All mineral rights will be reserved under the provisions of the Mines Act 1958 and all petroleum rights under the provisions of the Petroleum Act 1958.

The lease will commence one month from date of sale, the rent therefore will be the highest offer (not less than the upset rent accepted at the sale), subject to re-appraisal at the end of each five years' period. The rent will be payable quarterly in advance, and the first quarter's rent must be paid at the time of the sale.

The lessee shall pay all taxes, rates, duties, charges, assessments, &c., and discharge all obligations under any Act in respect of the leased premises.

The land shall not (unless with the consent of the Minister of Lands (hereinafter called "the Minister")), be used for any other purpose than that declared by the purchaser and approved.

Plans of all buildings proposed to be erected on the land shall be submitted to the Minister for his consideration, and work shall not be commenced until approval is given.

The buildings and other improvements shall be maintained throughout the term of the lease in good order and repair to the satisfaction of the Minister.

The lessee shall adopt such sanitary measures as the Minister requires and carry out all requirements of the Melbourne and Metropolitan Board of Works.

The lessee shall not assign, sublet, mortgage, or transfer the land, or any part thereof, without the consent of the Minister.

The lessee shall at the expiry, or sooner determination of the lease, yield and deliver the land and premises to Her Majesty, her heirs and successors in good order and condition.

The lessee shall observe any other conditions and provisions agreed upon before the issue of the lease.

The lease shall be voidable for failure to use the land bona fide for the purpose which it has been demised, or for non-payment of rent or interest on rent in arrear, or for breach of any condition, or if the affairs of the lessee be wound up. In the event of the lease being declared void, it shall be lawful for the Crown to enter into and take full possession of the land and premises.

At the expiration or sooner determination of the term of the lease, the land and all improvements (except machinery, and appliances which can be removed without material injury to the land or buildings) shall revert to the Crown.

The land is subject to resumption for mining purposes under section 205 of the *Land Act 1958*.

The Governor in Council has the right to resume the whole or any part of the land for public purposes on payment of compensation for the lessee's interest in the unexpired term of the lease in respect of the resumed area.

The lessee shall contribute to the cost incurred by the local municipality for the construction of any roadway, footpath, and channel on any road abutting on the leased land, or in the drainage of such land, in the same way as if liable under the *Local Government Act 1958*.

No buildings or other structures shall be erected at a level lower than that required for proper and effective drainage of the leased land.

If the purchaser covenants to erect further substantial improvements the term of the lease may be fixed by the Minister for a longer term, to be determined by him within the provisions of the *Land Acts*.
