17. A General Meeting of the Society may be called by the General Committee at any time and shall be called by the Secretary upon the written request of not less than six members of the General Committee or not less than 100 contributory members of the Society stating the purpose for which they desire the meeting to be called. The General Committee by resolution may apply, with such variations as may be required, the provisions for postal ballots in the voting on any resolution submitted for determination to a General Meeting.

24. The Secretary shall include in the notice advertising the holding of the Annual General Meeting notification that nominations are called for in respect to the specified number of vacancies to be filled on the General Committee of the Society and that such nominations:—

- (a) must be in writing signed by the candidates and two other members all of whom shall at the date of nomination be financial contributory members of the Society and
- (b) must be in the hands of the Secretary by twelve noon on a date specified in the notice such date to be at least twenty-one days prior to the date of the annual election.

25. The General Committee shall at least two months before the date of the Annual General Meeting appoint a Returning Officer for the purpose of the election but no person shall act in such office if he is a member of the General Committee, a candidate for election or a permanent employee of the Society and such Returning Officer shall be a person who has acted in a responsible capacity regularly at Municipal State or Federal elections.

26. Immediately after the close of nominations the Secretary shall cause a list of the eligible persons nominated to be posted on a Notice Board at the registered office of the Society.

27. If the number of candidates is no greater than the number of vacancies to be filled the Chairman of the Annual General Meeting shall at that meeting declare such candidates duly elected and they shall take office from the closing of such meeting. Notwithstanding anything in the preceding clauses, the General Committee of the preceding year shall hold office until the close of the Annual General Meeting and the new Committee shall thereupon take office.

28. If there are more candidates than vacancies to be filled the election shall be by ballot of the members conducted in the following manner:—

(a) The Secretary shall cause ballot papers to be prepared containing the names of the candidates in alphabetical order with an asterisk against the names of retiring members eligible for re-election and containing directions as to the method of voting. Such directions shall advise the contributory member—

(i) that the ballot paper shall be completed by marking a number in each square opposite the candidates names in order of the voter's preference, commencing with the number 1 and continuing consecutively until each square is filled.

(ii) that the completed ballot paper shall then be placed in the smaller envelope supplied and sealed and that this envelope shall then be placed in the larger envelope supplied upon the inside flap of which the voter shall legibly write his name, initials and address.

(iii) that the outer envelope enclosing the smaller envelope shall be sealed and addressed to the Returning Officer at such address as he may direct and posted so as to be received by him not later than the time of closing of the ballot.

(b) The Secretary shall not less than fourteen days prior to the closing of the ballot post in a prepaid envelope addressed to each member eligible to vote a ballot paper initialled on the back by the Secretary and the Returning Officer and stamped with the official stamp of the Society together with two other envelopes. The larger of such envelopes shall be a "Business Reply" envelope addressed to the Returning Officer and shall be numbered with the individual register number of each member entitled to vote. The smaller envelope shall be clearly marked "Ballot Paper".

(c) Alternatively members may vote by delivering their ballot papers to the Returning Officer before the ballot closes by placing the same in a ballot box to be provided by him at the time and place of the Annual General Meeting.

29. The ballot shall close half an hour after the time fixed for commencement of the Annual General Meeting. At the close of the ballot the Returning Officer shall proceed to remove the envelopes containing the ballot papers from the ballot box, and shall open such envelopes. He shall reject any ballot paper which is not marked in accordance with the requirements of these By-Laws and shall proceed with such assistance as he may require to count the votes recorded on the remaining ballot papers. The Returning Officer shall conduct the said ballot by the preferential system of voting and subject to any regulations adopted by the General Committee. Except in so far as it may be inconsistent with these By-Laws or such regulations the Returning Officer shall use the system of Preferential Voting prescribed by the Model By-Laws of the Hospital and Charities Commission.

30. Any candidate or any two or more candidates jointly may appoint a Scrutineer who shall be a financial contributory member of the Society. No candidate shall appoint or join in appointing more than one Scrutineer. Such appointment shall be in writing addressed to the Returning Officer and signed by the candidate or candidates making the appointment and shall bear in the margin a specimen signature of the Scrutineer. Such writing shall be delivered to the Returning Officer at the Society's Registered Office at least an hour before the time fixed for the closing of the ballot. No person shall act as Scrutineer until the Returning Officer has satisfied himself as to the identity of such person with the Scrutineer appointed by such writing.

31. Any Scrutineer properly appointed may be present at any stage of the proceedings for checking the identity of the voters with the roll examining the ballot papers and counting the votes. In the case of any dispute as to the adequacy of marking or otherwise as to the validity of any ballot paper the decision of the Returning Officer shall be binding and conclusive.

32. No election shall be invalidated by reason of the fact that any notice or paper required by these By-Laws shall not have been received by any member provided that the notice referred to in by-law 24 hereof shall have been duly published.

33. The Returning Officer shall after the poll closes proceed to count the votes and shall then declare the result of the ballot by signing the Certificate in the presence of the Scrutineers (if any) and if none in the presence of the Secretary and the result of the ballot so certified shall be published in the two daily newspapers in which notices of election were published.

34. If at any Annual Election for the General Committee the places of retiring members not standing for re-election are not filled the General Committee shall regard the vacancies in the same way as any casual vacancy and shall proceed to appoint such contributory members as they think fit to fill such vacancies.

35. For the purpose of the election of the General Committee the Secretary shall supply to the Returning Officer the complete roll of members including their names and addresses, date of payment of their subscription and any other details relevant to their eligibility to vote. The Secretary shall also supply a complete roll of names of members eligible to vote which shall be available to Scrutineers. In the event of any dispute as to eligibility to vote the decision of the Returning Officer shall be based on the complete roll and shall be final.

Notices.

36. Any notice to any officer or member of the Society which by these By-Laws is required to be given may be served by delivering it to the person on whom it is to be served or by sending it by post in a prepaid letter addressed to him at his usual or last known place of abode or business within such time (if any) as is so prescribed and evidence of postage shall be deemed to be sufficient evidence of service for the purposes of these By-Laws.

It shall be the duty of the Secretary to keep accurate minutes of the proceedings of the Society and of the General Committee and to conduct the correspondence of the Society under the direction of the General Committee. He shall also be charged with the care of the books, documents and all property of the Society. He shall prepare an Annual Report. He shall keep the Membership Rolls as set forth in By-Law 4 and perform such duties as are incidental to the enforcement of these By-Laws and as may be directed or permitted by the General Committee.

Honorary Treasurer.

38. The Honorary Treasurer shall be a member of a recognized Accounting Organization and shall have charge of the moneys, securities and other valuable property of the Society and shall, subject to any direction from the General Committee disburse its funds, invest or realise investments and generally act in and supervise all matters concerning the finances of the Society. He shall cause proper accounting records to be kept of the transactions of the Society and shall produce to the General Committee his books of account and records and such documents relating thereto as may be required.

He shall make an Annual Report of the Assets and Liabilities and shall submit to audit the accounts of the Society and such other financial records of the Society as he is required to keep.

39. The Seal now in use by the Society shall be adopted as its Common Seal and the General Committee shall provide for safe custody of the Seal.

The Common Seal of the Society shall be affixed to documents by two members of the General Committee in the presence of the Secretary and such application of the Seal shall be entered in a Register kept for this purpose and produced to the General Committee at each meeting thereof.

40. Any change in the investments of the Society shall be made only on a recommendation by a majority of the Finance Sub-Committee where such has been appointed confirmed by a majority of the General Committee or by a majority of the General Committee where no Finance Sub-Committee has been appointed.

Alteration to By-Laws.

(a) unless the same shall have been proposed at a meeting of the General Committee and adopted at the next subsequent meeting thereof and unless notice of such proposed alteration or

addition shall have been given to each member of the General Committee at least seven days prior to the Meeting at which its adoption is to be considered and

(b) until it is confirmed at a General Meeting specially convened for that purpose held not sooner than one month after adoption by the General Committee whereupon such alteration or addition shall come into effect.

Branches.

42. The Committee may by resolution recognise as a Branch of the Society any local Association in any district of Victoria, if:—

(a) the constitution of such Association is approved by the General Committee, and

(b) the Executive of such Association undertakes that if recognized as a Branch the Members will be bound by the By-Laws of the Society as existing from time to time and by such regulations and rules made by the General Committee as are applicable to Branches.

The General Committee is hereby expressly given the power to draw up rules and regulations for the governing of Branches and to amend them from time to time as it may think fit, but before exercising its powers it shall notify any Branches accordingly so that they may place before it any facts which may be considered to be relevant. These powers however will not affect the rights of such Branches to receive donations and legacies and to disburse them in accordance with the By-Laws of the Parent Society which shall have become the By-Laws of such Branch or Branches and the Parent Society shall have no right to claim any part of such funds by way of levy, contribution or otherwise.
