12. A Commissioner called to order shall sit down unless permitted to explain.

13. *Persons Not Commissioners to Leave when Requested.*—Any person not being a Commissioner who, having been admitted to any meeting of the Commissioners, is in the opinion of the Chairman guilty thereof of any improper or disorderly conduct, and every such person, shall leave such meeting when requested by the Chairman to do so.

17. *No Motion Without Notice.*—No Commissioner shall make any motion initiating a subject for discussion, except in pursuance of notice given as prescribed in the last preceding clause.

18. *Motions on Petitions.*—No motion, except that for receiving the same, shall, unless under most urgent circumstances, be made on any petition, memorial or other like application until the next ordinary meeting of the Commissioners after that at which it has been presented.

19. *Motions to be Moved in Order.*—Except by leave of the Commissioners, motions shall be moved in the order in which they have been received and recorded by the Trust Secretary in the notice of motion book, and if not so moved or postponed shall be struck out.

20. *Motions Not to be Proceeded with in the Absence of the Mover.*—No motion entered in the notice of motion book shall be proceeded with in the absence of the Commissioner who gave notice of the same, unless by some other Commissioner producing written authority from him to that effect.

21. No motion for an address or petition shall be entertained unless the mover shall, at some previous meeting, have submitted a draft of the same.

22. *Mover of Motion or Amendment Not to be Interrupted.*—Any Commissioner desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the Chairman, and shall not be interrupted unless called to order, when he shall sit down until the Commissioner calling to order shall have been heard thereon, and the question or order disposed of, when the Commissioner in possession of the chair may proceed with the subject.

23. *Nature of Motion to be Stated.*—Any Commissioner desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Commissioners thereon.

24. *Leave to be Obtained Before Motion Withdrawn.*—No motion or amendment shall be withdrawn without the leave of the Commissioners.

25. *Motions to be Seconded Prior to Discussion.*—No motion or amendment shall be discussed or put to the vote of the Commissioners unless it be seconded; but a Commissioner may, however, require the enforcement of any standing order of the Commissioners by directing the Chairman's attention to the infraction thereof.

26. *Mover and Not the Seconder Held to Have Spoken.*—A Commissioner moving a motion shall be held to have spoken thereon, but a Commissioner merely seconding shall not be held to have spoken upon it.

27. *Motion to be in Writing.*—At every meeting of the Commissioners, all motions, whether original motions or amendments, shall be reduced to writing, signed by the Mover, and be delivered to the Chairman immediately on their being moved and seconded.

28. *Amendments.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

29. *Amendment to Become the Question.*—If an amendment be carried, the amendment shall become itself the question, whereupon any further amendment upon any portion of the question may be moved.

30. *Second Amendment may be Moved.*—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Commissioners for discussion at a time.

31. *Right of Mover to Reply.*—The mover of every original proposition, but not of any amendment, shall have a right to reply, immediately after which the question shall be put from the Chair, but no Commissioner shall be allowed to speak more than once on the same question, unless permission be given to explain or the attention of the Chair be called to a point or order.

32. *Adjournment Motion for.*—No discussion shall be allowed on any motion for adjournment of the Commissioners, but if, on the question being put, the motion be negatived, the subject then under consideration, the next on the notice paper, or any other that may be allowed precedence shall be discussed before any subsequent motion of adjournment be made.

33. *Protest, Commissioners may.*—Any Commissioner may protest against any resolution of the Commissioners, and notice of intention to protest shall, in every case, be given forthwith on the adoption of the resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Commissioners by the protesting Commissioner in a book to be kept for that purpose in the Trust Secretary's office, and signed by such Commissioner, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Commissioners to be not in accordance with truth or in its terms disrespectful to the Commissioners.

34. *Lapsed Questions.*—If a debate on any motion moved and seconded be interrupted by the number of Commissioners present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

35. *Order of the Day to be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of numbers as aforesaid happening, such order may be restored to the notice book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

36. *Voting.*—Whenever a division shall be demanded by any Commissioner, the Commissioners voting in the affirmative shall first hold up their hands, and all those voting in the negative shall then hold up their hands, and the result be declared by the Chairman. The Chairman shall have a deliberate vote, and in case of an equal division he shall have a casting vote, and every Commissioner present shall vote except he be disabled by law from doing so.

37. *Questions to be put.*—The Chairman shall, in taking the sense of the Commissioners, put the question first in the affirmative, then in the negative, and the result thereof shall be recorded in the minutes.
