NOTICE TO MARINERS.

[No. 17 OF 1963.]

AUSTRALIA.—VICTORIA.

PORT PHILLIP HEADS.

Warning.

THERE have been two recent casualties to vessels entering Port Phillip, the causes of which have not yet been determined.

Mariners attention is re-directed to the following extract from the *Victorian Sailing Directions*, 1959:—

Page 219, lines 31-38—

Causes of Wreck at Port Phillip Heads.—A careful inquiry into the casualties that have occurred at Port Phillip Entrance has shown that in nearly every case they have taken place in consequence of the vessel's either attempting to enter the Heads at night without a pilot, or against a strong out-going stream, which, it must be remembered, runs partly athwart the entrance with great force, frequently, during springs, at from 7 to 8 knots, causing a high, short and confused tumbling sea.

Page 208, lines 20-26—

Directions for Port Phillip.—Thence bring the Low Light (white) into line with the High Light (white), bearing 042½ degrees, and enter the Heads with the leading lights in line, or open to the eastward, until the group flashing white light showing inside the Heads from Point Lonsdale lighthouse bearing from 280 degrees to 266 degrees has been passed. A course may then be shaped for South or West Channel as desired.

MELBOURNE.—A sale by auction of the right to lease Crown allotments will be held at KELVIN HALL, 55 COLLINS-PLACE, MELBOURNE, on WEDNESDAY, the 13th NOVEMBER, 1963, at half-past Ten o'clock a.m. To be conducted by J. R. WILDING, Land Officer, Melbourne. Auctioneer: CAROLAN & CO., 243 Collins-street, Melbourne.

The right to lease will be offered, pursuant to section 134 of the *Land Act 1958*, for any purpose or purposes which may be authorized under the provisions of the *Land Acts*, subject to the provisions summarized hereunder:—

All mineral rights will be reserved under the provisions of the *Mines Act 1958* and all petroleum rights under the provisions of the *Petroleum Act 1958*.

The leases will commence on 14th November, 1963, the rent therefore will be the highest offer (not less than the upset rent) accepted at the sale, subject to re-appraisal at the end of each ten years' period if the lease be for a longer term than ten years. The rent will be payable quarterly in advance, and the first quarter's rent must be paid at the time of the sale.

The lessee shall pay all taxes, rates, duties, charges, assessments, &c., and discharge all obligations under any Act in respect of the leased premises.

The land shall not (unless with the consent of the Board of Land and Works (hereunder called "the Board")) be used for any other purpose than that declared by the purchaser and approved.

Plans of all buildings proposed to be erected on the land shall be submitted to the Board for its consideration, and work shall not be commenced until approval is given.

The buildings and other improvements shall be maintained throughout the term of the lease in good order and repair to the satisfaction of the Board.

The lessee shall adopt such sanitary measures as the Board requires and carry out all requirements of the Melbourne and Metropolitan Board of Works.

The lessee shall keep all buildings insured in the name of the Secretary for Lands for an amount fixed by him, and the policy and the renewal receipts in respect thereof shall be deposited with the Secretary for Lands, Melbourne.

The Board or its servants shall have the right of entry for inspection purposes, and in case of default with regard to maintenance, to make good any defects at lessee's expense.

Arrangements must be made for the prevention of nuisance.

No advertising matter or medium will be permitted on the land or premises or fencing, provided, however, that the Board may permit a sign or other advertisement which refers solely to the purpose for which the lease is granted.

The site shall not be used for the storage of any explosive combustible or inflammable materials unless and until an application has been submitted and consented to by the Board.

The lessee shall not assign, sublet, mortgage, or transfer the land, or any part thereof, without the consent of the Board.

The lessee shall at the expiry, or sooner determination of the lease, yield and deliver the land and premises to Her Majesty, her heirs and successors in good order and condition.

The lessee shall observe any other conditions and provisions agreed upon before the issue of the lease.

The lease shall be voidable for failure to use the land bona fide for the purpose for which it has been demised, or for non-payment of rent or interest on rent in arrear, or for breach of any condition, or if the affairs of the lessee be wound up, or in the event of bankruptcy of the lessee. In the event of the lease being declared void, it shall be lawful for the Crown to enter into and take full possession of the land and premises.

At the expiration or sooner determination of the term of the lease, the land and all improvements (except machinery, and appliances which can be removed without material injury to the land or buildings) shall revert to the Crown.

The land is subject to resumption for mining purposes under section 205 of the *Land Act 1958*.

The Governor in Council has the right to resume the whole or any part of the land for public purposes on payment of compensation for the lessee's interest in the unexpired term of the lease in respect of the resumed area.

The lessee shall contribute to the cost incurred by the local municipality for the construction of any roadway, footpath, and channel on any road abutting on the leased land, or in the drainage of such land, in the same way as if liable under the *Local Government Act 1958*.

The lessee shall, within the time specified hereunder, have erected buildings (the walls of which shall be of brick, concrete, or other material agreed to by the Board) and/or other permanent improvements on the land of not less than the values stated hereunder, in accordance with plans and specifications approved by the Board. It will be the lessee's obligation to ensure compliance with the building covenant notwithstanding any restrictions on capital issues.

No buildings or other structures shall be erected at a level lower than that required for proper and effective drainage of the leased land.

Printed forms of the general conditions of the lease, in full, may be inspected at the Crown Lands Department, State Public Offices, Melbourne. (Phone 63 0321, Ext. 205.)
