GOD SAVE THE QUEEN!

BROADFORD COMMON DIMINISHED.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by Division 12 of Part I. of the *Land Act 1958* it is amongst other things enacted that the Governor in Council may from time to time increase, and, after one month's notice in the *Government Gazette*, diminish, alter, or abolish any common, and may from time to time re-proclaim the whole or any part of any such common for any of the purposes and subject to the provisions of the said Part of the said Act, and that nothing therein contained shall prevent the exercise of the powers conferred by the said Part of the said Act with respect to the leasing or licensing of any land comprised in any common: And whereas notice of the intention to diminish the Broadford Common has been duly published in the *Government Gazette* for one month:

Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do hereby diminish the Broadford Common proclaimed as such on the 30th August, 1886, by deducting therefrom 1 rood 20 perches comprised within boundaries as defined by description published in the *Government Gazette* of the 17th June, 1964.—(C.70447).

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-eighth day of July, in the year of our Lord One thousand nine hundred and sixty-four, and in the thirteenth year of the reign of Her Majesty Queen Elizabeth II.

ORDER APPROVING THE WIDENING OF AN EXISTING STATE HIGHWAY IN THE SHIRE OF NUMURKAH.

WHEREAS:

I. Section 114 of the *Country Roads Act 1958* (herein called "the Act") provides (*inter alia*) in—

- (a) Sub-section (1) thereof that the powers conferred upon municipal councils by Division fourteen of Part XIX. of the *Local Government Act 1958* shall so far as applicable be conferred upon the Country Roads Board (herein called "the Board") so far as relates to the declaration of the alignment, the widening and opening up of State highways and that the provisions of the said Division shall, with certain modifications, extend and apply accordingly;
- (b) sub-section (2) thereof that no State highway shall be widened or opened up pursuant to the said section unless the Governor in Council has by Order published in the *Government Gazette* approved such widening or opening up.

II. The Board has—

- (a) in exercise of the powers conferred upon it by the said section 114 and for the purpose of widening the Goulburn Valley Highway in the Shire of Numurkah (declared by the Board pursuant to the Act or some corresponding previous enactment to be a State highway which declaration was confirmed by an Order of the Governor in Council published in the *Government Gazette* of the 27th December, 1940, at page 4453 thereof) by Resolution dated the eleventh day of May, 1964, fixed new alignments for the east side of the said highway;
- (b) in accordance with the provisions of section 19 of the Act caused to be prepared a map plan and estimate showing—
- the points between which and the lands on and through which the said widening is proposed to be made; and
 - the cost of acquiring the land.

PRESENT:

The Lieutenant-Governor as Deputy for His Excellency
the Governor of Victoria.
Mr. Thompson | Mr. Porter.
Mr. Darcy |

MOTOR CAR TRIALS OF SPEED AT EASTERN BEACH, GEELONG.

WHEREAS it is enacted by sub-section (2) of section eight-three of the *Motor Car Act 1958* that, if a motor car is used on a highway for purposes of racing or of trial of speed, the driver or the person in charge thereof shall be liable to a penalty of not more than Fifty pounds, provided that the said sub-section (2) shall not apply to a motor car used as aforesaid on any highway or portion thereof specified by Order in Council published in the *Government Gazette* and on such days and during such hours as are specified in the Order:

And whereas the Western District Car Club (Inc.) has requested that such an Order be made so as to enable motor car trials of speed to be conducted by the said Club on Ritchie Boulevard on Sunday, the twenty-third day of August, 1964:

Now therefore the Lieutenant-Governor as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by the *Motor Car Act 1958*, doth by this Order specify Ritchie Boulevard within the municipal district of the City of Geelong, as a highway in respect of which any motor car may, without being subject to the application of the said sub-section (2) of section eighty-three of the *Motor Car Act 1958* be used for purposes of trials of speed under the control and supervision of the said Western District Car Club (Inc.) on Sunday, the twenty-third day of August, 1964, between the hours of thirty minutes past Twelve o'clock and thirty minutes past Four o'clock in the afternoon, provided:

- (1) That onlookers and other unauthorized persons are refused admittance to the "pits" and the area behind the starting line;
- (2) that admittance to the "pit area" be restricted to those persons possessing "pit passes";
- (3) that the issue of "pit passes" be restricted to adult persons;
- (4) that onlookers be confined to the lawns above the wall on the south side of the footpath on the south side of the boulevard and that where the wall terminates at the intersection of Bellerine-street the line of the wall be continued with barricades across Bellerine-street to Transvaal Square;
- (5) that an adequate number of bales of straw be placed in front of the barricades at the intersection of Bellerine-street and also along the roadway at the eastern boundary of Transvaal Square where Ritchie Boulevard joins Victoria-terrace;
- (6) that officials be placed at frequent intervals on the north side of Ritchie Boulevard at the "pits" at the intersection of Bellerine-street and at the "run-off" in Victoria-terrace;
- (7) that the western limit of the "run-off" be protected with bales of straw;
- (8) that the officer in charge of police in attendance is satisfied that such highway is in a satisfactory condition for racing purposes and that adequate arrangements have been made for the safety of the public.

And the Honorable Vernon Francis Wilcox, Her Majesty's Acting Chief Secretary, shall give the necessary directions herein accordingly.

J. COLQUHOUN,
Clerk of the Executive Council.

CITY OF MELBOURNE.

CONDITIONS GOVERNING THE SUPPLY OF ELECTRICAL ENERGY.

NOTICE is hereby given that the Council of the City of Melbourne at a meeting held on 6th July, 1964, adopted the under-mentioned revised conditions as those governing the supply of electrical energy by the Corporation's Electric Supply Department to all consumers within the municipality other than those supplied by the State Electricity Commission of Victoria, and that the said conditions are now in operation.

CONDITIONS.

Application.

Application for supply of electrical energy must be made on the printed form attached to this sheet. This form properly filled in is to be detached and forwarded to the Electric Supply Office not less than four days before the supply is required.

Security.

The Council may, either before or after a supply is given, demand a security for payments. If such security be not paid within the time specified, the supply may be disconnected. Application can be made for a refund of amount twelve months from date of payment.

Installation.

A supply will not be given to any installation until the latter complies with the requirements specified in the Wiring Regulations of the State Electricity Commission.

No charge will be made for the testing and connexion of such installation, but in the event of failure to pass the tests specified in such rules a charge may be made for every subsequent test.

Should any defect or any departure from the above wiring regulations be thereafter discovered, the Council may forthwith cut off and discontinue the supply until such defect or departure is remedied to its satisfaction.

Re-connexion.

Any supply that has been disconnected for non-payment of accounts due, or for security demanded, shall not be renewed until all arrears due, together with a re-connexion fee, shall have been paid.

Charges.

The consumer shall be charged at one or more of the tariffs at which the Council supplies electricity and according to the Council's classification of the supplies and the purposes for which the electricity is required, including prescribed minimum charges, if any. On application, the consumer will be supplied with details of the tariffs applicable to the nature and classification of his supply.

Removal and Re-installation.

Where the supply shall have been disconnected because of any breach of these conditions and the meters subsequently removed, then an additional fee shall be charged to cover the cost of removal and installation of meters. The fee shall apply to any application for re-connexion of the same installation at the same premises within a period of twelve months and for those cases where the disconnection was applied for merely as a means of avoiding the payment of any of the authority's legitimate charges.

Voltage.

The standard pressures of supply available in the Council's area are as follows:—

Alternating current, 240 and 415 volts.

Consumers are advised to apply to the Electric Supply Office for further information regarding supply to any portion of the area served by the Council.

Motors, &c.

The Council shall not be held responsible for any expense that may be incurred by the consumer in altering or replacing his motors or other apparatus to suit any change in voltage, phase, &c., of the supply system which may be introduced by the Council hereafter.

Sub-stations.

When in the opinion of the Council the supply of electricity to a consumer's premises can best be effected by placing a transformer sub-station on such premises the consumer shall until the agreement for such supply shall be terminated provide free of cost to the Council the space necessary for and suitable to the erection of such sub-station, the position of which shall be fixed by mutual agreement, but so as to allow free passage to and from the sub-station at any time of the Council's representatives and apparatus. The transformer instruments and other apparatus erected by the Council in connexion with such sub-stations shall be under its sole control and may be removed by it on the termination of such agreement.

Separate Occupancies.

The Council will not supply electrical energy to any consumer for consumption on premises comprising more than one occupancy unless each such occupancy is separately metered and the Council may discontinue any supply serving more than one occupancy until a separate application has been received for each occupancy and each such occupancy is separately metered. The applicant for supply to any separately occupied premises may be the owner or occupier but if both apply the Council may designate which is to be the consumer in respect of such premises.

Termination of Service.

Except as otherwise provided, three clear days notice shall be given, in writing, by either party to the other before discontinuing the supply.

Availability.

The Council will make supply available at the consumer's terminals which shall be the point of attachment of the service lines of the Council to the consumer's wires on the consumer's premises and the Council shall decide the location of the said point of attachment; provided that—

(a) If the service lines need be longer than 60 feet (plus where the distributing mains are not on the near side of the thoroughfare, the distance across the thoroughfare) overhead or ten feet underground the Council may require the consumer to pay the cost of supplying the wire and fittings for the extra distance. The consumer shall bear the cost of providing and erecting all poles which are required on his premises for supporting service wires.

(b) The consumer shall not make or replace or allow any person other than the Council's officers to make or replace final connexions between the service lines and the consumer's installation.

- (c) The Council shall provide and may fix on any part of the consumer's premises any necessary meters, time switches and service fuses. These shall remain the Council's property. In the case of private houses and flats, meters and time switches shall be placed outside and the consumer shall provide any necessary housing or protection.
- (d) The consumer shall be responsible for the safe keeping of and for any loss of or damage to equipment provided on the consumer's premises by the Council.
- (e) The cost of the maintenance of any equipment erected on the consumer's premises at the consumer's cost shall be borne by the consumer, who shall repay to the Council any sums it may expend in such maintenance.
- (f) The consumer shall not in any way interfere with any apparatus provided and owned by the Council, but shall at all times be obliged to report to the Council any apparent defects therein. The Council may at any time remove any tree, limb or other thing on the consumer's premises which may endanger the the safety or efficiency of any service lines or apparatus.
- (b) If the consumer should refuse to allow any officer or agent of the Council who produces his official badge to enter the consumer's premises at a reasonable time and inspect and/or assess the premises, test, remove, fix, read, or inspect any meter or inspect or test the consumer's installation and consuming devices; or
- (c) If the consumer should make default in paying any sum due to the Council whether for electricity supply, meter rental or otherwise; or
- (d) If the consumer should commit or allow any breach or offence under the *Electric Light and Power Act 1958* or any applicable regulations; or
- (e) If the consumer's service lines, installation or consuming devices fail in any way to comply with the requirements of any relevant regulations for the time being in force or are in any way in the opinion of the Council's responsible officer unsafe or defective; or
- (f) If the consumer commits a breach of these conditions.

SHIRE OF GLENELG.

BY-LAW No. 56.

A BY-LAW of the Shire of Glenelg made under the provisions of the Health Acts and the Local Government Acts and every other power enabling it in that behalf, and numbered 56 for regulating the controlling, the collection and disposal of trade and household refuse and rubbish within the boundaries of the Garbage Area of the Township of Casterton.

1. By-laws Nos. 42 and 43 of the Shire of Glenelg are hereby repealed.

2. In this By-law unless inconsistent with the context or subject-matter—

- (a) "Council" means the municipal council of the Shire of Glenelg.
- (b) "Tip" means an area defined and approved by the Council and the Commission of Public Health as a site for the disposal of rubbish and refuse.
- (c) "Garbage Area" means the area referred to in the Schedule hereto from the premises of which refuse and rubbish is collected by the Council by means of a regular weekly service.
- (d) "Authorized Officer" means the Engineer or Health Inspector or By-laws Inspector of the Council for the time being.

3. Every occupier of premises within the garbage area of the Township of Casterton (save and except those premises expressly exempted and excluded by any Resolution or order of the Council) shall for the temporary storage of refuse and rubbish, provide or cause to be provided and kept thereat a ratproof, flyproof and waterproof receptacle made of durable non-absorbent material fitted with a cover of like material. Such receptacle shall be cylindrical in shape and present smooth surfaces free from projections and sharp edges and shall be not less than 5 nor more than 10 gallons in capacity.

4. Every occupier as aforesaid shall—

- (a) Cause such refuse or rubbish receptacle in use at his premises and the cover thereof to be kept in a clean and sanitary condition at all times.
- (b) Cause such receptacle to be disinfected with some efficient disinfectant and deodorant when necessary.
- (c) Cause such receptacle to be maintained in good order and condition.
- (d) Cause all household or trade refuse arising from or upon such premises from time to time to be deposited in such receptacle after such refuse or rubbish has been wrapped in newspaper or like material.
- (e) Cause such receptacle to be continuously covered save when refuse or rubbish is being deposited therein or discharged therefrom.

5. No person shall deposit or cause to be deposited any wet refuse or rubbish, ashes, flowers or garden clippings in any receptacle unless the same is properly wrapped in paper or some other suitable wrapping.

6. Every occupier of premises shall on the morning of the day appointed by the Council for the collection of refuse or rubbish, place the covered receptacle at or near the entrance to the premises where the same may be easily picked up and emptied by the contractor.

7. The occupier of any premises desirous of disposing of any indestructible rubbish or waste material not suitable to be placed in refuse or rubbish receptacle may cause the same to be carted to a tip approved of and defined by the Council from time to time and disposed of thereat in the manner required by notice exhibited at such tip or by such other means as the Council or its authorized officer may direct.

8. Before any motor car body or chassis or other bulky article having a volume of more than 2 cubic feet is disposed of at the tip, such article shall be reduced to a reasonable size by cutting or flattening so that it will pack firmly and take up a minimum of space.

9. No person except the Council's garbage contractor shall, unless with the permission of the Council or its authorized officer deposit or cause to be deposited at the tip any waste foodstuff, trade waste or other putrescible matter and where such permission has been so obtained such person upon depositing such matter shall immediately cause the same to be covered with sufficient soil to prevent any nuisance arising therefrom as the Council's authorized officer shall direct.

10. No person shall without the consent of the Council or its authorized officer enter upon a site enclosed as a tip except for the purpose of depositing rubbish therein.

11. Every person lawfully entering any tip site shall, upon leaving see that the gates are effectively closed.

12. No person shall deposit or leave any refuse or rubbish on any land, road, street, lane or passage.

13. No person shall permit any cattle to enter or graze upon the site of any tip.

PUBLICATION OF OFFICIAL MATTER.

ATENTION is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:—

- Matter submitted to the Executive Council.*
 Matters submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.
 Where urgent gazettal is required, special arrangements should be made with the *Gazette Officer*.
 Publication will be facilitated by the submission of carbon copies for the use of the *Gazette Officer*.
- Other matter.*
 (a) All other matter duly certified by a responsible officer for publication should be lodged with the *Gazette Officer* not later than half-past Ten a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested or, at the direction of the Gazette Officer, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matter for publication will be accepted by telephone.

THE "VICTORIA GOVERNMENT GAZETTE".

SUBSCRIPTIONS.—The subscription, including postage, is £2 15s. per annum, £1 7s. 6d. half-yearly, or 13s. 9d. per quarter, payable in advance.

Subscriptions are required for whole months, and must cover at least a quarter.

Single copies are One shilling, posted One shilling and five pence. Subscribers do not receive the Acts of Parliament with the GAZETTE.

GAZETTES are held in stock for five years only.

PRIVATE ADVERTISEMENTS.—The charge for insertion is 2s. per line single column, and 4s. per line double column. The title forms one or more lines as a heading. On an average ten words make a line of single column. Every signature must likewise be counted as a line. The final words of a paragraph, though only portion of a line, must be counted as one line. Signatures (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each sheet of paper should be WRITTEN UPON.

All documents illegibly written will be returned unpublished, and where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

Advertisements unaccompanied by a remittance sufficient to cover the cost of the insertion will be returned unpublished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before ONE p.m. at ordinary rates, and late advertisements between ONE p.m. and FOUR p.m. at double rates on the day preceding the day of publication.

PAYMENTS.—All payments are required in advance and remittances should be made by cheque, postal note, or money order payable to "GOVERNMENT PRINTER".

ADDRESS.—All communications should be addressed to "The Government Printer, Box 203, P.O., North Melbourne".
