Reserve, shall enter any plots therein which may be enclosed for plantations of young trees or shrubs or flowers.

13. No club, association or person shall conduct any organized event such as football match, cricket match, cycling event, fête, sports, carnival, circus, exhibition or show for which a charge is made for admission, or a collection taken up or any methods of money raising employed until submission to the Committee in satisfactory detail of a statement of proposed charges and methods of collection, and the permission of the Committee thereto first obtained.

14. Every person to whom a ticket has been issued authorizing such person to enter upon the Reserve shall, upon demand, produce and, if required, surrender such ticket to any gatekeeper or other person duly authorized to demand such production or surrender of tickets.

15. Persons renting or hiring any stand, building, erection or enclosure on the occasion of any football match, cricket match, cycling events, fêtes, sports, carnivals, entertainments or holiday amusements may be required to deposit with the Committee any sum not exceeding One hundred pounds, which the Committee may at any time determine by way of guarantee that due care shall be taken of such stand, building, erection or enclosure; and the Committee, in its absolute discretion may repair or make good any damage or injury sustained by such stand, building, erection or enclosure or anything contained therein during such occupancy or hiring, and deduct the cost of making good such loss or damage, from the sum of money deposited by way of guarantee, and all persons so renting or hiring shall abide by these Regulations and by any order given by the Committee.

16. Any person found in a state of intoxication or behaving in a disorderly manner, or creating or taking part in any disturbance or committing any act of indecency in the Reserve or otherwise offending against these Regulations, or refusing to obey any person authorized by the Committee or by the club, association or persons renting or having been granted the use of the Reserve for the time being, to keep order, shall be liable to be forthwith removed therefrom, notwithstanding that such person may have purchased a ticket for admission thereto, and shall also be liable to prosecution for an offence, against these Regulations.

17. No person not being a player or official shall trespass on the playing arena during the progress of any football or cricket match or cycling events or any sports gathering, nor wilfully obstruct or interrupt, or in any way interfere with any servant of the Committee in the proper execution of his work or duty.

18. No person shall drive a motor boat in the Reserve without permission of the Committee first obtained or in a manner dangerous to the public or endanger any other craft on the Reserve and such persons so doing shall not remain on the reserve when directed by the Committee or an Officer of the Committee to leave.

19. No person, club or other body shall without the consent of the Committee first obtained, grade or scrape the ground off or cut or burn any grass growing on any part of the Reserve.

20. No person shall remove any earth, sand, stone, marl, or gravel from the Reserve.—(Rs.3036.)

The common seal of the Board of Land and Works was hereto affixed this 4th day of July, 1962, in the presence of—

SHIRE OF CORIO.

BY-LAW No. 47.

NOTICE is hereby given that at a meeting of the Council held at the Shire Office, Osborne House, North Geelong, on the 30th day of May, 1962, the said Council did agree to a Resolution passing a By-law of the said Shire of Corio entitled:

A By-law of the Shire of Corio made under the provisions of section 197 of the *Local Government Act 1958*, and every other Act or power enabling it in that behalf, and numbered 47 adopting certain provisions of the Fifteenth Schedule of the said Act relating to naming streets and numbering houses.

The President, Councillors and Ratepayers of the Shire of Corio, in pursuance of the powers conferred by the *Local Government Act 1958*, and every other Act or power enabling it in that behalf, do hereby make the By-law No. 47 and order as follows:—

1. The following provisions of the Fifteenth Schedule of the *Local Government Act 1958*, shall be and the same are hereby adopted namely:—

- (a) It shall be lawful for the Council from time to time to cause to be painted or affixed on a conspicuous part of some house or building at or near each end corner or entrance of every street, and in the direction of the line of such street, the name of such street in legible characters not exceeding three inches in length and proportionately broad and near to each other, and the Council may alter the name of any street or road in the municipal district (to be described in the order altering the same) to any other name which to the Council may seem fit, and before any name is given to any new street or road notice of the intended name shall be given to the Council, and the Council may, by notice given to the person by whom notice of such intended name was given to them, at any time within fourteen days of the receipt of such last-mentioned notice, object to such intended name; and it shall not be lawful to give any name to any street or road or set up any such name thereto until the expiration of fourteen days after notice thereof has been given as aforesaid to the Council, or to give or to set up any name objected to as aforesaid. Where the Council changes the name of any street it shall forthwith cause a notice thereof, stating the old name and the new name, to be published in the *Government Gazette*.

- (b) The owners or occupiers of houses or buildings shall—

- (i) on the gate post, or
(ii) in such other conspicuous position as the Council determines,

mark such houses or buildings with such numbers for the purpose of distinguishing the same, as the Council may from time to time direct or approve and shall renew the numbers of such houses or buildings as often as they are obliterated or defaced. Each such number shall be in clearly legible figures, or figures and letters, as the case may require, not less than two inches in height and proportionately broad and shall be placed or set on a sharply contrasting background. If any owner or occupier of any such house or building neglects for 28 days after notice to him from the Council to mark such house or building with such number as the Council may direct or approve, or to renew the number thereof as aforesaid, he shall forfeit a sum not exceeding Forty shillings; and the Council may cause such number to be so marked or renewed, and recover the expense thereof from the owner or occupier of such house or building before any Justice; and where, such expense is paid by or recovered from the occupier he may deduct the same from any rent payable by him to the owner.

- (c) If any person wilfully and maliciously destroys, pulls down, obliterates or defaces the name of any street or road, or the number of any house or building or paints, affixes or sets up any name to any street or road, or any number to any house or building, contrary to this By-law he shall for every such offence forfeit a sum not exceeding Five pounds, and it shall be lawful for the Council to cause such name or number so unlawfully painted affixed or set up to be obliterated or destroyed.

2. This By-law shall apply to and have operation throughout the whole of the municipal district of the Shire of Corio.

Resolution for passing this By-law agreed to by the Council of the Shire of Corio on the 30th May, 1962, and confirmed on the 27th day of June, 1962.

The common seal of the President, Councillors and Ratepayers of the Shire of Corio was hereunto affixed, in the presence of—

SHIRE OF CORIO.

BY-LAW No. 48.

NOTICE is hereby given that at a meeting of the Council held at the Shire Office, Osborne House, North Geelong, on the 30th day of May, 1962, the said Council did agree to a Resolution passing a By-law of the said Shire of Corio entitled:

A By-law of the Shire of Corio made under the provisions of clause 815 of the Uniform Building Regulations of Victoria and every other power enabling it in that behalf and numbered 48 for regulating sites and construction of buildings and for carrying out certain of the purposes provided for in the said clause.

The President, Councillors and Ratepayers of the Shire of Corio, in pursuance of the powers conferred by clause 815 of the Uniform Building Regulations of Victoria and every other power enabling it in that behalf, do hereby make the By-law No. 48 and order as follows:—

1. All lands within the areas zoned as residential B or commercial A, B or C, under the Geelong and District Town Plan or the Lara Town Plan shall be brick areas and on such lands no person shall construct or cause to be constructed any building the external walls of which are of material other than brick, masonry or concrete, provided that buildings of reinforced concrete or masonry veneer construction conforming to the requirements of chapter 26 of the said Uniform Building Regulations shall be deemed to have external walls of masonry or concrete and provided further that this clause of this By-law apply to—

- (a) any out-building being a sleep-out, garage, laundry or wash-house, lavatory, toilet, store house or store shed, and

- (b) any addition to or extension to any existing building (including any out-building hereinbefore specified) whether or not such existing building has external walls of brick, masonry or concrete.

2. Within the areas zoned as residential A under the Geelong and District Town Plan or the Lara Town Plan, no person shall construct or cause to be constructed on land:

- (a) having a frontage of less than 65 feet any building containing more than two flats (as defined by clause 601 (b) of the said Regulations), or
- (b) having a frontage of less than 80 feet any building containing more than four flats (defined as aforesaid), or
- (c) having a frontage of 80 feet or more, any building containing flats (defined as aforesaid) in number exceeding one flat per 16 feet of frontage.

Provided however that in the case of land of an area in excess of 10,000 square-feet and—

- (i) of an irregular shape, or
- (ii) having a depth in excess of 150 feet,

the maximum number of flats hereinbefore specified in this clause of this By-law, may with the written approval of the Council be increased to a maximum of one flat per 2,250 square-feet of area.

3. No person shall construct or cause to be constructed on any land any building being a house (as defined by clause 601 (a) of the said Regulations) or a flat (defined as aforesaid) with any part of any outer wall of such building nearer than 25 feet to the street frontage of such land: Provided however that where there is an existing building (being a house or a flat) constructed on adjoining land on each side of the first-mentioned land and an outer wall of each such existing building is less than 25 feet from the street frontage, the Shire's Building Surveyor, on behalf of the Council, may approve the construction on the first-mentioned land of a one-storey house or flat with the outer wall thereof—

- (a) not less than 20 feet from the street frontage, or
- (b) in line with the front outer wall of the building which of such two existing buildings, is the further set back from the street frontage,

whichever is the greater distance from such street frontage.

4. No person shall construct or cause to be constructed a building being a house (defined as aforesaid)—

- (a) on land within the areas of—
- (i) the Geelong and District Town Plan, or
- (ii) land in respect of which the Council has approved a subdivisional plan prior to this By-law coming into operation,
- unless such first-mentioned land complies with the requirements of column 3 of table 804 of clause 804 of the said Regulations, or

- (b) on land outside the area of the Geelong and District Town Plan in respect of which the Council approves a subdivisional plan after this By-law comes into operation unless such land complies with the requirements of column 4 of table 804 of clause 804 of the said Regulations.

5. No person shall construct or cause to be constructed a building being a flat (defined as aforesaid)—

- (a) on land within the areas zoned as residential B or commercial A or B under the Geelong and District Town Plan or the Lara Town Plan unless such land complies with the requirements of column 1 of table 804 of clause 804 of the said Regulations, or
- (b) on other land unless the same complies with the requirements of column 3 of table 804 of clause 804 of the said Regulations.

6. Except where otherwise provided this By-law shall apply to and have operation throughout the whole of the municipal district of the Shire of Corio.

Resolution for passing this By-law agreed to by the Council of the Shire of Corio on the 30th day of May, 1962, and confirmed on the 27th day of June, 1962.

The common seal of the President, Councillors and Ratepayers of the Shire of Corio was hereunto affixed, in the presence of—

2. No person shall use and no owner shall knowingly permit to be used any caravan for human habitation whether for sleeping, cooking or living—

- (a) on any one site for a total of more than 42 days in any period of six consecutive calendar months, unless the Council, in writing, approves of any greater number of days, and
- (b) unless such caravan is fitted with wheels and is capable of being driven or towed on such wheels.

3. No person shall erect for use or use any annexe in conjunction with any caravan unless such annexe has walls and roof of—

- (a) canvas, or
- (b) other material of which the Council has approved, in writing.

4. No person shall leave any caravan continuously standing on any street or road for a period longer than—

- (a) four hours between sunrise and sunset, or
- (b) twelve hours between sunset and sunrise.

5. Any wilful act or default contrary to any of the provisions of this By-law shall be an offence against this By-law.

6. Every person who is guilty of an offence against this By-law shall be liable on conviction to a penalty, not exceeding Twenty pounds and should such offence continue such person shall be liable to a further penalty not exceeding Five pounds for each day on which such offence against this By-law is continued after conviction or by order by any Court.

7. This By-law shall apply to and have operation throughout the whole of the municipal district of the Shire of Corio.

Resolution for passing this By-law agreed to by the Council of the Shire of Corio on the 30th day of May, 1962, and confirmed on the 27th day of June, 1962.
