9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. The contractor is not at liberty to transfer his contract under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will the contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity, or delay in delivering the goods or parcels as required, or failure to comply with the requirements of clause 3 or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct, as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money, and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.
