The Teachers Tribunal, in pursuance of the powers conferred by the *Teaching Service Act 1958*, hereby repeals the *Teaching Service—Secondary Schools Division (Classification, Salaries, and Allowances) Regulation* and makes the following Regulation, to take effect on the 10th June, 1973.

TEACHING SERVICE—SECONDARY SCHOOLS DIVISION
(CLASSIFICATION, SALARIES, AND ALLOWANCES) REGULATION.

1. This Regulation may be cited as the "Teaching Service—Secondary Schools Division (Classification, Salaries, and Allowances) Regulation."

2. *Interpretation.*

- (a) The term "subdivision" in this Regulation means salary subdivision and represents a point of a salary scale on which, unless specified elsewhere in this Regulation, a member must serve for a minimum of one year before being eligible to progress to any higher subdivision within the range prescribed for the appropriate qualifications or position held.
- (b) The term "base salary" in this Regulation means the salary prescribed in paragraph (i) of sub-clause 5 (d).
- (c) The term "confirmed enrolment" in this Regulation means an enrolment greater or less than that applicable to any specified grouping—
 - (i) at the commencement of two successive school years; or
 - (ii) by a margin of ten per cent. at the commencement of any school year.

Provided that:

If, in any given year, the enrolment of a school at the commencement of the year has fluctuated by ten per cent. and has thereby fallen within another specified grouping, the staffing of that school may be adjusted by the Tribunal if the Director-General considers that the latest enrolment will be sustained in the year next following.

3. *Salaries and Allowances.*

- (a) Unless specified otherwise all salaries and allowances prescribed in this Regulation are annual rates.
- (b) Within the range prescribed, a member, subject to satisfactory service, shall proceed by annual increments from the minimum to the maximum of the range.

Provided that, subject to qualifications and/or experience, the Tribunal may determine that an appointee shall commence at a rate other than the minimum.

- (ii) The confirmed enrolment of a school shall determine the remuneration of the Principal thereof, but in the event of any school having a reduced enrolment, the salary rate shall not be adjusted until the position is vacated.
- (iii) The Principal of the Correspondence School shall be paid the salary of the Principal of a school with a confirmed enrolment of 500 or more pupils.
- (iv) In the event of the confirmed enrolment of a school falling below 500 pupils the position of Deputy Principal shall be adjusted as soon as practicable.

The following paragraphs of sub-clauses designated (d) and (e) in the Teaching Service—Secondary Schools Division (Classification, Salaries, and Allowances) Regulation effective from the 14th May, 1972, shall have effect only until the 31st December, 1973.
