THE Violet Town Waterworks Trust, in pursuance of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Thirty-eight pence in the pound on the net annual municipal valuation of lands and tenements liable to be rated within the district of the Violet Town Waterworks Trust.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than on land where there is no building) be less than Six pounds, and in respect of any land on which there is no building less than One pound.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1963, and shall be payable on the 1st day of February, 1963, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without any further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of Two shillings per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.
