## CITY OF WARRNAMBOOL.

## BY-LAW No. 83.

THE Municipal Council of the City of Warrnambool doth hereby, pursuant to and in exercise and execution of the powers and authorities conferred on it by Water Acts, make the By-law as follows:—

## PART I.—INTERPRETATION.

*Definitions.*

1. In this By-law unless inconsistent with the context or subject-matter—

"The Act" means the Water Acts.

"Fittings" includes all appliances and things whatsoever, other than pipes, used in connexion with the conveying supplying storing or regulation of the flow of water in or derived from a main pipe.

"Main Pipe" means any pipe belonging to or under the control of the Council and used for the conveying or supplying of water.

"Person" includes a Corporation or Company.

"Private Service" means and includes all pipes and fittings used in connexion with the supply of water from a main pipe to a tenement and/or in connexion with the use or consumption of such water in or on such tenement.

"Proper Officer" means any employee of the Council authorized to execute any function on behalf of the Council.

"Service Pipe" means any pipe (not being a main pipe) used for the conveying or supplying of water derived from a main pipe.

"Council" means the Warrnambool City Council.

"Works" means works of or in connexion with the laying constructing altering disconnecting removing repairing renewing or maintaining of a private service or any part thereof.

All words used in this By-law which are also used in the Act shall have the meanings assigned to them by the Act.

## PART II.—LICENSING OF PLUMBERS.

*Unlicensed persons not to interfere with private services.*

2. Before any person shall affix any service pipe to any main pipe of the Council or alter repair or in any manner interfere with any pipe of the Council or any service pipe tap or meter or other fitting connected with the main pipes of the Council, he shall obtain from the Council a licence in that behalf to execute such works, and no unlicensed person shall affix alter repair or in any manner interfere with any such main pipe service pipe tap meter or other fitting as aforesaid.

*Period of Licences. Cancellation of Licences. Fees payable.*

3. Each licence shall be for the period ending 31st December next ensuing after the issue thereof, but may be renewed by the Council at its discretion from time to time in each case to the following 31st December. The Council shall have power at any time to suspend or cancel a licence in the event of the holder thereof performing his work in an unsatisfactory manner or committing any breach of the Act or of this By-law, and in such matters the Council shall be sole judge. For each original licence the licensee shall pay to the Council a fee of Two Dollars, and for each renewal Fifty Cents.

*Proof of fitness to be given.*

4. Before any licence shall be granted by the Council, the person applying for such licence shall satisfy the Council by any tests required by the Council or by virtue of his registration by the Plumbers and Gasfitters Board of Victoria that he is a competent plumber and that he is thoroughly conversant with the provisions of the By-laws of the Council relating to water supply and with the Act so far it applies to town supplies. The Council may, if it so sees fit, refuse to grant such licence.

## PART III.—CONSTRUCTION AND ARRANGEMENT OF WORKS.

*Notice of works to be given.*

5. No person shall execute any works (except such works as are authorized by sections 208 and 211 of the Water Act 1958)—

(a) without having given to the Council not less than two days prior to the commencement of the execution of such works—

(i) notice in writing of his intention so to do specifying the tenement in on or in respect of which it is proposed to execute such works and the time or times (being between the hours of

8 a.m. and 5 p.m. on any week day except a public holiday or a Saturday) during which it is proposed to execute such works.

(ii) a complete specification in writing of the works proposed to be done setting out the mode form strength material construction dimensions and arrangement of all pipes fittings and structures intended to be used in the execution of such works.

(iii) in the case of every private service containing any service pipe of diameter larger than 2 inches a properly prepared plan drawn to a scale specified thereon of the premises in on or in respect of which it is proposed to execute the said works showing thereon all buildings erections and structures on the said premises and the proposed arrangement of all pipes and other works which it is proposed to lay or construct therein or thereon. Every notice specification and plan shall be signed by the licensed plumber actually engaged to carry out the works referred to in the notice, or by a licensed plumber employing another licensed plumber to carry out the work under his supervision.

(b) contrary to or not in conformity with this By-law or such notice specification and plan mentioned in sub-paragraphs (i), (ii) and (iii) of paragraph (a) of this clause.

*Plumbers to report.*

6. Each licensed plumber shall report to the Proper Officer of the Council the completion of any new work extensions or repairs in connexion with any service within twenty-four hours of effecting same.

*Carrying out of Plumbing work.*

7. Every licensed plumber shall in carrying out any work of water supply—

(a) execute the work in accordance with the provisions of the Act and of the By-laws of the Council and any special directions or orders given or issued thereunder by the Council or by the Proper Officer of the Council; and

(b) execute the work in a thorough and expeditious manner to the satisfaction of an inspecting officer of the Council; and

(c) use materials of the description quality kind and standard prescribed by this By-law; and

(d) employ only competent operatives and assistants; and

(e) obtain permission, where necessary, for the execution of the work on, over or through any private property, or any street road park reserve or other public place or property; and

(f) pay all fees payable to the Council or other Authority for the opening of any public road or street or otherwise in connexion with the works; and

(g) restore upon completion of the work any part of any public road or street to the satisfaction of the Council or other Authority having control thereof; and

(h) except where authorized in writing by the owner or his agent to omit restoration, restore any other property interfered with by the work to the satisfaction of the Proper Officer of the Council; and

(i) take all proper and necessary precautions so that no accident, damage or unnecessary inconvenience may be directly or indirectly occasioned by the execution of the work; and

(j) exercise at all times immediate supervision over the work.

*Size of service pipe.*

8. (a) Unless special approval is given in writing by the Council, no service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of Clause 36 of this By-law) which supplies water to any tenement shall have a bore exceeding  $\frac{1}{4}$  inch.

(b) Unless special approval is given in writing by the Council, no service pipe (other than those installed for fire service purposes and sealed in accordance with the provisions of Clause 36 of this By-law) shall have a

diameter exceeding the appropriate diameter listed in the schedule hereunder written corresponding either to the Net Annual Valuation of the property to be served, or to the estimated annual consumption of water at the said property as recorded under the hand of the Proper Officer, whichever is the larger:—

Net Annual Valuation of Property.	Annual Consumption of Water.	Maximum Diameter of Service Pipe Allowed in Inches.
Not over \$900	Not over 200,000 gallons	$\frac{3}{4}$
Over \$900, but not over \$1,800	Over 200,000 gallons, but not over 500,000 gallons	1
Over \$1,800, but not over \$3,000	Over 500,000 gallons, but not over 800,000 gallons	1 $\frac{1}{4}$
Over \$3,000, but not over \$6,000	Over 800,000 gallons, but not over 1,500,000 gallons	1 $\frac{1}{2}$
Over \$6,000, but not over \$12,000	Over 1,500,000 gallons, but not over 3,000,000 gallons	2

*Depth of service pipe*

9. No person shall lay construct repair or alter any private service unless every service pipe forming part thereof for such portion of its length as lies in or on private property is securely clipped to a structure or is laid and constructed in such manner that the same is at all points at a depth of not less than 12 inches below the surface of the ground. Every such service pipe for such portion of its length as lies in or on any road street lane or right-of-way or where it may be exposed, to vehicular traffic shall be laid and constructed in such manner that the same is at all points at a depth of not less than 18 inches below the surface of the ground or at such greater depth as the Council or other Authority having control of the said road street lane or right-of-way may require.

*Laying under improved surfaces.*

10. Where in the opinion of the Proper Officer it is practicable to do so, all private service pipes shall be laid under sealed or concreted surfaces of roadways or foot-paths, to avoid disturbance of the surface by water jetting or thrust boring.

*Access to service pipes.*

11. No person shall—

- (a) lay construct or alter any private service or any part thereof, or
- (b) erect or construct any building erection or structure

in such place position or manner that any part of such private service is not easily accessible for the purposes of inspection repair and renewal unless such part is comprised of copper piping and copper fittings.

*Arrangement of stop-tap, etc.*

12. Every meter, stop-tap and stop-tap ferrule shall be opposite the tenement supplied and in one line at right angles to the main pipe to which such stop-tap ferrule is fixed, unless such an arrangement is impracticable in which case such services shall be provided with two high pressure screw-down stop-taps, one of which shall be fixed opposite the stop-tap ferrule on the main pipe and the other in accordance with the provisions of Clause 20 of this By-law.

*Cross connections.*

13. No person shall permit or suffer any fluid solid or gas, which in the opinion of the Proper Officer of the Council is capable of polluting water supplied by the Council, to have means of access to any pipe in communication directly or indirectly with any main pipe of the Council.

Where any service pipe is connected to any cistern tank or receptacle used for the storage of water or fluid, there shall be an effective air gap at the outlet of such service pipe and the said outlet shall be not less than one-half inch above the highest possible water level in the said cistern tank or receptacle.

*Connections to Steam Boilers.*

14. Water supply connection to steam boilers shall be made as follows:—

- (a) By direct connection from a service pipe, in which case a screw down high-pressure stop-tap with its spindle vertically upwards shall be fixed on the piping supplying water to a boiler; a vertically acting reflux valve shall be

fixed between the stop-tap and the boiler and a half-inch testing ferrule or bib-tap shall be fixed between the reflux valve and the stop-tap; or

- (b) By direct connection from a service pipe together with an injected supply from a storage tank or condensate sump, in which case, in addition to the provisions of paragraph (a) hereof, the injected water to a boiler shall be taken through a separate opening in the wall of the boiler. In no circumstances shall a connection be permitted between any service pipe and the piping from a storage tank or condensate sump.

Water connections may be made through the tops or sides of steam boilers.

*More than one service pipe to a tenement.*

15. Each dwelling on a tenement may be supplied with a separate service pipe from the street to which it would front if the tenement were subdivided to conform with the Council's By-laws.

PART. IV.—MATERIALS.

*Specifications for piping and materials.*

16. No person shall use any pipe or fittings in or in connection with a private service unless the same shall comply in all respects with the following specifications:—

- (a) The whole of the pipes and fittings shall be of the best quality galvanised wrought iron, copper, brass, cast iron, welded mild steel, asbestos cement, or other materials approved in writing by the Council, shall be sound and free from all defects and shall comply with the relevant specifications of the Standards Association of Australia where such specifications have been issued.
- (b) All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore and (in case of wrought iron piping) properly galvanised throughout and shall be of equal strength and thickness throughout the entire body of the same.
- (c) Only pipes and fittings which have been tested in accordance with the requirements of the specifications of the Standards Association of Australia will be permitted to be used for services whether inside or outside the tenement.
- (d) All ends of galvanised wrought iron and brass pipes bends and fittings shall be properly and truly threaded and capable of being screwed into thimbles, tees or fittings.
- (e) All stop-taps and bib-taps shall be screw down high-pressure taps made of hard brass or gun-metal.
- (f) Copper piping shall comply with the Specification No. B158.1961 of the Australian Standards Association for copper tubes for water, gas and sanitation and shall be of the following diameters and dimensions:—

- (i) Copper Tubes suitable for expanded and other approved Compression fittings and for Capillary joints:—

(h) That part of any service pipe (including any bend, elbow or other fitting) which extends in a thoroughfare from a main pipe to and including the stop-tap required to be fixed under Clause 20 of this By-law and all meter connections be of the materials hereinafter set forth:—

- (i) Where the diameter of the service pipe is 2 inches or less—copper (with brass fittings).
- (ii) Where the diameter of the service pipe is greater than 2 inches—copper, galvanized wrought iron, asbestos cement, cast iron or other materials approved by the Council.

PART V.—CONNECTION TO MAINS.

One service pipe to each tenement.

17. Except as provided in Clause 15, no person shall affix or connect or cause or permit to be affixed or connected to any main pipe more than one service pipe or private service for the supply of water for domestic purposes to any one tenement.

Connection to main pipe.

18. No person shall affix or connect any service pipe to any main pipe save by means of a stop-tap ferrule supplied and fitted by the Council.

Each licensed plumber, who requires the provision of a tapping from the main pipe and the installation of a stop-tap ferrule for the purpose of supplying water to a service pipe, shall give notice to the Council of his requirement and shall be present at the site of the work at a time appointed by the Council's Proper Officer. Such licensed plumber shall excavate around the main pipe prior to the appointed time, take all proper and necessary precautions, and restore the excavation on completion of the work in accordance with all the provisions of Clause 7 of this By-law.

Tappings by Council.

19. (a) All tappings to main pipes shall be carried out by the Council, and the cost of providing such tappings and stop-tap ferrules shall be included in the tapping fee referred to in Clause 19 (c).

Size of tappings.

(b) Each tapping and stop-tap ferrule fitted by the Council shall be of a diameter considered by the Council as being suitable for the particular application.

Tapping fees.

(c) No  $\frac{3}{4}$ -in. diameter or 1 inch diameter stop-tap ferrule will be fitted by the Council as aforesaid without the prior payment of the appropriate fee as follows:—

- $\frac{3}{4}$  inch tapping . . . . . \$12.00
- 1 inch tapping . . . . . \$15.50

(d) No stop-tap ferrule larger than 1 inch diameter will be fitted by the Council as aforesaid unless a written application has been lodged with the Council in which the applicant agrees to reimburse the Council for the actual cost of providing and installing the ferrule.

Position of stop taps.

20. A high-pressure screw down stop-tap properly secured shall be fixed on each water service in one of the following positions:—

- (a) between the main pipe and the building line within six feet of the building line, and in this case the stop-tap shall be covered by a box which shall comply with the requirements of the municipality in which the service is laid.
- (b) where a meter is fixed, between the meter and the inlet bend thereto.
- (c) where a meter is not fixed, on the service pipe above the ground in an accessible position not more than six feet inside the building line.

PART VI.—REPAIR.

Repair of service pipes.

21. Any person using any private service shall at all times keep same in proper repair.

Council can repair service pipe in certain circumstances:

22. If any person refuses neglects or delays to have any private service or any part thereof used by him properly repaired after having been required in writing by the Proper Officer of the Council so to do the Council by its Proper Officers servants or agents may enter into or upon any premises supplied by such private service or any part thereof and may where necessary repair or renew such private service or any part thereof so as to prevent the waste of water and may charge such person with the cost and expense of such repair or renewal and such cost and expense shall be a debt due by such person to the Council.

PART VII.—METERS.

Meters supplied and maintained.

23. (a) Except as permitted in Clause 36 of this By-law no person shall use any private service—save for the supply of water solely for domestic purposes exclusive of the watering of any garden—unless the whole of the water supplied to such private service passes through a meter.

(b) Such meters will be provided and maintained by the Council and every person before installing a private service shall ascertain from the Council the size of the meter to be installed and shall make provision in the arrangement and construction of the private service for connection of such meter in accordance with the following requirements:—

- (i) The meter shall be located within the property and not more than six feet from the building line.
- (ii) The meter shall be in an easily accessible position protected from accidental damage.
- (iii) The meter shall be properly and securely affixed to such private service or service pipe by means of connections or quarter bends of brass, copper or copper alloy.
- (iv) The meter shall be fixed truly level on a solid foundation of brick stone or concrete the top of which foundation is level with or above the surface of the ground.
- (v) All washers used for connection couplings for meters shall be made of leather.

(c) Pending connection of the said meter the person authorized to install the service pipe shall connect a distance piece in the service pipe in place of the meter.

*Restriction of access to meter.*

24. No person shall construct place stack or store or permit or suffer to be constructed placed stacked or stored any building erection material or thing over or upon any meter connected or affixed to any private service or shall do or permit or suffer to be done any act matter or thing whereby inspection of such meter shall be prevented or in any way rendered difficult or interfered with.

*Replacement and testing of meter.*

25. (a) The Council may at any time replace or remove for testing any meter attached to any private service.

*Fees returned in certain circumstances.*

(b) Any consumer may at any time request the Council in writing to test any meter attached to his private service and through which water supplied to him passes and shall at the time of the delivery of such request pay to the Council the sum of Two Dollars (\$2.00). The Council shall thereupon remove and test the meter or cause the same to be tested in such manner as it thinks fit. If such meter is found to be registering correctly the Council may retain such sum of \$2.00 in satisfaction of the fee for testing meter hereinbefore prescribed but if such meter is found to be registering incorrectly such sum of \$2.00 shall be returned to such consumer.

*Consumer leaving tenement to notify Council.*

26. Every person who shall cease to occupy the premises on which such meter is fixed shall give to the Council in writing at least six (6) days notice, of his intention to do so.

**PART VIII.—MISUSE AND WASTE.**

*Supply restricted to one tenement only.*

27. No person shall use or permit or suffer the use of any private service for the supply of water to more than one tenement.

*Cisterns, tanks and troughs.*

28. No person shall use or permit or suffer the use of any private service or any part thereof for the supply of water to any cistern tank or water trough unless such cistern or water trough is water-tight and is provided with an equilibrium ball-valve or other mechanism efficiently regulating the flow of water therein in such manner that such water shall not overflow such cistern or tank. No person shall affix any overflow pipe to any cistern or tank in such manner or position that is not open to inspection. In this Clause water trough means a water trough used for the supply of water to animals.

*Water closets and urinals.*

29. No person shall construct lay or use any service pipe which communicates directly or indirectly with or supplies water to any urinal or water closet or any part thereof save through a cistern or tank.

*Baths.*

30. No person shall use or permit or suffer the use of any private service for the purpose of supplying water to any bath capable of containing more than 100 gallons of water.

*No overflow pipe on baths.*

31. No person shall affix an overflow pipe to any bath.

*Wasting of water.*

32. No person supplied with water by the Council shall waste the same or permit or suffer the same to run to waste.

*Sale of water.*

33. No person shall take away or carry away or permit or suffer any other person to take or carry away any such water from any premises supplied with water by the Council and no person shall sell any water supplied by the Council.

*Fire Brigades.*

34. No person other than a servant or agent of the Council or the Country Fire Authority in the execution of his duty as such servant or agent shall without the written permission of the Council open close or otherwise interfere with any hydrant attached to any main pipe.

*Taps in Parks and Reserves.*

35. No person other than a servant or agent of the Municipality Corporation or body having the care and management of a public park public garden or reserve for public purposes shall without the previous consent of

the Council open close or otherwise interfere with any tap, valve or other like regulator (except a drinking fountain or other tap provided for public use) in on or connected with any service pipe used for the supply of water to such park, garden or reserve.

**PART IX.—PRIVATE FIRE SERVICES.**

*Private Fire Services.*

36. (a) Private fire services comprising pipes and fittings not exceeding six inches in diameter and without meters may be permitted at the expense of the owner of the premises subject to the payment of a fee of \$1.50 per annum. Every such fire service shall be sealed. Except in case of fire no person shall without the authority of the Council wilfully break the seal affixed to any private fire service and in the event of any such seal having been broken accidentally or otherwise the occupier of the tenement shall within twenty-four hours thereafter give notice in writing of the fact at the office of the Council, and except in the case of a fire he shall pay a resealing fee of \$1.50. No water shall be taken from any sealed portion of a private service except for extinction of a fire.

(b) Except as expressly provided in Sub-clause (a) of this Clause all portions of private services installed for fire service purposes shall comply with all provisions of this By-law.

(c) Every private fire service pipe shall be laid and fixed in a conspicuous position and shall be painted with a distinguishing coating of bright red paint which shall be maintained at all times.

(d) Any application for a fire service shall be made by the owner of the premises and in writing to the Council.

(e) In the event of the owner or occupier committing any offence under the Act or any breach of this By-law or permitting or suffering any such offence or breach to be committed the Council may by notice in writing to the owner withdraw permission for the private fire service and such service shall thereupon be disconnected.

**PART X.—INSPECTIONS.**

*Inspections.*

## BRIDGEWATER WATERWORKS TRUST.

**T**HE Bridgewater Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Act, doth hereby make a rate for the supply of water for domestic purposes of ten cents in the dollar of the annual municipal valuation of lands and tenements liable to be rated within the Bridgewater Urban District having an annual valuation not exceeding six hundred and forty dollars and a rate of sixty-four dollars on any tenement the annual valuation of which exceeds six hundred and forty dollars.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Nine dollars and in respect of any land on which there is no building be less than Four dollars.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1967, and shall be payable on the 31st day of March, 1967, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which at a charge of Twenty cents per 1,000 gallons would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity computed as in the last preceding clause is hereby fixed at Fifteen cents per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust is hereby fixed at Twenty cents per 1,000 gallons and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 10,000 gallons.

The charge for water supplied by measure shall be payable on demand at the office of the Trust.

Passed this 13th day of December, 1966.

## THE BALLARAT SEWERAGE AUTHORITY.

RATING BY-LAW No. 46.

*The Ballarat Sewerage District.*

THE Ballarat Sewerage Authority, in pursuance and exercise of the powers conferred by the Sewerage Districts Act, doth hereby make the following By-law:—

The following Sewerage Rate is hereby made under the provisions of the Sewerage District Act, and shall be levied upon the nett annual value of all rateable sewerer properties within the Ballarat Sewerage District:—

(1) Of any land or tenements situate within the Ballarat Sewerage District, a sewerage rate of 4.2 cents in the dollar of the nett annual value of all rateable "sewered property" within the said District.

(2) In no case shall the amount of sewerage rate payable annually be less than Eight dollars in respect of any rateable sewerer property.

(3) Such rate is made and shall be levied for the year beginning with the First day of January, 1967, and ending with the Thirty-first day of December, 1967, and shall be payable on the Thirty-first day of March, 1967, at the office of the Authority, situate at the Water and Sewerage Offices, Ballarat.

(4) If any rateable property which is unsewered at the time of the making of the aforesaid rate becomes during the year 1967 a "sewered property", there shall be levied upon such property a proportionate part of the sewerage rate for the portion of the year after it has become a sewerer property, and such property shall be deemed to have been lawfully rated accordingly.

(5) For making and levying such rate the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the nett annual value thereof may for all purposes of such rate be determined in the manner provided in the Sewerage Districts Act.

(6) Such person or persons as The Ballarat Sewerage Authority may from time to time appoint for that purpose shall be and is or are hereby authorised to demand, receive, collect and recover the said rate and charges.

The resolution for passing the foregoing By-law was agreed to by The Ballarat Sewerage Authority on the Seventeenth day of November, 1966, and was confirmed by the said Authority on the Fifteenth day of December, 1966.

The common seal of the Ballarat Sewerage Authority was affixed hereto on the Fifteenth day of December, 1966.

ROAD DISCONTINUED.—CITY OF MORDIALLOC.

WHEREAS it is provided in section 528 (2) of the Local Government Act 1958, that where a road (whether or not a public highway but not being a road set out on land of the Crown) or any part thereof is not required for public use the Governor in Council on the request of the Council of the municipality in which such road is situated made not less than one month after publishing in a newspaper generally circulating in the district and

posting to the registered proprietor (if any) of the land and any person known to have an interest in the land notice of intention to make such a request may by Order published in the *Government Gazette* direct that such road or part shall be discontinued and thereupon such road or part shall be discontinued accordingly.

And whereas the Council of the City of Mordialloc has requested that the Governor in Council direct that a right-of-way between Collins and Salmon streets, Mentone, be discontinued and not less than one month previously has published in a newspaper generally circulating in the district and posted to the registered proprietor of the land in the road and to all persons known to have an interest in the said land notice of intention to make such request.

Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, hereby directs:

- (a) that the said road, which is shown by hachure and cross-hachure on the plan hereunder, shall be discontinued.
- (b) that notwithstanding such discontinuance the Melbourne and Metropolitan Board of Works shall continue to have and possess the same right title power authority or interest in or in relation to the land shown by cross-hachure on the said plan as it had or possessed prior to such discontinuance with respect to or in connexion with any pipes laid or erected in on or over such land for the purposes of drainage or sewerage.
- (c) that, subject to any such right title power authority or interest, the land in the said road may be sold by the Council of the City of Mordialloc by agreement.

And the Honorable Rupert James Hamer, Her Majesty's Minister for Local Government for the State of Victoria, shall give the necessary directions herein accordingly.

HOUSING ACT 1958.

At Barwon Heads, the seventeenth day of January, 1967

PRESENT:

The Lieutenant-Governor as Deputy for His Excellency the Governor of Victoria.

Mr. Porter | Mr. Manson.

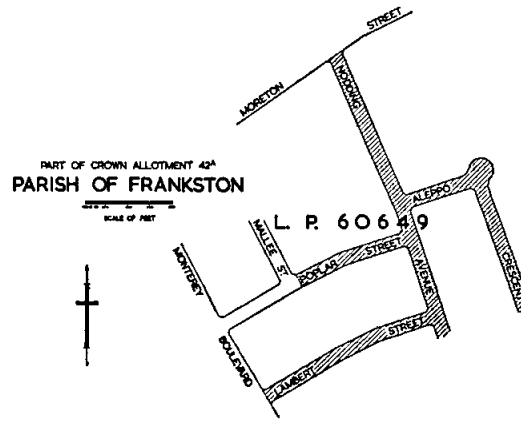

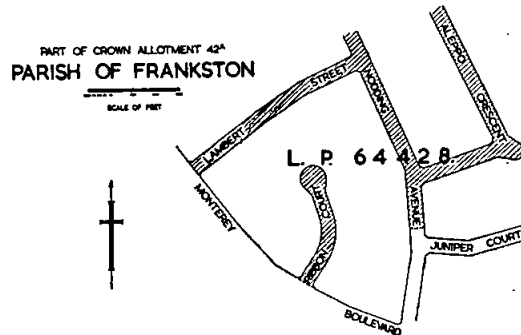

DECLARATION OF PRIVATE STREETS AS PUBLIC HIGHWAYS WITHIN THE CITY OF FRANKSTON.

WHEREAS pursuant to section 107 of the Housing Act 1958 it is among other things enacted that where works have been carried out in accordance with an agreement for the full construction of any roads, pavements, culverts or drains made pursuant to the provisions of the said section 107 such roads, pavements, culverts or drains shall be under the care and management of the municipality which shall be liable for the cost of any maintenance, repair, alteration or reconstruction thereof and the Governor in Council may by Order published in the Government Gazette declare any road so constructed to be a public highway.

And whereas by Order dated the eighth day of October, 1963, the Governor in Council consented to an agreement between the Housing Commission and the City of Frankston regarding street and drainage construction in Aleppo-crescent, Lambert-street, Ribbon-court and part of Nodding-avenue and part of Poplar-street in the Frankston-Forest Estate, situate in the municipality of the City of Frankston and the carrying out of the works enumerated in the said agreement.

And whereas the works of road pavements, culvert and drainage construction have now been carried out in accordance with the said agreement between the Housing Commission and the City of Frankston.

Now therefore, the Lieutenant-Governor as Deputy for His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council of the said State and in pursuance of the powers conferred by section 107 of the Housing Act and upon recommendation of the Housing Commission, doth, by this Order, declare the streets more particularly delineated and shown hatched on the plans hereunder to be absolutely dedicated to the public as Public Highways within the meaning of any law now or hereafter in force, and that the Council of the municipality in which the streets are situate shall hereafter be liable for all cost of any maintenance, repair, alteration or reconstruction thereof.

And the Honorable Lindsay Hamilton Simpson Thompson, Her Majesty's Minister of Housing for the State of Victoria, shall give the necessary directions herein accordingly.

J. COLQUHOUN,  
Clerk of the Executive Council.

Interest at the rate of 5% per annum is payable with all payments of residue, and is computed on the unpaid balance. Additional interest is charged if any instalment is not paid on or before the due date.

If paid off within 30 days of sale, no interest is payable.

**FEES, ETC.:**

Also payable at the sale, in addition to the deposit, are the survey fee and, if applicable, the valuation of improvements (if purchaser be not the owner thereof).

**Payable with balance of purchase money—**

Crown Grant fee—50 acres and under	\$3
Over 50 acres	\$4
Purchase money \$10 or under	\$2

Assurance Fund contribution.—One cent for each multiple of \$5. (This is a fund established to guarantee the validity of freehold titles.)

Transfer of interest prior to completion of payment may be allowed on payment of \$2 fee and subject to stamp duty.

If unable to attend personally, a prospective purchaser may arrange for another person to bid as his agent.

Attention is drawn to section 95, *Land Act 1958*, which provides that the purchaser shall be deemed to be the owner for the purposes of other Acts; also to an amendment to the *Local Government Act* providing for Government roads, in certain circumstances, to be declared "private streets", thus making the purchaser liable to contribute to the cost of street construction.

(2) No person shall keep or allow to be kept more than two dogs on any property having a residence erected thereon situate within an area prescribed or zoned under the by-laws of the Council or any Town Planning Scheme or Interim Development Order as residential business or commercial, unless such property has at least 1,500 square feet of back open space for every dog so kept or allowed to be kept, except with a written permit issued by the Council.

(3) No person shall keep or allow to be kept more than three dogs on any property situate within any area not being an area prescribed or zoned under the by-laws of the Council or any Town Planning Scheme or Interim Development Order as residential business or commercial, except with a written permit issued by the Council.

4. (1) Any person applying for a permit under Clause 3 hereof shall—

(a) lodge with the Council—

- (i) an application in writing in the form of the First Schedule hereto;
- (ii) a block plan of the property referred to in such application drawn to a scale of not less than 4" to 1" and showing delineated thereon the portion of the said property in which it is intended to keep the dogs;

(b) supply such additional information as the Council may require;

(c) in the case of a first application—

- (i) six weeks at least before such application is dealt with by the Council publish in at least two separate issues of the Dandenong Journal Newspaper published at Dandenong notice of his intention to apply, such notice to be in the form of the Second Schedule hereto;
- (ii) six weeks at least before such application is dealt with by the Council post on the property in such a position that it can be easily read by persons passing the frontage to the same a copy of such notice printed in large letters and keep such notice posted for a period of not less than four weeks;
- (iii) six weeks at least before such application is dealt with by the Council supply a copy of such notice to the Municipal Clerk who shall cause the same to be posted and kept posted at the municipal office for a period of not less than four weeks;
- (iv) lodge with the Council not less than one week prior to the Council Meeting at which such application is to be dealt with copies of the Dandenong Journal Newspaper containing publication of his notice of intention to make such

application and a statutory declaration indicating that the notice referred to in paragraph (ii) hereof has been posted and kept posted as therein provided such Statutory Declaration to be in the form of the Third Schedule hereto and to have exhibited to it a copy of such notice.

(2) Any person interested in or affected by any such application may object to the Council, such objection to be made in writing to the Municipal Clerk not less than two weeks before such application is dealt with by the Council and any such objection shall state the grounds thereof.

(3) The Council shall, before granting any such application, consider all objections made thereto as aforesaid.

(4) The Council may grant or refuse to grant such application and if the Council grants the application it shall issue a permit in the form of the Fourth Schedule hereto.

(5) Every permit shall be current for a maximum period of twelve months but may be renewed from time to time by the Council on the written application of the holder of such permit.

(6) All applications for the renewal of permits shall be lodged with the Council during the month of August and dealt with by the Council during the month of September in each year.

(7) Any permit may be revoked or cancelled by the Council at any time if in its opinion the property by reason of the keeping of the number of dogs permitted becomes offensive, injurious to health or dangerous, or if by reason of any alteration to property the Council is of the opinion that the permit should be revoked.

(8) Every person giving false or misleading information in a notice of intention to apply for a permit or in any application for a permit shall be guilty of an offence against this by-law.

5. The occupier of any property on which any dog is kept shall cause the place where such dog is kept to be maintained at all times in a clean and sanitary condition.

6. Any person guilty of a wilful breach of this by-law shall be liable to a penalty of not less than \$10.00 or more than \$40.00 and to a further penalty of not more than \$10.00 for each day on which such offence is continued after a conviction or order by any Court.

7. This by-law shall apply to and have operation throughout the whole municipal district of the City of Springvale.

8. Should any but not all of sub-clause (1), (2) or (3) of Clause 3 of this By-Law be held to be invalid, then the Council places on record the fact that notwithstanding any such invalidity it intended to enact the other provisions of this By-Law.

#### SHIRE OF RODNEY.

##### By-Law No. 71.

IN pursuance of the powers contained in the *Health Act 1958*, and of any other power thereunto enabling them in that behalf, the Council of the Shire of Rodney in the name and on behalf of the President, Councillors and Ratepayers of the said Shire for the purpose of carrying the said Act into execution within their jurisdiction, make the following By-Law No. 71 (that is to say):—

1. This By-Law shall come into full force and operation on its approval by the Governor in Council and immediately after its publication in the *Government Gazette*.

2. This By-Law shall apply to and have operation throughout the municipal district of the Shire of Rodney.

3. In this By-Law, unless inconsistent with the context or subject matter "proprietor" means the proprietor of any premises, and includes the owner, the occupier, or any person having the management or control thereof. "Refuse" includes all wastes (except sewage and manure) produced or accumulated in or about any house, building or premises.

4. The Proprietor of every house, building or premises shall provide, keep and maintain at all times upon his premises, a properly constructed bin or an approved type of weather resistant sack, in which he shall, from time to time, cause to be deposited all refuse produced or accumulated in or about such house, building, or premises.

5. Each bin shall be constructed of metal or plastic and be designed in such a manner as to prevent any absorption by any part of such bin of any offensive matter which may be deposited therein or any escape by leakage or otherwise of any part of the contents of such bin. When a bin is constructed of metal, it shall be constructed of galvanized iron of not more than 26-gauge securely riveted and soldered.

6. Each bin shall have a capacity of not more than 3 cubic feet, shall be strongly constructed and provided with properly attached side-lifting handles, and be capable of being easily and conveniently carried by one man.

7. Every such bin shall be provided with a suitable close fitting lid with a flange overlapping the top of the bin, and shall be kept constantly covered (except when refuse is being deposited therein or discharged therefrom) and a sufficient quantity of some efficient deodorant shall be from time to time introduced therein when necessary to keep the contents in an inoffensive condition.

8. When an approved weather resistant sack is used, it shall have a capacity of not more than 3 cubic feet and shall be constructed with a minimum of two plied walls and shall be suspended in a frame fitted with a fly-proof hinged lid so as to be clear of ground or floor level.

9. No person shall place or cause or permit to be placed any slops or liquid waste in such bin or approved sack, nor shall deposit any moist refuse in such bin or approved sack unless such refuse has been previously strained and effectually wrapped in waste paper.

10. The proprietor shall cause such bin to be kept at all times in good order and sweet condition and shall coat the inside of such bin with tar or other suitable substance when deemed necessary by the Council.

11. On such days and at such hours as may be appointed by the Council, the proprietor shall for the purpose of having each bin emptied or each approved sack removed, cause such bin or approved sack to be

placed adjacent to the entrance to such house, building or premises on any street, lane or right-of-way on which such house, building or premises abuts.

12. The contractor or person employed or authorized by the Council for the removal of such refuse shall be responsible for the removal of sack or sacks and for the complete emptying (without spilling any of the contents) of such bin or bins directly into a vehicle provided for this purpose at such hours and on such days as may be appointed by the Council.

13. Such contractor or person shall also be responsible for the replacement of such bin covered with its lid, and shall also close the gate or gates of the premises from which the bin is taken.

14. The contractor or person employed or authorized by the Council for the removal of such refuse shall at least once a week, or at such greater frequency as may be necessary, collect and remove such refuse and sacks in a suitable vehicle in such a manner as not to cause nuisance, danger to health, or offensiveness.

15. Such vehicle when provided by a contractor shall be of a type approved by the Council, and such vehicle may be required to be fly-proofed and/or waterproofed.

16. Any such vehicle when full, shall be taken by the quickest possible route to the tip, where as soon as practicable the refuse and sacks shall be rendered innocuous by means of such methods as may be required by the Health Inspector or Engineer, and in such a manner as not to create a nuisance.

17. The contractor or person employed or authorized by the Council shall cause all vehicles used for the reception and removal of such refuse and sacks to be kept clean, thoroughly disinfected, and maintained in a proper state of repair.

18. If any refuse is authorized to be deposited or disposed of in or on any land, hole, quarry or indenture, such refuse shall be deposited in a regular and orderly manner, and at the conclusion of each day's tipping, the contractor or other person authorized or employed by the Council shall blind the surface with clean earth or other material as may be approved or directed by the Health Inspector or Engineer.

19. If any person or persons commit a breach of this By-Law he or they shall for every such breach be liable to a penalty of not more than forty dollars (\$40) and in the case of a continuing offence, a further daily penalty of not more than ten dollars (\$10).

Resolution for passing this By-Law agreed to by the Council of the Shire of Rodney on the 30th day of May, 1966, and confirmed on the 25th day of July, 1966.

The common seal of the President, Councillors and Ratepayers of the Shire of Rodney, was hereto affixed in the presence of—

(SEAL) F. G. VAGG, President.  
M. G. O'BRIEN, Councillor.  
REUBEN PERRY, Shire Secretary.

Submitted to the Commission of Public Health on the 22nd day of November 1966.—A. T. GARDNER, Secretary, Commission of Public Health.

Approved by the Governor in Council on the 20th day of December 1966.—J. COLQUHOUN, Clerk of the Executive Council. 5125

#### SHIRE OF SEYMOUR.

##### By-Law No. 64.

A By-Law of the Shire of Seymour made under sections 197 (1) (XVII), 197 (1) (XXVI), 197 (1) (XXXVIII) (D); 197 (1) (XXXIX) and 197 (1) (XLV) of the *Local Government Act 1958* and all other powers thereto enabling and numbered 64 for the purposes of regulating traffic, regulating the driving of cattle in or along certain streets, and regulating and prohibiting cattle being allowed to graze or wander upon any land not enclosed by a substantial fence.

IN pursuance of the powers conferred by the *Local Government Acts* and of any and every other power it thereunto enabling, the President, Councillors, and Ratepayers of the Shire of Seymour order as follows:—

1. In this By-law:

"Cattle" includes horses, mares, fillies, foals, geldings, colts, bulls, bullocks, cows, heifers, steers, calves, asses, mules, sheep, ewes, wethers, rams, lambs, goats and swine.

"Street" and "road" respectively means a street or road being a public highway and includes every public highway.

"Council" means the Council of the Shire of Seymour.

"Proper Officer" means the Officer appointed by the Council for the time being.

"Shire" means the municipal district of the Shire of Seymour.

2. This By-law shall apply to and have operation throughout the whole of the Shire of Seymour.

3. No person shall allow any cattle of which he is the owner or of which he is the person in charge to graze or wander upon any street or road in the Shire or upon any land in the Shire not enclosed by a substantial fence, without the written consent of the Council previously obtained.

4. Every person who drives cattle upon or along any street or road in the Shire shall proceed with them along a direct route, as far as practicable, from the point of commencement to the destination, a distance of not less than six miles in the case of sheep and of not less than eight miles in the case of other cattle, on each day while proceeding by or along such street or road and failure to do so shall be an offence.

5. Where the distance from point of commencement to the destination is, in the case of sheep less than six miles, and in the case of cattle, less than eight miles the trip shall be completed in the one day.

6. Every person who enters the Shire with cattle and with the intention of driving such cattle through or to a destination in the Shire must forthwith notify the Council's Proper Officer of his intention to do so and shall state the number and kind of cattle, the names and addresses of the owner and the person in charge of such cattle, the destination and the route proposed to be traversed. A written permit shall be obtained from the Council or its Proper Officer.

7. Where in the opinion of the Council or the Council's Proper Officer any road proposed to be traversed would be unduly damaged by such cattle the Council may by its Proper Officer direct that an alternate route be taken. Failure to comply with such direction shall be deemed an offence against this by-law.

8. Every person guilty of an offence against this By-law shall be liable to a penalty of not more than one dollar for each head of cattle and not more than fifty cents for each head of sheep so driven, provided that the aggregate maximum penalty shall not exceed forty dollars in any one case.

9. This By-law shall come into operation on the day after notice of its making has been published in the *Government Gazette*.

Resolution for the passing of this By-law agreed to by the Council on the 10th day of October, 1966.

#### PUBLICATION OF OFFICIAL MATTER.

**A**TENTION is invited to the following procedure in relation to the publication of official matter in the *Government Gazette*:—

##### 1. Matter submitted to the Executive Council.

Matters submitted to the Executive Council which requires gazettal will normally be published in the issue of the following week.

Where urgent gazettal is required, special arrangements should be made with the Gazette Officer, Room 9, first floor, Old Treasury Building.

Publication will be facilitated by the submission of carbon copies for the use of the Gazette Officer.

##### 2. Other matter.

(a) All other matter duly certified by a responsible officer for publication should be lodged with the Gazette Officer not later than half-past Ten a.m. on Tuesday.

(b) Lengthy or involved notices should be forwarded several days before publication.

(c) Proofs, which will be supplied only when specifically requested or, at the direction of the Gazette Officer, should be returned promptly to avoid delay in publication.

(d) No additions or amendments to matter for publication will be accepted by telephone.

#### THE "VICTORIA GOVERNMENT GAZETTE".

**SUBSCRIPTIONS.**—The subscription, including postage, is \$10 per annum, or \$5 per half year, payable in advance. Subscriptions are required for whole months, and must cover at least a half year.

Single copies are 20 cents, posted 25 cents. Subscribers do not receive the Acts of Parliament with the GAZETTE.

GAZETTES are held in stock for five years only.

**PRIVATE ADVERTISEMENTS.**—The charge for insertion is 25 cents per line single column, and 50 cents per line double column. The title forms one or more lines as a heading. On an average ten words make a line of single column. Every signature must likewise be counted as a

line. The final words of a paragraph, though only portion of a line, must be counted as one line. Signatures (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each sheet of paper should be WRITTEN UPON.

All documents illegibly written will be returned unpublished, and where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before ONE p.m. at ordinary rates, and late advertisements between ONE p.m. and FOUR p.m. at double rates on the day preceding the day of publication.

**PAYMENTS.**—Unless the advertiser has a credit account, all payments are required in advance. Remittances should be made by cheque, postal order, or money order payable to "GOVERNMENT PRINTER".

**ADDRESS.**—All communications should be addressed to "The Government Printer, Box 203, P.O., North Melbourne".
