CONDITIONS OF CONTRACT

FUNERALS OF DESTITUTE PERSONS
(METROPOLITAN)

1. The services are to be performed upon an order signed by a member of the Police Force. Under the Cemeteries Act 1958 (No. 6217), cemetery fees are not payable in the cases of poor persons buried upon an order signed by a justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the Contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding \$20, as the Treasurer may direct, and the amount shall be deducted as in clause 15.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length. Coffins must be fastened down with screws. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctly offensive character, such as of persons drowned and long in the water or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in water-tight coffins, hermetically sealed, such coffins to be provided by the Contractor.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the Necropolis, Springvale, for the burial should the death of such person take place in any region or area south of the Yarra River, including burials of bodies from the Melbourne City Mortuary, and to the New Melbourne Cemetery, Fawkner, should the death take place in any region or area north of the Yarra River, excepting bodies buried from the Melbourne City Mortuary. Burials in the Williamstown-Footscray area shall be made in the Williamstown or Footscray Cemeteries, as the police may direct, excepting bodies buried from the Melbourne City Mortuary.

10. When burials are required to take place on Sunday, or, in the case of any Mental Hospital, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities will be repaid to the Contractor.

The order for burial shall be produced at the cemetery when the Contractor gives instruction for interment. The Contractor must pay the Minister's fee for reading the burial service should it be claimed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

14. The amount is to be rendered monthly to the officer ordering the service for payment by the Treasury, Melbourne.

15. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any of the security money.

16. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and in addition, the Contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

18. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

CONDITIONS OF CONTRACT

REMOVAL OF DEAD BODIES TO MELBOURNE CITY
MORTUARY (METROPOLITAN)

1. The services are to be performed upon an order issued by a member of the Police Force.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled and the security forfeited.

3. The contractor must be prepared to undertake any removals from the region or area contracted for at any hour and on any day when called upon by the police. In the event of the contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the contractor. Should any circumstances, however, make it necessary in any particular case that an immediate removal to the Melbourne City Mortuary be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the Melbourne City Mortuary, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police as in the case of a removal by the Government contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.

5. Bodies to be removed to the Melbourne City Mortuary shall be conveyed in suitable covered vehicles. The contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Melbourne City Mortuary.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the contractor to the immediate cancellation of his contract, the forfeiture of the security money, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment by the Treasury, Melbourne.

9. A refusal to execute orders, impropriety, neglect or delay in conducting the removals will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding \$100, as the said Treasurer may direct, and the amount may be deducted from the contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith, and forfeit the whole or any part of the security money.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

12. The contract shall not be considered broken, infringed or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

CONDITIONS OF CONTRACT

REMOVAL OF DEAD BODIES TO MORTUARIES (COUNTRY AREAS)

1. The services are to be performed upon an order issued by a member of the Police Force. The body will be removed to the place of mortuary specified in the order.

2. The vehicles and such other plant employed in carrying out the contract must be suitable and ample to the necessities of a prompt and efficient service, and such vehicles and other plant must be maintained throughout the period of the contract in satisfactory condition of repair. Should complaint be made that the vehicles or plant employed in the service are unsuitable, inefficient, or otherwise unsatisfactory, the Tender Board upon investigation of the complaint may recommend that the contract be cancelled.

3. The contractor must be prepared to undertake any removals from the police district or area contracted for at any hour and on any day when called upon by the police. In the event of the contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the contractor. Should any circumstances, however, make it necessary in any particular case that an immediate removal to a mortuary be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

4. When it becomes necessary to remove a dead body to the mortuary, and the next of kin present or the legal personal representative of the deceased makes request in person to the police to be allowed to employ the family undertaker to conduct such removal, the police may at their discretion accede to such request, provided such removal is effected at no cost to the Government, and, also, under the supervision of the police as in the case of a removal by the Government contractor. The contract is not to be considered as having been broken, infringed, or vitiated by such removal having been effected by other than the contractor.

5. Bodies to be removed to a mortuary shall be placed by the contractor before removal in shell coffins, watertight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the mortuary.

6. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

7. Under no circumstances will the contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the contractor to the immediate cancellation of his contract, and such other penalties as the Treasurer may direct; the decision of the Board as to whether any breach of this condition has taken place to be final and conclusive.

8. The account is to be rendered monthly to the officer ordering the service for payment by the Treasurer, Melbourne.

9. A refusal to execute orders, impropriety, neglect, or delay in conducting the removals will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding \$100, as the said Treasurer may direct, and the amount may be deducted from the contractor's account. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay to terminate the contract forthwith.

10. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contractor will be held liable for any loss which the Government

may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

11. Contractors are not at liberty to transfer their contracts, under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

12. The contract shall not be considered broken, infringed or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

BURIALS OF DESTITUTE PERSONS (COUNTRY TOWNS, ETC.)

1. The services are to be performed upon an order signed by a member of the Police Force of Victoria.

2. In the event of the contractor failing to attend punctually to the order the work will be otherwise performed, and any extra expense charged to the contractor.

3. As under section 52 of the *Cemeteries Act 1958*, cemetery fees may be remitted for burials of paupers, these fees should not be included in the tender. The police will make the necessary arrangement with the cemetery trustees for the remission of the fees when required.

4. The funerals are to be of the most economical description consistent with propriety.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length. Coffins must be fastened down with screws. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body.

6. The conveyance to be provided shall be a hearse for an adult, and a suitable covered vehicle for a child. The body shall be taken direct to the cemetery and no more than one body shall be carried in the hearse at a time. Mileage will be payable the distance the corpse is carried to the cemetery, but when other than the local cemetery is selected, mileage will be allowed on the distance travelled by the most direct route, from the town in which the contract is taken, to the cemetery. No mileage will be paid for the return journey from the cemetery.

7. The graves shall be dug of the proper depth, and in conformity with the cemetery regulations. The coffins shall be properly lowered into the graves, and the graves filled up again. The attendance of a Minister of the denomination of the deceased, as named in the order for the burial, must, if practicable, be provided, and the contractor will inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. The contractor will pay the Minister's fee for reading the burial services, if claimed, and he will be reimbursed the amount on producing the Minister's receipt. The charge should be included in the account for the funeral.

8. When burials are required to take place on Sundays, the contractor must comply with the order without delay. Any additional charge made by the cemetery authorities in such case must be paid by the contractor, who will be reimbursed on producing the receipt for the payment.

9. The cemetery at which the burial is to take place will be named in the order for the burial. The contractor is hereby bound to perform the service in any case, and to

any cemetery within a circuit of 12 miles of the police station if called upon to do so by the police who, however, have the option of employing any other undertaker for the performance of any service which may be required at a greater distance than 5 miles from the police station of the township above named.

10. Contractors are not at liberty to transfer their contracts under cover of power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Accounts, accompanied by a certificate that the burial service has been duly performed, are to be rendered monthly to the officer-in-charge of the police station concerned, and payment will be made from the State Treasury, Melbourne, by cheque.

12. Under no circumstances will a contractor be permitted to abandon his contract. In the event of any charge of neglect or impropriety in the conduct of funerals being established to the satisfaction of the State Tender Board against the contractor, the Secretary of the Tender Board may cancel the contract forthwith.
