TENDERS, EDUCATION DEPARTMENT.

WASTE COLLECTION SERVICES TO SCHOOLS AND OTHER
EDUCATION DEPARTMENT ESTABLISHMENTS.

Area to be serviced—BENDIGO.

It is estimated that there will be approximately fifteen locations to be serviced.

The average number of clearances per school per week will be two (2) in some instances up to five (5) clearances per week will be required because of the amount of waste to be collected.

It is expected that approximately half the schools will require 1.5 cubic metre containers and the other half will require 3.0 cubic metre containers. Some schools will require more than one container.

It would be expected that concessions would apply in regard to the school term holiday periods (2 weeks in May and 2 weeks in September) and the Christmas holidays (17th to 31st December, 1977). It is likely that no clearances will be required during the month of January.

The times of clearances should be within school hours as far as possible 9.00 a.m. to 3.30 p.m.

Care must be taken to ensure the safety of children.

Containers should be sited away from playing areas and close to the vehicular entrances of schools.

The successful tenderer is to supply and maintain containers as part of the service.

Prices may be based on either of the following alternatives:—

(a) a price per school per week for clearances as necessary;

(b) a price per school per clearance based on the capacity of the container(s).

The tenderer must state the sizes of containers available and the related clearance costs.

Rates to be charged monthly per school (based on the average charges) for all necessary collections.

Claims for payments to the contractor(s) are to be submitted on a monthly basis.

The contract period should be until the 31st December, 1977, to coincide with existing contracts for waste collection services.

The lowest tender need not necessarily be accepted.

Tenders marked Q-3454 Rubbish Removal should be mailed to Stores Branch, Education Department, 23 Gipps Street, Collingwood, 3066, no later than Friday, 20th May, 1977. Telephone 41 5681.
