Victoria Government Gazette

No. 109—Friday, 12 December 1980

VICTORIA POLICE

MURDER

REWARD

The co-operation of the general public is sought with a view to establishing the identity of the person or persons responsible for the death of Barbara Ellen Dawson, who was found dead in water beside a causeway at Kororoit Creek, Racecourse Road, Altona, on 1 November 1980.

A reward of fifty thousand dollars (\$50 000) will be paid, at the discretion of the Chief Commissioner of Police, by the Government of Victoria for information leading to the apprehension and conviction of the person or persons responsible for this murder.

Any information, which will be treated as confidential, may be given at any time of the day or night to the Officer in Charge, Criminal Investigation Branch, Russell Street, Melbourne, (Telephone No. 662 0911) or the Officer in Charge of any Police Station.

L. H. S. THOMPSON
Minister for Police and Emergency Services

Melbourne, 10 December 1980

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to ensure the validity of the results.

3. The third part of the document describes the different types of data that are collected and how they are used to inform decision-making. It notes that a combination of quantitative and qualitative data is often used to provide a comprehensive view of the organization's performance.

4. The fourth part of the document discusses the challenges associated with data collection and analysis. It identifies common issues such as data quality, consistency, and availability, and provides strategies to address these challenges.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It emphasizes the importance of ongoing monitoring and evaluation to ensure that the organization remains on track and is able to adapt to changing circumstances.
