EXCESS BY-LAW 1971/72.

MILDURA Urban Water Trust pursuant to and in exercise and execution of the powers conferred on it by the Mildura Irrigation and Water Trust Act and the Water Acts, doth hereby make the By-Law following:

The meter or meters measuring the supply of water to any property rated by the Trust, shall be read as near as practicable to twelve months from the date that it was read previously, and the quantity of water so measured as having been supplied during the period between any two successive meter readings (hereinafter called "the meter year") shall be the basis of the calculating of charges payable under this By-Law provided always that where a meter has been installed on any property during the course of a meter year the quantity of water measured as having been supplied during the period between the date of such installation and the date of the reading shall be the basis of calculating such charges.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which at a charge of Eighteen Cents (18c) per thousand gallons would produce an amount equal to the amount of the rate levied on such property for the said year.

ROBINVALE SEWERAGE AUTHORITY.

RE-LOCATION OF PROPOSED SEWAGE TREATMENT AREA.

NOTICE is hereby given that the Robinvale Sewerage Authority has made application to the Honourable the Minister of Water Supply to re-locate the proposed sewage treatment area. The previously approved site was on Crown land adjacent to the State Rivers and Water Supply Commission, Robinvale pumping station. The proposed new site is on parts of allotments 25 and 26, Parish of Tol Tol.

This alteration will increase the estimated cost of the total scheme from \$368,258 to \$375,885. The resultant additional annual expenditure is \$976.30, which necessitates increasing the estimated rate of 10.5 cents in the dollar to 11 cents in the dollar on the Net Annual Valuation of rateable property in the sewerage district.

A general plan and description of the proposed new sewage treatment site may be inspected at the Shire Office, Beveridge-street, Swan Hill, and the State Rivers and Water Supply Commission office, Robinvale.

Any person having any interest therein, who may be injuriously affected by the proposed alteration, may object in writing, addressed to the under-signed. The period during which objections may be lodged will expire on 13th September, 1971.
