If unable to attend personally, a prospective purchaser may arrange for another person to bid as his agent.

Attention is drawn to section 95, Land Act 1958, which provides that the purchaser shall be deemed to be the owner for the purposes of other Acts; also to an amendment to the Local Government Act providing for Government roads, in certain circumstances, to be declared "private streets", thus making the purchaser liable to contribute to the cost of street construction.

9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

TENDERS will be received until Eleven o'clock a.m. on Friday, 14th May, 1971 from persons willing to undertake Removals of Dead Bodies to Country Mortuaries as required by the several Departments of the Government of Victoria, from 1st July, 1971 to 30th June, 1973 in various police districts.

Printed forms of tender giving full particulars and lists of places for which the service is required are obtainable from the Secretary to the Tender Board, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002.

Separate prices for removals must be stated for adults and for children as specified in the tender form.

Tenderers are required to state on the tender form— (a) the number and description of the vehicles that they have available to carry out the service. (b) their business branches and the telephone numbers thereof, as these factors will be taken into consideration when dealing with tenders.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, they may be disqualified from tendering or holding any future Government contracts for a period of two years, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual and that, for a breach of this condition, the tender will be declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for Removals only" written thereon, must be deposited in the Tender-box at the Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002, or, if sent by post, postage must be prepaid and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, 2nd Floor, South Building, New State Public Offices, Treasury-place, Melbourne, 3002, which office they must reach not later than by the first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order issued by a member of the Police Force. The body will be removed to the place or mortuary specified in the order.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled.

3. The contractor must be prepared to undertake any removals from the police district or area contracted for at any hour and on any day when called upon by the police. In the event of the contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the contractor. Should any circumstances, however, make it necessary in any particular case that an immediate removal to a mortuary be affected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the mortuary, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is affected at no cost to the Government, and, also, under the supervision of the police as in the case of a removal by the Government contractor.
