The map shows also the Yarra River Catchment area, the Dandenong Ranges and their southern foothills.

## 1.1 The Aims

Statement of Planning Policy No. 3 aims to retain and improve, where possible:

- (a) the amenity of the Policy Area for present and future residents, the farming community and other users;
- (b) conservation of its natural resources;
- (c) scenic and bushland environments for recreation and conservation;
- (d) other landscapes of value as a feature of the State of Victoria, and more particularly the Melbourne region.

## 1.2 Statement of Planning Policy No. 3 aims to contain urban development to a scale and type compatible with conservation of the Policy Area and with high standards of amenity. It aims at balanced planning for:

- (b) primary production;
- (c) water harvesting, storage and diversion;
- (d) timber production.

## 2.0 The Application

Planning and management of resources in the Policy Area shall take account of the interests and views of the community, both within and beyond the Policy Area.

## 2.1 Any net increase in the total provision for residential development in the Policy Area shall be contained within the aims of this Policy. There shall be no net increase in the total provision for residential development in the Dandenong Ranges; and no significant increase in the Yarra Valley and the Southern foothills beyond that provided for in proposals approved or exhibited at the date of adoption of this Policy.

## 2.2 Urban development and redevelopment of existing urban areas within the Policy Area shall be planned within a strategy to be developed by the Upper Yarra Valley and Dandenong Ranges Authority, to promote community well-being and ensure that the aims of this Policy are implemented.

2.4 Natural resources worthy of conservation shall include significant vegetation, both native and exotic, and wild-life habitats of importance.

2.5 Planning shall seek to minimise bushfire risk.

2.11 This Policy expressly recognises the option of establishing a major water storage on Watson's Creek.

2.12 Planning and management of forested areas shall be for multiple use, where compatible with the protection of water resources, water quality, forest value, landscape and nature conservation. Such multiple use may include compatible recreational activity, where appropriate.

2.13 Notwithstanding the previous paragraph, the Melbourne and Metropolitan Board of Works may manage forested areas under its control solely for water supply purposes.

2.14 Land use in designated catchments within the Policy Area shall continue to be determined by the Soil Conservation Authority in consultation with planning authorities.

2.15 Planning for the use of land shall take into account, and be compatible with Government policies for the use of public land, and with Statements of Environment Protection Policy.

This evaluation shall aim at making appropriate provision for the maintenance and planting of trees, regulation of land clearance and tree removal, and the conservation of other flora.
  - 3.5 The Authority, in consultation with other authorities and agencies, shall evaluate landscapes to identify areas of special significance, and develop general guidelines with a view to assisting public and private development towards visual compatibility with the environments in which they are located.
  - 3.6 Planning measures shall encourage farming and other rural pursuits in appropriate areas, and provide for the maintenance of natural resources and rural landscape values.

The Policy Area is rich in native plant and animal life and has high value aesthetically, ecologically, recreationally, educationally, scientifically and for the conservation of soil and water resources.
- 4.4 Substantial areas of public land important for recreation and resource management, and areas of catchment and water storage.
- 4.5 The importance of the Yarra River system as a water source, and for water-based recreation and natural systems conservation, and the need to maintain water quality accordingly.

- 4.7 Other and complementary Government policies, especially those related to environment protection and the use of public land.
- 4.8 Areas that have been inappropriately subdivided in the Policy Area, and that have a potential for detriment if developed in present form.
- 4.9 Forested areas of significance for hardwood timber production, recreation, landscape quality, conservation and water catchment, and which require careful management to maintain their value for those purposes.
- 4.10 The pressures for recreation and urban and residential development, and the implications of these for the quality and management of the Policy Area.

## THE "VICTORIA GOVERNMENT GAZETTE"

PUBLICATION—A VICTORIA GOVERNMENT GAZETTE is published every WEDNESDAY EVENING unless advertised otherwise.

SUBSCRIPTIONS—The Subscription, including postage, is \$56 per annum, or \$28 per half year, payable in advance. Subscriptions are required for whole months, but must cover at least a half-year.

PRIVATE ADVERTISEMENTS—Advertisements will be received by the Government Printer not later than the day preceding publication—at ordinary rates at or before ONE p.m. and at double rates between ONE p.m. and HALF PAST THREE p.m. The charge for ADVERTISEMENTS is 65 cents per line single column and \$1.30 per line double column. The charge for a full page is \$98. The title forms one or more lines as a heading. On an average ten words make a line of single column. Every signature must likewise be counted as a line. The final words of a paragraph though only portion of a line, must be counted as one line. Signatures (in particular) and proper names must be written very clearly in the text: ONE SIDE ONLY of each sheet of paper should be written upon.

All documents NOT CLEARLY PREPARED will be returned unpublished. Where brands occur, not provided for by the ordinary letters of the alphabet, a written explanatory description also must be furnished.

PAYMENTS—Unless the advertiser has a Credit Account, all payments are required in advance. Remittances should be made by cheque, postal order or money order, payable to "GOVERNMENT PRINTER".
