## POLICE FORCE OF VICTORIA

## DETERMINATION No. 263 OF THE POLICE SERVICE BOARD.

The Police Service Board, in pursuance of the powers in that behalf conferred by the *Police Regulation Act 1958*, hereby makes the following Determination (that is to say):—

1. The Determination No. 179 of the Police Service Board of 14th December, 1971, and published in the *Government Gazette* of 25th January, 1972, as amended, is hereby further amended as follows:—

(a) In the index to the Preamble, by deleting the expression "Sub-Division VI.—Compensatory. Paragraphs 25-30", and substituting therefor the following new expressions:—

"SUB-DIVISION VI.—COMPENSATORY. PARAGRAPHS 25-28.

SUB-DIVISION VIA.—RECALL TO DUTY FROM REST DAY OR RECREATIONAL LEAVE. PARAGRAPHS 29-30."

(b) In Division III., by deleting the heading to Sub-Division VI. and substituting therefor the following new heading:—

"SUB-DIVISION VI.—COMPENSATORY ALLOWANCES FOR OBLIGATION TO PERFORM SHIFT WORK, WORK ON SATURDAYS, SUNDAYS AND HOLIDAYS."

(c) In Division III., by deleting paragraphs 29 and 30 and substituting therefor the following new Sub-Division:—

"SUB-DIVISION VIA.—RATES OF PAY FOR RECALL TO DUTY—REST DAY OR RECREATIONAL LEAVE.

29. In this Sub-Division, unless inconsistent with the context or subject matter—

(1) 'Recall to duty' means a recall communicated to a member after he has commenced his rest day or recreational leave.

(2) 'Member' means a member of or below the rank of Station Officer; but does not include a detective or a member appointed to a one-man station, or a member not above the rank of Station Officer who is required to perform the duties of an Officer (other than a Station Officer) and in doing so upon recall to duty is qualified to receive higher duty pay in accordance with the provisions of paragraph 22 hereof.

29A. The provisions of this Sub-Division shall apply only to duty performed on recall—

(a) from recreational leave, when expressly authorized by an Officer, of or above the rank of Superintendent; or

(b) from a rest day, when expressly authorized by an Officer above the rank of Station Officer.

29B. (1) Subject to the provisions of this Sub-Division, a member who performs duty upon recall from a rest day or from recreational leave shall be—

(a) paid for such duty at the rates provided for in this Sub-Division; or

(b) subject to the exigencies of the service given time off in lieu thereof in accordance with this and the following paragraphs of this Sub-Division.

(2) A member who performs duty upon recall as above shall have the right to elect to be either paid for such duty or to be given time off in lieu thereof.

Definitions.

Authority to Recall.

Election Time off in lieu of payment.

(3) As soon as practicable after the completion of each period of such duty the member who performed it shall submit a claim in respect thereof in the form and in the manner directed by the Chief Commissioner in which the member will express his election either to be paid for that duty or to be given time off in lieu thereof. The claim shall be signed by the member making the claim and by the Officer or Officers who authorized or approved of the performance of the duty for which payment is claimed.

(4) A member who has elected to be paid for any period of such duty, may, at any time before his claim for payment is forwarded to the Pay Branch, as hereinafter provided, change his election to that of being given time off in lieu of payment.

(5) A member who has changed his election pursuant to sub-paragraph (4) hereof, shall notify his change of election in writing to his Officer in Charge, through the appropriate channels, and thereupon he shall be entitled to time off in lieu of payment for that duty.

(6) Claims for payment for duty upon recall shall be submitted to the Pay Branch by the Officer in Charge of each District or Branch or such other appropriate Officer as the Chief Commissioner directs as soon as practicable at the end of each pay fortnight, and shall include all claims for payment in respect of such duty performed by the members of his District or Branch, or as the case may be, received during that fortnight.

29c. In any case in which it is not practicable to obtain the required signature of any Officer to the claim as required in this Sub-Division the Chief Commissioner may authorize payment of the claim or the taking of time off as the case may be, if he is satisfied that the duty upon recall was properly and necessarily performed and was directed or authorized or approved in accordance with the requirements of this Sub-Division.

Rates of  
payment.

29d. (1) Subject to the provisions of this Sub-Division and, in particular, of sub-paragraph (2) of this paragraph, a member who is recalled to duty from a rest day or from recreational leave shall, unless he elects to take time off in lieu thereof, be paid for the performance of such duty at the appropriate rate calculated as follows:—

- (a) (i) When the member performs duty between midnight on Friday and midnight on Saturday; or
- (ii) between midnight on Saturday and midnight on Sunday; or

- (iii) on any of the following days, namely Christmas Day (when such day does not fall on a Sunday), Good Friday, Easter Monday, Anzac Day, or the holidays observed in accordance with the provisions of Section 67 of the Public Service Determinations, so far as they relate to Australia Day, Labour Day, Queen's Birthday, Boxing Day, New Year holidays and any holiday proclaimed by the Governor in Council as a public holiday for the whole of Victoria and published in the Government Gazette—

at a rate per hour determined in accordance with the following formula:—

$$\frac{\text{Fortnightly Salary}}{80} \times 2$$

- (b) When the member performs such duty on any day not referred to in part (a) of this sub-paragraph at a rate per hour determined in accordance with the following formula:—

$$\frac{\text{Fortnightly Salary}}{80} \times 1\frac{1}{2}$$

(2) For the purposes of sub-paragraph (1) of this paragraph:—

(a) 'Fortnightly Salary' shall include the allowances payable under paragraphs 9-14 inclusive hereof and the allowance payable under paragraph 22 hereof but shall not include the additional salary provided for in paragraph 84 hereof, for a member while on recreational leave. Provided that when a member performs duty upon recall from recreational leave and receives payment for such duty pursuant to this Sub-Division, and such duty is performed on a day or days which attract the additional salary pursuant to paragraph 84 hereof, he shall be entitled to receive or retain such additional salary in addition to payment received by him pursuant to this Sub-Division.

(b) *Commencement of duty.*

(i) When a member on recreational leave is recalled to duty he shall be deemed to be performing duty during the time necessarily spent in travelling to the place where he is required to report for duty, and, similarly, upon completion of that duty, during the time necessarily spent in travelling to return to the place from which he was recalled. Provided that when a member, having completed the duty for which he was so recalled, reasonably desires to, and does, travel to resume his recreational leave at some place other than that from which he was recalled, the Chief Commissioner shall exercise his discretion to determine for what period and in what circumstances, if at all, the member shall be deemed to be performing duty while so travelling.

(ii) When a member is recalled to duty on a rest day he shall be deemed to have commenced performing duty when he presents himself for duty as required by his instructions.

(c) A member recalled to duty shall initially be paid at the appropriate rate from the time he commences to perform such duty until the time he completes it on that day, or the next ensuing day, but in any event for a period of not less than four hours.

(d) If a member is recalled for duty more than once on the same day the periods of duty performed by him shall be added together and treated as one period for the purpose of determining whether or not the aforesaid minimum of four hours applies.

(e) *Overtime.*

Where a member is recalled to duty in terms of this Sub-Division the provisions of Sub-Division VII. of Division III. hereof shall apply in all respects to any duty performed by a member in excess of eight hours on any day during the period of his recall.

(f) The following periods of time shall not be included in the calculation of rates under sub-paragraph (1) of this paragraph:—

(i) meal breaks except as provided for in paragraph 77 hereof;

(ii) any periods of time off during the performance of duty after recall.

Travelling  
Expenses.

29E. A member performing duty upon recall shall further be entitled to be paid travelling and incidental expenses pursuant to Sub-Division VIII. of Division III. hereof during the periods of travel referred to in part (b) of sub-paragraph (2) of paragraph 29D hereof save and except that paragraph 55 hereof shall not apply to this paragraph.

Time off  
in lieu of  
payment.

29F. (1) A member who elects to be given time off for any duty performed upon recall to duty shall be given an equivalent amount of time off in accordance with the provisions of this paragraph.

(2) A member may be given time off due to him in one or more periods and from time to time.

(3) If at the end of any calendar month a member has not been given time off in lieu of all or any of the duty performed by him after recall to duty during that month and for which he has elected to be given time off, he shall be given that time off to which he is still entitled within the two calendar months then next ensuing unless in the case of recall from recreational leave, upon application by the member, approval is given for him to take such time at a later date.

(4) If at the end of that period of two calendar months a member has not been given all the time off for such duty to which he was entitled at the beginning of that period, he shall be paid at the appropriate rate specified in this Sub-Division for that duty for which he has not then been given time off, unless in the case of recall from recreational leave, upon application by the member, approval is given for him to take such time at a later date.

(5) When a member is to be paid pursuant to the provisions of this Sub-Division, the member's appropriate Sub-Officer or Officer will forthwith submit a claim for payment to the Officer in Charge of the District or Branch, or as the case may be, in such form and with such particulars as the Chief Commissioner may direct. The Officer to whom the claim is forwarded will include such claim in the next fortnightly claims for payment for overtime duty to the Pay Branch.

## Records.

30. The Chief Commissioner may require a member to keep such records, and may require such returns to be furnished, as the Chief Commissioner thinks fit for the purpose of giving effect to this Sub-Division."

(d) In Division III., by deleting the heading to Sub-Division VII. and substituting therefor the following new heading:—

"SUB-DIVISION VII.—RATES OF PAY FOR OVERTIME AND FOR DUTY PERFORMED ON A REST DAY OR RECREATIONAL LEAVE OTHER THAN WHEN RECALLED."

(e) In Division III., by deleting paragraph 31 and substituting therefor the following new paragraph:—

"31. This Sub-Division shall not apply to:

(a) a member above the rank of Station Officer or except for paragraphs 33 and 34, to a Detective, or to a member appointed to a one-man station, respectively; or

(b) interruption to a meal break to which the provisions of paragraph 78 hereof apply."

(f) In Division III., by deleting paragraph 32, sub-paragraph (1) and substituting therefor the following new sub-paragraph:—

"(1) For the purposes of this Sub-Division 'overtime duty' means and includes—

(a) any duty performed in excess of eight hours on any day other than a rest day or on a day of recreational leave, but including any duty performed in excess of eight hours on any day during a period when the member has been recalled from a rest day or from recreational leave pursuant to Sub-Division VIA. of Division III. hereof; or

(b) any duty performed on a rest day or on a day of recreational leave in respect of which he has not been recalled to duty pursuant to Sub-Division VI.A of Division III. hereof—

but in either case does not include any duty performed unless it was for a continuous period of not less than half an hour."

(g) In Division III., by deleting paragraph 37, sub-paragraph (1), Clause (b) and substituting therefor the following new Clauses:—

"(b) When the member performs duty in excess of eight hours but not in excess of eleven hours on any day or time not referred to in part (a) hereof—

$$\frac{\text{Fortnightly Salary}}{80} \times 1\frac{1}{2}.$$

(c) When the member performs duty in excess of eleven hours on any day or time not referred to in part (a) hereof—for the said period in excess of eleven hours—

$$\frac{\text{Fortnightly Salary}}{80} \times 2.$$

(d) A member who is recalled to duty after having completed his normal day's duty or shift, but to whom the provisions of Sub-Division VI.A. of Division III. hereof do not apply, shall, unless he elects to take time off in lieu of payment, be paid at the appropriate rate for such overtime for a minimum of three hours. Provided that if he is so recalled more than once in the same day, the periods of overtime duty performed by him shall be added together and treated as one period for the purpose of determining whether the aforesaid minimum period of three hours applies."

(h) In Division III., by deleting paragraph 37, sub-paragraph (2) and substituting therefor the following new sub-paragraph:—

"(2) For the purposes of this paragraph 'Fortnightly Salary' shall include the allowances payable under paragraphs 9 to 14 inclusive hereof and the allowance payable under paragraph 22 hereof, but shall not include the additional salary provided for in paragraph 84 hereof for a member while on recreational leave. Provided that when a member performs overtime duty on a day or days upon which he would otherwise have been on recreational leave and receives payment for such duty pursuant to this Sub-Division, and such duty is performed on a day or days which attract the additional salary pursuant to paragraph 84 hereof, he shall be entitled to receive or retain such additional salary in addition to payment received by him pursuant to this Sub-Division."

2. This Determination shall come into operation on and from the 10th October, 1976.
