DIVISION II.—RECREATION LEAVE.

215. Subject to the following Regulations in this Part, every officer and every employee shall be entitled to three weeks leave of absence for recreation in respect of each calendar year of service.

216. In respect of the calendar year in which an officer or employee commences or ceases duty in the Public Service, he shall be entitled to leave of absence for recreation for a period of one and a quarter working days for each completed month of service in such year; provided that, in respect of the calendar year in which an officer or employee commences duty, service in any office in the service of the State of Victoria or of any other State or of the Commonwealth of Australia shall, to the extent approved by the Board, be regarded as service for the purpose of this Regulation.

217. (1) In determining the entitlement of any officer or employee to leave of absence for recreation in respect of any calendar year of service, there shall not be regarded as service—

- (a) any period of leave pursuant to the provisions of Regulation 241 hereof;

(2) When in any calendar year an officer or employee is absent on leave for any period which under the provisions of sub-regulation (1) of this Regulation is not to be regarded as service, the period of leave of absence for recreation to which the officer or employee would otherwise be entitled in respect of that calendar year shall be reduced by one and a quarter days for each complete month of the aggregate of such periods of absence during such year:

Provided that where leave of absence for recreation has already been taken in excess of the reduced period so computed, the period of leave of absence for recreation to which the officer or employee shall be entitled in respect of the following calendar year shall be reduced by the period of excess leave so taken.

218. Whenever a public holiday is observed during any period of leave of absence for recreation, such public holiday shall, except in respect of officers or employees working under conditions where substituted leave is granted in lieu of public holidays, not be regarded as part of the leave.

DIVISION III.—SICK LEAVE.

220. (1) In the case of illness of an officer or employee, the conditions under which leave of absence is granted shall be as follows:—

- (a) When leave with pay is approved, the basis for determining the amount which may be granted shall be ascertained by crediting the officer or employee with the following periods, such leave to be cumulative:—

	Leave on Full Pay.	Leave on Half Pay.
<i>Officers.</i>		
At commencement of duty	16 days	16 days
On completion of two years' service and each year's service thereafter	8 days	8 days
<i>Employees.</i>		
On completion of four weeks' service—		
With respect to the first year of service	6 days	6 days
On completion of one year's service	6 days	6 days
Provided that the scale of credits prescribed for officers shall apply to employees on completion of two years' service, such credits to be computed as from the date of commencement of service:		
Provided further that an officer who resigns or retires and is subsequently re-employed in a temporary capacity shall be permitted to retain a sick leave credit up to but not exceeding 28 days on full pay.		

- (b) To determine the leave for which an officer or employee is eligible at any time all leave granted during his service at rates of full pay and half pay respectively shall be deducted from the appropriate period ascertained under the provisions of the preceding paragraph.

- (c) After deduction has been made as provided in the preceding paragraph the period remaining at each rate of pay shall be the amount of leave for which an officer or employee is eligible.

- (d) For each week an officer or employee is absent on leave with full pay the amount of leave on full pay standing to his credit shall be reduced by five days.

For each week an officer or employee is absent on leave with half pay the amount of leave on half pay standing to his credit shall be reduced by five days notwithstanding that his pay is reduced to half pay for seven days.

Where the absence exceeds one or more weeks but does not extend to a further week the number of weeks shall be recorded as hereinbefore provided and the remaining days shall be debited as a period of less than a week.

When the period of leave granted to an officer or employee with pay (whether full pay or half pay) does not extend to a week his appropriate credit shall, subject to the provisions of Regulation 222, be reduced by the number of days he would have been required to be on duty if he had not been absent on sick leave.

For the purposes of these Regulations, so far as they relate to sick leave, a week shall be deemed to be any period of seven consecutive days inclusive of Sunday.

- (e) In these Regulations, so far as they relate to sick leave, "service" means continuous service, inclusive of any period of absence on leave, provided that, in determining at any time the amount of leave standing to the credit of an officer or employee who has been absent on leave without pay (other than for the purpose of serving with the Commonwealth Defence Forces) continuously for a period extending beyond six months, such period as is in excess of six months shall not be counted as service: Provided further that no period of absence from duty to render service under the Commonwealth National Service Act shall be regarded as service for sick leave purposes.

(2) Notwithstanding anything contained in this Regulation, where an officer or employee has exhausted his sick leave credits on full pay he may, in the event of continued or further illness, elect in writing to have the whole or any portion of the leave on half pay standing to his credit converted into leave on full pay, such conversion to be made on the basis that each credit of two days on half pay shall be deemed to be a credit of one day on full pay.

(3) In computing the service of an officer or employee for the purposes of this Regulation, service in any office in the service of the State of Victoria or of the Commonwealth of Australia or of any other Australian State may to the extent approved by the Board be taken into account.

(4) Notwithstanding anything to the contrary in these Regulations, a female officer or employee shall not be entitled to sick leave on account only of being pregnant, or having recently given birth to a child (but nothing in this sub-regulation shall prevent an officer or employee being entitled to sick leave on account of illness resulting from pregnancy or childbirth).

221. (1) Where an officer or employee whose normal working week is from Monday to Friday inclusive is absent through illness on a Saturday on which he is rostered to perform duty, such day shall not be deemed to be a day on which he is required to be on duty, and, in respect of such day, no debit shall be made against his sick leave credit, but, in the case of any such absence, the Permanent Head may require the production of a medical certificate.

(2) Where an officer or employee, whose normal working week is from Monday to Friday inclusive, is granted sick leave for a period which includes a period during which he would but for such sick leave have been rostered off duty in respect of duty performed by him on a Saturday morning, he shall, after resuming duty from sick leave, be granted time off in lieu of any such duty performed before he commenced sick leave.

222. A public holiday observed during any period of leave of an officer or employee shall not be regarded as part of the leave.

223. (1) For any period exceeding three days' continuous absence, a satisfactory certificate by a duly qualified medical practitioner shall be furnished setting out the cause of such absence: Provided that—

- (a) the Permanent Head may require a medical certificate to be furnished with respect to any absence, and
 - (b) continuous leave with pay shall not be granted to an officer or employee for any period exceeding thirteen weeks, unless the Government Medical Officer certifies that the leave is necessary and where an officer or employee is continuously absent from duty on account of illness beyond a period of thirteen weeks, he shall not be permitted to return to duty until the Government Medical Officer certifies that he is fit to resume work.
- (2) No leave shall be granted with pay on account of illness caused by the misconduct of the officer or employee, or in any case of absence from duty without sufficient cause. Where the Permanent Head has occasion for doubt as to the cause of illness or the reason for absence, he shall before accepting a medical certificate refer such certificate to the Government Medical Officer for report.
- (3) If the number of days during which an officer or employee is absent in any year without a medical certificate exceeds five days in the aggregate, the number of days absence in excess of five shall not be granted as sick leave, but shall be deducted from his annual recreation leave or be granted without pay.
- (4) In a special case where a medical practitioner is not available the Permanent Head may accept a certified statement from an approved officer in lieu of a medical certificate.
- (5) When an officer or employee is absent from duty on account of a dental disability he may be granted leave of absence for a period not exceeding one week provided that he furnishes the Permanent Head with a satisfactory certificate from a legally qualified dentist.

224. (1) Where the Permanent Head is satisfied that the illness of an officer or employee with at least six months' service is directly attributable to or is aggravated by his service in the war which commenced in the year One thousand nine hundred and fourteen or in the year One thousand nine hundred and thirty-nine, such officer or employee may, apart from any sick leave which may be standing to his credit, be credited with special leave with full pay amounting to eight days in respect of each year of service from the 1st July, 1947, to the 30th June, 1951, and with fifteen days' special leave with full pay in respect of each year of service from and inclusive of the 1st July, 1951.

Where the Permanent Head is satisfied that the illness of an officer or employee with at least six months' service is directly attributable to, or is aggravated by, his service in connexion with the warlike operations in Korea after the twenty-sixth day of June, One thousand nine hundred and fifty, or in Malaya after the twenty-eighth day of June, One thousand nine hundred and fifty, or in Vietnam after the thirty-first day of July, One thousand nine hundred and sixty-two, such officer or employee may, apart from any sick leave which may be standing to his credit, be credited with special leave with full pay amounting to fifteen days in respect of each year of service from and inclusive of the following dates:—

Korea	}	1st July, 1951.
Malaya		
Vietnam		
		31st July, 1962.

Such special leave shall be cumulative provided that the total of such accumulated leave standing to the credit of an officer or employee shall not at any time exceed one hundred days.

(2) If any officer or employee sustains personal injury arising out of or in the course of the discharge of his duty in circumstances which under regulations pursuant to the Workers Compensation Acts make it obligatory upon the Permanent Head to notify the State Insurance Commissioner of such injury and the said Commissioner admits liability to make weekly payments for compensation or the Workers Compensation Board determines that such payments shall be made in respect of the incapacitation of the injured officer or employee from all duty, such officer or employee shall, apart from any sick leave which may be standing to his credit, be granted leave on full pay less the amount paid by way of weekly compensation by the State Insurance Commissioner during the incapacity. In any other case the granting of leave shall be subject to the recommendation of the Board.

No leave in excess of a continuous period of fifty-two weeks inclusive of any other leave which may be granted with pay shall be granted without the approval of the Board.

An officer or employee who has been granted leave under this sub-regulation shall immediately notify his Permanent Head in writing of any civil claim for damages instituted by him in connexion with the injury to which such leave relates.

(3) If any officer (or any employee in a State sanatorium) is certified by the Government Medical Officer to be suffering from pulmonary tuberculosis and to be probably curable, leave of absence may be granted on the following terms viz., six months on full pay and three months on half pay: Provided that such pay may be made conditional on the officer undergoing treatment in an approved sanatorium when so recommended by the Government Medical Officer. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against such officer or employee. On his resumption of duty, such officer or employee shall be entitled to a total initial credit of not less than sixteen days on full pay and sixteen days on half pay.

Leave of absence under this sub-regulation shall not be granted to any officer or employee who is certified by the Government Medical Officer as having suffered from pulmonary tuberculosis prior to being accepted for employment in the Public Service.

(4) If any officer or employee in a State sanatorium is certified by the Government Medical Officer to be a case of clinically suspected tubercular infection, such officer or employee may be granted leave of absence on full pay for a period not exceeding thirteen weeks, provided that such pay may be made conditional on the officer or employee undergoing treatment in an approved sanatorium when so recommended by the Government Medical Officer. (2) Upon receipt of the medical report, the Permanent Head may direct the officer or employee to absent himself from his duties for a specified period, or, if already on leave of absence, direct him to continue on leave for a specified period, and the absence of such officer or employee shall be regarded as absence on leave owing to illness.

Provided that no such leave of absence shall be granted unless the officer has entered into any agreement prescribed under any Act in relation to the free place.

233. The Permanent Head may grant any officer or employee leave of absence with full pay for the purpose of attending examinations held in accordance with Regulations made pursuant to the provisions of the *Public Service Act 1958*, or such other examinations in subjects a knowledge of which would increase the efficiency of such officer or employee in the performance of his duties in the Public Service.

Where the amount of pay (not including any payment by way of overtime, penalty rates, higher duties allowances, or any payment of a temporary character) which an officer or employee would

have received had he remained on duty, exceeds the amount of pay (including marriage and separation allowances) received by him as a member of the Citizen Forces, at any such school, class or course, he shall be entitled to receive an amount equal to the difference.

(3) An officer or employee may, at his election, be granted any recreation leave due to him in lieu of an equivalent period of leave under this Regulation.
