WARRAGUL SEWERAGE AUTHORITY.

AMENDMENT TO BY-LAW No. 1.

THE Warragul Sewerage Authority, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Sewerage Districts Acts and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make amendments to By-law No. 1 as follows:—

(1) By omitting in Division 3, section 8, the whole of sub-sections (a), (b) and (c) and substituting therefor the following:—

- (a) (1) Where the Authority designs the works and has same carried out for the owner, a charge shall be made equal to ten per centum (10 per cent.) on the capital cost of the work for designing, specifying, letting contract, and supervising all details in connexion with such work.
- (2) Consent for additions to and/or amendments of approved plans or to works previously approved will be made only on the application of the owner or his authorized agent, and on payment of a fee of One pound (£1).

(b) When the Authority designs the work for the owner and the owner then carries out his own work:—

- (1) For plan of design, a fee of Four pounds (£4), plus Ten shillings (10s.) for each fitting.
- (2) For making and/or examining any alterations or additions to a plan previously issued or approved by the Engineer, a fee of One pound (£1) shall be made by the Authority for each fitting or drain altered or added.
- (3) For inspecting drains, and testing by the Authority's inspector, a fee of Two pounds (£2) plus One pound (£1) for each additional inspection necessary owing to faulty work.
- (4) For inspecting plumbing by the Authority's inspector a fee of Two pounds (£2) for each ten (10) fittings or part of ten fittings in the installation, plus One pound (£1) for each additional inspection necessary owing to faulty work.
- (5) For the final inspection by the Authority's Engineer and charting the work on the Authority's plans, a fee of Two pounds (£2) for each ten (10) fittings or part of ten fittings in the installation, plus One pound (£1) for each additional inspection necessary owing to faulty work.
- (6) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work. The house connexion will not be passed until the installation, together with amendments ordered have been completed to the Engineer's satisfaction.

(c) Where an owner designs and carries out his own work—

- (1) For the supply of a block plan, a fee of Ten shillings (10s.). For tenements exceeding 4,000 square feet in ground floor area and/or properties exceeding 2 acres in extent, an additional fee of Ten shillings (10s.) shall be charged for each additional 4,000 square feet, or part thereof, and/or for each additional 2 acres, or part thereof.
- (2) The owner shall submit for examination a properly drawn design on tracing cloth or good quality paper and a type-written specification. The design and specification shall be supplied to the Authority in triplicate. The work shall not proceed until the owner's design and specification have been approved by the Engineer and the third copy returned to him with the official endorsement.
- (3) For the examination of the owner's plan of design and specification, a fee of Two pounds (£2) for each plan of from one to five fittings plus Ten shillings (10s.) for every fitting over five.

(4) For examining any alterations or additions to a plan previously issued or approved by the Engineer, a fee of Ten shillings (10s.) shall be made to the Authority for each fitting or drain altered or added.

(5) For inspecting drains and testing by the Authority's inspector, a fee of Two pounds (£2) plus One pound (£1) for each additional inspection necessary owing to faulty work.

(6) For inspecting plumbing by the Authority's inspector, a fee of Two pounds (£2) for each ten (10) fittings in the installation, plus One pound (£1) for each additional inspection necessary owing to faulty work.

(7) For the final inspection by the Authority's Engineer and charting work on the Authority's plans, a fee of Two pounds (£2) for each ten (10) fittings or part of ten fittings in the installation, plus One pound (£1) for each additional inspection necessary owing to faulty work.

(8) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work. The house connexion will not be passed until the installation together with the amendments ordered, have been completed to the Engineer's satisfaction.

(d) Where an owner has elected one or other of the methods set out in sub-sections (a), (b) or (c) above, subsequently desires to adopt another of such methods, he may do so provided that no contract has been let for the work and that he pays to the Authority the following fees, which shall be additional to fees which will become due in respect of the newly-adopted method:—

- (1) Where the change is from the method set out in sub-section (a) an amount equal to three per centum (3 per cent.) of the estimated capital cost of the work.
- (2) Where the change is from the method set out in sub-section (b), the fees prescribed in sub-section (b) (1) and (b) (2).
- (3) Where the change is from the method set out in sub-section (c), the fees prescribed in sub-section (c) (1), (c) (3), and (c) (4).

The above By-law was made and passed by the Warragul Sewerage Authority on the 18th day of May, 1965 and in witness whereof the common seal of the Sewerage Authority is hereto set and affixed at Warragul, this 18th day of May, in the year One thousand nine hundred and sixty-five—

SALE OF CLOSER SETTLEMENT LAND IN FEE-SIMPLE, BY AUCTION.

Red Cliffs.—Friday, 1st October, 1965 .. 69

SALE OF CLOSER SETTLEMENT LAND IN FEE-SIMPLE, BY AUCTION.

The land will be offered for sale in fee-simple, and subject to the provisions of the Closer Settlement Act and Regulations thereunder.

The upset price is the sum at which bidding will start, and no bid below that sum can be accepted. The highest bidder at or above that sum shall be the purchaser, subject to signature of contract and any necessary payment.

TERMS:

A deposit of at least 12½% of the purchase price must be paid at the sale, either in cash or by cheque.

The residue is payable in half-yearly instalments, in accordance with the following scale, or may be paid off at any earlier time.

£20 and under, 6 instalments.
Over £20, and not exceeding £50, 8 instalments.
Over £50, and not exceeding £100, 10 instalments.
Over £100, and not exceeding £200, 12 instalments.
Over £200, and not exceeding £300, 14 instalments.
Over £300, and not exceeding £400, 16 instalments.
Over £400, and not exceeding £500, 18 instalments.
Over £500, 20 instalments.

Interest at the rate of 5% per annum is payable with all payments of residue, and is computed for each instalment from the date of sale to the date of such payment. Additional interest is charged if any instalment is not paid on or before the due date.

If paid off within 30 days of sale, no interest is payable.

FEES, ETC.:

Also payable at the sale, in addition to the deposit, are the survey fee and, if applicable, the valuation of improvements (if purchaser be not the owner thereof).

Payable with balance of purchase money—

Crown Grant fee—50 acres and under	£1 10s.
Over 50 acres	£2
Purchase money £5 or under	£1

Assurance Fund contribution—One halfpenny for each £1 of purchase price. (This is a fund established to guarantee the validity of freehold titles.)

Transfer of interest prior to completion of payment may be allowed on payment of £1 fee and subject to stamp duty.

If unable to attend personally, a prospective purchaser may arrange for another person to bid as his agent.

Attention is drawn to section 95, *Land Act 1958*, which provides that the purchaser shall be deemed to be the owner for the purposes of other Acts; also to an amendment to the *Local Government Act* providing for Government roads, in certain circumstances, to be declared "private streets", thus making the purchaser liable to contribute to the cost of street construction.

(3) Every pigeon loft shall—

- (a) be constructed of approved materials; and
- (b) have all guttering fitted to the roof leading to proper storm water drains adequate to take off the discharge of water to a proper point of discharge.

7. (1) No person shall keep or permit to be kept on any poultry farm any poultry other than in an enclosed poultry run, poultry house or similar structure, or approved battery cage system complying with the provisions of this by-law or on any premises any pigeons other than in a pigeon loft complying with the provisions of this by-law.

(2) Such enclosed poultry run, poultry house or similar structure or approved battery cage system or pigeon loft shall be—

- (a) distant at least 75 feet from the boundary of the street or road to which the poultry farm or premises has a frontage;
- (b) distant at least 10 feet from any other street or road;
- (c) distant at least 10 feet from the boundary of any adjoining allotment of land;
- (d) distant at least 100 feet from any dwelling whether on the poultry farm premises or adjoining land except an incubator or brooder house may be erected distant not less than 40 feet from any dwelling on a poultry farm; and
- (e) in the case of pigeon loft at least 3 feet above ground level.

8. No person shall erect or cause or permit to be erected on any poultry farm any poultry house or similar structure or approved battery cage system or on any premises any pigeon loft unless—

- (a) every such poultry house or similar structure or approved battery cage system or pigeon loft is roofed with approved material with guttering leading to water tanks or to proper storm water drains adequate to take off the discharge of water to a proper point of discharge;
- (b) the ground surrounding every such poultry house or similar structure or approved battery cage system and underneath and surrounding every pigeon loft is adequately and properly drained; and
- (c) the floor beneath any such poultry house or similar structure or approved battery cage system is built up so that the surface level shall be at least 3 inches above the surrounding ground level.

9. (1) Every poultry house or similar structure shall be rendered rat-proof by placing galvanized iron, jointed brickwork, cement sheet or concrete around the foundations to a depth of at least 18 inches below the ground level and all walls shall be constructed of approved rat-proof material.

(2) Every pigeon loft shall be rendered rat-proof by having the floor and walls thereof constructed of approved rat-proof material.

10. The owner or occupier of any premises on which poultry or pigeons are kept shall—

- (a) keep the area of land within 5 feet of any poultry run, poultry house or similar structure, battery cage system or pigeon loft erected thereon free from all dry grass, weeds, refuse or other materials capable of harbouring rats or other vermin;

- (b) cause every poultry run, poultry house or similar structure, battery cage system or pigeon loft erected thereon to be thoroughly cleaned from time to time as may be necessary; and
- (c) keep every poultry run, poultry house or similar structure, battery cage system or pigeon loft erected thereon in a clean, wholesome and sanitary condition at all times.

11. No person shall keep or store or permit to be kept or stored on any property where poultry or pigeons are kept any food for consumption by poultry or pigeons unless such food is kept or stored in rat-proof receptacles or rat-proof buildings.

12. This by-law shall not apply to any property on which the business of killing or selling poultry is carried on and which has been exempted in writing by the Council from the operation hereof.

13. Clause 8 hereof shall not preclude the continuance of the use of any poultry run, poultry house or similar structure, or approved battery cage system erected on any poultry farm immediately before the date of the coming into operation of this by-law if such use was lawful immediately before the said date.

14. This by-law shall apply to and have operation throughout the whole of the Municipal District of the City of Dandenong provided however clauses 2 and 6 (inclusive) shall apply to and have operation only to premises having an area of land of less than two acres and clauses 7 to 8 (inclusive) shall not apply to and have operation to such premises.

Resolution for passing this by-law agreed to by the Council the 12th day of April, 1965, and confirmed this 24th day of May, 1965.

The common seal of the Mayor, Councillors and Citizens of the City of Dandenong was hereto affixed in the presence of—

SHIRE OF CRANBOURNE.

BY-LAW No. 54.

A By-law of the Shire of Cranbourne made under the *Health Act 1958* and numbered 54 for the Collection, Removal and Disposal of night soil.

IN pursuance of the powers conferred by the *Health Act 1958* the President, Councillors and Ratepayers of the Shire of Cranbourne order as follows:—

1. By-law No. 30 is hereby repealed.
2. This By-law shall come into operation immediately after the publication of notice of the making thereof in the *Government Gazette* and shall apply to and have operation in the whole of the Municipal District of the Shire of Cranbourne and, unless exemption is granted by the Council, shall apply to every house, building and premises therein.
3. In this By-law, unless inconsistent with the context or the subject matter—

“Approved” means approved in writing by the Council.

“Commission” means the Commission of Public Health.

“Council” means the Council of the Shire of Cranbourne.

“Inspector” means any officer authorized by the Commission or the Council.

“Premises” means premises not connected to the sewers of a Sewerage Authority, nor to a septic tank system installed with the approval of the Council.

“Proprietor” means the proprietor of any premises and includes the owner, the occupier, or any person having management or control thereof.

“Regulations” means the General Sanitary Regulations made under the provisions of the *Health Act 1958*.

“Depot” means any land, place or premises used for, or in relation to, the treatment or disposal of night soil.

4. The proprietor of any premises on which there is erected a pan closet shall cause a sanitary pan (except when being changed) to be kept in a proper position under the seat of such pan closet.

5. (1) Every such sanitary pan shall—

(a) be cylindrical in shape, and formed of galvanized iron of not less than 22 gauge, or other approved material with folded grooved seams, sweated with solder or welded and presenting on the inside and outside an impervious, hard, smooth and durable surface.

(b) have all surfaces which might come in contact with night soil free from projections.

(c) be watertight and strongly constructed and be reinforced with metal bands where necessary.

(d) be provided with properly attached side lifting handles.

(2) Every such sanitary pan shall have a capacity of 1½ cubic feet, with an internal depth of 14 inches and diameter of not less than 14 inches, and shall be fitted with a suitable rim and/or lugs to permit an airtight lid to be affixed.

6. The Proprietor of any premises shall cause to be kept in every pan closet a supply of liquid deodorant or lime sawdust or some other dry material suitable for deodorizing night soil.

7. Every person using a pan closet shall cause all night soil deposited in the pan to be covered with sufficient deodorizing material to effectively deodorize the contents of such pan.

8. The proprietor of any premises on which there is erected a urinal, shall provide such urinal with an approved apparatus for the regular discharge into same of sufficient approved deodorant to keep such urinal constantly deodorized.

9. No person shall place or deposit or cause or permit to be placed or deposited any slops, water or rubbish in any pan.

10. The proprietor of any premises on which a pan closet or urinal is erected shall—

- (a) maintain such pan closet or urinal in good repair and in a clean, sanitary condition;
- (b) where required by the Inspector, effectively disinfect such pan closet or urinal, and/or the contents thereof immediately, and effect any repairs thereto such Inspector may deem necessary.

11. (1) No person shall cause or permit or suffer any sanitary pan to overflow or spill its contents on any part of any premises.

(2) Every person who causes, permits or suffers the contents of any sanitary pan to overflow or spill shall immediately cause the place where such contents have dropped or spilled to be thoroughly cleansed.

12. Every person removing a sanitary pan from any premises shall immediately report to the Council at the earliest available opportunity the discovery of any pan found to be overflowing or leaking, and shall forthwith cause the place where the contents have been dropped or spilled to be thoroughly cleansed.

13. (1) No person other than a person authorized or employed by the Council shall remove night soil from any premises.

(2) No person shall bury any night soil in any place except at a depot nominated by the Council.

(3) No person shall dispose of any night soil except in the manner authorized by this By-law and the regulations.

14. (1) Every person depositing night soil shall immediately cause the sanitary pan which contained the night soil to be thoroughly washed or otherwise cleansed and disinfected before removing same from the depot.

(2) Such cleansing shall be done with a strong brush in a vat containing clean water and an approved disinfectant, in such strength as may be directed by the Inspector, then immersed and rinsed in a further vat containing clean water and disinfectant, after which the pan shall be upturned and drained before being used again.

(3) The resultant washings or filth shall be immediately disposed of in like manner to night soil.

15. The internal surface of every pan before it is first used shall be properly coated with well-boiled tar, crude creosote, or other approved material, and such coating shall thereafter be renewed when deemed necessary by the Council, but not less than once every thirteen weeks.

16. Every person authorized by the Council to remove night soil shall cause every vehicle or other conveyance used for that purpose to be—

- (a) properly constructed and at all times maintained in a proper working order, and
- (b) thoroughly cleansed and disinfected each day after use.

17. Where a removal service is not provided, the proprietor of the premises or any person shall not dispose of night soil except in a sanitary manner.

18. No person shall remove or cause to be removed any portion of the contents of a septic tank, except with the written permission, with or without qualifications, of the Council.

19. No person other than a person appointed for that purpose by the Council shall cleanse or de-sludge any septic tank.

20. No person shall dispose of any sludge taken from, or the contents of, any septic tank except at a depot nominated by the Council, or in the same manner as night soil may be disposed of, or in some other manner approved by the Council.

21. Every person guilty of a wilful act or default contrary to the provisions of this By-law shall be liable to a penalty of not less than £5 nor more than £20 and to a further penalty of not more than £5 for each day on which such offence is continued after conviction or order by any Court.

Resolution for passing this By-law was agreed to by the Council of the Shire of Cranbourne on the twelfth day of March, 1965, and confirmed on the ninth day of April, 1965.

The Common Seal of the President, Councillors and Ratepayers of the Shire of Cranbourne was hereunto affixed in the presence of—

V. J. BOSSE, President.

(SEAL) W. B. CAMPBELL, Councillor.

T. W. GRANT, Shire Secretary.

Submitted to the Commission of Public Health on 8th June, 1965.—A. T. GARDNER, Secretary, Commission of Public Health.

Approved by the Governor in Council, 27th July, 1965.
—J. COLQUHOUN, Clerk of the Executive Council. 7572

SHIRE OF CRANBOURNE.

BY-LAW No. 55.

IN pursuance of the powers contained by the *Health Act* 1958 and of any other power thereunto enabling them in that behalf, the Council of the Shire of Cranbourne in the name and on behalf of the President, Councillors and Ratepayers of the said Shire for the purpose of carrying the said Act into execution within their jurisdiction, make the following By-law (that is to say):—

1. By-law No. 25 is hereby repealed.

2. This By-law shall come into full force and operation on its approval by the Governor in Council and immediately after its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation in the whole of the Municipal District of the Shire of Cranbourne, and unless exempted by the Council shall apply to every house, building and premises therein.

4. In this By-law, unless inconsistent with the context or subject matter—

“Proprietor” means the proprietor of any premises and includes the owner, the occupier, or any person having the management or control thereof.

“Refuse” includes all wastes (except sewage and manure) produced or accumulated in or about any house, building or premises.

5. The proprietor of every house, building or premises shall provide, keep and maintain at all times upon his premises a properly constructed receptacle in which he shall from time to time cause to be deposited all refuse produced or accumulated in or about such house, building or premises.

6. Such receptacle shall be constructed of galvanized iron of not less than 24 gauge or other approved material in such a manner as to prevent any absorption by any part of such receptacle of any offensive matter which may be deposited therein, or any escape by leakage or otherwise of any part of the contents of such receptacle.

7. Each such receptacle shall have a capacity of not more than 4 cubic feet and shall be strongly constructed and provided with properly attached side-lifting handles to make it capable of being easily and conveniently carried by one man.

8. Such receptacle shall be provided with a suitable close-fitting lid with a flange overlapping the top of such receptacle, and shall be kept constantly covered (except when such refuse is being deposited therein or discharged therefrom), and a sufficient quantity of some efficient deodorant shall be from time to time introduced therein when necessary to keep such refuse in an inoffensive condition.

9. No person shall place or cause or permit to be placed any slops or liquid waste in such receptacle, nor shall he deposit any moist refuse in such receptacle unless such moist refuse has been previously strained and effectually wrapped in waste paper.

10. The proprietor shall cause such receptacle to be kept at all times in good order and sweet condition, and shall coat the inside of such receptacle with tar or other suitable substance when deemed necessary by the Council.

11. The proprietor shall cause at such hours and on such days as may be appointed by the Council for the removal of refuse such receptacle to be deposited close to and inside of the entrance to such house, building or premises from the street, lane, or right-of-way on which such house, building or premises abut in order that the contents of such receptacle may be conveniently removed by the contractor or person authorized or employed in that behalf by the Council.

12. No person shall place or cause to be placed any such receptacle in or upon any street, lane, or right-of-way except in the case of business premises built on the street alignment where such premises do not abut on a suitable right-of-way or land on which such receptacle could be placed for collection and emptying.

13. The contractor or person authorized or employed by the Council for the removal of such refuse shall be responsible for the complete emptying (without spilling any of the contents) of such receptacle or receptacles directly into a vehicle provided for its reception at such hours and on such days as may be appointed by the Council.

Such contractor or person shall also be responsible for the replacement of such receptacle properly covered with its lid, and shall also close the gate or gates of the premises from which such receptacle is taken.

14. The contractor or person authorized or employed by the Council for the removal of such refuse shall at least once in each week, or at such greater frequency as may be necessary, collect and remove such refuse in a suitable covered vehicle in such a manner as not to cause nuisance, danger to health, or offensiveness.

15. Such vehicles shall be provided with a cover and kept covered except when refuse is being put into or discharged from such vehicle.

16. Such vehicle shall as far as practicable be rendered watertight by means of an impervious lining or by painting the inside thereof with tar or by other suitable and effective means.

17. The contractor or person authorized or employed by the Council for the removal of such refuse shall cause all vehicles used for the reception and removal of such refuse to be properly constructed, kept clean, and thoroughly disinfected with approved disinfectant and maintained in a proper state of repair.

18. If any refuse is authorized to be deposited or disposed of in or on any land, hole, quarry, or indenture, such refuse shall be deposited in a regular and orderly manner, and at the conclusion of each day's depositing the contractor or the person or persons authorized or employed by the Council shall bind the surface with clean earth, lime, or other approved material so as not to create any nuisance.

19. If any person or persons commit a breach of this By-law, he or they shall for every such breach be liable to a penalty of not more than Twenty pounds, and in the case of a continuing offence a further daily penalty of not more than Five pounds.

Resolution for passing this By-law was agreed to by the Council of the Shire of Cranbourne on the twelfth day of March, 1965, and confirmed on the ninth day of April, 1965.

The Common Seal of the President, Councillors and Ratepayers of the Shire of Cranbourne was hereto affixed in the presence of—

(SEAL) W. J. BOSSE, President.
W. B. CAMPBELL, Councillor.
T. W. GRANT, Shire Secretary.

Submitted to the Commission of Public Health on 8th June, 1965.—A. T. GARDNER, Secretary, Commission of Public Health.

Approved by the Governor in Council, 27th July, 1965.

M. D. ALLARDICE, Shire Secretary.

SHIRE OF ROSEDALE.

BY-LAW No. 42.

IN pursuance of the powers contained in the Health Act 1958, and of any other power thereunto enabling them in that behalf, the Council of the Shire of Rosedale in the name and on behalf of the President, Councillors and Citizens and Ratepayers of the said Shire for the purpose of carrying the said Act into execution within their jurisdiction, make the following By-law No. 42 (that is to say):—

1. By-laws numbered 32 and 36 are hereby repealed.

2. This By-law shall come into full force and operation on its approval by the Governor in Council and immediately after its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation in the Town of Rosedale and Crown Allotments 1 to 9, Township of Rosedale, and the Townships of Cowwarr, Glengarry, Wurruk, Toongabbie and Seaspray.

4. In this By-law, unless inconsistent with the context or subject matter "proprietor" means the proprietor of any premises, and includes the owner, the occupier, or any person having the management or control thereof. "Refuse" includes all wastes (except sewerage and manure) produced or accumulated in or about any house, building or premises.

5. The Proprietor of every house, building or premises shall provide, keep and maintain at all times upon his premises, a properly constructed bin or an approved type of weather resistant sack, in which he shall, from time to time, cause to be deposited all refuse produced or accumulated in or about such house, building, or premises.

6. Each bin shall be constructed of metal or plastic and be designed in such a manner as to prevent any absorption by any part of such bin or any offensive matter which may be deposited therein or any escape by leakage or otherwise of any part of the contents of such bin. When a bin is constructed of metal, it shall be constructed of galvanized iron of not more than 26-gauge securely riveted and soldered.

7. Each bin shall have a capacity of not more than 3 cubic feet, shall be strongly constructed and provided with properly attached side-lifting handles, and be capable of being easily and conveniently carried by one man.

8. Every such bin shall be provided with a suitable close fitting lid with a flange overlapping the top of the bin, and shall be kept constantly covered (except when refuse is being deposited therein or discharged therefrom) and a sufficient quantity of some efficient deodorant shall be from time to time, introduced therein when necessary to keep the contents in an inoffensive condition.

9. When an approved weather resistant sack is used, it shall have a capacity of not more than 3 cubic feet and shall be constructed with a minimum of two plied walls and shall be suspended in a frame fitted with a fly-proof hinged lid so as to be clear of ground or floor level.

10. No person shall place or cause or permit to be placed any slops or liquid waste in such bin or approved sack, nor shall deposit any moist refuse in such bin or approved sack unless such refuse has been previously strained and effectually wrapped in waste paper. No person shall place garden clippings in such bin or approved sack.

11. The proprietor shall cause such bin to be kept at all times in good order and sweet condition and shall coat the inside of such bin with tar or other suitable substance when deemed necessary by the Council.

12. On such days and at such hours as may be appointed by the Council, the proprietor shall for the purpose of having each bin emptied or each approved sack removed, cause such bin or approved sack to be placed adjacent to the entrance to such house, building or premises on any street, lane or right-of-way on which such house, building or premises abuts.

13. The contractor or person employed or authorized by the Council for the removal of such refuse shall be responsible for the removal of the sack or sacks and for the complete emptying (without spilling any of the contents) of such bin or bins directly into a vehicle provided for this purpose at such hours and on such days as may be appointed by the Council.

14. Such contractor or person shall also be responsible for the replacement of such bin covered with its lid, and shall also close the gate or gates of the premises from which the bin is taken.

15. The contractor or person employed or authorized by the Council for the removal of such refuse shall at least once a week, or at such greater frequency as may be necessary, collect and remove such refuse and sacks in a suitable vehicle in such a manner as not to cause nuisance, danger to health, or offensiveness.

16. Such vehicle when provided by a contractor shall be of a type approved by the Council, and such vehicle may be required to be fly-proofed and/or waterproofed.

17. Any such vehicle when full, shall be taken by the quickest possible route to the tip, where as soon as practicable the refuse and sacks shall be rendered innocuous by means of such method as may be required by the Health Inspector or Engineer, and in such a manner as not to create a nuisance.

18. The contractor or person employed or authorized by the Council shall cause all vehicles used for the reception and removal of such refuse and sacks to be kept clean, thoroughly disinfected, and maintained in a proper state of repair.

19. If any refuse is authorized to be deposited or disposed of in or on any land, hole, quarry or indenture, such refuse shall be deposited in a regular and orderly manner, and at the conclusion of each day's tipping, the contractor or other person authorized or employed by the Council shall blind the surface with clean earth or other material as may be approved or directed by the Health Inspector or engineer.

20. If any person or persons commit a breach of this By-law he or they shall for every such breach be liable to a penalty of not more than twenty pounds (£20) and in the case of a continuing offence, a further daily penalty of not more than five pounds (£5).

The resolution for passing this By-law was agreed to by the Council on the 15th day of February, 1965, and was confirmed on the 17th day of May, 1965.

The common seal of the President, Councillors, and Ratepayers of the Shire of Rosedale was hereunto affixed this 17th day of May, 1965—

(SEAL) ROY. B. GERRAND, President.
C. BURLEY, Councillor.
G. W. THOMSON, Shire Secretary.

Submitted to the Commission of Public Health on 6th July, 1965.—A. T. GARDNER, Secretary, Commission of Public Health.

Approved by the Governor in Council, 27th July, 1965.
—J. COLQUHOUN, Clerk of the Executive Council. 7581

SHIRE OF WALPEUP.

STREET TRADERS AND COLLECTORS BY-LAW No. 33.

A By-Law of the Shire of Walpeup made under section 197 of the *Local Government Act 1958* and numbered 33 for:—

- (a) Regulating the use of streets, roads and public places within the areas set forth in Clause 13 hereof by street hawkers and itinerant traders dealing in goods.
- (b) Prohibiting or regulating the sale of goods from stalls, motor cars, carts, trucks, barrows, boxes, baskets, crates, bags and other vehicles or receptacles standing or placed on any street, road or public place within the areas set forth in Clause 13 hereof.
- (c) Prohibiting or regulating the erection or use on any land within the areas set forth in Clause 13 herein of tents or other temporary structures or buildings for the sale of goods therein or therefrom and the sale of goods in or from such tents, structures or buildings.
- (d) Prohibiting or regulating the sale of goods from stalls, motor cars, carts, trucks, barrows or any other receptacles standing or placed on vacant land within the areas set forth in Clause 13 hereof.
- (e) Prohibiting or regulating the soliciting or collection in any road or street within the areas set forth in Clause 13 hereof or from house to house adjacent thereto of gifts of money or of subscriptions for any purpose.

IN pursuance of the powers conferred by the *Local Government Act 1958* and of any and every other power it thereunto enabling the President, Councillors, and Ratepayers of the Shire of Walpeup orders as follows:—

1. This By-Law shall be known as the Street Traders and Collectors By-Law.

2. No street hawker or itinerant traders dealing in goods shall use any street, road or public place within the area set forth in Clause 13 hereof between the hours of 6 o'clock in the afternoon of any day and 8 o'clock in the forenoon of the succeeding day.

3. Subject as is hereinafter provided no person shall sell any goods from any stall, motor vehicle, cart, truck, barrow, box, basket, crate, bag or other vehicle or receptacle standing or placed on any street, road or public place within the area set forth in Clause 13 herein.

4. Any person may lodge with the Clerk of the Municipality an application set out in the First Schedule hereto for a permit to sell goods from or at a fixed site within the areas set forth in Clause 13 hereof or in the form of the Second Schedule hereto to sell goods from place to place within the areas set forth in Clause 13 hereof from a mobile or movable motor car, truck, barrow or other vehicle or receptacle.

5. The Council may in its discretion grant any such application or refuse to grant the same and if any such application be granted the Council shall cause a permit in the form set out in the form of the Third Schedule hereto to be issued to the applicant under the hand of the Shire Secretary.

6. Any such permit shall continue in force for the specified period not exceeding twelve months from the date of its issue or renewal and shall thereafter become null, void and of no effect unless renewed by the Council on the application in writing of the holder made prior to its expiry.

7. If at any time the holder of any such permit shall in the opinion of the Council fail to comply with all the terms and conditions thereof or if at any time in the opinion of the Council any obstruction shall be caused or the orderly flow of traffic shall be interfered with by the exercise of any rights granted by such permit or by any assemblage of persons caused thereby the Council may revoke such permit and the same shall thereupon become null, void and of no effect.

8. Notwithstanding anything contained in Clauses 3 and 4 of this By-Law the holder of any such permit may during its continuance during the times specified therein sell any goods of a type specified therein from any stall, motor car, cart, truck, barrow, box, basket, crate, bag or other vehicle or receptacles specified in such permit standing or placed on any part of any street road or public place specified in such permit.

9. No person shall without approval of the Council erect or use on any land within the areas set forth in Clause 13 hereof any tent or other temporary structure or building for the sale of goods therein or therefrom or sell any goods in or from any such tent, structure or building.

10. No person shall without approval of the Council sell any goods from any stall, motor car, cart, truck, barrow or any other vehicles, box, basket, crate, bag or other receptacles standing or placed on vacant land (not being Crown Land or land under the care and management of the Municipality or a public place within the meaning of section 3 of the *Police Offences Act 1958*), within the areas set forth in Clause 13 hereof.

11. No person shall without the prior consent in writing of the Council under the hand of the Shire Secretary solicit or collect in any road or street within the area set forth in Clause 13 hereof or from house to house adjacent thereto any gift or money or any subscription for any purpose.

12. No child (as defined by the *Labour and Industry Act 1958*) shall be employed as a street hawker or itinerant trader nor be permitted to manage or occupy a stand in any street, road or public place within the areas set forth in Clause 13 hereof.

13. This By-Law shall apply to and have operation throughout the Township of Ouyen and Section A. B. C. D. E. F. and G. Parish of Ouyen (known as Workmen's Blocks) Section 7A, Parish of Ouyen (known as Johnson's Subdivision) Section 7B, Parish of Ouyen (known as Glowrey's Subdivision) Sections 8A and 8B, Parish of Ouyen, the Railway Reserve and the Hospital Reserve adjoining the southern boundary of the Township of Ouyen.

The Resolution for passing this By-Law was agreed to by the Council of the Shire of Walpeup on the 13th day of May, 1965, and was confirmed by the said Council on the 10th day of June, 1965.

The common seal of the President, Councillors and Ratepayers of the Shire of Walpeup was hereunto affixed this tenth day of June, 1965.
