DANDENONG VALLEY AUTHORITY—DETERMINATION OF DIFFERENCE BETWEEN AUTHORITY AND CITY OF CHELSEA AND SHIRE OF FRANKSTON.

WHEREAS section 14 of the *Dandenong Valley Authority Act 1963*, provides that the district of the Dandenong Valley Authority shall comprise all lands within the catchment of the Dandenong Creek as defined in that section: And whereas, pursuant to section 15 of that Act, the Governor in Council on 25th August, 1964, approved maps with lines thereon purporting to represent the boundaries of the district of the Authority: And whereas by Order of 20th July, 1965, the said maps were revised, pursuant to section 15, so as to correct certain discrepancies between the boundaries of the district as so represented and the boundary of the catchment of the Dandenong Creek as determined by survey: And whereas this correction resulted in the excision from the district of the Authority of certain lands within the municipal districts of the City of Chelsea and the Shire of Frankston as shown by green colour on a plan numbered A21 and approved by the Governor in Council on 20th July, 1965, and deposited in the office of the State Rivers and Water Supply Commission, Melbourne: And whereas the City of Chelsea and the Shire of Frankston are aggrieved at the imposition of a precept payment in respect of these lands during the period while they were included in the district and have requested, pursuant to section 42 of the Act, that the Governor in Council determine the difference thus arising between the Dandenong Valley Authority and the respective municipalities: And whereas the Governor in Council is satisfied that the said lands do not fall within the catchment of the Dandenong Creek as defined in section 14 and should, therefore, not have been included within the boundaries of the district as shown on the maps approved by Order of 25th August, 1964:

Now therefore His Excellency the Governor in Council determines—

- (1) that the precept payments imposed upon the City of Chelsea and the Shire of Frankston in respect of certain strips of foreshore lands along Port Phillip Bay within that City and Shire (as shown by green colour on a plan numbered A21 accompanying the aforesaid Order in Council of 20th July, 1965, revising the maps representing the boundaries of the district of the Dandenong Valley Authority) be waived and;

- (2) that any amounts of payment by the Shire of Frankston in respect of the said lands shall be refunded by the said Authority.

And the Honorable Thomas Anthony Darcy, Her Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.
