7. The proprietor shall cause every pan closet to be supplied by the Council or otherwise with a pan for the reception of nightsoil, and shall cause such pan (except when being exchanged) to be always kept in proper position under the seat of each pan closet, and shall also pro-

vide a lid capable of being fitted tightly to such pan when being removed from the premises to the depot, so as to prevent the spilling of the contents and the emission of offensive vapours, gases or effluvia from such pan.

8. The proprietor of the premises shall cause to be kept in every closet belonging thereto a supply of liquid deodorant or lime sawdust, or some other dry material efficient for deodorizing nightsoil, and shall cause all nightsoil which may be deposited in the pan in such pan closet to be immediately on the deposit thereof covered with a quantity of deodorizing material sufficient to thoroughly and effectively deodorize the contents of such pan.

9. No person shall place, or cause or permit to be placed any slops, water or rubbish in any pan.

10. The proprietor of any premises whereon there is a pan closet or urinal shall—

- (a) maintain such pan closet and urinal in good repair and in a cleanly condition; and
