Marketing of Primary Products Act 1958.

REPORT BY THE CONSUMERS COMMITTEE TO THE HONORABLE THE MINISTER OF AGRICULTURE IN ACCORDANCE WITH SECTION 16 OF THE MARKETING OF PRIMARY PRODUCTS ACT 1958.

AT a meeting held on the 19th September, 1969, the Consumers Committee considered a complaint made to the Honorable the Minister of Agriculture by the Poultry Division of the Victorian Farmers' Union concerning the policy of the Egg and Egg Pulp Marketing Board in relation to its Producer Agency system, and decided to submit the following report to the Minister:—

The Consumers' Committee considers that in the interests of the consumer, it would not like to see the present system of orderly marketing of eggs being jeopardized in any way. An equitable balance appears to be now maintained with sales handled through Producer Agents, Authorized Distributors and the Board itself. The Committee is of the opinion that this balance should be maintained, and feels that continued rapid expansion of Producer Agency distribution, with its concentration in fewer hands, may jeopardize the marketing structure.

The Committee would appreciate being informed as to developments on this matter before any final decision is reached by the Egg and Egg Pulp Marketing Board.

Consumers Committee.
