Companies Act 1961, Section 162c (2).

ORDER IN RESPECT OF GENERAL INSURANCE COMPANIES RELATING TO THE INCLUSION OF UNEARNED SUMS IN GROSS DEBTS.

Whereas I, Edmond Brian Mitcham, Deputy Commissioner for Corporate Affairs in the State of Victoria am of the opinion in respect of insurance companies other than life insurance companies (hereinafter called "the insurance companies") that during the period specified hereunder compliance with the requirements of subclause (2) of clause 12 of the Ninth Schedule to the Companies Act 1961, relating to the form and content of accounts or group accounts would render the accounts or group accounts inappropriate to the circumstances of the insurance companies in so far as they relate to any unearned sums in respect of general insurance premiums included in the gross amount of debts to the insurance companies: now therefore pursuant to the powers conferred upon me by section 162c (2) of the Act, I hereby order that, in respect of accounts or group accounts made out for the financial years of the insurance companies ending before 1st July 1980, the directors of the insurance companies are relieved from compliance with the requirements of clause 12 (2) of the Ninth Schedule to the Act in relation to unearned insurance premiums on condition that the directors of the insurance companies shall—

- (a) Provide in the accounts or group accounts for the unearned income in the gross amount of debts owing to the insurance company, or the insurance company and its subsidiaries, and
- (b) Include particulars of this Order in their reports made under section 162A (1) or (2) of the Act.

Given under my Hand and seal at Melbourne, this 15th day of June, 1977.

E. B. MITCHAM,
Deputy Commissioner for Corporate Affairs.

inafter called "these companies"), that compliance with the requirements of sections 74F and 162 of the Companies Act 1961 (hereinafter called "the Act") relating to the form and content of accounts or group accounts and of sub-section (1) or (2) of section 162A of the Act relating to the form and content of the directors' report, would render the accounts or group accounts and report inappropriate to the circumstances of these companies, in so far as the provisions of those sections require the full amounts of the items to be specified in such accounts and report:

Now therefore pursuant to the powers conferred upon me by section 162c (2) of the Act I hereby order that in respect of financial years of these companies ending before the 1st July 1980, the directors of these companies are relieved from compliance with such requirements in so far as sections 74F, 162 and sub-sections (1) and (2) of section 162A require the full amounts of the items to be specified in such accounts and report, subject to the directors complying with the following requirements:—

- (1) The accounts or group accounts and the report shall show all amounts required to be shown to the nearest thousand dollars (hereinafter called "the rounding off") provided that where an amount as a result of the rounding off be reduced to zero, that amount shall be shown to the nearest dollar by way of a note to the accounts, group accounts or report as the case may require.
- (2) The accounts and group accounts and report shall clearly indicate on each page thereof that rounding off to the nearest thousand dollars has been adopted.
- (3) Where the figures for a current year are rounded off comparative figures shall also be rounded off.
- (4) The report shall state that the company is a company of the kind specified in the Schedule to this Order and that the amounts have been rounded off in accordance with this Order.

VICTORIA.

Companies Act 1961, Section 162c (2).

ORDER IN RESPECT OF A CLASS OF COMPANIES RELATING TO THE "ROUNDING OFF" OF AMOUNTS IN ACCOUNTS AND DIRECTORS' REPORTS.

Whereas I, Edmond Brian Mitcham, Deputy Commissioner for Corporate Affairs in the State of Victoria, am of the opinion in respect of companies falling within the class of companies specified in the Schedule hereto (here-

- H. Borrowing*
16. The Committee shall decide from time to time the number of items of library materials, in total or by category, that a Member or an Institutional Member may borrow at any one time. While limits exist the number of items allowable shall be stated by notice in the library.

21. Library materials may be borrowed by other municipal libraries in accordance with the Rules for Inter-Library Lending issued by the Municipal Interlibrary Committee (Victoria) or by other libraries offering reciprocity approved by the Regional Librarian.
22. No Member or Institutional Member or any person or body shall make any charge for the use of or access to any library materials belonging to or in the custody of the Regional Library Service, excepting in the course of public performance where a charge of admission is made and the prior consent for such usage and charge is given by the Librarian.
23. A Member may be required to pay a charge for retaining library materials on loan beyond the time allowed, in accordance with rates the Committee may determine, and the amount of such charge shall be advertised by notice.

(a) If a Member fails to return any borrowed item within 7 days of the due return date the Librarian shall cause to be issued to him a notice of overdue loan which shall be deemed to have been properly served upon the Member by being posted by ordinary pre-paid mail to his last recorded address.

(b) If a member fails to return any item within 14 days of the date of the issue of a notice of overdue loan, the Member shall be charged with the estimated retail market value or price or current replacement cost, or designated average value for particular categories of items of the same or similar item, plus a recovery service charge of \$1.00 per item; the liability shall be discharged by settlement of the account, or return of the items, or replacement of the item or tendering of an item approved by the Librarian of same or greater value.

27. A Member may apply by personal call, written notice or telephone for an extension of time allowed, provided that information requested by the Regional Library Service to effect such an extension is supplied; any extension shall be at the discretion of the Librarian and may be refused if the item is required by another Member or by the Regional Library Service for interlibrary loan or for any other purpose.

28. Any item available for loan may be reserved for a Member, at the Librarian's discretion, on completion of the appropriate application form or by other approved method; no charge shall be made for reservation or any item in the current collections of the Regional Library Service.

29. At the discretion of the Librarian, a reserved or requested item may be delivered at the request of a Member, to a nominated address within the Region by post, rail or any other means suitable to the Regional Library Service, and the Member shall be charged for the cost of delivery incurred.

30. The Committee may take action for the recovery of any library materials or the value thereof and any other liabilities or penalties incurred by a Member at any time after a loan has become overdue or a Special Notice of Recall has been issued.

31. No library material shall be deemed to have been returned to the Regional Library Service unless it has been handed to the Librarian, or left in a place or receptacle designated for the return of borrowed items, or despatched to and received at a library or despatched by Registered Mail.

I. Care of Library Materials

32.
